State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR or the transition report or portion thereof, could not be filed within the prescribed time period.

On October 26, 2005, the Audit Committee of Nanometrics Incorporated (the Company), acting on a recommendation from our management, determined that the Company's audited financial statements for the fiscal year ended January 1, 2005, and its unaudited quarterly financial statements for the periods ended April 2, 2005 and July 2, 2005, should be restated. The restatements relate to the Company's (i) deferral of revenue associated with extended service contracts purchased by certain customers at the time of equipment sale, (ii) alignment of the warranty accrual with the actual warranty periods for certain customers and (iii) accrual of certain foreign sales commission expenses in the appropriate period.

The Company's Form 10-Q for the quarter ended October 1, 2005 will not be timely filed because of delays, related to the restatements, in the preparation of the Company's unaudited financial statements to be included in the Form 10-Q. The Company is currently working expeditiously to conclude the restatements. For additional information, please refer to the Company's Form 8-K filed with the Securities and Exchange Commission on October 27, 2005.
