*Amendment to Loan and Security Agreement*

On November 11, 2005, the Company and certain of its subsidiaries entered into an amendment to the Company's \$80 million revolving credit facility with Bank of America, N.A. (the Lender). The amendment effects the following changes:

Eliminates the application of the Fixed Charge Coverage Ratio test for the periods ended September 30, 2005 and October 31, 2005;

Requires that the Company maintain a minimum borrowing availability under the facility of at least \$12 million, or if availability falls below \$12 million, the Company must provide cash collateral in the amount of such shortfall. As of November 11, 2005, availability under this facility was \$14.7 million. As of the same date, the Company's cash position was \$26.3 million; and

Provides that the interest rate applicable to the Company's obligations under the credit facility will be increased by 50 basis points during the period ending on the earlier of March 31, 2006 or such time as the Lender syndicates the credit facility. The interest rate in effect thereafter remains unchanged.

The Company believes that it will be necessary to enter into another amendment to the credit facility before December 31, 2005 for the purpose of further amending the required Fixed Charge Coverage Ratio.

On November 14, 2005 the Company issued a press release announcing the foregoing matters, a copy of the which is filed as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated herein in its entirety.

*Settlement of Litigation*

On November 14, 2005, Integrated Electrical Services, Inc. (the Company) announced that it has agreed to a settlement amount in two pending lawsuits. The first is an agreement to settle litigation related to the jury verdict in favor of the Company announced on April 24, 2005 relating to a contract dispute involving a subsidiary of the Company. The settlement amount is \$7.25 million. It is anticipated that this amount will be paid to the Company, subject to agreement on the final settlement documents this month. Additionally, the Company settled an outstanding prevailing wage case that was pending against a closed subsidiary. That settlement amount of \$2.325 million will be paid by the Company. It is anticipated that payment of \$1.5 million will be made December 1, 2005 with the remaining amount due on or before May 1, 2006.

The Company continues to pursue initiatives and discussions with third parties related to its previously announced refinancing or deleveraging activities with the Gordian Group.
