INFORMATION ABOUT THE MEETING

This Proxy Statement

We have sent you this proxy statement and the enclosed proxy card because our board of directors is soliciting your proxy to vote at our 2006 Annual Meeting of Stockholders or any adjournment or postponement of the meeting. The meeting will be held at 10:00 A.M., central daylight savings time, on Tuesday, April 25, 2006, at The Ritz-Carlton, 100 Carondelet Avenue, St. Louis, Missouri.

THIS PROXY STATEMENT summarizes information about the proposals to be considered at the meeting and other information you may find useful in determining how to vote.

THE PROXY CARD is the means by which you actually authorize another person to vote your shares in accordance with the instructions.

Our directors, officers and employees may solicit proxies in person or by telephone, mail, electronic mail or facsimile. We will pay the expenses of soliciting proxies, although we will not pay additional compensation to these individuals for soliciting proxies. We will request banks, brokers and other nominees holding shares for a beneficial owner to forward copies of the proxy materials to those beneficial owners and to request instructions for voting those shares. We will reimburse these banks, brokers and other nominees for their related reasonable expenses. Although no proxy solicitor has been engaged at this time, we may determine it is necessary to employ an outside firm to assist in the solicitation process. If so, we will pay the proxy solicitor reasonable and customary fees.

We are mailing this proxy statement and the enclosed proxy card to stockholders for the first time on or about March 15, 2006. In this mailing, we are including a copy of our 2005 Annual Report to Stockholders.

Who May Vote

Holders of record of our common stock at the close of business on March 3, 2006 are entitled to one vote per share on each matter properly brought before the meeting. The enclosed proxy card states the number of shares you are entitled to vote.

A list of stockholders entitled to vote will be available at the meeting. In addition, you may contact our Secretary, Karey L. Witty, at our address as set forth in the notice appearing before this proxy statement, to make arrangements to review a copy of the stockholder list at our offices located at Centene Place, 7711 Carondelet Avenue, St. Louis, Missouri, before the meeting, between the hours of 8:00 A.M. and 5:00 P.M., central daylight savings time, on any business day from April 11, 2006 up to one hour prior to the time of the meeting.

How to Vote

Edgar Filing: CENTENE CORP - Form DEF 14A

You may vote your shares at the meeting in person or by proxy:

TO VOTE IN PERSON, you must attend the meeting, and then complete and submit the ballot provided at the meeting.

TO VOTE BY PROXY, you must follow the instructions on the enclosed proxy card and then vote via internet, telephone or mail the proxy card in the enclosed postage-paid envelope. Your proxy will be valid only if you vote before the meeting. By voting, you will direct the designated persons to vote your shares at the meeting in the manner you specify in the proxy card. If you complete the proxy card with the exception of the voting instructions, then the designated persons will vote your shares in accordance with the instructions contained therein, and if no choice is specified, such proxies will be voted in favor of the matters set forth in the accompanying Notice of Annual Meeting. If any other business properly comes before the meeting, the designated persons will have the discretion to vote your shares as they deem appropriate.

Table of Contents

Even if you complete and return a proxy card, you may revoke it at any time before it is exercised by taking one of the following actions:

send written notice to Karey L. Witty, our Secretary, at our address as set forth in the notice appearing before this proxy statement;

send us another signed proxy with a later date; or

attend the meeting, notify our Secretary that you are present, and then vote by ballot.

If your shares are held in the name of a bank, broker or other nominee holder, you will receive instructions from the holder of record explaining how your shares may be voted. Please note that, in such an event, you must obtain a proxy, executed in your favor, from the holder of record to be able to vote at the meeting.

Attending the Annual Meeting

If you would like to attend the meeting, please bring evidence to the meeting that you own common stock, such as a stock certificate, or, if your shares are held by a broker, bank or other nominee, please bring a recent brokerage statement or a letter from the nominee confirming your beneficial ownership of such shares. You must also bring a form of personal identification.

Quorum Required to Transact Business

At the close of business on March 3, 2006, 43,027,167 shares of our common stock were outstanding. Our by-laws require that a majority of the shares of our common stock outstanding on that date be represented, in person or by proxy, at the meeting in order to constitute the quorum we need to transact business. We will count abstentions and broker non-votes in determining whether a quorum exists. A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power for that particular item and has not received instructions from the beneficial owner.

In the election of directors, the three nominees receiving the greatest number of votes cast FOR shall be elected as directors. Abstentions and broker non-votes will have no effect on the voting outcome with respect to the election of directors.

The affirmative vote of the holders of a majority of the shares of common stock present or represented and voting on the matter at the meeting is necessary to ratify the selection of KPMG LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2006. Abstentions and broker non-votes will have no effect upon the outcome with respect to the ratification of the selection of the independent registered public accounting firm.

DISCUSSION OF PROPOSALS

Proposal One: Election of Class II Directors

The first proposal on the agenda for the meeting is the election of three nominees to serve as Class II directors for three-year terms beginning at the meeting and ending at our 2009 Annual Meeting of Stockholders.

Under our by-laws, our board of directors has the authority to fix the number of directors, provided that the board must have between five and eleven members. The board of directors currently consists of six members. Our by-laws provide that the board is to be divided into three classes serving for staggered three-year terms.

The board has nominated Robert K. Ditmore and David L. Steward, current Class II directors, for re-election and Frederick H. Eppinger for initial election to the board. Brief biographies of the nominees, as of March 3, 2006, follow. You will find information about their stock holdings on page 20.

Robert K. Ditmore

Mr. Ditmore has been a director since 1996. Mr. Ditmore was the President and Chief Operating Officer of United Healthcare Corp., a publicly traded managed care organization now known as UnitedHealth Group Incorporated, from 1985 to 1991, and a director of UnitedHealth Group Incorporated from 1985 to 1995. Mr. Ditmore is 72 years old.

Frederick H. Eppinger

Mr. Eppinger has served as a Director and President and Chief Executive Officer of The Hanover Insurance Group, Inc., a holding company for a group of insurers that offers a wide range of property and casualty products, since 2003. From 2001 to 2003, Mr. Eppinger was Executive Vice President of Property and Casualty Field and Service Operations for The Hartford Financial Services Group, Inc. From 2000 to 2001, he was Executive Vice President for ChannelPoint, Inc. From 1985 to 2000, he was in the financial institutions group at McKinsey & Company, an international management consulting firm, where he was admitted as a partner in 1992. Mr. Eppinger is 47 years old.

David L. Steward

Mr. Steward has been a director since May 2003. Mr. Steward is the founder of World Wide Technology, Inc. and has served as its Chairman since its founding in 1990. In addition, Mr. Steward has served as Chairman of Telcobuy.com, an affiliate of World Wide Technology, Inc., since 1997. World Wide Technology, Inc. and Telcobuy.com provide electronic procurement and logistics services to companies in the information technology and telecommunications industries. He also serves as director of First Banks, Inc., a registered bank holding company. Mr. Steward is 54 years old.

We expect that Messrs. Ditmore, Eppinger and Steward will be able to serve if elected. If any of them is not able to serve, proxies may be voted for a substitute nominee or nominees.

The board believes the election of these three nominees is in our best interest and the best interest of our stockholders and recommends a vote FOR the election of the three nominees.

Proposal Two: Ratification of Appointment of Independent Registered Public Accounting Firm

KPMG LLP has served as our independent registered public accounting firm since June 2005 and audited our financial statements for the fiscal year ended December 31, 2005. The audit committee has selected KPMG LLP to serve as our independent registered public accounting firm for the current fiscal year, and we are asking stockholders to ratify this appointment. Stockholder ratification of this selection is not required by our by-laws or

Table of Contents

other applicable legal requirements. Our board of directors is, however, submitting the selection of KPMG LLP to stockholders for ratification as a matter of good corporate practice. In the event that stockholders fail to ratify the selection, the audit committee will consider whether or not to retain that firm. Even if the selection is ratified, the audit committee, in its discretion, may direct the appointment of a different independent registered public accounting firm at any time during the year if the audit committee believes that a change would be in our and our stockholders best interest.

The affirmative vote of the holders of a majority of the shares present or represented by proxy and entitled to vote at the meeting is being sought to ratify the selection of KPMG LLP as our independent registered public accounting firm for the current fiscal year.

The board recommends that stockholders vote FOR the ratification of the selection of KPMG LLP to serve as our independent registered public accounting firm for the fiscal year ending December 31, 2006.

Other Matters

Our board of directors is not aware of any matters that are expected to come before the meeting other than those referred to in this proxy statement. If any other matter should properly come before the meeting, the persons named in the accompanying proxy card intend to vote the proxies in accordance with their best judgment.

The chairperson of the meeting may refuse to allow the transaction of any business not presented beforehand, or to acknowledge the nomination of any person not made, in compliance with the above procedures.

Submission of Future Stockholder Proposals

Under SEC rules, a stockholder who intends to present a proposal, including nomination of a director, at our 2007 Annual Meeting of Stockholders and who wishes the proposal to be included in the proxy statement for that meeting must submit the proposal in writing to Karey L. Witty, our Secretary, at Centene Place, 7711 Carondelet Avenue, St. Louis, Missouri 63105, before January 1, 2007. SEC rules set standards for the types of stockholder proposals and the information that must be provided by the stockholder making the request.

A stockholder may also submit a proposal to be considered at our 2007 Annual Meeting of Stockholders pursuant to our by-laws, which provide that the proposal must be received by our Secretary not less than sixty days nor more than ninety days before that meeting. This notice must include the information required by the provisions of our by-laws, a copy of which may be obtained by writing to our Secretary at the address specified above. We have not yet set a date for our 2007 Annual Meeting of Stockholders. If the 2007 Annual Meeting of Stockholders were to be held on April 25, 2007, the anniversary of the 2006 Annual Meeting, the deadline for delivery of a stockholder proposal pursuant to our by-laws would be February 24, 2007. If a proposal is submitted pursuant to our by-laws by February 24, 2007 but after January 1, 2007, the stockholder may not require that the proposal be included in the proxy statement for the 2007 Annual Meeting of Stockholders. If the date of our 2007 Annual Meeting of Stockholders is advanced or delayed by more than 30 days from April 25, 2007, we shall inform our stockholders, in our earliest possible quarterly report on Form 10-Q, of such change and the new dates for submitting stockholder proposals.

INFORMATION ABOUT CORPORATE GOVERNANCE

General

We believe that good corporate governance is important to ensure that we are managed for the long-term benefit of our stockholders. Our Corporate Ethics and Compliance Program was first established in 1998 and provides methods by which we further enhance operations, safeguard against fraud and abuse and help assure that our values are reflected in everything we do. We have also reviewed and believe we are in compliance with the provisions of the Sarbanes-Oxley Act of 2002, the rules of the SEC, and the listing standards of the New York Stock Exchange.

Board and Committee Meetings

Our board of directors has responsibility for establishing broad corporate policies and reviewing our overall performance rather than day-to-day operations. The board's primary responsibility is to oversee the management of the company and, in so doing, serve the best interests of the company and its stockholders. The board selects, evaluates and provides for the succession of executive officers and, subject to stockholder election, directors. It reviews and approves corporate objectives and strategies, and evaluates significant policies and proposed major commitments of corporate resources. Management keeps the directors informed of our activities through regular written reports and presentations at board and committee meetings.

Our board held five regular meetings and ten special meetings through telephone conference calls during 2005 and acted by written consent three times. Additionally, a board retreat is held on an annual basis to focus on our strategic direction. All of our directors attended 75% or more of the meetings of the board and of any committees thereof on which they served. Our corporate governance guidelines provide that directors are expected to attend the 2006 Annual Meeting of Stockholders. Six directors attended the 2005 Annual Meeting of Stockholders.

Our board of directors has appointed Robert K. Ditmore, presiding director, to preside at all executive sessions of non-management directors, as defined under the rules of the New York Stock Exchange. Executive sessions of non-management directors will be held at least twice a year.

Our board of directors has established three standing committees—Audit, Compensation, and Nominating and Governance—each of which operates under a charter that has been approved by our board. Current copies of each committee's charter are posted on our website, www.centene.com.

Our board of directors has affirmatively determined that all directors except Michael F. Neidorff, our Chairman and Chief Executive Officer, and, therefore, a majority of our directors, as well as all of the members of each of the board's three standing committees, are independent as defined under the rules of the New York Stock Exchange, including, in the case of all members of the Audit Committee, the independence requirements contemplated by Rule 10A-3 under the Exchange Act. All directors, excluding Michael F. Neidorff, have no relationship with us except for their role as director and stockholder. The board also broadly considers what it deems to be all relevant facts and circumstances in determining the independence of its members.

Audit Committee

The Audit Committee's responsibilities include:

appointing, retaining, evaluating, terminating, approving the compensation of, and assessing the independence of our independent registered public accounting firm;

overseeing the work of our independent auditor, including through the receipt and consideration of certain reports from the independent registered public accounting firm;

reviewing and discussing with management and the independent registered public accounting firm our annual and quarterly financial statements and related disclosures;

Table of Contents

monitoring our internal control over financial reporting, disclosure controls and procedures and code of business conduct and ethics;

overseeing our internal audit function;

discussing our risk management policies;

establishing policies regarding hiring employees from our independent registered public accounting firm and procedures for the receipt and retention of accounting related complaints and concerns;

meeting independently with our internal auditing staff, independent registered public accounting firm and management; and

preparing the audit committee report required by SEC rules (which is included on page 12 of this proxy statement).

The board has determined that John R. Roberts is an audit committee financial expert as defined in Item 401(h) of Regulation S-K.

The current members of the Audit Committee are Steve Bartlett, John R. Roberts and David L. Steward. The Chairman of the Audit Committee is John R. Roberts. The Audit Committee held four regular and one special meeting in 2005.

Compensation Committee

The Compensation Committee's responsibilities include:

annually reviewing and approving corporate goals and objectives relevant to our chief executive officer's compensation;

determining our chief executive officer's compensation;

reviewing and approving, or making recommendations to the board with respect to, the compensation of our other executive officers;

overseeing an evaluation of our senior executives;

overseeing and administering our equity incentive plans; and

reviewing and making recommendations to the board with respect to director compensation.

Edgar Filing: CENTENE CORP - Form DEF 14A

The current members of the Compensation Committee are Robert K. Ditmore and David L. Steward. The Chairman of the Compensation Committee is Robert K. Ditmore. The Compensation Committee met five times during 2005.

Nominating and Governance Committee

The Nominating and Governance Committee's responsibilities include:

identifying individuals qualified to become members of the board;

recommending to the board the persons to be nominated for election as directors and to each of the board's committees;

reviewing and making recommendations to the board with respect to management succession planning;

reviewing and recommending to the board corporate governance principles; and

overseeing an annual evaluation of the board's performance.

Director Candidates

The process followed by the Nominating and Governance Committee to identify and evaluate director candidates includes requests to board members and others for recommendations, meetings from time to time to evaluate biographical information and background material relating to potential candidates and interviews of selected candidates by members of the Nominating and Governance Committee and the board.

In considering whether to recommend any particular candidate for inclusion in the board's slate of recommended director nominees, the Nominating and Governance Committee will apply the criteria set forth in our Corporate Governance Guidelines. These criteria include the candidate's integrity, business acumen, knowledge of our business and industry, age, experience, diligence, conflicts of interest and the ability to act in the interests of all stockholders. The Nominating and Governance Committee does not assign specific weights to particular criteria and no particular criterion is a prerequisite for each prospective nominee. We believe that the backgrounds and qualifications of our directors, considered as a group, should provide a composite mix of experience, knowledge and abilities that will allow the board to fulfill its responsibilities.

Stockholders may recommend individuals to the Nominating and Governance Committee for consideration as potential director candidates by submitting their names, together with appropriate biographical information and background materials and a statement as to whether the stockholder or group of stockholders making the recommendation has beneficially owned more than 5% of our common stock for at least one year as of the date such recommendation is made, to Nominating and Governance Committee, c/o Corporate Secretary, Centene Corporation, Centene Place, 7711 Carondelet Avenue, St. Louis, Missouri 63105. Assuming that appropriate biographical and background material has been provided on a timely basis, the Nominating and Governance Committee will evaluate stockholder-recommended candidates by following substantially the same process and applying substantially the same criteria as it follows for candidates submitted by others.

Stockholders also have the right under our bylaws to directly nominate director candidates, without any action or recommendation on the part of the Nominating and Governance Committee or the board, by following the procedures set forth under "Submission of Future Stockholder Proposals" of this proxy statement.

At the Annual Meeting, stockholders will be asked to consider the election of Frederick H. Eppinger, who has been nominated for election as a director for the first time. Mr. Eppinger was originally proposed to the Nominating and Governance Committee by Sathe Executive Search and the board determined to include him among its nominees.

Communicating with Independent Directors

The board will give appropriate attention to written communications that are submitted by stockholders and other interested parties, and will respond if and as appropriate. The chairman of the Nominating and Governance Committee, with the assistance of our chief executive officer, is primarily responsible for monitoring communications from stockholders and other interested parties and for providing copies or summaries to the other directors as he or she considers appropriate.

Edgar Filing: CENTENE CORP - Form DEF 14A

Under procedures approved by a majority of the independent directors, communications are forwarded to all directors if they relate to important substantive matters and include suggestions or comments considered to be important for the directors to know. In general, communications relating to corporate governance and long-term corporate strategy are more likely to be forwarded than communications relating to ordinary business affairs, personal grievances and matters as to which we tend to receive repetitive or duplicative communications.

Stockholders who wish to send communications on any topic to the board should address such communications to Board of Directors c/o Corporate Secretary, Centene Corporation, Centene Place, 7711 Carondelet Avenue, St. Louis, Missouri 63105.

Our board of directors has adopted a Code of Business Conduct and Ethics which is applicable to all employees of the Company, including the principal executive officer and principal financial officer. While no code of conduct can replace the thoughtful behavior of an ethical director, officer or employee, we feel the Code of Business Conduct and Ethics will, among other things, focus our board and management on areas of ethical risk, provide guidance in recognizing and dealing with ethical issues, provide mechanisms to report unethical conduct and generally help foster a culture of honesty and accountability. Any amendment or waiver of the Code of Business Conduct and Ethics may only be made by the board or a committee of the board. A current copy of the Code of Business Conduct and Ethics is posted on our website, www.centene.com. Any future amendments or waivers of the Code of Business Conduct and Ethics will be promptly disclosed on our website. Directors who are also our employees receive no additional compensation for serving on our board of directors.

In addition, the board has in the past granted, and may in the future grant, stock options and other equity awards to both employee and non-employee directors under our stock plans.

Audit Committee Report

The Audit Committee of Centene Corporation is entirely composed of independent directors and operates under a written charter adopted by the board of directors. The charter is available on the company's website, www.centene.com. In addition, copies of the Audit Committee charter are available to all stockholders upon request.

Management is responsible for the preparation of Centene's consolidated financial statements and for establishing and maintaining an adequate system of disclosure controls and procedures and internal control over financial reporting for that purpose. KPMG LLP, as independent registered public accountants for Centene, is responsible for performing an independent audit of our consolidated financial statements and of the Company's internal control over financial reporting and issuing a report thereon, in accordance with standards established by the Public Company Accounting Oversight Board (PCAOB). The Audit Committee's responsibility is to monitor and provide independent, objective oversight of these processes. The Audit Committee has implemented procedures to ensure that during the course of each fiscal year it devotes the attention it deems necessary and appropriate to each of the matters assigned to it under its charter.

The Audit Committee met and held discussions with management and the independent registered public accountants to review and discuss all financial statements for the fiscal year ended December 31, 2005 before their issuance and to discuss significant accounting issues. Management represented to the Audit Committee that the consolidated financial statements were prepared in accordance with generally accepted accounting principles. The Audit Committee has received from and discussed with KPMG LLP matters required to be discussed under the PCAOB standards, SEC rules, and Statement on Auditing Standards (SAS) No. 61, as amended by SAS No. 90 (Communication with Audit Committees) including, among other things, the following:

methods to account for significant unusual transactions;

the quality of the Centene's accounting principles, including the effect of significant accounting policies in controversial or emerging areas;

Table of Contents

the process used by management in formulating particularly sensitive accounting estimates, the reasonableness of significant judgments, and the basis for the conclusions of KPMG LLP regarding the reasonableness of those estimates;

disagreements with management over the application of accounting principles, the basis for management's accounting estimates and the disclosures in the financial statements; and

internal control deficiencies.

KPMG LLP also provided the Audit Committee with the written disclosures and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees). Independence Standards Board Standard No. 1 requires auditors, among other things, annually to:

disclose in writing all relationships that in the auditor's professional opinion may reasonably be thought to bear on independence;

confirm their perceived independence; and

engage in a discussion of independence.

The Audit Committee has discussed with KPMG LLP their independence with respect to Centene, including a review of audit and non-audit fees and services and concluded that KPMG LLP is independent.

Based on its discussions with management and KPMG LLP and its review of the representations and information provided by management and KPMG LLP, the Audit Committee recommended to Centene's board of directors that the audited consolidated financial statements be included in Centene's Annual Report on Form 10-K for the year ended December 31, 2005.

Independent Registered Public Accounting Firm

Edgar Filing: CENTENE CORP - Form DEF 14A

Our board of directors, upon the recommendation of the Audit Committee, has selected KPMG LLP to serve as our independent registered public accounting firm for the year ending December 31, 2006. See Discussion of Proposals Proposal Two: Ratification of Appointment of Independent Registered Public Accounting Firm. KPMG LLP has served as our independent registered public accounting firm since June 8, 2005. We expect that representatives of KPMG LLP will be present at our Annual Meeting of Stockholders to answer appropriate questions. They will have the opportunity to make a statement if they desire to do so.

On June 8, 2005, our board of directors, upon the recommendation of the Audit Committee, dismissed PricewaterhouseCoopers LLP, or PWC, as our independent registered public accounting firm and engaged KPMG LLP to serve as our independent registered public accounting firm for the year ended December 31, 2005.

PWC's reports on our consolidated financial statements for each of the fiscal years ended December 31, 2003 and 2004 did not contain an adverse opinion or disclaimer of opinion, nor were those reports qualified or modified as to uncertainty, audit scope or accounting principles.

During the years ended December 31, 2003 and 2004 and through June 8, 2005, we did not have any disagreements with PWC on any matter of accounting principle or practice, financial statement disclosure or auditing scope or procedure that, if not resolved to PWC's satisfaction, would have caused PWC to make

references to the subject matter in connection with PWC's reports on our consolidated financial statements for those years.

In addition, we believe there were no reportable events, as defined in Item 304(a)(1)(v) of Regulation S-K, for the years ended December 31, 2003 and 2004.

The following table discloses the aggregate fees billed by KPMG LLP in 2005 and PWC in 2005 and 2004, our independent registered public accounting firms (\$ in thousands):

Tax Fees (2)			188
All Other Fees			

(1) Audit-Related Fees are primarily related to audits of employee benefit plans, acquisition due diligence and internal control reviews.

(2) Tax Fees are primarily related to tax planning and tax compliance.

The Audit Committee has adopted policies and procedures relating to the approval of all audit and non-audit services that are to be performed by our independent registered public accounting firm. This policy generally provides that we will not engage our independent registered public accounting firm to render audit or non-audit services unless the service is specifically approved in advance by the Audit Committee or the engagement is entered into pursuant to one of the pre-approval procedures described below.

From time to time, the Audit Committee may pre-approve specified types of services that are expected to be provided to us by our independent registered public accounting firm during the next 12 months. Any such pre-approval is detailed as to the particular service or type of services to be provided and is also generally subject to a maximum dollar amount.

The Audit Committee has also delegated to the chairman of the Audit Committee the authority to approve any audit or non-audit services to be provided to us by our independent registered public accounting firm. Any approval of services by the chairman of the Audit Committee pursuant to this delegated authority is reported on at the next meeting of the Audit Committee. All audit-related fees and tax fees for 2005 and 2004 were pre-approved by the Audit Committee, and no fees were provided under the de minimis exception to the audit committee pre-approval requirements.

(1) The amount reported as Other Annual Compensation for Mr. Neidorff in 2005 includes \$135,547 for personal usage of company provided aircraft. Pursuant to the policy established by our board, our Chairman and Chief Executive Officer is required to use company provided aircraft for all travel, a taxable benefit to Mr. Neidorff pursuant to the applicable Internal Revenue Service regulations. While this policy is required for the benefit of the company, we are voluntarily reporting the valuation of the personal use of this benefit by Mr. Neidorff in 2005. For flights on corporate aircraft, aggregate incremental cost is calculated based on a cost-per-flight-hour charge developed by a nationally recognized and independent service. This flight-hour charge reflects the direct operating costs of the aircraft, including fuel, additives and lubricants, airport fees and assessments, as well as aircraft landing and parking, customs and permit fees, in-flight supplies and food, and flight planning and weather services. In addition, the flight-hour charge provides for periodic engine and auxiliary power unit overhauling, outside labor and maintenance parts for the airframe, engine and avionics, crew travel expenses and other miscellaneous costs. The other amounts for our named executive officers represent matching payments under our 401(k) and deferred compensation plans, life insurance benefits, and consulting services to

Our compensation policies do not provide for other perquisites such as a defined benefit pension plan, retiree healthcare (except to the extent required by Mr. Neidorff's employment contract), tax gross-ups for taxable benefits, company provided vehicles or payment of country club memberships.

(2) The restricted stock unit award for Mr. Neidorff was awarded in conjunction with his employment agreement executed in November 2004 and discussed on page 16. The restricted stock unit award consists of 600,000 shares which vest in 2009 and 400,000 shares which vest from 2010 to 2014. The amount shown as Restricted Stock Unit Awards is the value as of the grant date. At December 31, 2005 the value of the award is \$26,290,000. The restricted stock unit awards in 2005 for Messrs. Drozda, Donovan, Scheffel and Witty consist

of 2,000, 3,000, 5,000, and 5,000 shares, respectively, which vest 20% per year in 2006 through 2010. At December 31, 2005, the value of these awards is \$52,580, \$78,870, \$131,450, and \$131,450, respectively.

Karey L. Witty	7,500	1.0%	\$ 25.40	12/13/15	\$ 96,853

Each option included in the preceding table has an exercise price per share equal to the fair market value per share of our common stock on the date of grant.

The values reflected in the preceding table represent the grant-date present value calculated using a Black-Scholes option pricing model, consistent with the value expensed over the vesting period in our consolidated financial statements under SFAS 123R. The actual gains, if any, on the exercises of stock options will depend on the future performance of the common stock, the option holder's continued employment through the option period, and the date on which the options are exercised.

Certain stock options that are otherwise unvested may be exercised for shares that are subject to vesting and a repurchase option at the exercise price. Shares underlying options granted under our Stock Plans automatically vest in full upon a change in control.

Employment Agreements

Michael F. Neidorff serves as Chairman of our board of directors and our Chief Executive Officer pursuant to an employment agreement dated November 8, 2004. The term of the employment agreement extends until November 8, 2014. Under this agreement, we currently pay Mr. Neidorff an annual salary of \$950,000, which is subject to an annual review by our board of directors. Mr. Neidorff is eligible for an annual target bonus of 125% of base salary and a maximum annual bonus equal to not less than 200% of base salary. The agreement also awarded Mr. Neidorff 1,000,000 restricted stock units as of November 8, 2004. Mr. Neidorff has agreed not to compete with us or solicit any of our employees during the term of his employment and for 12 months thereafter. Mr. Neidorff's employment may be terminated by us for cause or permanent disability or by Mr. Neidorff for good reason. If Mr. Neidorff is terminated by us without cause or if he terminates for good reason he is entitled to receive salary continuation for a period of 36 months or the remaining term of the agreement, whichever is shorter (but not less than six months), lifetime health and dental coverage to which he would be entitled under the Consolidated Omnibus Budget Reconciliation Act of 1985, or COBRA, lifetime life insurance coverage, lifetime medical insurance for him and his eligible dependents, full acceleration of any unexercised stock options or other equity awards held by him, and acceleration of a portion of unvested restricted stock units awarded pursuant to the agreement based on certain stipulations. Upon change in control during the term of this agreement, any unvested restricted stock units and any unexercised stock options or other equity awards held by Mr. Neidorff will vest in full.

Joseph P. Drozda, Jr., James D. Donovan, Jr., William N. Scheffel, and Karey L. Witty serve as executive officers pursuant to executive severance and change in control agreements (the agreements) dated May 19, 2005. Under these agreements, we currently pay annual salaries of \$395,000, \$400,000, \$425,000 and \$400,000 to Messrs. Drozda, Donovan, Scheffel and Witty, respectively.

The agreements generally provide that, if within 24 months following a change in control (as defined), the executive's employment is terminated by us other than for cause (as defined in the agreements) or by the executive for good reason (as defined), the executive will receive a cash payment equal to the sum of (a) an amount equal to 24 months of salary, (b) the average of the executive's last two annual bonuses and (c) a prorated annual bonus for the year in which the termination occurs. The executive also will receive 18 months of medical coverage, and the executive's existing equity awards will vest in full.

The agreements also generally provide that, if an executive's employment is terminated by us other than for cause or by the executive for good reason in the absence of a change in control, the executive will receive 12 months of salary continuation, a prorated annual bonus for the year in which the termination occurs, 12 months of medical coverage, and 12 months of continued vesting of the executive's existing equity awards.

In the agreements, the executives agree to non-competition and non-solicitation provisions that extend through the first anniversary of termination of employment, regardless of the reason for termination.

Compensation Committee Report

The Compensation Committee consists of two directors who are not officers or employees of Centene or of any of its affiliates and who are considered independent directors as defined by the applicable rules of the New York Stock Exchange. The Compensation Committee has overall

Edgar Filing: CENTENE CORP - Form DEF 14A

responsibility for evaluating director compensation plans and evaluating and approving officer compensation plans, policies and programs of Centene. This includes approving all of the policies under which compensation is paid or awarded to the executives, and individually reviewing the performance of, and compensation actions affecting the company's chief executive

Table of Contents

officer, senior executive officers and other named officers. The Compensation Committee also administers our equity plans and is responsible for producing an annual report on executive compensation.

In 2005, the Compensation Committee utilized independent consultants to provide advice with respect to the base salaries, bonuses and long-term incentives of Centene's executive officers. The consultants analyzed the compensation levels of executive officers of a peer group of companies for the most recently completed fiscal years and used proprietary valuation methodologies to value the long-term incentive compensation levels of the officers of the companies in the peer group. The Compensation Committee considered this information in reviewing executive compensation for Centene in 2005 and, in particular, establishing bonuses payable for 2005, in order to advance the Compensation Committee's philosophy of compensating Centene's executive officers at competitive levels while at the same time supporting Centene's commitment to enhancing stockholder value.

Philosophy

The Compensation Committee administers the executive compensation program. The key compensation goals are to hire, motivate, reward and retain executives who create long-term investor value. The philosophy of the Compensation Committee as it relates to executive compensation is that the chief executive officer and other executive officers should be compensated at competitive levels sufficient to attract, motivate and retain talented executives who are capable of leading Centene in achieving its business objectives in an industry facing increasing regulation, competition and change, while aligning the compensation of senior management with the long-term interests of stockholders.

The Compensation Committee has always viewed compensation as a total package that includes base salary, performance based bonus compensation and long-term equity compensation. The Compensation Committee recognizes that Centene does not provide a defined benefit pension plan nor retiree health care so it is important that executives who are high performers are compensated at levels that may exceed their counterparts in industries that provide these types of company provided welfare benefits.

Salary and Bonus

Annual compensation for senior management consists of base salary and, when appropriate, bonus compensation. Salary is paid for ongoing performance throughout the year. Bonuses are based upon the Compensation Committee's evaluation of each executive officer's individual performance in the prior year in the context of the Compensation Committee's assessment of the overall performance of the company and the executive's business unit. Salary levels of executives are reviewed and adjusted annually, and any bonuses are normally awarded annually.

In determining appropriate salaries, the Compensation Committee considers: (1) the chief executive officer's recommendations as to compensation for all other executive officers; (2) the scope of responsibility, experience, time in position and individual performance of each officer, including the chief executive officer; (3) the effectiveness of each executive's leadership performance and potential to enhance long-term stockholder value and (4) compensation levels at institutions of comparable size and complexity as determined by independent consultants. The Compensation Committee's analysis is a subjective process that utilizes no specific weighting or formula of the aforementioned factors in determining executives' base salaries.

The Compensation Committee considers bonus compensation to be a motivational method for encouraging and rewarding outstanding individual performance, as well as the overall performance of Centene. Awards under the bonus plan are recommended to the board of directors by the

Edgar Filing: CENTENE CORP - Form DEF 14A

Compensation Committee based primarily upon: (1) the overall performance of Centene, including Centene's performance versus its business plan; (2) the performance of the individual officer including the effectiveness of each executive's leadership performance and potential to enhance long-term stockholder value; (3) bonus targets at companies of comparable size and complexity as determined by independent consultants and (4) the recommendation of the chief executive officer.

Table of Contents

The purpose of the bonus plan is to provide a special incentive to each executive to maximize his or her individual performance and the overall performance of Centene. Bonuses paid to senior management in 2005 were reduced from prior years, in part due to performance of the Company's common stock.

Option Grants

The Compensation Committee also considers stock option grants and awards to be an important motivational method for encouraging long-term superior performance, especially for senior officers. The Compensation Committee believes that stock options and awards provide management with a direct interest in the value of the common stock of Centene, thus aligning the interests of management with those of stockholders. Each executive officer holds options to purchase common stock of Centene.

Restricted Stock Units (RSU's)

RSU's are granted primarily to retain key executives and potential top management of the Company while building stock ownership, long-term equity and linking pay directly with stockholder return. Grants of RSU's are highly selective and limited to a small group of executives. The Compensation Committee views this program as an important succession planning and retention tool.

Compensation for the Chairman and Chief Executive Officer

The Compensation Committee recognizes that the industry in which Centene operates is highly competitive and is continually undergoing significant changes resulting in substantial demands for a qualified, experienced Chief Executive Officer. Significant opportunities exist in other companies for a skilled Chief Executive Officer. Therefore, the Compensation Committee determined it was in the best interest of the company to retain our Chairman and Chief Executive Officer, Michael F. Neidorff, to ensure continuity of leadership, provide a timeframe adequate to find a successor, and to continue to create long-term investor value. In order to meet those objectives, the company entered into an executive employment agreement with Mr. Neidorff, on November 8, 2004. The terms of the agreement are discussed on page 16.

The Compensation Committee reviewed the Chairman and Chief Executive Officer's performance during 2005 and approved the payment of a \$1,000,000 bonus to Mr. Neidorff for the year. In determining the bonus amount, the Committee considered, among other performance indicators, the Company's 50.4% growth in revenues to \$1.5 billion, a 22.7% increase in earnings from operations to \$79.2 million, earnings per share increase of 21.6% to \$1.24 per share and strong operating cash flows of \$74.0 million. The Compensation Committee believes Mr. Neidorff provided exceptional leadership to Centene in achieving these results.

Section 162(m)

Section 162(m) of the Internal Revenue Code generally disallows a tax deduction to a publicly traded company for compensation in excess of \$1 million paid to the company's chief executive officer and its four other most highly compensated executive officers. Some types of compensation, including qualified performance-based compensation, will not be subject to the deduction limit if specified requirements are met.

In general, Centene structures and administers its stock incentive plans in a manner intended to comply with the performance-based exception to Section 162(m). Additionally, Centene intends that its Short-Term Executive Compensation Plan complies with the performance-based exception to Section 162(m). Nevertheless, there can be no assurance that compensation attributable to awards granted under Centene's stock option plans or its Short-Term Executive Compensation Plan will be treated as qualified performance-based compensation under Section 162(m). In addition, the Compensation Committee reserves the right to use its judgment to authorize compensation payments that may be subject to the limit when the Compensation Committee believes such payments are appropriate and in the best interests of Centene and its stockholders, after taking into consideration changing business conditions and the performance of its employees.

Table of Contents***Stock Ownership Guidelines-Senior Executives***

As part of its compensation philosophy, the Compensation Committee believes our executive officers should have an ownership interest in Centene, which demonstrates confidence in Centene and aligns executive officers' interests with stockholders' interests. To accomplish this objective, the Compensation Committee has established guidelines for stock ownership for executive officers as follows:

<u>Position</u>	<u>Multiple of Base Salary</u>
Chief Executive Officer	5.0x
Executive Vice President	2.5x
Senior Vice President	2.0x

For the current executive officers, the number of shares that should be owned by the executive is determined based on the current base salary and share price as of the implementation date of these guidelines, which was February 2005. For executives promoted to these positions or a higher position, the number of shares to be held would be determined at the time of their promotion. In all cases, an executive would have five years to attain the level of stock ownership suggested under these guidelines.

The Compensation Committee will annually review the stock ownership levels of the executive officers. Future stock awards will take into consideration the executive's level of attainment of the suggested stock ownership amount.

Stock Ownership Guidelines-Non-Employee Directors

As part of its governance philosophy, the Compensation Committee believes that Centene's non-employee directors should have an ownership interest in Centene, which demonstrates confidence in Centene and aligns the directors' interests with stockholders' interests. To accomplish this, the board of directors has established guidelines that each director should own 10,000 shares of stock in Centene. A board member has five years to attain the level of stock ownership suggested under these guidelines, and ownership of restricted stock units can be used to accomplish this objective.
