**Item 1.01 Entry Into a Material Definitive Agreement.**

On July 12, 2006, the Company and certain of its subsidiaries entered into a new revolving facilities agreement, referred to as the 2006 revolving credit facilities, which provides for a US revolving facility with a borrowing capacity of \$65.0 million, a Canadian revolving facility with a borrowing capacity of \$5.0 million and a UK revolving facility with a borrowing capacity of \$15.0 million, and terminated its term loan and revolving credit facilities agreement dated March 15, 2004. All of the borrowing capacities under the 2006 revolving credit facilities agreement are subject to borrowing base limitations.

The 2006 revolving credit facilities agreement provides for interest at a rate based upon the ratio of Funded Debt to EBITDA, each as defined in the credit facility, and ranging from, at the Company's election, (1) a high of the London Interbank Offered Rate ( LIBOR ) plus 2.00% to a low of LIBOR plus 1.00% or (2) a high of a base rate plus 1.00% to a low of a base rate plus 0.00%. The Company will pay commitment fees related to this agreement on the undrawn portion of the facility, depending upon the ratio of Funded Debt to EBITDA, which were calculated at 0.25% at July 12, 2006.

Aggregate borrowings of \$18.0 million were outstanding under 2006 revolving credit facilities at July 12, 2006, which bore interest at an average rate of 8.25%. The Company prepaid \$1.8 million of the 2004 term loan and revolving credit facilities on July 12, 2006. The Company had letters of credit outstanding under the 2004 term loan and revolving credit facilities of \$9.3 million at that date, which became outstanding under the 2006 revolving credit facilities agreement. Fees related to these letters of credit were approximately 1.0% of the outstanding balance at July 12, 2006. These letters of credit support contract performance and warranties and expire at various dates through April 2008.

The 2006 revolving credit facilities agreement is secured by a first lien or first priority security interest in or pledge of substantially all of the assets of the borrowers and certain subsidiaries, including accounts receivable, inventory, equipment, intangibles, equity interests in US subsidiaries, 66 1/3% of the equity interest in active, non-US subsidiaries and interests in certain contracts. Assets of the Company and its active US subsidiaries secure the US, Canadian and UK revolving facilities, assets of the Company's Canadian subsidiary also secure the Canadian facility and assets of the Company's UK subsidiaries also secure the UK facility. The US facility is guaranteed by each US subsidiary of the Company, while the Canadian and UK facilities are guaranteed by NATCO Group Inc., each of its US subsidiaries and the Canadian subsidiary or the UK subsidiaries, as applicable.

The 2006 revolving credit facilities agreement contains restrictive covenants including, among others, those that limit the amount of Funded Debt to EBITDA, impose a minimum fixed charge coverage ratio and impose a minimum net worth requirement. Pursuant to the 2006 revolving credit facilities, the borrowers are not permitted to make any distributions of any property or cash to their respective stockholders other than dividends required under the Company's Series B Preferred Stock and certain other dividends not to exceed, in the aggregate, \$3 million per year, if certain conditions related to Funded Debt to EBITDA and borrowing capacity are met, or \$1.5 million per year, in the aggregate, if such conditions are not met.

A copy of the 2006 revolving credit facilities agreement is attached to this report as Exhibit 10.1, and is incorporated into this item by reference.
