#### THE SELLING STOCKHOLDERS

We are filing this registration statement pursuant to (a) Stock Purchase Agreements dated August 17, 2006, or the PIPE Agreements, between us and funds affiliated with the 17 accredited institutional investors listed on the table below under the heading "PIPE Selling Stockholders" (to whom we refer herein as the PIPE selling stockholders); (b) the Investor Rights Agreement (the "ACON Investor Agreement") dated March 31, 2006, among us, ACON, and the entities listed on the table below under the heading "ACON Selling Stockholders" (to whom we refer herein as the ACON selling stockholders), (c) the Stock Purchase Agreement (the "Techlab Agreement") entered into on May 17, 2006, among us and the entities listed on the table below under the heading "Techlab Selling Stockholders" (to whom we refer herein as the Techlab selling stockholders), and (d) a share sale and purchase agreement (the "Stankov Agreement") entered into on or about November 13, 2006, between us, Milovan Stankov and certain other parties.

The PIPE selling stockholders are offering up to an aggregate of 5,000,000 shares of our common stock issued to them pursuant to the Stock Purchase Agreements in a private placement at a price of \$30.25 per share. The ACON selling stockholders are offering up to an aggregate of 742,128 shares of our common stock sold to them as partial consideration our acquisition of the Innovacon business and the New Facility. The Techlab selling stockholders are offering up to an aggregate of 303,417 shares issued to them as consideration for our purchase from them of 49% of the capital stock of Techlab and Milovan Stankov is offering up to an aggregate of 49,787 shares issued to him as partial consideration for our purchase from him of a minority ownership position in Vedalab. We are registering the aforementioned shares of common stock in order to permit such selling stockholders to offer the shares for resale from time to time. We have agreed to pay all expenses in connection with this offering, not including underwriting discounts, concessions, commissions or fees of the selling stockholders or any fees and expenses of counsel or other advisors to the selling stockholders.

Under the terms of the PIPE Agreements, we agreed to file the registration statement of which this prospectus is a part to register the sale by the PIPE selling stockholders of the shares of common stock issued to them. We also agreed to keep the registration statement effective until the earlier of: (i) the date on which all shares of common stock then held by the PIPE selling stockholders and covered by this prospectus may be sold or transferred in compliance with Rule 144 under the Securities Act (or any other similar provisions then in force) without any volume or manner of sale restrictions thereunder, or (ii) such time as all shares of common stock held by the PIPE selling stockholders and covered by this prospectus have been sold (A) pursuant to a registration statement, (B) to or through a broker or dealer or underwriter in a public distribution or a public securities transaction, or (C) in a transaction exempt from the registration and prospectus delivery requirements of the Securities Act under Section 4(1) thereof so that all transfer restrictions and restrictive legends with respect thereto, if any, are removed upon the consummation of such sale.

Under the terms of the ACON Investor Agreement, we agreed to file the registration statement, of which this prospectus is a part, to register the sale by the ACON selling stockholders of the shares of common stock issued to them. We also agreed to keep the registration statement effective until the earlier of: (i) such time as all shares of common stock held by the ACON selling stockholders and covered by this prospectus have been sold pursuant to the registration statement or (ii) the date on which the ACON selling stockholders may sell all of the shares of common stock covered by the registration statement under Rule 144 of the Securities Act during any ninety (90)-day period without volume limitations.

The agreement governing our acquisition of the Innovacon business and the New Facility, or the ACON Agreement, obligates us to make additional \$10 million cash payment to the sellers, who are affiliates of the ACON selling stockholders, in March 2007. In addition, on March 31, 2006, we entered into a Second Territory Letter Agreement with ACON and certain affiliates, pursuant to which we have agreed to enter into a definitive

acquisition agreement on or before October 31, 2008 to acquire, on or before January 31, 2009, ACON's lateral flow immunoassay business for all parts of the world excluded from the Innovacon business, or the Second Territory Business, at a price equal to a multiple of revenues or pre-tax profits for the 12-month period beginning on the seventh calendar quarter commencing after the acquisition of the Innovacon business. The consideration for the acquisition of the Second Territory Business, if and when it occurs, will be paid approximately 71% in cash and 29% in shares of our common stock, though we may elect to pay the entire amount in cash. We may elect to terminate the acquisition of the Second Territory Business in the event that (i) there is a material adverse change in the Second Territory Business, (ii) the pre-tax profits of the Second Territory Business are less than 10% of revenues for certain defined periods or (iii) in the absence of (i) or (ii), our payment of 15% of the purchase price thereof as a breakup fee.

Under the terms of the Techlab Stock Purchase Agreement, pursuant to which we purchased 49% of the outstanding capital stock of Techlab, we agreed to file the registration statement of which this prospectus is a part to register the sale by the Techlab selling stockholders of the shares of common stock issued to them. We also agreed to (i) use commercially reasonable efforts to cause the registration statement to become effective no later than 9:00 a.m. on November 17, 2006, and (ii) keep the registration statement effective until the close of business on November 17, 2006. Under the terms of the Techlab Stock Purchase Agreement, however, we can suspend our efforts to file and cause the registration statement to become effective for no more than 120 days if we in good faith conclude, in our sole discretion, after consultation with our legal counsel, that it is advisable to suspend use of any prospectus as a result of pending corporate developments, the disclosure requirements of the securities laws or other events which we deem material, or when the filing or effectiveness of the registration statement could, in our opinion, after consultation with our financial advisors, impair our ability to pursue a financing, acquisition or other transaction.

Through our wholly-owned subsidiaries Wampole Laboratories LLC (Wampole) and Inverness Medical Switzerland GmbH, we also entered into a Distribution Agreement on May 17, 2006 with Techlab (the Techlab Distribution Agreement) in connection with the acquisition of the Techlab stock. Under the terms of the Techlab Distribution Agreement, Techlab appointed Wampole as the exclusive distributor of Techlab's human diagnostic products throughout the world. Unless terminated earlier, the Techlab Distribution Agreement will continue to be in effect until two years after the date on which we first hold less than 25% of the outstanding capital stock of Techlab.

Under the terms of the Stankov Agreement, we agreed to file the registration statement, of which this prospectus is a part, to register the sale by him of the shares of common stock issued to him thereunder. We also agreed to keep the registration statement continuously effective, with respect to Mr Stankov, until the date which is the earliest of (i) the date two (2) years from issue date and (2) the date that all registrable securities held by Mr Stankov covered by this registration statement have been sold. Of the 49,787 shares of our common stock issued to Mr. Stankov, and offered by him for resale hereunder, 20,400 shares have been pledged to us to secure certain indemnification obligations under the Stankov Agreement.

The following table sets forth, for each selling stockholder, the total number of shares of common stock currently beneficially owned, the number of shares of common stock covered by this prospectus and the total number of shares of common stock that the selling stockholder will beneficially own upon completion of this offering. The amounts set forth below are based upon information provided to us by representatives of the selling stockholders, or on our records, and are accurate to the best of our knowledge as of the date specified below. It is possible, however, that the selling stockholder may acquire or dispose of additional shares of common stock from time to time after the date of this prospectus. This table assumes that the selling stockholder will sell all of the shares of common stock covered by this prospectus. We cannot assure you that the selling stockholders will sell all or any portion of the securities offered hereby.

The common stock offered by this prospectus may be offered from time to time by the selling stockholders named below, or by any of its pledgees, donees, transferees or other successors in interest, provided that such pledgees, donees, transferees or other successors in interest offering common stock using this prospectus is

named as a selling stockholder in this prospectus via supplement or amendment in accordance with the Securities Act of 1933, as amended (except where sales by any such person or entity under this prospectus could not exceed 500 shares, in which case that person or entity need not be named in a prospectus supplement).
