**Item 8.01 Other Events.**

On November 23, 2006, we entered into six separate forward purchase commitments with Nexxus Desarrollos Industriales, or Nexxus, to acquire six newly constructed buildings totaling 858,739 rentable square feet. The six buildings will be located on separate development sites in four submarkets in the metropolitan area of Monterrey, Nuevo Leon, Mexico. The forward purchase commitments obligate us to acquire each of the six facilities from Nexxus upon completion, subject to a variety of conditions related to, among other things, the buildings complying with approved drawings and specifications. Timing on closing under the purchase obligation depends on leasing at each building prior to building completion. Our aggregate purchase price for the six facilities is no less than \$33.8 million and increases as buildings are leased prior to closing. Contemporaneously with the execution of the forward purchase commitments, we provided Nexxus with six separate letters of credit aggregating \$33.8 million to secure our future performance under the forward purchase commitments, all subject to a variety of construction and site related conditions. Construction of the buildings is expected to commence prior to year-end 2006. Closing on the individual buildings is expected to occur between July 2007 and March 2008.
