**EXPLANATORY NOTE: DEREGISTRATION OF SECURITIES**

On August 22, 2002, Computer Programs and Systems, Inc. (the Registrant ) filed with the Securities and Exchange Commission (the Commission ) a registration statement on Form S-8, Registration No. 333-98543 (the Registration Statement ), covering 400,000 shares of common stock, par value \$0.001 per share (the Common Stock ), to be purchased pursuant to the CPSI 401(k) Retirement Plan (the Plan ). Pursuant to Rule 416(c) under the Securities Act of 1933, as amended (the Securities Act ), the Registration Statement also covered an indeterminate amount of interests to be offered or sold pursuant to the Plan.

Pursuant to Item 512(a)(3) of Regulation S-K, the Registrant is filing this post-effective Amendment No. 1 to the Registration Statement (the Amendment ) with the Commission in order to deregister 364,204 shares of Common Stock that were previously registered on the Registration Statement and that remained unsold at the termination of the offering. This Amendment also deregisters the Plan interests that remained unsold at the termination of the offering. The Registrant is deregistering these shares and interests because, effective October 26, 2006, the Registrant permanently removed Common Stock as an investment option in the Plan, and all employee holdings of Common Stock under the Plan were transferred to other investments.

**SIGNATURES**

Pursuant to the requirements of the Securities Act of 1933, the Registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-8 and has duly caused this Amendment No. 1 to the Registration Statement on Form S-8 to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of Mobile, State of Alabama, as of the 27th day of December, 2006.
