**Item 8.01 Other Events.**

On September 7, 2007, Rambus issued a press release announcing that it had reached a settlement in principle regarding the consolidated securities class action filed in July 2006 pertaining to its accounting for option grants and related disclosures. The settlement, which is subject to final documentation as well as review by the court, provides for a payment by Rambus of \$18 million and would lead to a dismissal with prejudice of all claims against all defendants in the litigation. In addition, Rambus has been and will continue to be in discussions with its insurers concerning their contribution of a portion of the settlement amount.

A copy of the press release is attached hereto as Exhibit 99.1 and is incorporated by reference herein.
