Section 8. Other Events

Item 8.01. Other Events.

On November 9, 2007, State Auto Financial Corporation (*State Auto Financial*) and State Automobile Mutual Insurance Company (*State Auto Mutual*) announced proposed changes to the State Auto Reinsurance Pooling Agreement. The changes include incorporating the operating results of the Beacon Insurance Group, acquired by State Automobile Mutual in March 2007, and State Automobile Mutual's middle market business into the pooling agreement. In addition, if the previously announced affiliation agreement between State Automobile Mutual and the Patrons Group receives all necessary regulatory and policyholder approvals by December 15, the operating results of Patrons Mutual Insurance Company of Connecticut and Litchfield Mutual Fire Insurance Company would also be included in the pooling agreement. All of the proposed changes are subject to regulatory approval by various Departments of Insurance and would be effective as of January 1, 2008.

Commencing with the effective date of these changes, the participating percentages of certain pooled companies will be adjusted, but State Auto Financial's insurance subsidiaries' overall share of the pool will remain at 80%. The Beacon Group, State Automobile Mutual's middle market insurance and the Patrons/Litchfield businesses produced approximately \$100 million of direct premiums written during the first nine months of 2008, comprised of approximately 48% personal lines and 52% business lines. The announced changes are not expected to materially impact the 2008 earnings of State Auto Financial.

Attached as Exhibit 99.1 to this Current Report on Form 8-K and incorporated herein by reference is a press release issued by State Auto Financial on November 9, 2007, announcing the proposed changes to the State Auto Reinsurance Pooling Agreement.
