**Item 8.01 Other Events.**

On October 9, 2008, Rubicon Technology, Inc. (the Company ) issued a press release announcing that Peregrine Semiconductor Corporation ( Peregrine ), one of its customers, has informed the Company that it will not take any additional shipments until further notice due to declining demand for its products.

The Company previously announced on September 15, 2008 that it had entered into the First Amendment to 6 Supply Agreement (the Amendment ) with Peregrine, which amended the Supply Agreement dated as of March 26, 2007 by and between the Company and Peregrine. Under the terms of the Amendment, effective August 22, 2008, the Company agreed to reduce the volume of wafer shipments to Peregrine from August 2008 through December 2008. The Amendment further provided that the volume of wafers not shipped in 2008 would be shipped in early 2009.

The Company is in the process of evaluating all of its options related to Peregrine s contract obligations and is examining the potential impact of this development to its operations.

A copy of the press release is attached hereto as Exhibit 99.1 and incorporated by reference herein.
