Summary  
Our Expectations

Financial market volatility and economic uncertainty to continue in the short-term

China, India and other developing economies to continue to drive demand for commodities in the long-term

Our diversified portfolio of low cost, high quality assets places us at a competitive advantage

Our balance sheet and strong cash flow are a significant advantage

Future production growth is strong

BHP Billiton is working towards completing the regulatory review process for the Rio Tinto offer by around the end of 2008

We believe our offer is compelling for Rio Tinto shareholders, and value enhancing for BHP Billiton shareholders
