**Item 1.01 Entry Into a Material Definitive Agreement.**

On November 20, 2009, Seattle Genetics, Inc. (the Company) entered into an Amendment to Collaboration and License Agreement (the Amendment) with Agensys, Inc. (an affiliate of Astellas Pharma) (Agensys) amending the Collaboration and License Agreement, dated January 7, 2007, between the Company and Agensys that granted Agensys rights to the Company's antibody-drug conjugate (ADC) technology (the Agensys Agreement). Under the terms of the Amendment, Agensys agreed to pay \$12 million for the right to obtain exclusive ADC licenses against additional antigen targets. In addition, under the terms of the Amendment, the Company also received an option for 50:50 cost and profit-sharing of a third ADC program at investigational new drug application filing.

A copy of the press release is filed as Exhibit 99.1 to this Current Report and is incorporated by reference herein.

The foregoing is only a brief description of the material terms of the Amendment, does not purport to be complete and is qualified in its entirety by reference to the Amendment that will be filed as an exhibit to the Company's annual report on Form 10-K for the year ending December 31, 2009, with portions omitted and filed separately with the Securities and Exchange Commission pursuant to a request for confidential treatment.

The Company does not have any material relationship with Agensys or its affiliates other than its relationship with Agensys and its affiliates pursuant to the Agensys Agreement.
