PROXY STATEMENT

Our Board of Directors is providing this proxy statement to ask for your vote as a stockholder of TFS Financial Corporation (the Company, we, us or our) on certain matters to be voted on at our upcoming annual meeting of stockholders, which will be held at the offices of Third Federal Savings and Loan, 7007 Broadway Avenue, Cleveland, Ohio 44105, on Thursday, February 25, 2010, at 9:00 a.m., local time. We are making these proxy materials electronically available to you, along with our 2009 Annual Report to Stockholders, on or about January 11, 2010.

ABOUT THE MEETING

What Is the Purpose of the Annual Meeting of Stockholders?

At our annual meeting of stockholders, stockholders will act upon the matters outlined in the accompanying notice of meeting, including the election of four directors and a proposal to ratify the selection of Deloitte & Touche LLP as the Company's independent accountants for the Company's fiscal year ending September 30, 2010. We are not aware of any other matter that will be presented for your vote at the meeting.

Why Did I Receive a Notice of Internet Availability in the Mail Regarding the Internet Availability of Proxy Materials this Year Instead of a Full Set of Proxy Materials?

Pursuant to rules adopted by the Securities and Exchange Commission (the SEC), we have elected to provide access to our proxy materials over the Internet. Accordingly, we are sending a Notice of Internet Availability to our stockholders of record and beneficial owners. All stockholders will have the ability to access the proxy materials on the website referred to in the Notice of Internet Availability or request to receive a printed set of the proxy materials. Instructions on how to access the proxy materials over the Internet or to request a printed copy may be found in the Notice of Internet Availability.

Who Is Entitled to Vote?

Only stockholders of record at the close of business on the record date, December 28, 2009, are entitled to receive notice of and to vote the shares of our common stock that they held on the record date at the meeting, or any postponement or adjournment of the meeting. Each outstanding share of common stock entitles its holder as of the record date to cast one vote on each matter acted upon at the meeting. As of the record date, the Company had outstanding 308,315,000 shares of common stock.

What if My Shares Are Held in the Third Federal Savings Associate Stock Ownership Plan or the Third Federal Savings 401(k) Savings Plan?

If you are a participant in the Third Federal Savings Associate Stock Ownership Plan (the ASOP) or the Third Federal Savings 401(k) Savings Plan (the 401(k) Plan) and you own shares of our common stock through those plans, you have been provided voting instruction forms with respect to shares you may vote under those plans. Although the trustee or administrator for each plan votes all shares of our common stock held by that plan, each participant may direct the trustee or administrator how to vote the shares of our common stock allocated to his or her plan account. Voting instructions must be provided to the trustee or administrator by February 20, 2010 to be effective. If you own shares of our common stock through either of these plans and do not provide voting instructions to the trustee or administrator by February 20, 2010, the respective trustee or administrator will vote the shares of common stock in accordance with the terms of the respective plans, which provide that the trustee

Table of Contents

or administrator will vote any shares of our common stock for which it has received no voting instructions in the same proportions as it votes the shares of our common stock for which it has received instructions from plan participants. You also may revoke previously given voting instructions prior to February 20, 2010 by filing with the trustee or administrator either written notice of revocation or a properly completed voting instruction form bearing a later date.

Who Can Attend the Meeting?

Only stockholders as of the record date, or their duly appointed proxies, may attend the meeting. Please note that if you hold your shares in street name (that is, through a broker or other nominee), your name does not appear in the Company's records, and you will need to bring to the annual meeting a copy of your brokerage statement reflecting your ownership of shares of our common stock as of the record date in order to be admitted.

When and Where Is the Meeting?

The meeting will be held at the offices of Third Federal Savings and Loan, 7007 Broadway Avenue, Cleveland, Ohio 44105, on Thursday, February 25, 2010, at 9:00 a.m., local time. Parking is available in our visitor parking lot, which you can enter from Aetna Avenue.

What Constitutes a Quorum?

The presence at the meeting, either in person or by proxy, of the holders of a majority of the shares of our common stock outstanding on the record date will represent a quorum, permitting the conduct of business at the meeting. Proxies received by the Company but marked as abstentions and broker non-votes will be included in the calculation of the number of shares considered to be present at the meeting for purposes of establishing a quorum. A broker non-vote occurs if your shares are held in street name by a broker or nominee and the broker or nominee reports your shares as non-votes because you did not provide your broker or nominee with voting instructions for your shares.

What Vote Is Required to Approve Each Proposal, Assuming that a Quorum Is Present at the Annual Meeting of Stockholders?

Proposal One: Election of Directors. The four nominees for director who receive the greatest number of affirmative votes will be elected directors, and abstentions and broker non-votes will not count either for or against any nominee for director.

Proposal Two: Ratification of the Selection of Deloitte & Touche LLP as the Company's Independent Accountants. The Audit Committee of our Board of Directors plans to reappoint Deloitte & Touche LLP as the Company's independent accountants to audit our financial statements for the fiscal year ending September 30, 2010, subject to the ratification of the appointment by our stockholders as required by our bylaws. See page 30 under **Proposal Two: Ratification of the Selection of Deloitte & Touche LLP as the Company's Independent Accountants** for additional information. A majority of the votes cast is required for the adoption of this proposal. Abstentions will be treated as cast and will have the same effect as a vote against ratification. Broker non-votes are not considered votes cast either for or against ratification.

How Does Third Federal Savings and Loan Association of Cleveland, MHC Intend to Vote Its Shares?

All stockholder votes will include the vote of Third Federal Savings and Loan Association of Cleveland, MHC, which, as of December 28, 2009, owned 227,119,132 shares, or 73.66%, of our outstanding common stock. **As such, the vote of Third Federal Savings and Loan Association of Cleveland, MHC will be determinative of the outcome of any vote or election. Third Federal Savings and Loan Association of Cleveland, MHC intends to vote for the election of the four nominees for director and for ratification of the selection of Deloitte & Touche LLP, and in accordance with the recommendation of our Board of Directors on any other matter that properly comes before the meeting.**

Will My Shares Be Voted if I Do Not Provide Instructions to My Broker?

If you do not provide your broker or other nominee instructions as to how your shares are to be voted, your broker or other nominee will not be able to vote your shares in the election of directors or with respect to the ratification of the Company's independent accountants, and your shares will not be voted with respect to either matter. We urge you to provide instructions to your broker or nominee so that your vote may be counted on these important matters. You should vote your shares by following the instructions provided on the accompanying proxy card and return the proxy card to your broker or other nominee in a timely manner to ensure that your shares are voted on your behalf.

May I Revoke My Proxy or Change My Vote?

You may revoke or change your vote at any time before your proxy has been exercised by filing a written notice of revocation or a duly executed proxy bearing a later date with the Company at the Company's principal address indicated on the attached Notice of Annual Meeting of Stockholders, by submitting another timely, later-dated vote by telephone or Internet or by giving notice of revocation to the Company in open meeting. However, your presence at the annual meeting alone will not be sufficient to revoke your previously granted proxy or vote.

How Will the Proxy Solicitation Be Conducted?

This solicitation of proxies is made by and on behalf of our Board of Directors. The cost of the solicitation of your proxy will be borne by the Company. In addition to solicitation of proxies by mail and electronically, officers and regular associates of the Company may solicit proxies in person, by telephone or by facsimile. Table of Contents**PROPOSAL ONE: ELECTION OF DIRECTORS**

Our bylaws provide that the Board of Directors will consist of eleven directors and will be divided into three classes as nearly equal in number as possible. CORPORATE GOVERNANCE

Meetings of the Board of Directors

During the fiscal year ended September 30, 2009, our Board of Directors met 10 times and the board of directors of Third Federal Savings and Loan, which consists of the same directors as our Board of Directors, met 12 times. During the fiscal year ended September 30, 2009 or such period during the fiscal year as an individual may have served as a director, no director attended fewer than 75% of the total number of meetings of our Boards of Directors and the total number of meetings held by all committees on which the director served. The Company anticipates that its directors will attend the annual meeting of stockholders. All directors attended last year's annual meeting of stockholders. Our Board of Directors has established various standing committees, including an Audit Committee, Compensation Committee and Executive Committee. The full Board of Directors acts as the nominating committee.

Table of Contents

Independent Directors

A majority of our Board of Directors and all members of the Audit Committee and Compensation Committee are independent, as affirmatively determined by our Board of Directors consistent with the criteria established by the NASDAQ Stock Market.

Our Board of Directors conducts an annual review of director independence for all current nominees for election as directors and all continuing directors. In connection with this review, our Board of Directors considers all relevant facts and circumstances relating to relationships that each director, his or her immediate family members and their related interests had with the Company and its subsidiaries.

As a result of this review, our Board of Directors affirmatively determined that nominees Messrs. Cohen, Fiala and Stefanski III and continuing directors Messrs. Asher, Baird, Fitzpatrick, Mulligan and Stefanik are independent. Our Board of Directors determined that nominee Mr. Stefanski and continuing directors Ms. Piterans and Mr. Kobak are not independent because they are associates of the Company.

Our Board of Directors also determined that current director Mr. Gascoigne is not independent because of his business relationship with Third Capital, Inc., a wholly owned subsidiary of the Company. Mr. Gascoigne, in addition to his duties as a director of Third Federal Savings and Loan, the Company and Third Federal Savings and Loan Association of Cleveland, MHC, controls Baywater Capital Partners LTD, Baywater Realty Company LTD, Baywater Management Company and Fairfax Investment Company. These entities provide real estate and management services to Hazelmere Investment Group I LTD and Hazelmere of California LP, which are 70% owned by Third Capital, Inc., or have participating economic interests in the cash flows and capital proceeds of the Hazelmere entities. Fairfax Investment Company was the general partner of Hazelmere of California LP, which was dissolved on September 30, 2009. During the fiscal year ended September 30, 2009, the Baywater entities collectively received management fees of \$693,219 from the Hazelmere entities. Third Capital, Inc. received distributions from the Hazelmere entities, including cash flows and capital proceeds, totaling \$1,275,728 during the year.

Executive Session

The non-management directors of our Board of Directors meet periodically in executive session without management.

Nominating Committee

Our Board of Directors has determined that the Company is a Controlled company, as defined by the NASDAQ Stock Market, because Third Federal Savings and Loan Association of Cleveland, MHC currently owns more than 50% of our common stock. Therefore, the full Board of Directors acts as our nominating committee and met once in this capacity during the fiscal year ended September 30, 2009. In that capacity, our Board of Directors recommended a slate of nominees for election by stockholders at the Company's 2009 annual meeting of stockholders.

As set forth in our Policy and Procedures for Stockholder Recommendations for Director Candidates (the Policy), our Board of Directors will consider suggestions forwarded by stockholders to the Secretary of the Company concerning qualified candidates for election as directors. To recommend a prospective nominee for our Board of Directors' consideration, a stockholder may submit the candidate's name, qualifications and other pertinent information required by the Policy to the Company's Secretary at the following address: 7007 Broadway Avenue, Cleveland, Ohio 44105. Our Board of Directors has not established specific minimum qualifications that a candidate must have in order to be recommended for election to our Board of Directors. However, in determining qualifications for new directors, our Board of Directors will consider a potential member's qualification as independent under the NASDAQ Stock Market listing standards, as well as his or her age, skill and experience in the context of the needs of the Board of Directors.

Table of Contents

Under our bylaws, no nomination for director, except one made by the Board of Directors, will be voted upon unless the nomination is made in writing and delivered to the Company's Secretary at least 30 days prior to the date of the annual meeting. Upon delivery, a nomination will be posted in a conspicuous place in each office of the Company. Ballots bearing the names of all persons nominated by the Board of Directors and by stockholders will be provided for use at the annual meeting. If the Board of Directors fails or refuses to act in regard to nominations for directors at least 20 days prior to the annual meeting, nominations for directors may be made at the annual meeting by any holders of shares of common stock entitled to vote, and will be voted upon.

Our Board of Directors has recommended for election each of the nominees identified in Proposal One: Election of Directors on page 3.

A current copy of the Policy and Procedures for Stockholder Recommendations for Director Candidates is available to stockholders on the Company's web site, www.thirdfederal.com, under Investor Relations and a written copy is available to stockholders upon written request to the Company, to the attention of Investor Relations at 7007 Broadway Avenue, Cleveland, Ohio 44105.

The Audit Committee is responsible for providing oversight relating to our financial statements and financial reporting process, systems of internal accounting and financial controls, internal audit function, annual independent audit and the compliance and ethics programs established by management and our Board of Directors. Each member of the Audit Committee is independent in accordance with the listing standards of the NASDAQ Stock Market and under Rule 10A-3(b)(1) under the Securities Exchange Act of 1934, as amended. Our Board of Directors has determined that Mr. Mulligan is an audit committee financial expert as that term is defined by the rules and regulations of the Securities and Exchange Commission. Reviewing, at least annually, the structure and compensation opportunities available under the Company's executive and associate compensation plans in light of the Company's goals and objectives;

Table of Contents

The Executive Committee does not possess the power to fill vacancies on our Board of Directors or any Board of Directors committees. The Executive Committee held 13 meetings during the fiscal year ended September 30, 2009.

Code of Conduct and Code of Ethics

The Company has adopted policies governing the activities of both the Company and Third Federal Savings and Loan, including a code of conduct and a code of ethics for senior financial officers. Mulligan, each of whom is an independent director within the meaning of the listing standards of the NASDAQ Stock Market, a disinterested director within the meaning of Rule 16b-3 under the Securities Exchange Act of 1934, as amended, and a non-employee director within the meaning of Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code").

The purposes of the Committee, among others, are to discharge our Board of Directors' responsibilities relating to compensation of the Company's directors and executive officers and to approve and evaluate the director and executive officer compensation plans, policies and programs of the Company. The Committee's charter provides that the Committee will generally meet quarterly or as needed. During fiscal year 2009, the Committee held seven meetings. The agenda for each meeting is established by the Chairman of the Committee. The Committee generally invites the Company's Director of Human Resources, and frequently invites other members of senior management and outside advisors, as necessary, to report on matters of interest to the Committee and to participate in its deliberations. In addition, the Committee meets in executive session without management at each meeting.

Compensation Philosophy and Objectives

In making decisions with respect to compensation for our named executive officers and other executives, the Committee is guided by the following philosophies and objectives:

We must attract, retain and motivate superior associates, including executives, for our flat business structure to be effective. Our flat business structure is intended to provide a framework for effective and prompt decision making, associate job satisfaction, the sharing of resources and the ability to respond quickly to changes in the marketplace.

Our compensation program should be competitive and comprehensive, consist of base salary, annual incentives, long-term incentives and benefits, and support our operating strategy of emphasizing teamwork and personal and professional enhancement through cross-training and efficiency.

Our compensation program should motivate and reward our executives for sustained performance through the use of performance-based cash and equity compensation tied to short, intermediate and long-term goals designed to facilitate the achievement of the Company's business objectives and the enhancement of stockholder value.

Our compensation program should be designed to eliminate any incentive for our executive officers to cause the Company to take undue risk.

Compensation Setting Process

On an annual basis, the Committee reviews and recommends compensation levels for executive officers based on the Company's performance, the performance of the executive officers as a group, individual performance and experience and market comparisons.

For fiscal year 2009, the Company retained the Compensation Consultant to assist the Committee in its process of reviewing its comparator group of companies, reviewing the compensation programs of the members of the comparator group and making recommendations and providing advice with respect to the compensation of the Company's executive officers.

Table of Contents

In fiscal year 2009, due to the financial crisis and its impact on the financial industry, the Committee reviewed pay information for two comparator groups. The first group was similar to the 21 company peer group utilized in fiscal year 2008. However, at the time the analysis was performed, only 14 of the original 21 companies remained as separate publicly traded companies with seven of the companies having been acquired, closed by regulators, or filed for bankruptcy. As a result, in order to obtain more robust competitive information, the Committee reviewed pay information for a second peer group of 20 higher performing publicly traded thrifts and mortgage financing companies to facilitate sufficient comparisons with higher performing companies. The companies selected were the 20 highest ranked publicly traded thrifts and mortgage financing companies with assets ranging from \$1 billion to \$60 billion based upon one-year total shareholder return for calendar year 2008. The companies included in the first comparator group for fiscal year 2009 were as follows:

BankAtlantic Bancorp.	Flagstar Bancorp
Capitol Federal Financial (MHC)	MGIC Investment Corp.
Centerline Holding Co.	NewAlliance Bancshares, Inc.
Corus Bankshares, Inc.	Northwest Bancorp, Inc. (MHC)
Doral Financial Corp.	People's United Financial
FirstFed Financial Corp.	Provident Financial Services, Inc.
First Niagara Financial Group, Inc.	Washington Federal, Inc.

The companies included in the second comparator group for fiscal year 2009 were as follows:

Bank Mutual Corporation	Hudson City Bancorp Inc.
Beneficial Mutual Bancorp Inc.	Kearny Financial Corp.
Berkshire Hills Bancorp Inc.	NewAlliance Bancshares, Inc.
Brookline Bancorp Inc.	Northwest Bancorp, Inc. (MHC)
Capitol Federal Financial (MHC)	Ocwen Financial Corp.
Dime Community Bancshares Inc.	People's United Financial
Federal Agriculture Mortgage Corp.	Provident Financial Services, Inc.
First Financial Holdings Inc.	Provident New York Bancorp
First Niagara Financial Group, Inc.	Trustco Bank Corp. NY
Flushing Financial Corp.	WSFS Financial Corp.

Because fiscal year 2009 base salaries and bonuses were established at the end of fiscal year 2008, the comparator groups were used exclusively for purposes of evaluating fiscal year 2009 long-term incentive grants.

The Committee does not benchmark the named executive officers' compensation against these comparator groups. For example, the Committee does not set compensation for our executives at a pre-determined level in relation to these groups, such as the median level of compensation reported by these groups, or by applying a formula to the compensation reported by these groups. Instead, as the first step in the compensation setting process, the Committee reviews the compensation data for the comparator groups to assess the competitiveness of the Company's compensation programs and its ability to achieve the philosophies and objectives of its compensation programs.

In making determinations on the mix and amount of executive compensation, the Committee reviews all components of executive compensation, including base salary, semi-annual performance-based cash bonuses, long-term incentives, associate benefits, costs of perquisites and any other form of compensation received from the Company. The Committee believes that the total compensation opportunity available to executive officers should consist of base salary, performance-based cash bonuses, long-term incentives, retirement and other associate benefits and perquisites, each of which is a common compensation component for executive officers at companies in the comparator group. The Committee has no mandatory policy for the allocation between base salary, semi-annual performance-based cash bonuses, and long-term incentives. For fiscal year 2009, the mix of pay continued to include significant long-term incentives in order to create a strong link between executive pay

Table of Contents

and long-term stockholder value creation and encourage long-term retention. To motivate and reward current-year performance, a significant percentage of total cash compensation for the Company's executive officers, including the named executive officers, during fiscal year 2009 was allocated to semi-annual performance-based cash bonus awards.

As part of the compensation setting process, the Committee reviews with Mr. Stefanski the compensation data for his direct reports, and considers Mr. Stefanski's recommendations for his direct reports. Mr. Stefanski's review attributes significant weight to how the named executive officers performed as a team, rather than simple individual performance, because of the Company's culture of rewarding teamwork. As a result, internal pay equity plays a significant role in the Committee's analysis of compensation for the named executive officers and its final determination of compensation. In making its final determinations, the Committee was less focused on market pay for each individual executive officer (other than Mr. Stefanski), and more focused on how the aggregate pay of the named executive officers (other than Mr. Stefanski) compared to aggregate market values.

As Chairman and Chief Executive Officer, Mr. Stefanski's compensation is significantly higher than that of the other named executive officers due to his scope of responsibility, his tenure and experience with the Company, his impact on the performance of the Company, and the competitive compensation levels for Chief Executive Officers of comparator companies. Mr. Stefanski also is an integral part of our marketing campaign as spokesman, and his family's name is an important part of our brand image.

Elements of Compensation

The elements of the Company's executive compensation program for fiscal year 2009 consisted of base salary; semi-annual performance-based cash bonuses; stock options; restricted stock units; retirement benefits in the form of a defined benefit pension plan, a qualified defined contribution plan with a profit-sharing component and non-qualified deferred compensation plans; an associate stock ownership plan; and life insurance, health insurance and other perquisites and personal benefits.

Base Salary. The Company defines base salary as a fixed amount of money that associates, including the named executive officers, receive in exchange for sustained performance of job duties and responsibilities over time. Base salary is intended to provide the Company the ability to attract and retain the highest quality professionals in their fields. The Company reviews the base salary of its executive officers annually to determine competitiveness with the comparator group. Based on a comparison of base salaries of the named executive officers to comparable executives of companies in the previous comparator group completed late in 2008, the Committee, with advice from the Compensation Consultant, adjusted the base salaries of the named executive officers for fiscal year 2009. As a result, the base salary of each named executive officer during fiscal year 2009 was:

Named Executive Officer	Base Salary
Marc A. Stefanski	\$ 1,080,000
John P. Ringenbach	\$ 463,191
Marianne Piterans	\$ 392,568
Ralph M. Betters	\$ 372,265
David S. Huffman	\$ 358,507

Semi-Annual Performance-Based Cash Bonuses for Named Executive Officers. Under the TFS Financial Corporation Management Incentive Compensation Plan (Management Incentive Plan), the named executive officers are eligible to receive semi-annual performance-based cash bonuses. The potential bonuses under this plan are based upon more objective criteria than under the Company's previous plans and are directly correlated to the net income of the Company during the applicable semi-annual period. This plan is intended to provide an incentive for superior performance and payout amounts that are competitive with the market. The Company

Table of Contents

believes that paying these bonuses on a semi-annual, rather than an annual, basis focuses associates on achieving goals throughout the year by recognizing and rewarding officers concurrently with their performance and contributions.

For fiscal year 2009, the bonuses under the Management Incentive Plan are primarily based upon objective criteria. This plan was structured to satisfy the requirements for the performance-based compensation exception to the \$1,000,000 limitation on deductibility of compensation under Section 162(m) of the Code.

Under this plan for fiscal year 2009, bonuses were based on the net income of the Company, subject to certain adjustments. The amount of adjusted net income of the Company is used to establish an incentive pool that is distributed to the named executive officers. For purposes of establishing the incentive pool, net income is adjusted to eliminate the effect, positive or negative, of (i) unexpected events outside the control of the named executive officers relating to interest rate spreads on asset sales, taxes, regulatory assessments and pension or medical coverage charges and (ii) changes in accounting principles. For fiscal year 2009, if net income for the semi-annual period was less than \$10 million then an incentive pool was not created and no bonuses were paid. For each semi-annual bonus period during the 2009 fiscal year, if net income equaled or exceeded \$10 million, the incentive pool was determined based upon the following formula:

Nine percent (9%) of the first \$10 million of net income was contributed to the incentive pool;

Five percent (5%) of the second \$10 million of net income was contributed to the incentive pool;

Three percent (3%) of the third \$10 million of net income was contributed to the incentive pool; and

One and a half percent (1.5%) of any net income in excess of \$30 million was contributed to the incentive pool.

The Committee determined that for each semi-annual period of 2009 the incentive pool was to be distributed to the named executive officers in accordance with the following percentages:

Named Executive Officer	Percentage of Incentive Pool
Marc A. Stefanski	47.6%
John P. Ringenbach	15.3%
Marianne Piterans	13.0%
Ralph M. Betters	12.3%
David S. Huffman	11.8%

The maximum bonus payable to a named executive officer for a semi-annual period of fiscal year 2009 was \$1,500,000.

In determining the actual bonus payment made to the named executive officers, the Committee has negative discretion to reduce the amount payable from the incentive pool to the officers. The measures established for fiscal year 2009 to be considered when determining whether to implement a reduction in the bonus amounts are the following: (i) expense control, (ii) credit risk, (iii) interest rate risk, (iv) associate evaluations, (v) turnover and (vi) customer satisfaction. The Committee considers performance with respect to all established measures as a group, rather than assigning any specific weighting to each individual measure. By retaining the ability to reduce the bonus pool based on credit risk measures and interest rate risk measures, the Committee believes that the bonus program is designed to eliminate any incentive for the executive officers to cause the Company to take undue risk.

At the time the bonuses for the first semi-annual period were approved, the Company's net income for the first semi-annual period during fiscal year 2009 was \$16.887 million, resulting in an incentive pool of \$1.244 million. The Committee believed actual performance with respect to the negative discretion measures as a group

Table of Contents

exceeded expectations during the first semi-annual period in fiscal year 2009. In assessing such performance, the Committee requested and received advisory input from Mr. Stefanski. The Committee did not reduce the amount of the incentive pool for the first semi-annual period in fiscal year 2009.

On April 29, 2009 after approval of the bonuses for the first semi-annual period, a decision was made to increase the Company's allowance for loan losses by \$10 million for the quarter ended March 31, 2009 because of an unprecedented level of net charge-offs and the uncertain economic times that face many of our customers. As a result, the net income used for purposes of establishing the incentive pool for the first semi-annual period of fiscal year 2009 was adjusted by \$6.5 million after taxes. However, in light of the Company's performance relative to its peers during the financial crisis, the Committee decided not to reduce the total bonuses that were previously approved and decided to apply the \$6.5 million after-tax adjustment to net income to the semi-annual period ended September 30, 2009. For the first semi-annual period, the difference between the bonuses awarded and the amount of bonuses that would have been awarded had the incentive pool been adjusted downward was treated as discretionary bonuses for the named executive officers for purposes of tax deductibility under Section 162(m) of the Code. As a result the total bonus for each named executive officer for the first semi-annual period during 2009 was allocated as follows:

Named Executive Officer	Performance Bonus	Discretionary Bonus	Total Bonus
Marc A. Stefanski	\$ 443,156	\$ 148,988	\$ 592,144
John P. Ringenbach	\$ 142,443	\$ 47,889	\$ 190,332
Marianne Piterans	\$ 121,030	\$ 40,690	\$ 161,720
Ralph Betters	\$ 114,513	\$ 38,499	\$ 153,012
David S. Huffman	\$ 109,858	\$ 36,934	\$ 146,792

No bonuses were paid to the named executive officers for the second semi-annual period because net income of the Company for the period did not exceed the \$10 million threshold necessary to establish an incentive pool.

The total dollar amount of bonuses approved for the named executive officers for fiscal year 2009 was as follows:

Named Executive Officer	10/1/2008-3/31/2009	Bonus (\$) 4/1/2009-9/30/2009	Total
Marc A. Stefanski	\$ 592,144	\$ 0	\$ 592,144
John P. Ringenbach	\$ 190,332	\$ 0	\$ 190,332
Marianne Piterans	\$ 161,720	\$ 0	\$ 161,720
Ralph Betters	\$ 153,012	\$ 0	\$ 153,012
David S. Huffman	\$ 146,792	\$ 0	\$ 146,792

Long-Term Incentives. Fiscal year 2009 represented the second year in which we awarded equity grants under the TFS Financial Corporation 2008 Equity Incentive Plan (the "2008 Equity Incentive Plan"). The objectives of the equity grants are to:

Link executive compensation and our long-term stock price performance;

Better align our executives' interests with our stockholders' interests; and

Provide opportunity for long-term compensation that is competitive with comparator companies and sufficient to attract and retain executive talent to effectively manage our business.

Table of Contents

In developing our grant sizes for long-term incentive awards to named executive officers in fiscal year 2009, the following were considered:

The competitive pay analyses of the two comparator peer groups previously mentioned;

Each executive's role within our Company; and

The cost and share usage associated with the proposed grants and grants made in fiscal year 2008.

The long-term incentive awards granted in fiscal year 2009 were intended to motivate our executives to create long-term stock price growth; to align the executives' interests with our stockholders' interests; and to encourage retention of executives for a long period of time.

Stock Options. Stock options were included in the grants to link compensation to stock price appreciation and to support our growth objectives. In order to support retention and reward executives for stock performance over a longer horizon, the options vest 33 1/3% annually over a three year period starting on the first anniversary of their grant, and remain exercisable until the tenth anniversary of their grant.

Restricted Stock Units. Restricted stock unit awards are designed to support executive retention and increase share ownership, which aligns the recipient's interests with our stockholders' interests. The restricted stock units will vest 25% annually over a four year period starting on the first anniversary of their grant. The restricted stock units were granted with dividend equivalents that pay cash to the holder at the same time and to the same extent stockholders receive any dividends.

The Committee made the following grants to the named executive officers on May 12, 2009:

Named Executive Officer	Number of Stock Options	Stock Option Exercise Price	Number of Restricted Stock Units
Marc A. Stefanski	299,600	\$ 11.96	33,400
John P. Ringenbach	37,500	\$ 11.96	4,200
Marianne Piterans	37,500	\$ 11.96	4,200
Ralph Betters	37,500	\$ 11.96	4,200
David S. Huffman	37,500	\$ 11.96	4,200

Additional information with respect to the grants to each named executive officer is included under the Grants of Plan-Based Awards Table For Fiscal Year 2009 on page 22.

Stock Option Granting Practices. In May 2009, the Committee granted stock options and restricted stock units to our named executive officers as previously discussed for fiscal year 2009. The exercise price for the stock options was equal to the fair market value of a share of our common stock on the date of grant, which was the closing price of our common stock on NASDAQ on the date of the Board of Directors meeting at which the award was approved. The exercise price for future grants of stock options is expected to be determined in the same manner.

Retirement Benefits. In addition to the 401(k) Plan and the ASOP, with respect to which the Company's contributions on behalf of the named executive officers are included in the Summary Compensation Table on page 20, each of the Company's executive officers, including the named executive officers, is eligible to participate in the retirement plans discussed below. The Committee believes these plans provide financial security that promotes retention.

Table of Contents

Retirement Plan. Third Federal Savings and Loan sponsors a defined benefit retirement plan for associates, the Third Federal Savings Retirement Plan (the Retirement Plan), and each of the named executive officers participates in the Retirement Plan. Prior to January 1, 2003, an associate became eligible to participate in the Retirement Plan on the first day of the calendar quarter coinciding with or following the date he had both attained age 21 and been credited with a year of eligibility service. The Retirement Plan has been closed to new associates; however, individuals who were already participants in the Retirement Plan on December 31, 2002 continue to accrue benefits under the terms of the Retirement Plan. Upon normal retirement at age 65, a participant will generally be entitled to a monthly benefit equal to 2% of one-twelfth of the participant's average annual compensation multiplied by the participant's years of benefit service. In the event a participant continues working after reaching age 65, the participant will be eligible to receive his or her monthly normal retirement benefit for any month in which the participant works less than 40 hours. For these purposes, average annual compensation means the average compensation for each calendar year of employment other than years prior to participation in the Retirement Plan and years in which a participant has less than 1,000 hours of employment, that is, average annual compensation generally is based on the participant's average compensation over the participant's career with the Company. Compensation is defined as wages reported on Form W-2, including salary reduction contributions to the 401(k) Plan and flexible benefits plan and excluding certain reimbursements or special amounts such as expense allowances, fringe benefits, moving expenses and welfare benefits. In the event of retirement after age 65, the benefit will be the greater of the normal retirement benefit determined at retirement or the normal retirement benefit determined at age 65, increased by 0.8% for each month of deferral after reaching normal retirement age. The normal form of benefit payment is a monthly payment over the longer of the participant's lifetime or ten years, and, in the event of the participant's death, payment to the participant's beneficiary for the remainder of the ten-year term. Additional information with respect to each named executive officer's participation in the Retirement Plan is included under - Pension Benefits on page 24.

Executive Retirement Benefit Plan. Prior to October 1, 2008, the Company credited amounts to accounts of participants in the Third Federal Savings and Loan Association MHC and Subsidiaries Executive Retirement Benefit Plan (the Executive Retirement Benefit Plan) at the end of each quarter. Effective October 1, 2008, the Company will no longer make quarterly contributions to accounts under the Executive Retirement Benefit Plan. Amounts shown as contributions in All Other Compensation in the Summary Compensation Table and the Non-Qualified Deferred Compensation table represent contributions with respect to the fourth fiscal quarter of 2008. Account balances under the Executive Retirement Benefit Plan continue to be deferred. Our Board of Directors may offer investment options from which a participant may select for the purpose of determining the earnings to be credited to the participant's account. If our Board of Directors does not offer investment options or the participant does not elect to participate in the investment options, the participant's account will be credited with earnings at the rate of 10-year Treasury bonds at the end of each calendar quarter. For the fiscal year ended September 30, 2009, the rate credited was 2.25%.

Each of the named executive officers is vested in his or her account. The participant's account balance will be distributed to the participant (or the participant's beneficiary) in the form elected by the participant following separation from service due to death, disability, normal retirement or separation of service. If the participant does not elect a form of payment, payment will be made in a lump sum distribution. Third Federal Savings and Loan may, in its discretion, establish rabbi trusts to provide a source of payment of obligations under the plans.

Additional information with respect to each named executive officer's participation in an Executive Retirement Benefit Plan is included under - Non-Qualified Deferred Compensation on page 24.

Benefit Equalization Plan. Third Federal Savings and Loan maintains the Third Federal Savings and Loan Association MHC and Subsidiaries Benefit Equalization Plan (the Benefit Equalization Plan) for the purpose of providing benefits to certain executive officers, including each of the named executive officers, that would have been payable under the 401(k) Plan but for the limitations under Sections 401(a)(17), 402(g) and 415 of the Code. The named executive officers are the only participants in the Benefit Equalization Plan. Under this plan, a participant may elect to defer up to 15% of his or her compensation, reduced by the maximum amount of

Table of Contents

compensation that the participant may defer for the current plan year under the terms of the 401(k) Plan. A participant under the plan is eligible to receive a matching contribution with respect to his or her elective deferrals and a profit-sharing contribution in an amount equal to that which he or she would have received under the 401(k) Plan but for the compensation limits, reduced by the profit-sharing contribution allocated to the participant under the 401(k) Plan for such year. A participant is always 100% vested in his or her account under the plan. A participant may elect to receive his or her distribution of benefits in a lump sum or in ten annual installments.

Our Board of Directors may offer investment options from which a participant may select for the purpose of determining the earnings to be credited to the participant's account. If our Board of Directors does not offer investment options or the participant does not elect to participate in the investment options, the participant's account will be credited with earnings at the rate of 10-year Treasury bonds at the end of each calendar quarter. For the fiscal year ended September 30, 2009, the rate credited was 2.25%.

The participant's account balance will be distributed to the participant (or the participant's beneficiary), in the form elected by the participant, following the participant's death, disability, normal retirement or other separation of service. If the participant does not elect a form of payment, payment will be made in a lump sum. At the request of a participant who has an unforeseeable emergency, the board of directors may, in its discretion, distribute all or a portion of the participant's account. Third Federal Savings and Loan may, but is not required to, establish rabbi trusts to provide a source of payment of obligations under the plan.

Additional information with respect to each named executive officer's participation in the Benefit Equalization Plan is included under *Non-Qualified Deferred Compensation* on page 24.

Other Benefits. Third Federal Savings and Loan sponsors medical and dental insurance plans for its associates, as well as short-term and long-term disability plans and life, accidental death and dismemberment insurance policies. The named executive officers participate in these plans. In addition, Third Federal Savings and Loan provides the following benefits:

Executive Life Insurance Bonus Program. Third Federal Savings and Loan has established an Executive Life Insurance Bonus Program for Messrs. Stefanski, Ringenbach and Betters, whereby the individual executives have acquired insurance policies on their lives and have transferred such policies to life insurance trusts. Third Federal Savings and Loan pays a bonus to the executives annually in amounts sufficient to pay the premiums on the policies. In addition, at year end, Third Federal Savings and Loan provides a tax gross-up to the executives in an amount sufficient to pay the taxes due on the premium payments. The amounts of the bonus and gross-up are included under *All Other Compensation* in the *Summary Compensation Table* on page 20. The death benefits under the insurance policies are as follows: \$6.0 million for Mr. Stefanski and \$1.5 million for each of Messrs. Ringenbach and Betters.

Executive Disability Insurance Bonus Program. Third Federal Savings and Loan has established an Executive Disability Insurance Bonus Program for Messrs. Stefanski, Ringenbach and Betters and Ms. Piterans, whereby the individual executives have acquired individual disability policies and Third Federal Savings and Loan pays bonuses to the executives annually in amounts sufficient to pay the premiums on the policies. In addition, at year-end, Third Federal Savings and Loan provides a tax gross-up to the executives in an amount sufficient to pay any taxes due on the bonuses. The amounts of the bonus and gross-up are included under *All Other Compensation* in the *Summary Compensation Table* on page 20.

Financial, Retirement and Estate Planning Program. Third Federal Savings and Loan sponsors the Financial, Retirement and Estate Planning Program for certain of its executive officers, including the named executive officers, and one additional associate director. Individuals designated by the Board of Directors are eligible to participate in the program during the year in which they are designated and during the two succeeding years. For the year ended September 30, 2009, each of the named executive officers and director Bernard Kobak,

Table of Contents

who is also a part-time associate, were designated by the Board of Directors to participate in the program, and Messrs. Stefanski, Ringenbach, Betters and Kobak participated. Under the program, a participant (or in certain circumstances, his or her surviving spouse) may consult with a financial planning adviser, investment adviser or legal adviser, each of whom may perform such services as are reasonably required, and Third Federal Savings and Loan will pay the fees for those services, up to \$40,000 in any one calendar year. The amount of fees paid by Third Federal Savings and Loan is included under *All Other Compensation* in the *Summary Compensation Table* on page 20.

Personal Health Management Program. Third Federal Savings and Loan also has implemented a personal health management program for the named executive officers that offers participants the opportunity to have annual medical examinations and health risk appraisals on a regular basis. Mr. Betters participated in the executive physical program during the year ended September 30, 2009. The amount of fees paid by Third Federal Savings and Loan is included under *All Other Compensation* in the *Summary Compensation Table* on page 20.

Company Car Program. Third Federal Savings and Loan sponsors a company car program under which members of executive management designated by the Chief Executive Officer are provided a new company car and other staff members designated by the Chief Executive Officer receive an assigned company car or have the opportunity to use a company vehicle or receive a gasoline credit card. Messrs. Stefanski and Kobak have each been provided with a company car under the program. The company car program also covers the costs of maintenance and operation of company cars and insurance coverage. The value of the benefits provided under this program is included under *All Other Compensation* in the *Summary Compensation Table* on page 20.

Supplemental Executive Split Dollar Life Insurance. Third Federal Savings and Loan maintains supplemental life insurance coverage for the named executive officers through an endorsement split dollar life insurance program. Third Federal Savings and Loan owns each of the policies and endorses a portion of the death benefit to the beneficiaries designated by the executive. These arrangements do not provide a death benefit postretirement. Supplemental life insurance death benefit amounts are determined according to the ranges of salary and bonus compensation of the executives, as follows: \$4.7 million for Mr. Stefanski; \$4.0 million for Mr. Ringenbach; and \$2.0 million for each of Messrs. Betters and Huffman and Ms. Piterans. No other executives currently participate in the endorsement split dollar program. The amount of insurance premiums paid with respect to these policies is included under *All Other Compensation* in the *Summary Compensation Table* on page 20.

Employment Agreements and Severance Policy

The Company is not party to an employment agreement or severance agreement with any of the named executive officers. The Company has a policy to review severance for its associates, including the named executive officers, on a case-by-case basis. However, the 2008 Equity Incentive Plan provides for acceleration of vesting of awards upon the occurrence of certain terminations or a change in control. See *- Potential Payments upon Termination or Change in Control* on page 25.

Deductibility of Compensation

The Committee considers Section 162(m) of the Code, which provides certain criteria for the tax deductibility of compensation in excess of \$1.0 million paid to the Company's named executive officers, in determining compensation of the named executive officers. It is the Committee's intent to maximize deductibility of executive compensation while retaining the discretion needed to compensate executive officers in a manner commensurate with performance and retention. The Company believes that all compensation paid to named executive officers other than Mr. Stefanski during the fiscal year 2009 was fully deductible. A portion of Mr. Stefanski's salary, his discretionary bonus and insurance-related bonuses as well as dividend equivalents

paid by the Company with respect to his restricted stock units and amounts paid by the Company for life insurance, financial planning and tax gross ups were not deductible. The Company expects that a portion of Mr. Stefanski's compensation for fiscal year 2010 will not be deductible.

Stock Ownership Guidelines

While many of the Company's executive officers, including the named executive officers, invested a significant amount of money in the Company's shares during its initial public offering and have acquired shares on the open market and through the 401(k) Plan since the public offering, the Company does not have specific guidelines regarding stock ownership for its executive officers. The Committee believes that shares acquired by the executive officers and the stock option and restricted stock unit awards made in 2008 and 2009 appropriately align the interests of executive officers with the interests of the Company's stockholders.

Summary Compensation Table

The following table summarizes the compensation earned during fiscal year 2009, 2008 and 2007 by each of the Company's named executive officers who served as of September 30, 2009. Additional information concerning compensation is included under - Compensation Disclosure and Analysis.

DIRECTOR COMPENSATION

For fiscal year 2009, directors of the Company were paid an annual retainer of \$25,000, in monthly installments, and directors of Third Federal Savings and Loan were paid an annual retainer of \$25,000, also in monthly installments. Members of our Audit Committee and Compensation Committee were paid \$1,000 per Audit Committee or Compensation Committee meeting attended, and committee chairs were paid an additional \$10,000 annually in quarterly installments. All of our directors are also directors of Third Federal Savings and Loan. Mr. Stefanski and Ms. Piterans do not receive fees for their service as directors.

Each director of the Company, other than Mr. Stefanski and Ms. Piterans, was granted 50,000 restricted stock units on August 11, 2008. These restricted stock units vest in equal installments over a five-year period, commencing one year from the date of the grant (August 11, 2009). These restricted stock units are settled in shares of our common stock upon vesting. The vesting of these restricted stock units accelerates (a) upon death, disability, or retirement, or (b) following a change in control (as such terms are defined in the 2008 Equity Incentive Plan or the form of award agreement). For purposes of these awards to the directors, retirement is defined as cessation of board service other than for cause after attaining age 72. The restricted stock units, including those that are unvested, are entitled to dividend equivalent rights. Dividend equivalent rights represent the right to receive cash payments on our dividend payment date equal in value to the amount of any cash dividend paid per share of common stock of the Company, multiplied by the number of shares of stock underlying the restricted stock units.
