Item 2.04. Triggering Events That Accelerate or Increase a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement.

As previously announced, Ligand Pharmaceuticals Incorporated (Ligand), pursuant to an Agreement and Plan of Merger dated August 23, 2009 (as later amended, the Merger Agreement), acquired Neurogen Corporation, a Delaware corporation (Neurogen) on December 23, 2009 by a reverse triangular merger, with Neurogen surviving as a wholly-owned subsidiary of Ligand (the Merger).

In the Merger, the former Neurogen stockholders received an aggregate of \$600,000 cash, an aggregate of 4,200,000 shares of Ligand common stock, and an aggregate of 69,038,691 of each of four separate series of non-marketable contingent value rights (CVRs) governed by the four respective Contingent Value Rights Agreements entered into on December 23, 2009 as contemplated by the Merger Agreement.

One such Contingent Value Rights Agreement, the Real Estate CVR Agreement, provided for the payment to the holders of the Real Estate CVRs of a pro rata portion of the cash paid by any buyer of Neurogen's real estate and received by Ligand on or before the six month anniversary of the Merger, less any costs and expenses reasonably incurred by Ligand in connection with such sale.

On February 2, 2010, pursuant to a previously disclosed Purchase and Sale Agreement dated as of November 5, 2009 among Neurogen and Neurogen's wholly-owned subsidiary Neurogen Properties, LLC (the Real Estate Sellers) and Investment Capital Partners, Ltd. (the Real Estate Buyer), the Real Estate Buyer purchased all of the Real Estate Sellers' real estate from the Real Estate Sellers. The purchase price was \$3,500,000 cash. The real estate was located at 15, 35 and 45 Northeast Industrial Road, Branford Connecticut and included approximately 120,000 square feet of laboratory and office space, approximately 40,000 square feet of warehouse space, and the surrounding land.

The closing of this real estate transaction triggers the following process under the Real Estate CVR Agreement. By February 9, 2010, Ligand shall send Registrar and Transfer Company, as Rights Agent under the Real Estate CVR Agreement (the Rights Agent), an achievement certificate certifying that the holders of Real Estate CVRs are entitled to receive pro rata the excess of the \$3,500,000 cash paid in the real estate transaction over any costs and expenses reasonably incurred by Ligand in connection with such real estate sale (such excess, the Real Estate CVR Payment Amount). Ligand shall then establish a Real Estate CVR Payment Date that is within 15 calendar days of the date of the achievement certificate, and deliver the Real Estate CVR Payment Amount to the Rights Agent. On the Real Estate CVR Payment Date, the Rights Agent shall distribute the Real Estate CVR Payment Amount pro rata to the holders of the Real Estate CVRs.

Ligand currently estimates that the Real Estate CVR Payment Amount will be approximately \$3.05 million cash, which would result in a payment of approximately \$0.044 cash on each Real Estate CVR.

Because Neurogen has no further real estate, this is the only material payment that will ever be made on the Real Estate CVRs.
