JOINT PROXY STATEMENT

For the Annual Meetings of Shareholders

each to be held on March 15, 2011

This Joint Proxy Statement is furnished in connection with the solicitation of proxies by each Board of Directors (each, a Board and collectively the Boards, with members of each Board being referred to as Directors) to be voted at the Annual Meeting of Shareholders of each Fund (each, a Meeting and collectively, the Meetings) to be held at 1735 Market Street, 32nd Floor, Philadelphia, Pennsylvania, on Tuesday, March 15, 2011 and at any adjournments or postponements thereof. A Notice of Annual Meeting of Shareholders and a proxy card (the Proxy) accompany this Joint Proxy Statement. This Joint Proxy Statement is first being mailed to shareholders on or about February 7, 2011.

All properly executed proxies received prior to the Meeting will be voted at the Meeting, or at any adjournments thereof, in accordance with the instructions marked on the proxy card. Unless instructions to the contrary are marked on the proxy card, proxies received will be voted **FOR** the Proposal. The persons named as proxy holders on the proxy card will vote in their discretion on any other matters that may properly come before the Meeting or any adjournments or postponements thereof. Any proxy may be revoked at any time prior to its exercise by submitting a properly executed, subsequently dated proxy, giving written notice to Megan Kennedy, 1735 Market Street, 32nd Floor Philadelphia, Pennsylvania, 19103, or by attending the Meeting and voting in person. Shareholders may authorize proxy voting by using the enclosed proxy card along with the enclosed envelope with pre-paid postage. Shareholders may also authorize proxy voting by telephone or through the internet, by following the instructions contained on their proxy card. Shareholders do not have dissenter's rights of appraisal in connection with any of the matters to be voted on by the shareholders at the Meeting.

The presence at the Meeting, in person or by proxy, of the shareholders entitled to cast a majority of all the votes entitled to be cast at the Meeting shall be necessary and sufficient to constitute a quorum for the transaction of business. For purposes of determining the presence of a quorum at the Meeting, withheld votes and broker non-votes (that is, proxies from brokers or nominees indicating that such persons have not received instructions from the beneficial owner or other persons entitled to vote shares on a particular proposal with respect to which the brokers or nominees do not have discretionary power) will be treated as shares that are present at the Meeting.

With regard to FAX and FCO, the affirmative vote of a majority of the shares of common stock outstanding and entitled to vote thereon is necessary for the election of a Director. With regard to IAF, the vote of a plurality of all of the votes cast at a meeting at which a quorum is present is necessary for the election of a Director. For purposes of the election of Directors for all Funds, withheld votes will not be counted as votes cast and will have no effect on the result of the vote. Proxies from

brokers or nominees indicating that such persons have not received instructions from the beneficial owner or other persons entitled to vote shares on the Proposal will be voted **FOR** such Proposal.

If a quorum is not present in person or by proxy at the time the Meeting is called to order, the chairman of the Meeting may adjourn the Meeting. If a quorum is present but there are not sufficient votes to approve a proposal, the chairman of the Meeting may adjourn the Meeting, or may permit the persons named as proxy holders to propose one or more adjournments of the Meeting, to permit further solicitation of proxies on that proposal. If the persons named as proxy holders propose to adjourn the Meeting, the vote required for shareholders to adjourn the Meeting is the affirmative vote of a majority of all the votes cast on the matter. In such a case, the persons named as proxy holders will vote those proxies which they are entitled to vote in favor of the proposal **FOR** the adjournment as to that proposal, and will vote those proxies required to be voted against the proposal **AGAINST** the adjournment as to that proposal. For purposes of votes with respect to adjournment, broker non-votes will not be counted as votes cast and will have no effect on the result of the vote. If the motion for adjournment is not approved, the voting on that proposal will be completed at the Meeting.

Only shareholders or their duly appointed proxy holders can attend the Meeting and any adjournment or postponement thereof. To gain admittance, if you are a shareholder of record or a proxy holder of a shareholder of record, you must bring a form of personal identification to the Meeting, where your name will be verified against our shareholder list. If a broker or other nominee holds your shares and you plan to attend the Meeting, you should bring a recent brokerage statement showing your ownership of the shares, as well as a form of personal identification. If you are a beneficial owner and plan to vote at the Meeting, you should also bring a proxy card from your broker.

Each Board has fixed the close of business on January 31, 2011 as the record date (Record Date) for the determination of shareholders entitled to notice of, and to vote at, each Meeting and at any adjournment or postponement thereof. Shareholders on the Record Date for each Fund will be entitled to one vote for each share held for their respective Meeting. As of the Record Date, the following number of shares of each Fund were issued and outstanding:

FAX had outstanding 260,975,744 shares of common stock, par value \$0.01 per share.

FCO had outstanding 9,044,194 shares of common stock, par value \$0.001 per share.

IAF had outstanding 21,777,602 shares of common stock, par value \$0.01 per share.

Important Notice Regarding the Availability of Proxy Materials for the Shareholder Meetings to Be Held on Tuesday, March 15, 2011. The Joint Proxy Statement and each Fund's most recent annual report are available on the Internet at <http://www.aberdeen-asset.us/cef>. The Funds will furnish, without charge, a copy of each Fund's annual report for its fiscal year ended October 31, 2010, and any more recent reports, to any Fund shareholder upon request. To request a copy, please write to the Funds c/o Aberdeen Asset Management Inc., 1735 Market Street, 32nd Floor, Philadelphia, PA 19103, or call 1-800-522-5465 (FAX); 1-866-839-5233 (FCO); 1-866-839-5205 (IAF). You may also call for information on how to obtain directions to be able to attend the Meeting and vote in person.

The Proposal Election of Directors

Each Fund's bylaws provide that the Fund's Board be elected by holders of the Fund's common stock divided into three classes, as nearly equal in number as possible, each of which will serve for three years, with one class being elected each year. Each year the term of office of one class expires. Directors who are deemed interested persons (as that term is defined in Section 2(a)(19) of the Investment Company Act of 1940, as amended (the 1940 Act)), of each Fund, the Funds

investment manager, Aberdeen Asset Management Asia Limited (the Investment Manager or AAMAL), the Funds investment adviser, Aberdeen Asset Management Limited (the Investment Adviser or AAML) or, in the case of FAX and FCO, the investment sub-adviser, Aberdeen Asset Management Investment Services Limited (the Sub-Adviser or AAMISL), are referred to in this Joint Proxy Statement as Interested Directors. Directors who are not interested persons, as described above, are referred to in this Joint Proxy Statement as Independent Directors.

Each Board, including the Independent Directors, upon the recommendation of each Board s Nominating and Corporate Governance Committee, which is composed entirely of Independent Directors, has nominated the following individuals for election to its Board as follows:

Aberdeen Asia-Pacific Income Fund, Inc.	Peter D. Sacks (Class II Director, 3-year term ending 2014) P. Gerald Malone (Class II Director, 3-year term ending 2014)
Aberdeen Global Income Fund, Inc.	P. Gerald Malone (Class I Director, 3-year term ending 2014) John T. Sheehy (Class I Director, 3-year term ending 2014)
Aberdeen Australia Equity Fund, Inc.	Peter D. Sacks (Class II Director, 3-year term ending 2014) P. Gerald Malone (Class II Director, 3-year term ending 2014) Hugh Young (Class II Director, 3-year term ending 2014)

Each of the nominees has indicated an intention to serve if elected and has consented to be named in this Joint Proxy Statement.

It is the intention of the persons named on the enclosed proxy card to vote **FOR** the election of the persons indicated above to serve as Directors. The Boards know of no reason why any of these nominees will be unable to serve, but in the event of any such inability, the proxies received will be voted for such substituted nominees as the affected Fund s Board may recommend.

The following tables set forth certain information regarding the nominees for election to the Boards of the Funds, Directors whose terms of office continue beyond the Meeting, and the principal officers of the Funds.

ADDITIONAL INFORMATION ABOUT THE DIRECTORS

Each Board believes that each Director s experience, qualifications, attributes or skills on an individual basis and in combination with those of the other Directors lead to the conclusion that the Directors possess the requisite experience, qualifications, attributes and skills to serve on their respective Board. Each Board believes that the Directors ability to review critically, evaluate, question and discuss information provided to them; to interact effectively with AAMAL, AAML

and AAMISL, as applicable, other service providers, counsel and independent auditors; and to exercise effective business judgment in the performance of their duties, support this conclusion. Each Board has also considered the contributions that each Director can make to the respective Board on which they serve and the Fund(s). A Director's ability to perform his duties effectively may have been attained through the Director's executive, business, consulting, and/or legal positions; experience from service as a Director of the Fund(s) and other funds/portfolios in the Aberdeen fund complex, other investment funds, public companies, or non-profit entities or other organizations; educational background or professional training or practice; and/or other life experiences. In this regard, the following specific experience, qualifications, attributes and/or skills apply as to each Director in addition to the information set forth in the table above: Mr. Gilbert, executive and board experience and accounting and legal background; Mr. Young, investment management experience in director and executive roles within the Aberdeen complex and director experience with other investment management companies; Mr. Malone, legal background and public service leadership experience, board experience with other public and private companies, and executive and business consulting experience; Mr. Miles, financial services, investment management and executive experience and board experience with various Australian public and private companies; Mr. Potter, financial services, investment management and merchant banking experience, executive and consulting experience, and board experience with public companies and non-profit organizations; Mr. Sacks, accounting background (chartered accountant in Canada and South Africa), treasury experience in banking organizations, investment management and executive experience; Mr. Sell, director and executive experience at an investment banking and trading firm and board experience with another closed-end fund outside of the Aberdeen complex; Mr. Sheehy, executive experience at venture capital and investment banking firms, as well as board experience at several public and private companies; and Mr. Sherman, executive and investment management experience, and board experience at various public and private companies and non-profit organizations.

Each Board believes that the significance of each Director's experience, qualifications, attributes or skills is an individual matter (meaning that experience important for one Director may not have the same value for another) and that these factors are best evaluated at the Board level, with no single Director, or particular factor, being indicative of Board effectiveness. In its periodic self-assessment of the effectiveness of the Board, each Board considers the complementary individual skills and experience of the individual Directors in the broader context of the Board's overall composition so that the Board, as a body, possesses the appropriate (and appropriately diverse) skills and experience to oversee the business of the Fund. References to the qualifications, attributes and skills of Directors are pursuant to requirements of the Securities and Exchange Commission, do not constitute holding out a Board or any Director as having any special expertise or experience, and shall not impose any greater responsibility or liability on any such person or on a Board by reason thereof.

- (1) This information has been furnished by each Director as of October 31, 2010. Beneficial ownership is determined in accordance with Rule 16a-1(a)(2) promulgated under the Securities Exchange Act of 1934, as amended (the 1934 Act).

(2) Aberdeen Family of Investment Companies means those registered investment companies that are advised by the Investment Manager or an affiliate and that hold themselves out to investors as related companies for purposes of investment and investor services. As of October 31, 2010, each Fund's Directors and officers, in the aggregate, own less than 1% of that Fund's outstanding equity securities. As of October 31, 2010, none of the Independent Directors or their immediate family members owned any shares of the Investment Manager, Investment Adviser or the Sub-Adviser or of any person (other than a registered investment company) directly or indirectly controlling, controlled by, or under common control with the Investment Manager, Investment Adviser or the Sub-Adviser.

Mr. Pittard and Ms. Melia serve as executive officers of the Funds. As of October 31, 2010, Mr. Pittard and Ms. Melia did not own shares of the Funds' common stock.

BOARD AND COMMITTEE STRUCTURE

The Board of Directors of Aberdeen Asia-Pacific Income Fund, Inc. is composed of six Independent Directors and one Interested Director, Martin J. Gilbert. The Board of Directors of Aberdeen Global Income Fund, Inc. is composed of five Independent Directors and one Interested Director, Martin J. Gilbert. The Board of Directors of Aberdeen Australia Equity Fund, Inc. is composed of seven Independent Directors and one Interested Director, Hugh Young. Each Fund's bylaws provide that the Board shall be divided into three classes, as nearly equal in number as possible, each of which will serve for three years, with one class being elected each year. The Boards of Aberdeen Asia-Pacific Income Fund, Inc. and Aberdeen Global Income Fund, Inc. have each appointed Mr. Malone, an Independent Director, as Chairman. The Board of Aberdeen Australia Equity Fund, Inc. has appointed Mr. Miles, an Independent Director, as Chairman. The Chairman presides at meetings of the Directors, participates in the preparation of the agenda for meetings of the Board, and acts as a liaison between the Independent Directors and management between Board meetings. Except for any duties specified herein, the designation of the Chairman does not impose on such Director any duties, obligations or liability that is greater than the duties, obligations or liability imposed on such person as a member of the Board, generally.

Each Board holds regular quarterly meetings each year to consider and address matters involving the respective Fund. Each Board also may hold special meetings to address matters arising between regular meetings. The Independent Directors also meet outside the presence of management in executive session at least quarterly and have engaged separate, independent legal counsel to assist them in performing their oversight responsibilities.

Each Board has established a committee structure that includes an Audit and Valuation Committee, a Contract Review Committee, a Nominating and Corporate Governance Committee, and a Cost Review Committee (each discussed in more detail below) to assist each Board in the oversight and direction of the business affairs of the respective Fund, and from time to time may establish informal ad hoc committees or working groups to review and address the practices of the respective Fund with respect to specific matters. The Committee system facilitates the timely and efficient consideration of matters by the Directors, and facilitates effective oversight of compliance with legal and regulatory requirements and of each Fund's activities and associated risks. The standing Committees currently conduct an annual review of their charters, which includes a review of their responsibilities and operations. The Nominating and Corporate Governance Committee and each Board as a whole also conduct an annual evaluation of the performance of the Board, including consideration of the effectiveness of the Board's Committee structure. Each Committee is comprised entirely of Independent Directors. Each member is also independent within the meaning of the NYSE Amex Equities listing standards. Each Board reviews its structure regularly and believes that its leadership structure, including having a super-majority of Independent Directors, coupled with an Independent Director as Chairman, is appropriate because it allows the Board to exercise informed and independent

judgment over the matters under its purview and it allocates areas of responsibility among the Committees and the full Board in a manner that enhances efficient and effective oversight.

Audit and Valuation Committee

Each Fund's Audit and Valuation Committee, established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the "1934 Act"), is responsible for the selection and engagement of each Fund's independent registered public accounting firm (subject to ratification by each Fund's Independent Directors), pre-approves and reviews both the audit and non-audit work of each Fund's independent registered public accounting firm, and reviews compliance of each Fund with regulations of the SEC and the Internal Revenue Service, and other related matters. The members of each Fund's Audit and Valuation Committee are Messrs. Neville J. Miles, Peter D. Sacks and John T. Sheehy.

Each Board has adopted an Audit and Valuation Committee Charter for its Audit and Valuation Committee, the current copy of which is attached to this Joint Proxy Statement as Appendix A.

Each Audit and Valuation Committee oversees the activities of its Fund's Pricing Committee and performs the responsibilities assigned to the Audit and Valuation Committee in the Fund's Valuation and Liquidity Procedures, such as overseeing the implementation of the Valuation and Liquidity Procedures. Each Board has delegated to its Audit and Valuation Committee the responsibility of determining the fair value of its Fund's securities or other assets in situations set forth in the Valuation and Liquidity Procedures.

Contract Review Committee

Each Contract Review Committee reviews and makes recommendations to the Board of Directors with respect to entering into, reviewing or amending the Fund's management agreement, advisory agreement, sub-advisory agreement, administration agreement, investor relations services agreement and other agreements. The members of each Fund's Contract Review Committee are Messrs. Neville J. Miles, William J. Potter and John T. Sheehy.

Nominating and Corporate Governance Committee; Consideration of Potential Director Nominees

Each Fund's Nominating and Corporate Governance Committee recommends nominations for membership on the Board and reviews and evaluates the effectiveness of the Board in its role in governing the Fund and overseeing the management of the Fund. It evaluates candidates' qualifications for Board membership and, with respect to nominees for positions as Independent Directors, their independence from the Fund's Investment Manager, Investment Adviser and Sub-Adviser, as appropriate, and other principal service providers. Each Nominating and Corporate Governance Committee generally meets twice annually to identify and evaluate nominees for director and makes its recommendations to its respective Board at the time of each Board's December meeting. Each Nominating and Corporate Governance Committee also periodically reviews director compensation and will recommend any appropriate changes to the Boards as a group. Each Nominating and Corporate Governance Committee also reviews and may make recommendations to its respective Board relating to the effectiveness of the Board in carrying out its responsibilities in governing the Fund and overseeing the management of the Fund. Each Board has adopted a Nominating and Corporate Governance Committee Charter, a copy of which is attached to this Joint Proxy Statement as Appendix B. The members of each Fund's Nominating and Corporate Governance Committee are Messrs. P. Gerald Malone, Neville J. Miles and William J. Potter.

Each Nominating and Corporate Governance Committee may take into account a wide variety of factors in considering prospective director candidates, including (but not limited to): (i) availability (including availability to attend to Board

business on short notice) and commitment of a candidate to attend meetings and perform his or her responsibilities on the Board; (ii) relevant industry and related experience; (iii) educational background; (iv) reputation; (v) financial expertise; (vi) the candidate's ability, judgment and expertise; (vii) overall diversity of the Board's composition; (viii) commitment to the representation of the interests of the Fund and its shareholders and (ix) actual or potential business, family or other conflicts bearing on either the candidate's independence or the business of the Fund. Each Nominating and Corporate Governance Committee will consider potential director candidates, if any, recommended by its Fund shareholders provided that the proposed candidates: (i) satisfy any minimum qualifications of the Fund for its directors, and (ii) are not interested persons of the Fund, as that term is defined in the 1940 Act; and (iii) are independent as defined in the NYSE AMEX listing standards and any other exchange on which the Fund's shares are listed.

While the Nominating and Corporate Governance Committees have not adopted a particular definition of diversity or a particular policy with regard to the consideration of diversity in identifying candidates, when considering a candidate's and a Board's diversity, the Committees generally consider the manner in which each candidate's leadership, independence, interpersonal skills, financial acumen, integrity and professional ethics, educational and professional background, prior director or executive experience, industry knowledge, business judgment and specific experiences or expertise would compliment or benefit the Board and, as a whole, contribute to the ability of the Board to oversee the Fund. Each Committee may also consider other factors or attributes as they may determine appropriate in their judgment. Each Committee believes that the significance of each candidate's background, experience, qualifications, attributes or skills must be considered in the context of the Board as a whole.

Each Fund's bylaws contain provisions regarding minimum qualifications for directors. These include a requirement that, to qualify as a nominee for a directorship, each candidate, at the time of nomination, other than persons who were directors at the time of the adoption of the minimum qualifications, must possess at least the following specific minimum qualifications: (i) a nominee shall have at least five years' experience in either investment management, economics, public accounting or Australian business; (ii) a nominee shall have a college undergraduate or graduate degree in economics, finance, business administration, accounting or engineering, or a professional degree in law, engineering, or medicine, from an accredited university or college in the United States, Australia, the United Kingdom, Canada or New Zealand, or the equivalent degree from an equivalent institution of higher learning in another country; and (iii) a nominee shall not have violated any provision of the U.S. federal or state securities laws, or comparable laws of another country.

Each Fund's bylaws also contain advance notice provisions and general procedures with respect to the submission of proposals, including the nomination of directors. Shareholders who intend to propose potential director candidates must substantiate compliance with these requirements. Notice of shareholder proposals must be provided to the Fund's Secretary not earlier than the 15th day and not later than 5:00 p.m., Eastern Time, on the 120th day prior to the first anniversary of the date of the preceding year's proxy statement. Any shareholder may obtain a copy of the Fund's bylaws by calling the Investor Relations department of Aberdeen Asset Management Inc., the Fund's investor relations services provider, toll-free at 1-800-522-5465 (FAX); 1-866-839-5233 (FCO); 1-866-839-5205 (IAF), or by sending an e-mail to Aberdeen Asset Management Inc. at InvestorRelations@aberdeen-asset.com.

Cost Review Committee

Each Cost Review Committee reviews on an ongoing basis the fees and expenses incurred by the Fund, to ensure that such expenses are commensurate with the services provided. The members of each Fund's Cost Review Committee are Messrs. Neville J. Miles, Peter D. Sacks and John T. Sheehy.

Board Oversight of Risk Management

The Funds are subject to a number of risks, including, among others, investment, compliance, operational and valuation risks. Risk oversight forms part of each Board's general oversight of the respective Fund and is addressed as part of various Board and Committee activities. Each Board has adopted, and periodically reviews, policies and procedures designed to address these risks. Different processes, procedures and controls are employed with respect to different types of risks. Day-to-day risk management functions are subsumed within the responsibilities of AAMAL, who carries out each Fund's investment management and business affairs, and also by AAML and AAMISL, as applicable, and other service providers in connection with the services they provide to the Funds. Each of AAMAL, AAML and AAMISL, as applicable, and other service providers have their own, independent interest in risk management, and their policies and methods of risk management will depend on their functions and business models. As part of its regular oversight of each Fund, the respective Board, directly and/or through a Committee, interacts with and reviews reports from, among others, AAMAL, AAML and AAMISL, as applicable, and each Fund's other service providers (including the Funds' transfer agent), the Funds' Chief Compliance Officer, the Funds' independent registered public accounting firm, legal counsel to the Funds, and internal auditors, as appropriate, relating to the operations of the Funds. The Boards also require AAMAL to report to the Boards on other matters relating to risk management on a regular and as-needed basis. The Boards recognize that it may not be possible to identify all of the risks that may affect the Funds or to develop processes and controls to eliminate or mitigate their occurrence or effects. Each Board may, at any time and in its discretion, change the manner in which it conducts risk oversight.

Board and Committee Meetings in Fiscal 2010

During the Funds' fiscal year ended October 31, 2010, the Boards of FAX and FCO held four regular meetings and one special meeting; the Board of IAF held 4 regular meetings and two special meetings; each Fund's Audit and Valuation Committee held two meetings; and each Fund's Nominating and Corporate Governance Committee held two meetings. During such period, each incumbent Director attended at least 80% of the aggregate number of meetings of the Board and of all the Committees of the Board on which he served, with the exception of IAF Director Hugh Young who attended 67% of the aggregate number of meetings of the IAF Board.

Communications with the Board of Directors

Shareholders who wish to communicate with Board members with respect to matters relating to the Funds may address their written correspondence to the Boards as a whole or to individual Board members c/o Aberdeen Asset Management Inc., the Funds' investor relations service provider, at 1735 Market Street 32nd Floor, Philadelphia, PA 19103, or may send e-mail correspondence to the Director(s) c/o Aberdeen Asset Management Inc. at InvestorRelations@aberdeen-asset.com.

Director Attendance at Annual Meetings of Shareholders

Generally, in the event that any of the Funds' Directors are geographically close to the site of an annual meeting of shareholders at the time of such meeting, one or more of such Directors will attend the meeting. However, since a majority of the Funds' Directors reside outside of the United States, the Funds recognize that it would be impractical for most Directors to attend such meetings and would create a significant expense for the Funds. In light of the fact that the residences of most Directors are substantial distances from the location of the annual meetings of shareholders and that, historically, few shareholders have attended the annual meetings in person, the Funds have not established a policy with respect to Director attendance at annual meetings of shareholders. No Directors attended the 2010 Annual Meeting of Shareholders for any of the Funds.

REPORTS OF THE AUDIT AND VALUATION COMMITTEES; INFORMATION REGARDING THE FUNDS INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit and Valuation Committees have selected, and each Fund's Independent Directors have ratified the selection of, KPMG LLP (KPMG), 1601 Market Street, Philadelphia, PA 19103, an independent registered public accounting firm, to audit the financial statements of the Funds for the fiscal year ending October 31, 2011. PricewaterhouseCoopers LLP (PwC), 300 Madison Avenue, New York, New York 10017, an independent registered public accounting firm, was the independent registered public accounting firm for the Funds for the fiscal year ended October 31, 2008. At the meetings held on June 9, 2009, each Audit and Valuation Committee and each Board engaged KPMG to replace PwC as the independent registered public accounting firm for its Fund.

The reports of the financial statements, previously issued by PwC for each Fund for each of the two most recent fiscal years ended October 31 in which PwC was auditor of the Fund, did not contain any adverse opinion or disclaimer of opinion, and were not qualified or modified as to uncertainty, audit scope or accounting principles. For the past two most recent fiscal years in which PwC was auditor of the Fund and through the date of the auditor change, there were no disagreements between the Fund and PwC on any matters of accounting principles or practices, financial statement disclosures, auditing scope or procedures, or any other matter which, if not resolved to the satisfaction of PwC, would have caused PwC to make reference to the subject matter of the disagreements in connection with the issuance of PwC reports on the financial statements of such periods. Representatives from KPMG are not expected to be present at the Meeting to make a statement or respond to questions from shareholders. However, such representatives are expected to be available by telephone to respond to questions raised by shareholders, if any, during the Meeting.

Each Audit and Valuation Committee has received from KPMG the written disclosures and the letter required by the Public Company Accounting Oversight Board regarding KPMG's communications with the Audit and Valuation Committee concerning independence, and have discussed with KPMG its independence. Each Audit and Valuation Committee has also reviewed and discussed the audited financial statements with Fund management and KPMG, and discussed certain matters with KPMG addressed by Statements on Auditing Standards Nos. 61 and 90. Based on the foregoing, each Audit and Valuation Committee recommended to its Board that the Fund's audited financial statements be included in the respective Fund's Annual Report to Shareholders for the fiscal year ended October 31, 2010.

The following table sets forth the aggregate fees billed for professional services rendered by KPMG in 2010 and 2009 during the Funds' two most recent fiscal years:

	FAX	2010 FCO	IAF	FAX	2009 FCO	IAF
Audit Fees	\$ 98,000	\$ 80,500	\$ 52,000	\$ 95,000	\$ 77,500	\$ 50,000
Audit-Related Fees	Nil	Nil	\$ 36,000 ⁽²⁾	Nil	Nil	Nil
Tax Fees ⁽¹⁾	\$ 6,000	\$ 6,000	\$ 6,000	\$ 6,000	\$ 6,000	\$ 6,000
All Other Fees	Nil	Nil	Nil	Nil	Nil	Nil

(1) The Tax Fees are for the completion of the Funds' federal and state tax returns.

(2) Subsequent to year-end, \$36,000 in fees were billed to IAF in connection with its public offering of shares that occurred on December 9, 2010.

For the fiscal year ended October 31, 2010, KPMG billed \$2,500 for aggregated non-audit fees for services to the Investment Manager, Investment Adviser and Sub-Adviser. For the fiscal year ended October 31, 2009, KPMG billed \$20,000 for non-audit fees for tax consulting and tax compliance services to the Investment Manager, Investment Adviser and Sub-Adviser.

All of the services described in the table above were pre-approved by the relevant Audit and Valuation Committee.

Each Fund's Audit and Valuation Committee has adopted an Audit and Valuation Committee Charter that provides that the Audit and Valuation Committee shall annually select, retain or terminate the Fund's independent auditor and, in connection therewith, evaluate the terms of the engagement (including compensation of the auditor) and the qualifications and independence of the independent auditor, including whether the independent auditor provides any consulting, auditing or tax services to the Investment Manager, Investment Adviser or Sub-Adviser, if applicable, and receive the independent auditor's specific representations as to their independence, delineating all relationships between the independent auditor and the Fund, consistent with the Independent Standards Board (ISB) Standard No. 1. The Audit and Valuation Committee Charter also provides that the Audit Committee shall review in advance, and consider approval of, any and all proposals by Fund management or the Investment Manager that the Fund, Investment Manager or their affiliated persons, employ the independent auditor to render permissible non-audit services to the Fund and to consider whether such services are consistent with the independent auditor's independence.

Each Audit and Valuation Committee has considered whether the provision of non-audit services that were rendered to the Investment Manager, Investment Adviser, or Sub-Adviser, if applicable, and any entity controlling, controlled by, or under common control with these entities that provides ongoing services to the relevant Fund that were not pre-approved pursuant to paragraph (c)(7)(ii) of Rule 2-01 of Regulation S-X is compatible with maintaining the principal accountant's independence and has concluded that it is.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the 1934 Act and Section 30(h) of the 1940 Act, as applied to the Funds, require the Funds' officers, Directors, the Investment Manager and Investment Adviser, affiliates of the Investment Manager or Investment Adviser, and persons who beneficially own more than 10% of a registered class of a Fund's outstanding securities (Reporting Persons) to electronically file reports of ownership of that Fund's securities and changes in such ownership with the SEC and the NYSE Amex Equities. Such persons are required by SEC regulations to furnish the Fund with copies of all such filings.

Based solely on its review of the copies of such forms received by it and written representations from certain Reporting Persons that no year-end reports were required for those persons, and except as provided in the following sentence, each Fund believes that during the fiscal year ended October 31, 2010, its Reporting Persons complied with all applicable filing requirements. Mr. Paul Griffiths, an officer of FAX and FCO, filed a Form 3 Initial Statement of Beneficial Ownership of each Fund's securities subsequent to the 10-day period specified in the Form.

Audit and Valuation Committee Charter

Mission

The mission of the each Fund's Committee is to oversee: (i) the Fund's accounting and financial reporting policies and practices; (ii) its internal controls and, as appropriate, the internal controls of certain service providers; (iii) the integrity, quality and objectivity of the Fund's financial statements and the independent audit thereof, including, but not limited to, oversight of the independent auditor's qualifications and independence. The Committee will also oversee the activities of the Fund's Pricing Committee and perform the responsibilities assigned to the Committee in the Valuation and Liquidity Procedures (the Procedures). The Committee serves to provide an open avenue of communication among the independent auditors, the internal accounting staff of the Fund's administrator (the Administrator) and the Board of Directors (the Board). The Committee will report to the Board, if necessary, any relationships between the independent auditor and the Fund, or any other relationships, which come to the Committee's attention that may adversely affect the independence of the independent auditor.

The function of the Committee is to provide oversight; it is the responsibility of the Fund, Adviser and the Fund's Administrator (the Administrator) to maintain appropriate systems for (i) accounting and internal control and (ii) maintaining appropriate systems for pricing of the Fund's assets. It is the responsibility of the Fund's independent auditor and the Fund's management (Management) to plan and carry out a proper audit.

Although the Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Committee to plan or conduct audits or to determine that the Fund's financial statements are complete or accurate or have been prepared in accordance with generally accepted accounting principles.

The Pricing Committee is directly accountable to the Committee and the Board. The independent auditor is directly accountable to the Committee and must report directly to the Committee.

Committee Membership

The Committee shall be composed of at least three members. Each member must have been determined not to be an interested person (as that term is defined in Section 2(a)(19) of the Investment Company Act of 1940, as amended (1940 Act)) of the Fund, other than in his or her capacity as a member of the Board or any Board committee (an Independent Director) and, in addition, each member shall have the additional qualifications indicated below.

Qualifications of Committee Members

1. Members of the Committee must be members of the Board and may not be officers of the Fund. Each member of the Committee must also meet the NYSE Amex's independence requirements for audit committee members of listed registered investment companies and the independence requirements applicable to investment companies set forth in Rule 10A-3 under the Securities Exchange Act of 1934, as amended (the 1934 Act). In addition, members should be free of any relationships that would interfere with their exercise of independent judgment as committee members.

2. Each member of the Committee must not have participated in the preparation of the financial statements of the Fund or any current subsidiary of the Fund at any time during the past three years.
3. Each member of the Committee must be able to read and understand basic financial statements, including the Fund's balance sheet, income statement and statement of cash flows, or must become able to do so within a reasonable period of time after his or her appointment to the Committee. The Committee may, in its discretion, recommend to the Board that the Board designate one or more Committee members as Audit Committee Financial Experts (ACFE). In recommending that a person be designated an ACFE, the Committee shall consider the factors prescribed by Section 407 of the Sarbanes-Oxley Act of 2002, relevant regulations of the Commission, and such other factors as the Committee deems relevant. A Committee member designated as an ACFE shall not be subject to a different or higher degree of individual responsibility, care or obligation than other members of the Committee. The designation of one or more Committee members as ACFE shall not alter or decrease the duties and obligations of members of the Committee not so designated. If none of the members of the Committee is a financial expert (as that term is defined in the rules and regulations of the SEC), the Fund's periodic reports shall disclose the reason why.
4. Unless exempted by an order of the Securities and Exchange Commission (the SEC), each member of the Committee may not, other than in his or her capacity as a member of the Committee, the Board or any other committee of the Board, directly or indirectly, accept any consulting, advisory or other compensatory fee from the Fund.

The Committee is responsible for actively engaging in a dialogue with the independent auditor with respect to any disclosed relationships or services that may impact the objectivity and independence of the independent auditor and for taking, or recommending that the full Board take, appropriate action to oversee the independence of the independent auditor;

¹ ISB Standard No. 1 requires the auditor to annually: (1) disclose to the Committee, in writing, all relationships between the auditor and its related entities and the Fund and its related entities that in the auditor's professional judgment may reasonably be thought to bear on independence; (2) confirm in the letter that, in its professional judgment, it is independent of the Fund within the meaning of the Securities Acts administered by the SEC; and (3) discuss the auditor's independence with the audit committee.

2. To review in advance, and consider approval of, any and all proposals by Management or the Adviser that the Fund, Adviser or their affiliated persons, employ the independent auditor to render permissible non-audit services² to the Fund and to consider whether such services are consistent with the independent auditor's independence³. The Committee may delegate to one or more of its members (Delegates) authority to pre-approve permissible non-audit services to be provided to the Fund. Any pre-approval determination of a Delegate shall be presented to the full Committee at its next meeting. The Committee shall communicate any pre-approval made by it or a Delegate to the Adviser, who will ensure that the appropriate disclosure is made in the Fund's periodic reports required by Section 30 of the Investment Company Act of 1940, as amended, and other documents as required under the federal securities laws;

- ³ Pre-approval by the Committee of any permissible non-audit services is not required so long as: (i) the aggregate amount of all such permissible non-audit services provided to the Fund constitutes not more than 5% of the total amount of revenues paid by the Fund to its auditor during the fiscal year in which the permissible non-audit services are provided; (ii) the permissible non-audit services were not recognized by the Fund at the time of the engagement to be non-audit services; and (iii) such services are promptly brought to the attention of the Committee and approved by the Committee or its Delegate(s) prior to the completion of the audit.

Audit and Valuation Committee

Procedures for Handling Complaints and Concerns

The Fund seeks to ensure the integrity of its financial reporting and its compliance with applicable law. The Fund also desires to conduct itself in a prudent and ethical manner. The Fund believes that any measures which assist it in protecting the integrity of its financial reporting and promoting its compliance with applicable law benefits the interests of its stockholders.

Pursuant to the requirements of Rule 10A-3(b)(3) of the Securities Exchange Act of 1934, as amended, Section 803 B(4) of the NYSE Amex Company Guide, the Fund's Audit and Valuation Committee Charter of the Fund, and in accordance with Section 806 of the Sarbanes-Oxley Act of 2002, the Audit and Valuation Committee of each Fund (the "Committee") has adopted the following procedures for handling complaints and concerns to assist each Fund in meeting certain legal obligations in connection with its accounting and auditing practices (the "Procedures"). These Procedures have also been adopted to address complaints and concerns and encourage reporting of any potential conduct that is dishonest, illegal or unethical, including, but not limited to, conduct which involves violations of any rules and regulations adopted by the Securities and Exchange Commission as well as any federal rules relating to fraud against stockholders. The goal of these Procedures is to reduce the prospect of illegal conduct.

Although the Fund has officers, the Fund does not have employees. The Fund contracts with third parties which provide management, administrative, custodial, accounting, auditing, transfer agency and other services to the Fund (the "Service Providers"). The Audit Committee of the Fund relies on its officers and Service Providers for information about the Fund's accounting, internal accounting controls and auditing matters (collectively, "Accounting Matters") as well as information concerning the daily operations of the respective Fund ("Operational Matters"). Because each Committee is dependent upon the information provided to it by the relevant Fund's officers and Service Providers, it is important for each Committee to ensure that open and effective channels of communication are available for the reporting of concerns and complaints regarding Accounting and Operational Matters.

Each Committee has established these Procedures for the:

receipt, retention and treatment of complaints received by the Fund regarding Accounting and Operational Matters; and

the confidential, anonymous submission by officers of the Fund or employees of Service Providers (collectively, "Reporting Persons") of concerns regarding questionable Accounting and Operational Matters.

1. Submission of Complaints and Concerns

- (a) The Fund encourages any officer of the Fund or employee of a Service Provider who has a concern regarding a potentially questionable Accounting and/or Operational Matter to bring this concern to the attention of the respective Fund's Audit Committee Chairman. A matter may be a potentially questionable Accounting Matter if, for example, it involves fraud or deliberate error in the preparation, evaluation, review or audit of any financial statement of a Fund; fraud or deliberate error in the recording and maintaining of financial records of a Fund; deficiencies in or noncompliance with any internal accounting controls affecting a Fund; any misrepresentation or false statement regarding a matter contained in the financial records, financial reports or audit reports of a Fund; or any deviation from full and fair reporting of a Fund's financial condition. A matter may be a potentially questionable Operational Matter if, for example, it involves fraud or intentional illegal conduct affecting a Fund or

its stockholders; potential violation of the applicable federal securities laws or other applicable federal or foreign laws governing a Fund; or potentially unethical conduct impacting the operations of a Fund.

- (b) Any such concerns involving questionable Operational or Accounting Matters should be submitted directly to the Committee's Chairman (the Chairman). John T. Sheehy, the Chairman, may be contacted as follows:

<u>By mail:</u>	B.V. Murray and Company 666 Goodwin Ave. Suite 330 Midland Park, NJ 07432
<u>By telephone:</u>	(201) 227-8001
<u>By fax:</u>	(201) 227-8004
<u>By e-mail:</u>	johnsheehy200@att.net

If a Reporting Person does not want to be identified with the submission, he or she should mail his or her communications to the Chairman, without including his or her name in the correspondence but, instead, prominently indicating on the submission that it is a *Confidential, Anonymous Submission*.

- (c) Any complaint received by an officer of the Fund or an employee of a Service Provider with respect to Accounting or Operating Matters should be promptly forwarded to the Chairman. Given the sensitivity of such matters, any written correspondence regarding a complaint should be marked *Confidential*.
- (d) A Fund's Audit Committee Chairman will observe the following procedures in investigating a complaint or concern:

the Audit Committee Chairman will take all appropriate action to investigate any complaints or concerns reported to him or her, which actions may (but need not) include the use of internal or external counsel, accountants or other personnel; and

the Audit Committee Chairman will promptly report any complaint or concern he or she receives to the President of the Fund and to the Fund's legal counsel, although the Audit Committee Chairman may refrain from notifying the President of the Fund if after consultation with the Fund's legal counsel or the Committee, the Chairman believes that refraining would be in the Fund's best interest.

The Audit Committee Chairman will inform the Committee of any complaints or concerns reported under these Procedures at the next regularly scheduled Committee meeting, although the Audit Committee Chairman will notify the Committee before the meeting if the Audit Committee Chairman determines that the Committee should be notified more promptly. The Committee in its discretion may take any action it deems appropriate to investigate any complaints or concerns of which it becomes aware, which may include referring the matter to the President of the relevant Fund or another Fund officer or initiating an independent investigation. The Committee may also choose to take no action. If the Committee chooses to conduct an investigation, it may, at the relevant Fund's expense, use internal or external counsel, accountants and other personnel. The Committee will maintain records of all complaints and concerns reported under these Procedures, the disposition of such complaints and concerns, and the basis for such disposition.

2. Freedom to Report (No Retaliation)

None of the Funds will tolerate any form of retaliation against a Fund Director or officer; or against an Service Provider employee (i) who submits a good faith complaint or concern about a Fund's Accounting or Operational Matters or (ii) who assists in an investigation of challenged practices.

Accordingly, any Director or officer of a Fund, or employee of an Service Provider is prohibited from discharging, demoting, suspending, threatening, harassing, or in any other manner discriminating against a Reporting Person that would have an impact on the terms and conditions of the Reporting Person's employment, because of any lawful act done by the Reporting Person to provide information, cause information to be provided, or otherwise assist in an investigation regarding any conduct which the Reporting Person reasonably believes is reportable under these Procedures. Reporting Persons have the option, and are encouraged to, report any violation to the relevant Fund's Audit Committee Chairman with confidentiality. These Procedures are intended to create an environment where Reporting Persons can act without fear of reprisal or retaliation. So as to ensure that Service Providers are aware of, and complying with, the Procedures, a Fund may, as part of these Procedures, provide Service Providers with the Procedures and obtain annual affirmations of such Service Providers' receipt of, and compliance with, the Procedures.

In order to monitor whether the Reporting Person is being subjected to reprisals or retaliation, a Fund's Audit Committee Chairman may contact the Reporting Person (if the Reporting Person's identity is known) to determine whether any changes in the Reporting Person's work situation have occurred as a result of providing such information. If the Audit Committee Chairman determines that any reprisal or retaliation has occurred, a report of this shall be made to the Service Provider and to the Committee if consented to by the Reporting Person.

Any Reporting Person who feels he or she has been the subject of reprisal or retaliation because of his or her reporting under these Procedures should immediately notify the relevant Fund's Audit Committee Chairman.

3. Director Concerns

Any Director who has a concern regarding what he or she views as questionable Accounting or Operational Matters should bring such concern to the attention of the relevant Fund's Audit Committee Chairman no later than the first Committee meeting held after he or she becomes concerned.

4. Retention of Records

The Funds' Chief Compliance Officer, on behalf of the Funds and their Committees, will maintain a confidential file of materials related to complaints or concerns received concerning each Fund's Accounting or Operational Matters. These materials will be retained for a period of five (5) years or such longer period as may be required by law. Any records relating to a report may, if necessary, be redacted (or similar steps taken) to preserve the confidentiality of the person(s) submitting the report.

5. Communication and Training

The officers of each Fund shall be responsible for ensuring that all persons involved with their respective Fund's Accounting and Operational Matters (including employees of Service Providers) are made aware of and encouraged to report matters under these Procedures.

6. Review of Procedures

These Procedures shall be reviewed by each Fund's Audit Committee at the same time as the review of a Fund's Audit Committee Charter.

NOMINATING & CORPORATE GOVERNANCE COMMITTEE CHARTER

PURPOSE & SCOPE

Each Fund has established a Nominating and Corporate Governance Committee (the Committee) to promote the effective participation of qualified individuals on the Board, Committees of the Board, and as executive officers of each Fund, and to review, evaluate and enhance the effectiveness of the Board in its role in governing the Fund and overseeing the management of the Fund so that the interests of shareholders in the Funds are well-served.

In pursuit of this purpose, the scope of the Committee s responsibilities shall include:

the nomination of new Directors/Trustees.

the evaluation of the Board and its committee structure.

MEMBERSHIP

(a) The Committee for each Fund shall consist of all of the Directors/Trustees who are not interested persons of the Fund, as defined in the Investment Company Act of 1940, as amended (the 1940 Act), and, if applicable, independent as such term is defined by the listing standards of the principal national securities exchange upon which the Fund s shares are listed.

(b) The Committee shall appoint its Chairperson by a majority vote of its members.

(c) The compensation, if any, of the Committee members shall be as determined by the Board.

NOMINATION AND APPOINTMENT POLICY AND RESPONSIBILITIES

(a) The Committee shall make nominations for directors/trustees and officers of the Fund and submit such nominations to the full Board. The Committee shall evaluate candidates qualifications for such positions, and, in the case of candidates for independent director positions, their independence from the Fund s Investment Manager, Investment Adviser, Sub-Adviser and other principal service providers.

(b) In nominating candidates, the Committee will search for those highly qualified candidates who can bring to the Board the skills, experience and judgment necessary to address the issues directors/trustees of investment companies may confront in fulfilling their duties to fund shareholders. The Committee may, in its discretion, establish specific, minimum qualifications (including skills) that must be met by Committee-nominated or shareholder-nominated candidates. The Committee may take into account a wide variety of factors in considering prospective trustee candidates, may include (but are not limited to): (i) availability (including availability to attend to Board business on

short notice) and commitment of a candidate to attend meetings and perform his or her responsibilities on the Board; (ii) relevant industry and related experience; (iii) educational background; (iv) reputation; (v) financial expertise; (vi) the candidate's ability, judgment and expertise; (vii) overall diversity of the Board's composition; (viii) commitment to the representation of the interests of the Fund and its shareholders; and (ix) actual or potential business, family or other conflicts bearing on either the candidate's independence or the business of the Trust.

(c) Persons selected as independent directors/trustees must not be interested persons of the Fund as that term is defined in the Investment Company Act of 1940, as amended (1940 Act). The Committee shall also consider the effect of any relationships beyond those delineated in the 1940 Act that might impair independence, e.g. business, financial or family relationships with the Investment Manager or Investment Adviser or Subadviser or its affiliates.

(d) While the Committee has not adopted a particular definition of diversity or a particular policy with regard to the consideration of diversity in identifying candidates, when considering a candidate's and the Board's diversity, the Committee generally considers the manner in which each candidate's leadership, independence, interpersonal skills, financial acumen, integrity and professional ethics, educational and professional background, prior director or executive experience, industry knowledge, business judgment and specific experiences or expertise would compliment or benefit the Board and, as a whole, contribute to the ability of the Board to oversee the Fund. The Committee may also consider other factors or attributes as they may determine appropriate in their judgment. The Committee believes that the significance of each candidate's background, experience, qualifications, attributes or skills must be considered in the context of the Board as a whole.

(e) The Committee shall evaluate the participation and contribution of each director coming to the end of his or her term before deciding whether to recommend re-election. The Committee may seek the views of other directors to assist it in this evaluation.

(f) The Committee will consider potential director candidates, if any, recommended by stockholders, provided that the proposed candidates (i) satisfy any minimum qualifications of the Fund for its directors/trustees; (ii) are not interested persons of the Fund, the Investment Manager, Investment Adviser or Subadviser as that term is defined in the 1940 Act; and (iii) for FAX, FCO and IAF, are independent as defined in the NYSE/AMEX listing standards and any other exchange on which the Fund's shares are listed.

(g) The Committee is empowered to establish such procedures and eligibility requirements for stockholder submission of nominee candidates as the Committee deems appropriate, in addition to such procedures and requirements as are set forth in the Fund's bylaws.

(h) The Committee may identify prospective directors/trustees from any reasonable source, including, but not limited to, consultation with third-party director search services, and may pay for such search services from the assets of the Fund.

(i) It shall be in the Committee's sole discretion as to whether or not to nominate a candidate for membership on the Board.

ADDITIONAL AUTHORITY AND RESPONSIBILITIES

(a) The Committee may retain and terminate a search firm to identify director nominees, subject to the Board's sole authority to approve the search firm's fees and other retention terms.

(b) The Committee shall be responsible for and implement an annual evaluation of the performance of the Board and the committees of the Board, including a consideration of the effectiveness of the committee structure and the number of Funds the Board oversees.
