Item 1.01. Entry into a Material Definitive Agreement.

On November 22, 2011, Stanley Black & Decker, Inc. (the Company) completed a public offering of \$400,000,000 aggregate principal amount of its 3.40% Notes due 2021 (the Notes). The Notes were offered under the Company's Registration Statement on Form S-3ASR (Registration No. 333-178017), dated November 16, 2011.

The Notes were issued under an Indenture, dated November 1, 2002 (the Initial Indenture), between the Company and The Bank of New York Mellon Trust Company, N.A., as successor trustee to JPMorgan Chase Bank, as supplemented by the Second Supplemental Indenture, dated as of March 12, 2010 (the Second Supplemental Indenture), and the Fourth Supplemental Indenture, dated as of November 22, 2011 (the Fourth Supplemental Indenture, and, together with the Second Supplemental Indenture and the Initial Indenture, the Indenture). The Indenture includes customary agreements and covenants by the Company.

The Notes are the Company's unsecured obligations and rank equally in right of payment with all of its other unsecured and unsubordinated indebtedness from time to time outstanding. The Notes are guaranteed on a senior unsecured basis (the Guarantee) by the Company's subsidiary, The Black & Decker Corporation (Black & Decker).

The Fourth Supplemental Indenture is filed as Exhibit 4.1 to this Form 8-K and incorporated herein by reference. The descriptions of the material terms of the Notes, the Guarantee and the Fourth Supplemental Indenture are qualified in their entirety by reference to such exhibit.

The Notes were priced to investors at 99.898% of the principal amount. The Notes will mature on December 1, 2021. Interest on the Notes will be payable on June 1 and December 1 of each year, beginning on June 1, 2012. The interest rate on the Notes is 3.40% per annum.

The Notes are redeemable, in whole or in part, at any time and from time to time, at the Company's option. The redemption price for the Notes to be redeemed on any redemption date that is prior to September 1, 2021 will be equal to the greater of: (i) 100% of the principal amount of the Notes to be redeemed; or (ii) the sum of the present values of the remaining scheduled payments of interest and principal on the notes to be redeemed (exclusive of interest accrued and unpaid to, but not including, the date of redemption) discounted to the date of redemption on a semiannual basis, assuming a 360-day year consisting of twelve 30-day months, at the then current Treasury Rate plus 25 basis points, plus, in each case, the Company will pay accrued and unpaid interest on the principal amount being redeemed to but not including the date of redemption. The redemption price for the Notes to be redeemed on any redemption date that is on or after September 1, 2021 will be equal to 100% of the principal amount of the Notes being redeemed on the redemption date, plus accrued and unpaid interest to, but not including, the date of redemption.

Upon the occurrence of a change of control triggering event, unless the Company has exercised its option to redeem the Notes as described above, the Company will be required to make an offer to repurchase all outstanding Notes at a price in cash equal to 101% of the principal amount of the Notes, plus any accrued and unpaid interest to, but not including, the purchase date.

On November 17, 2011, the Company and Black & Decker entered into an underwriting agreement, with Citigroup Global Markets Inc., Credit Suisse Securities (USA) LLC and Goldman, Sachs & Co. (collectively, the Underwriters) relating to the underwritten public offering of the Notes together with the Guarantee (the Underwriting Agreement). Pursuant to the terms of the Underwriting Agreement, the Company and Black & Decker sold the Notes and Guarantee to the Underwriters at a

price of 99.248% of the principal amount thereof. The Underwriting Agreement contains usual and customary terms, conditions, representations and warranties and indemnification provisions. The Underwriting Agreement is filed as Exhibit 1.1 to this Form 8-K and is incorporated herein by reference. The description of the material terms of the Underwriting Agreement is qualified in its entirety by reference to such exhibit.

Certain of the Underwriters and their respective affiliates have, from time to time, performed, and may in the future perform, various financial advisory and investment banking services for the Company, for which they received or will receive customary fees and expenses. In addition, certain of the Underwriters and their respective affiliates are lenders, and in some cases agents for the lenders, under our credit facilities. In particular, Citigroup Global Markets Inc. is a lead arranger and book runner of the Company's credit facility, which consists of an \$1.2 billion revolving credit agreement entered into on March 11, 2011. Citibank, N.A., an affiliate of Citigroup Global Markets Inc., also serves as administrative agent under such facility.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information included in Item 1.01 above related to the Fourth Supplemental Indenture is incorporated by reference into this Item 2.03.
