ING provides update on restructuring plans

ING revises base case for divestment of Insurance and Investment Management EurAsia due to the uncertain economic outlook and turbulent financial markets

ING will explore other options for its Asian Insurance/IM businesses

Preparations for a standalone future of European Insurance/IM to be continued

Base case of an IPO for the US Insurance/IM businesses remains unchanged

ING today announces an update on the restructuring plans of the Group. Since November 2010 ING has been preparing its Insurance and Investment Management businesses for the base case of two IPOs - one for the US business and one for the European and Asian businesses.

Jan Hommen, CEO of ING Group: However, given the uncertain economic outlook and turbulent financial markets, especially in Europe, ING has decided to explore other options for its Asian Insurance and Investment Management businesses.

ING will continue preparations for a standalone future of the European Insurance/Investment Management businesses, including an IPO. ING also continues to prepare for the base case of an IPO for the US Insurance/Investment Management business. ING is committed to conducting these processes with the utmost diligence in the interests of all stakeholders, including customers, employees, distribution partners and shareholders, Jan Hommen said.
