Item 3. Source and Amount of Funds or Other Consideration.

From November 13, 2009 to August 10, 2011, TCP acquired 477,139 of the shares of Common Stock reported herein through open market purchases totaling approximately \$776,970.39. These open market transactions were paid for in cash from the working capital of TCP.

On November 4, 2011, TCP acquired an additional 90,224 shares of Common Stock by way of capital contribution to TCP by, Lukrum Holdings, LLC, a noncontrolling member of TCP (Lukrum). The total aggregate value exchanged for these shares of Common Stock was \$153,380.80, which is based on the closing price of these shares on November 3, 2011. The source and amount of the consideration exchanged by TCP for the capital contribution of these shares of Common Stock by Lukrum was that Lukrum received a noncontrolling membership interest in TCP from TCP with a value of \$153,380.80 as of November 4, 2011. Immediately following this contribution, TCP owned a total of 567,363 shares of Common Stock representing 11.9% of the outstanding shares of Common Stock of the Issuer.

Item 4. Purpose of Transaction.

The information set forth in Items 3 and 6 is incorporated herein by reference.

The Reporting Persons acquired the shares of Common Stock of the Issuer as described in Item 3 for investment purposes. However, pursuant to the Issuer's Proxy Statement filed on Schedule 14A on August 13, 2012, the Issuer nominated Mr. Russell to serve on the board of directors of the Issuer (the Board) as an independent director. Due to Mr. Russell's nomination to serve on the Board, the Reporting Persons believe it is no longer appropriate for their ownership position in the Issuer to be reported on a Schedule 13G.

At the date of this Statement and, as a result of this nomination, the Reporting Persons have plans or proposals which may result in a change in the present Board. If Mr. Russell is elected to the Board, Mr. Russell intends to (a) review the issuer's charter, bylaws and shareholder rights plan, (b) work to improve the Issuer's corporate governance and (c) strive to increase stockholder value. The Reporting Persons, therefore, reserve the right to undertake these activities and any other actions the Reporting Persons believe to be in the best interest of the Issuer and its stockholders.

The Reporting Persons may, from time to time, depending upon market conditions and other factors deemed relevant by the Reporting Persons, acquire other shares of Common Stock. The Reporting Persons reserve the right to, and may in the future choose to, change their purpose with respect to the investment, including, without limitation, exploring the possibility for extraordinary transactions, and take such actions as they deem appropriate in light of the circumstances, including, without limitation, to dispose of, in the open market, in a privately negotiated transaction, by transfer, by exchange or by gift, all or a portion of the shares of Common Stock which they now own or may hereafter acquire. Any decision of the Reporting Persons to increase their holdings in Common Stock or securities convertible into Common Stock, will depend, however, on

numerous factors, including, without limitation, the price of shares of Common Stock, the terms and conditions related to their purchase and sale, the prospects and profitability of the Issuer, other business and investment alternatives of the Reporting Persons, tax considerations and general economic and market conditions. At any time, the Reporting Persons, or any of them, may determine to dispose of some or all of their holdings of Common Stock depending on those and other considerations.

Except as described above, at the date of this Statement, each of the Reporting Persons has no present plans or proposals which would result in: (a) the acquisition by any person of additional securities of the Issuer, or the disposition of securities of the Issuer; (b) an extraordinary corporate transaction involving the Issuer or any of its subsidiaries; (c) a sale or transfer of a material amount of assets of the Issuer or any of its subsidiaries; (d) any change in the present board of directors or management of the Issuer, including any plans or proposals to change the number or term of directors or to fill any existing vacancies on the board; (e) any material change in the present capitalization or dividend policy of the Issuer; (f) any other material change in the Issuer's business or corporate structure; (g) changes in the Issuer's charter, bylaws or instruments corresponding thereto or other actions which may impede the acquisition of control of the Issuer by any person; (h) causing a class of securities of the Issuer to be delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association; (i) a class of equity securities of the Issuer becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Act; or (j) any action similar to any of those actions enumerated above.
