Item 3. Source and Amount of Funds or Other Consideration.

On September 23, 2013, the Company entered into an Agreement and Plan of Merger (the Merger Agreement) with Parent and Purchaser. Parent and Purchaser are beneficially owned by affiliates of Vista Equity Partners Fund IV, L.P.

The Offer and Merger

Pursuant to the Merger Agreement, upon the terms and subject to the conditions thereof, Purchaser will commence a tender offer (the Offer) on October 4, 2013, or as promptly as practicable thereafter, to acquire all of the outstanding shares of Common Stock at a purchase price of \$20.35 per share, without interest, net to the holder in cash (the Offer Price), subject to any required withholding of taxes. As promptly as practicable after the expiration of the Offer, and subject to the satisfaction or waiver of certain conditions set forth in the Merger Agreement, Purchaser will accept for payment, and pay for, any shares of Common Stock validly tendered and not withdrawn pursuant to the Offer, and within two business days thereafter, Purchaser will merge with and into the Company (the Merger) and the Company will become a wholly-owned subsidiary of Parent. The Offer will be described in a Tender Offer Statement on Schedule TO (as amended or supplemented from time to time, the Schedule TO), to be filed by Parent and Purchaser with the Securities and Exchange Commission (the SEC).

The Merger Agreement also provides that the Merger may be consummated regardless of whether the Offer is completed, but if the Offer is not completed, the Merger will only be able to be consummated after the stockholders of the Company have adopted the Merger Agreement at a meeting of stockholders. In the Merger, each outstanding share of Common Stock, other than shares of Common Stock owned by Parent, Purchaser, the Company (or in the treasury of the Company), subsidiaries of either Parent or the Company or by stockholders who have validly exercised their appraisal rights under Delaware law, will be converted into the right to receive, without interest thereon, cash in an amount equal to the Offer Price.

At the time the Offer or the Merger is completed (whichever comes first, the Acceleration Time), each option to purchase Common Stock (a Company Option) that is then outstanding and unexercised, whether or not vested, will be cancelled and converted into the right to receive cash in an amount equal to (i) the total number of shares of Common Stock subject to such Company Option immediately prior to the Acceleration Time (without regard to vesting) multiplied by (ii) the excess, if any, of (x) the Offer Price or the consideration payable to holders of Common Stock as part of the Merger (as the case may be) over (y) the exercise price payable per share of Common Stock under such Company Option.

Offer Conditions and Closing Conditions

The obligation of Purchaser to purchase shares tendered in the Offer is subject to the satisfaction or waiver of a number of conditions set forth in the Merger Agreement, including (i) the expiration or termination of applicable waiting periods under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended and (ii) the absence of any law, order or injunction that prevents or prohibits the acquisition of or payment for the shares of Common Stock pursuant to the Offer or the consummation of the Merger, and certain other customary conditions. There is no financing condition to the Offer. In addition, it is a condition to Purchaser's obligation to purchase the shares tendered in the Offer that the number of the outstanding shares of Common Stock that have been validly tendered and not validly withdrawn, together with (a) shares beneficially owned by the Parent and its affiliates, and (b) shares to be purchased by Purchaser under a top-up option, equals at least one share more than 90% of (the following, the Total Share Number): (w) the total outstanding shares of Common Stock as of the expiration of the Offer plus (x) the aggregate number of shares of Common Stock issuable to holders of Company stock options from which the Company or its representatives have received notices of exercise prior to the expiration of the Offer (and as to which shares of Common Stock have not yet been issued to such exercising holders of Company stock options), plus (y) the number of shares to be purchased by Purchaser under a top-up option (the Minimum Tender Condition). Based on the total number of shares of Common Stock outstanding on September 19, 2013, the aggregate number of outstanding shares of Common Stock required to be tendered to satisfy the Minimum Tender Condition is approximately 74%.

In certain circumstances, the parties have agreed to terminate the Offer and complete the Merger without the prior completion of the Offer, after receipt of the approval of a majority of the Company's stockholders for the adoption of the Merger Agreement. In that case, the consummation of the Merger would be subject to substantially the same conditions precedent to closing as the Offer conditions, other than the addition of the stockholder approval requirement and the inapplicability of the Minimum Tender Condition.

The foregoing summary of the Merger Agreement does not purport to be complete and is qualified in its entirety by reference to the Merger Agreement, a copy of which is set forth as Exhibit 1 attached hereto and is incorporated herein by reference.

The proposed transaction values the equity of the Company at approximately \$644 million. Parent and Purchaser have received equity and debt commitments in respect of funds sufficient to purchase all of the shares of the Company's Common Stock in the Offer and the Merger and to consummate the other transactions described above.

Purchaser estimates that it will need up to approximately \$650 million to purchase all of the issued and outstanding Shares and to pay related fees and expenses. Parent and Vitera Healthcare Solutions, LLC, a Delaware limited liability company, have received a debt commitment letter from Jefferies Finance LLC and Bank of Montreal (the Debt Commitment Letter), pursuant to which the lenders thereunder have agreed to provide them with \$390 million in senior secured first lien facilities (\$360 million of which will be first lien term loans that will be funded on the date of closing of the Offer and the Merger and available to finance a portion of the Offer and the Merger and pay a portion of the related fees and expenses and \$30 million of which will be a revolving credit facility that will be available to be used on the date of closing of the Merger to fund certain amounts set forth in the fee letters that are referred to in the

Debt Commitment Letter and for issuing letters of credit to backstop or replace existing letters of credit and cash collateralizing outstanding letters of credit) and a \$180 million senior secured second lien term loan facility (the Debt Financing). Subject to certain conditions, the term loans provided with respect to the Debt Financing will be fully drawn on the date of the closing of the Merger and available to Purchaser to finance the Offer and the Merger and pay related fees and expenses. In addition, Vista Equity Partners Fund IV, L.P. has delivered an equity commitment letter to Parent (the Equity Commitment Letter) to capitalize Purchaser, at or immediately prior to the time of the Merger, with an aggregate equity contribution in an amount up to \$650 million, which will be sufficient for Purchaser to consummate the Offer, the Merger and the other transactions contemplated by the Merger Agreement even if Parent's Debt Financing is not available, subject to the terms and conditions set forth in the Equity Commitment Letter (the Equity Financing). Funding of the Debt Financing and Equity Financing is subject to the satisfaction of various conditions set forth in the Debt Commitment Letter and Equity Financing Commitment. The foregoing description of the Debt Commitment Letter and the Equity Commitment Letter does not purport to be complete and is qualified in its entirety by reference to the Debt Commitment Letter and the Equity Commitment Letter, which are attached as Exhibits 2 and 3 hereto, respectively, and are incorporated herein by reference.

On September 23, 2013, concurrently with the execution of the Merger Agreement, certain of the Company's stockholders (Investor Group L.P., Investor Growth Capital Limited and Pamlico Capital II, L.P.), each of the Company's directors (W. Thomas Green, Jr., Wyche T. Green, III, Robert Hensley, Neal Morrison, Thomas T. Richards, Walter Turek and Noah Walley), and certain executive officers of the Company, including Gregory H. Schulenburg (the Company's Executive Vice President and Chief Operating Officer), James A. Cochran (the Company's Chief Financial Officer) and William G. Esslinger, Jr. (the Company's Vice President, General Counsel and Secretary) (each a Support Stockholder and, collectively, the Support Stockholders), entered into tender and support agreements with Parent and Purchaser (each a Support Agreement and, collectively, the Support Agreements), pursuant to which each Support Stockholder agreed, among other things and subject to the termination of the Support Agreement, to duly tender (and deliver any certificates evidencing) the shares of Common Stock beneficially owned by such Support Stockholder at the commencement of the Offer (including any shares of Common Stock that such Support Stockholder receives as a result of exercising Options), or cause such shares of Common Stock to be duly tendered, into the Offer promptly following, and in any event no later than the tenth (10th) business day following, such Support Stockholder's receipt of the Schedule TO along with all exhibits, amendments or supplements thereto. Collectively, the Support Stockholders had beneficial ownership, as of September 19, 2013, of an aggregate of 16,720,888 shares of Common Stock (including shares of Common Stock represented by the Company's vested and unvested options they hold), or approximately 56.1% of the outstanding shares of Common Stock (taking into account, for purposes of determining the aggregate shares of Common Stock, the Company's outstanding shares of Common Stock and assuming the exercise of only the vested and unvested options held by the Support Stockholders). The proxy voting provisions described in clauses (a) and (b) in the following paragraph relate only to the outstanding shares of Common Stock held by the Support Stockholders, which, as of September 19, 2013, was equal to 15,178,780 or 50.9% of the shares of Common Stock then outstanding.

Each Support Stockholder also agreed that at every meeting of the stockholders of the Company, including every adjournment or postponement thereof, such Support Stockholder would vote its shares of Common Stock (a) in favor of the Merger Agreement, the approval of the Merger and the other transactions contemplated by the Merger Agreement and any actions required in furtherance thereof and / or (b) against (i) any action, agreement or proposal which would materially impede, interfere with or prevent the Offer or the Merger, including, but not limited to, any other extraordinary corporation transaction involving the Company and any Person (other than Parent, Purchaser or their Affiliates), or any other proposal of any Person (other than Parent, Purchaser or their Affiliates) to acquire the Company or all or substantially all of the assets thereof, (ii) any acquisition proposal and any action in furtherance of any acquisition proposal and (iii) any action, proposal, transaction or agreement that would reasonably be expected to result in a breach of any covenant, representation or warranty or any other obligation or agreement of such Support Stockholder under the Support Agreement.

Each Support Agreement will terminate upon the earlier of (i) the termination of the Merger Agreement in accordance with its terms, (ii) the effective time of the Merger, (iii) the mutual written consent of Parent and the stockholder party thereto and (iv) any change to the terms of the Offer or Merger without the prior written consent of the stockholder party thereto that (A) reduces the Offer Price or the Merger Consideration, (B) changes the form of consideration payable in the Offer or the Merger or (C) amends, modifies or waives the Minimum Tender Condition such that Parent or Purchaser would beneficially own less than 50% of the outstanding shares of Common Stock after giving effect to the closing of the Offer.

The foregoing description of the Support Agreements does not purport to be complete and is qualified in its entirety by reference to the Support Agreements, which are attached as Exhibits 4 through 16 and incorporated herein by reference.

Shared voting power with respect to the shares of Common Stock beneficially owned by the Stockholders may be deemed to have been acquired through execution of the Support Agreements.

Schedule B lists the names and number of shares of Common Stock that are beneficially held by each Stockholder and subject to this Schedule 13D.

Item 4. Purpose of Transaction.

The purpose of the Offer is to acquire control of, and the entire equity interest in, the Company. The purpose of the Merger is to acquire all outstanding Common Stock not tendered and purchased pursuant to the Offer. All Common Stock acquired by Purchaser pursuant to the Offer will be retained by Purchaser pending the Merger. After the Acceptance Time, Purchaser intends to consummate the Merger as promptly as practicable, subject to the satisfaction of certain conditions.

If Purchaser acquires at least 90% of the Common Stock pursuant to the Offer and the Top-Up Option, if applicable, Parent, Purchaser and the Company will take such necessary and appropriate actions in order to consummate the Merger under the Delaware General Corporate Law (DGCL) without a stockholders meeting and without the approval of the Company s

stockholders. In the event that the Minimum Condition is not met, and in certain other circumstances, the parties have agreed to complete the Merger without the prior completion of the Offer, after receipt of the approval of the Company's stockholders. The Merger Agreement provides that Purchaser will be merged with and into the Company, and, at the date and time when the Merger becomes effective (the Effective Time), the Company's certificate of incorporation as in effect immediately prior to the Effective Time will be amended so as to read in its entirety as set forth in the applicable exhibit to the Merger Agreement, and as so amended, will be the certificate of incorporation of the surviving corporation, and the Company's bylaws as in effect immediately prior to the Effective Time will be amended so as to read in its entirety as the bylaws of Purchaser, and as so amended, will be the bylaws of the surviving corporation. The directors and officers of Purchaser immediately prior to the Effective Time will become the directors and officers of the surviving corporation.

Following the Merger, the Common Stock will no longer be traded on The New York Stock Exchange, there will be no public market for the Common Stock and registration of the Common Stock under the Securities Exchange Act of 1934 will be terminated.

Item 3 is incorporated by reference into this Item 4.

Except as set forth in this Schedule 13D and in connection with the Offer and the Merger described above, Parent has no plan or proposals that relate to or would result in any of the transactions described in subparagraphs (a) through (j) of Item 4 of Schedule 13D.

All shares of Common Stock that may be deemed to be beneficially owned by the Reporting Persons constitute approximately 50.9% of the issued and outstanding shares of Common Stock as of September 19, 2013 (as represented by the Company in the Merger Agreement).
