## PART II

### INFORMATION REQUIRED IN THE REGISTRATION STATEMENT

#### **Item 4. Description of Securities.**

The securities being registered hereby represent deferred compensation obligations (the Obligations ) of the Bank under the Plan. The securities represent contractual obligations of the Bank to pay or distribute compensation to participants in the Plan, upon their retirement, termination of employment, separation or death. The compensation may arise from amounts which the participants have elected to defer, as adjusted for notional investment experience based on the value of the Bank's common shares plus dividend equivalents, in accordance with the terms of the Plan. The obligations are payable in cash upon retirement, termination of employment, separation or death in a lump-sum distribution. Distributions under the Plan will be paid subject to applicable withholding requirements. There is no trading market for the Obligations.

The Obligations are unfunded, unsecured general obligations of the Bank or the applicable employer if an affiliate of the Bank and the rights of participants shall be no greater than the rights of an unsecured creditor of the Bank or the applicable employer if an affiliate of the Bank. The Obligations are not subject to anticipation, alienation, sale, pledge, encumbrance, attachment or garnishment and shall not be transferable or assignable other than by will or the laws of succession.

The Obligations are not convertible into any other security of the Bank. No trustee has been appointed to take action with respect to the Obligations and each participant in the Plan will be responsible for enforcing his or her own rights with respect to the Obligations.
