Item 1.01 Entry into a Material Definitive Agreement.

Agreement and Plan of Merger

On January 8, 2014, Material Sciences Corporation (*MSC* or the *Company*) entered into an Agreement and Plan of Merger with Zink Acquisition Holdings Inc. (*Parent*) and Zink Acquisition Merger Sub Inc. (*Merger Sub*), a wholly-owned subsidiary of Parent (the *Merger Agreement*). Parent and Merger Sub are affiliates of New Star Metals Inc. (*New Star*) and Insight Equity Holdings LLC (the *Sponsor*). Pursuant to the Merger Agreement, upon the terms and subject to the conditions thereof, Merger Sub will be merged with and into the Company (the *Merger*), with the Company continuing as the surviving corporation (the *Surviving Corporation*). The board of directors of the Company (the *Board*) has unanimously approved the Merger Agreement, the Merger and the other transactions contemplated by the Merger Agreement, directed that the Merger be submitted for consideration at a meeting of the holders of common stock of the Company, and resolved to recommend that the stockholders vote in favor of the Merger. Upon the Merger becoming effective, the Company will become a wholly-owned subsidiary of Parent and each share of common stock of the Company issued and outstanding immediately prior to the effective time of the Merger, other than shares held by the Company, Parent or Merger Sub or by stockholders who have validly exercised their appraisal rights under the Delaware General Corporation Law, will be converted, on the terms and subject to the conditions set forth in the Merger Agreement, into the right to receive \$12.75 in cash without interest and less applicable withholding taxes (the *Per Share Merger Consideration*).

The Merger Agreement also provides that, immediately prior to the effective time of the Merger, each outstanding stock option to purchase shares of common stock of the Company, whether or not vested, will become fully vested and exercisable and, at the effective time of the Merger, will be cancelled and converted into the right to receive a cash payment equal to the excess, if any, of \$12.75 over such option's exercise price. Each outstanding stock option that has an exercise price equal to or greater than \$12.75 will be cancelled without the right to receive any consideration. Furthermore, immediately prior to the effective time of the Merger, each outstanding share of restricted stock, whether or not vested, will become free of all restrictions, fully vested and transferable and, at the effective time of the Merger, other than shares held by stockholders who have validly exercised their appraisal rights under the Delaware General Corporation Law, will be cancelled and converted into the right to receive \$12.75 in cash, without interest and less applicable withholding taxes under the same terms and conditions as apply to the receipt of the Per Share Merger Consideration by holders of shares of the Company's common stock generally.

Consummation of the Merger is subject to customary conditions, including (1) the approval of the Merger by the holders of a majority of the outstanding shares of common stock of the Company entitled to vote on the Merger (the *Company Requisite Vote*), (2) the expiration or termination of the waiting period applicable to consummation of the Merger under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended (the *HSR Act*) and (3) the absence of any law, injunction, judgment or order prohibiting or rendering illegal the closing of the Merger. Moreover, the obligations of Parent and Merger Sub, on the one hand, and the Company, on the other hand, to consummate the Merger are subject to certain other conditions, including without limitation (a) the accuracy of the other party's representations and warranties (subject to customary qualifications) and (b) the other party's performance in all material respects of its obligations contained in the Merger Agreement.

Parent has obtained equity and debt financing commitments for the transactions contemplated by the Merger Agreement, the aggregate proceeds of which will be sufficient for Parent to pay the aggregate Per Share Merger Consideration, the amounts to be paid to holders of outstanding stock options and all fees and expenses required to be paid by Parent, Merger Sub and the Surviving Corporation in connection with the Merger and the other transactions contemplated by the Merger Agreement. PNC Bank, National Association and GSO Capital Partners LP have each agreed to provide debt financing for the Merger,

subject to the terms and conditions set forth in debt commitment letters delivered to Parent and its affiliates. In addition, New Star has delivered an equity commitment letter, pursuant to which, upon the terms and subject to the conditions set forth therein, it has committed to, and/or to cause one or more of its affiliates to, make an equity investment in Parent at or prior to the closing of the Merger.

In addition, New Star and an affiliate of the Sponsor have provided to the Company a limited guarantee of certain payment obligations of Parent and Merger Sub pursuant to the Merger Agreement, including the payment of any reverse termination fee that may become payable by Parent. The Merger Agreement requires Parent to use its commercially reasonable best efforts to arrange and obtain the financing on the terms and conditions described in the equity and debt financing commitments.

The Company, Parent and Merger Sub have made customary representations and warranties in the Merger Agreement. Many of the representations made by the Company are subject to and qualified by a Company Material Adverse Effect standard. The Company, Parent and Merger Sub have also made certain covenants in the Merger Agreement, including covenants regarding: (1) the operation of the business of the Company and its subsidiaries prior to the closing of the Merger, (2) the convening of a meeting of the Company's shareholders for the purposes of considering and voting upon the adoption of the Merger Agreement, (3) required efforts to make effective the Merger and the other transactions contemplated by the Merger Agreement (including Parent's financing), and (4) subject to certain exceptions, not to withhold, withdraw, modify, amend or qualify in a manner adverse to Parent the recommendation of the Board that the Company's stockholders approve the Merger Agreement.

The Merger Agreement contains a go-shop provision pursuant to which the Company has the right to solicit and engage in discussions and negotiations with respect to alternative acquisition proposals until 11:59 p.m. (Chicago time) on February 12, 2014 (the Go-Shop Period). Until February 27, 2014, the Company may continue discussions with any third party that made an alternative acquisition proposal during the Go-Shop Period and that the Board has determined is or could reasonably be expected to result in a superior proposal. After the Go-Shop Period, the Company will become subject to customary no-shop restrictions on its ability to solicit and engage in discussions and negotiations with respect to alternative acquisition proposals, but may under certain circumstances provide information to and participate in discussions or negotiations with third parties with respect to any unsolicited alternative acquisition proposal that the Board has determined constitutes or could reasonably be expected to result in a Superior Proposal. A Superior Proposal is a bona fide written acquisition proposal for 50% or more of either the total voting power or fair market value of the consolidated total assets of the Company, in each case that the Board determines in good faith, after consultation with its financial advisor and outside legal counsel, is more favorable to the Company's stockholders from a financial point of view than the Merger, after taking into account all legal, financial and regulatory aspects of the proposal and the person making the proposal (including the financing thereof).

The Merger Agreement contains certain termination rights for the Company and Parent. Upon termination of the Merger Agreement under specified circumstances, including with respect to the Company's entry into an agreement with respect to a Superior Proposal, the Company will be required to pay Parent a termination fee of \$4.0 million or reimburse certain expenses of Parent up to \$1.25 million. The Merger Agreement also provides that Parent will be required to pay the Company a reverse termination fee of \$8.5 million under certain specified circumstances set forth in the Merger Agreement.

The Merger Agreement is attached to this Current Report on Form 8-K to provide the Company's stockholders with information regarding the terms of the Merger Agreement and the transactions contemplated thereby and is not intended to modify or supplement any factual disclosures about the Company in the Company's public reports filed with the U.S. Securities and Exchange Commission (SEC). In particular, the Merger Agreement and the above summary of its terms are not intended to be,

and should not be relied upon as, disclosures regarding any facts or circumstances relating to the Company, Parent, Merger Sub, their respective subsidiaries and affiliates or any other party. The representations, warranties and covenants contained in the Merger Agreement have been negotiated only for the purpose of the Merger Agreement and are intended solely for the benefit of the parties thereto. In many cases, these representations, warranties and covenants are subject to limitations agreed upon by the parties and are qualified by certain supplemental disclosures provided by the parties to one another in connection with the execution of the Merger Agreement. Furthermore, many of the representations and warranties in the Merger Agreement are the result of a negotiated allocation of contractual risk among the parties and, taken in isolation, do not necessarily reflect facts about the Company, Parent, Merger Sub, their respective subsidiaries and affiliates or any other party. Likewise, any references to materiality contained in the representations and warranties may not correspond to concepts of materiality applicable to investors or stockholders. Finally, information concerning the subject matter of the representations and warranties may change after the date of the Merger Agreement and these changes may not be fully reflected in the Company's public disclosures. The Merger Agreement should not be read alone, but should instead be read in conjunction with the other information regarding the Company that is or will be contained in, or incorporated by reference into, the Forms 10-K, Forms 10-Q, Forms 8-K, proxy statements and other documents that the Company files with the SEC.

A copy of the Merger Agreement is attached as Exhibit 2.1 to this report and is incorporated herein by reference. The foregoing description of the Merger Agreement, the Merger and the other proposed transactions contemplated by the Merger Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Merger Agreement.

Voting Agreement and Irrevocable Proxy

In connection with the parties' entry into the Merger Agreement, each of Frank L. Hohmann III, a member of the Board, and Privet Fund LP and Privet Fund Management LLC (collectively, "Privet"), which collectively beneficially own shares of the Company's common stock representing approximately 19% of the outstanding shares of the Company's common stock, has entered into a voting agreement (each, a "Voting Agreement" and, collectively, the "Voting Agreements"). Ryan J. Levenson, a member of the Board, is the managing member of Privet Fund Management LLC. Pursuant to each Voting Agreement, the stockholder party to such Voting Agreement has agreed to vote shares beneficially owned by such stockholder (and such stockholder has granted Parent an irrevocable proxy with respect to such matters): (1) in favor of the adoption of the Merger Agreement and the approval of the Merger, (2) against any acquisition proposal (as defined in the Merger Agreement) or any other proposal made in opposition of the adoption of the Merger Agreement, and (3) against any agreement or action that is intended to, or that could reasonably be expected to, prevent, materially impede, interfere with or delay the consummation of the Merger. The Voting Agreements will terminate upon the first to occur of (a) the effective time of the Merger, (b) the termination of the Merger Agreement in accordance with its terms, (c) the date of any material modification, waiver or amendment of the Merger Agreement that affects adversely the consideration payable to the Company's stockholders pursuant to the Merger Agreement, and (d) the mutual written consent of Parent and the stockholder party thereto.

A copy of the Voting Agreement entered into by Mr. Hohmann is attached as Exhibit 10.1 to this report and a copy of the Voting Agreement entered into by Privet is attached as Exhibit 10.2, and each is incorporated herein by reference. The foregoing description of the Voting Agreements does not purport to be complete and is qualified in its entirety by reference to the full text of the Voting Agreements.

Amendment to Severance and Change in Control Agreements

On January 8, 2014, the Company entered into an Amendment to the Severance and Change in Control Agreement with each of Clifford D. Nastas, Chief Executive Officer of MSC, Michael R. Wilson, Vice President, Global Operations of MSC, James D. Pawlak, Vice President, Chief Financial Officer, Corporate Controller and Corporate Secretary of MSC, and Matthew M. Murphy, Vice President, Sales and Marketing of MSC (each, a Severance Agreement Amendment and, collectively, the Severance Agreement Amendments). The Severance Agreement Amendments amend the Severance and Change in Control Agreements (each, an Original Severance Agreement and, collectively, the Original Severance Agreements) previously entered into between MSC and its executive officers described above. The Original Severance Agreements provide for, in the event that the employment of the executive officer party to such agreement is terminated under certain circumstances (including in connection with a change in control of the Company), the payment of specified severance benefits based upon a multiple of an amount equal to the sum of such executive's base salary and the greater of (1) the cash amount paid or earned by the executive under the Company's management incentive plan for the most recently completed fiscal year preceding the date or event upon which the amount of compensation is being determined, or (2) the amount earned during the current fiscal year, but not yet paid, in which the triggering event takes place.

The Severance Agreement Amendments amend the Original Severance Agreements to provide that the severance amount to which the executive would be entitled will be based upon a multiple of an amount equal to the sum of (1) the greater of the executive's annual rate of salary as of (a) the date or event upon which the amount of compensation is being determined, or (2) the date that is 30 days prior to the date of a change in control, plus (2) the greater of (x) the cash amount paid or earned by the executive under the Company's management incentive plan for the most recently completed fiscal year preceding the date or event upon which the amount of compensation is being determined, or (y) the amount earned during the current fiscal year, but not yet paid, in which the triggering event takes place.

A copy of a form of Severance Agreement Amendment is attached as Exhibit 10.3 to this report and is incorporated herein by reference. The foregoing description of the Severance Agreement Amendments does not purport to be complete and is qualified in its entirety by reference to the full text of the form of Severance Agreement Amendment.

Any person or entity purchasing or otherwise acquiring any interest in shares of capital stock of the Corporation shall be deemed to have notice of and consented to (a) the provisions of this Section and (b) the personal jurisdiction of the Court of Chancery of the State of Delaware (or if the Court of Chancery does not have jurisdiction, another court of the State of Delaware, or if no court of the State of Delaware has jurisdiction, the federal district court for the District of Delaware) in any proceeding brought to enjoin any action by that person or entity that is inconsistent with the exclusive jurisdiction provided for in this Section.
