## Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

### *2014 Executive Bonus Plan*

On April 2, 2014, the Compensation Committee (the **Compensation Committee**) of the Board of Directors (the **Board**) of Cornerstone OnDemand, Inc. (the **Company**) established an executive compensation plan for fiscal year 2014 (the **2014 Plan**) as part of its annual review of base salaries and target incentive compensation for the Company's key employees, including each of its executive officers (except for Vincent Belliveau and David Carter, for which the Company has approved the commission plans described below).

Under the terms of the 2014 Plan, each of the eligible executive officers will be entitled to receive a bonus that will vary in amount depending on the Company's success in achieving certain performance targets with respect to revenue, non-GAAP operating cash flow, and non-GAAP net income (loss). The amount payable with respect to each metric may be greater or less depending on the extent to which the Company's performance exceeds or falls short of the applicable target. The target bonus amount for Adam Miller, the Company's Chief Executive Officer, is 100% of base salary, and the target bonus amounts for the Company's other executive officers are between 50% and 70% of their respective base salaries. No bonus payout for a particular performance metric will be earned unless the performance threshold for that metric is met.

The following table shows the target bonus amount payable under the 2014 Plan if the Company achieves each performance metric at target for each of the following named executive officers:

| Named Executive<br>Officer                         | Target<br>Bonus Amount |                     |
|--|------------------------|---------------------|
|  | (\$)                   | % of Base<br>Salary |
| Adam Miller, President and Chief Executive Officer | \$ 425,000             | 100                 |
| Perry Wallack, Chief Financial Officer             | \$ 227,500             | 70                  |
| Mark Goldin, Chief Technology Officer              | \$ 227,500             | 70                  |

### *Commission Plans of Certain Executive Officers*

On April 2, 2014, the Compensation Committee approved the terms of the fiscal year 2014 sales commission plans for each of Vincent Belliveau, the Company's Senior Vice President and General Manager of Europe, Middle East and Africa (the **Belliveau Commission Plan**), and David Carter, the Company's Senior Vice President of Sales (the **Carter Commission Plan**). Each of the commission plans is effective as of January 1, 2014. Mr. Belliveau was not a named executive officer for 2013.

Under the Belliveau Commission Plan, Mr. Belliveau is eligible to receive commissions based on total direct sales in Europe, the Middle East and Africa. To the extent Mr. Belliveau exceeds his sales quota for revenue in 2014, his commission rate for 2014 sales will be increased with respect to revenue exceeding his sales quota. In addition, Mr. Belliveau is eligible to receive bonuses totaling up to \$20,000 if he meets certain milestone sales targets by specified dates.

For fiscal year 2014, the following table shows the target commission and target bonus that Mr. Belliveau is eligible to earn under the Belliveau Commission Plan:

| <b>Target 2014 Commission<sup>(1)</sup></b> | <b>Target 2014 Bonus<sup>(2)</sup></b> |
|---|--|
| \$316,168                                   | \$27,572                               |

- (1) This amount represents the total performance-based commissions that will be earned under the Belliveau Commission Plan if (i) Mr. Belliveau achieves the sales quota established under the Belliveau Commission Plan and (ii) the percentage of the sales quota attributable to software revenue and service revenue, respectively, is consistent with the Company's projections.
- (2) Mr. Belliveau's target bonus is 20,000, which has been converted into U.S. Dollars at a rate of \$1.3786 Dollars per Euro, the exchange rate in effect on January 1, 2014. The target bonus of 20,000 represents the amount that Mr. Belliveau is eligible to receive if he meets all milestone sales targets by the dates specified in the Belliveau Commission Plan.

Under the Carter Commission Plan, Mr. Carter is eligible to receive commissions based on total direct sales in the United States. To the extent Mr. Carter exceeds his sales quota for revenue in 2014, his commission rate for 2014 sales will be increased with respect to revenue exceeding his sales quota. In addition, Mr. Carter is eligible to receive bonuses totaling up to \$20,000 if he meets certain milestone sales targets by specified dates.

For fiscal year 2014, the following table shows the target commission and target bonus that Mr. Carter is eligible to earn under the Carter Commission Plan:

| <b>Target 2013 Commission<sup>(1)</sup></b> | <b>Target 2013 Bonus<sup>(2)</sup></b> |
|---|--|
| \$363,400                                   | \$20,000                               |

- (1) This amount represents the total performance-based commissions that will be earned under the Carter Commission Plan if (i) Mr. Carter achieves the sales quota established under the Carter Commission Plan and (ii) the percentage of the sales quota attributable to software revenue and service revenue, respectively, is consistent with the Company's projections.
- (2) The target bonus of \$20,000 represents the amount that Mr. Carter is eligible to receive if he meets all milestone sales targets by the dates specified in the Carter Commission Plan.
