**Item 8.01 Other Events.**

On October 28, 2014, Noble Corporation plc, a public limited company incorporated under the laws of England and Wales (the Company), announced that its board of directors has authorized the Company to pursue the development of a master limited partnership (MLP). The MLP would be comprised of interests in select drilling rigs from the Company's existing fleet. The Company expects to file a registration statement with the U.S. Securities and Exchange Commission relating to the common units of the MLP during the second quarter of 2015. The anticipated offering would be subject to the final approval of Noble's board of directors and market conditions. A copy of the related press release issued by the Company is attached as Exhibit 99.1 to this Current Report on Form 8-K and incorporated by reference herein.

**Forward-Looking Disclosure Statement**

This release contains forward-looking statements. Statements regarding the development of an MLP, the timing of or conditions to any such development, the Company's capital allocation strategy, uses of cash flows, value creation or competitive position, as well as any other statements that are not historical facts in this release, are forward-looking statements that involve certain risks, uncertainties and assumptions. These include but are not limited to actions by governmental and regulatory authorities, employee relations, market and business conditions, the Company's financial results and performance, changes in law, availability and terms of any financing, satisfaction of regulatory conditions, actions by customers and other third parties, factors affecting the level of activity in the oil and gas industry, supply and demand of drilling rigs, factors affecting the duration of contracts, the actual amount of downtime, factors that reduce applicable dayrates, violations of anti-corruption laws, weather conditions, the future price of oil and gas and other factors detailed in Noble's most recent Form 10-K, Form 10-Q and other filings with the U.S. Securities and Exchange Commission. Should one or more of these risks or uncertainties materialize, or should underlying assumptions prove incorrect, actual results may vary materially from those indicated.
