Section 5. Corporate Governance and Management

Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

Items 5.02(b) and (c)

On May 8, 2015, the Boards of Directors of State Auto Financial Corporation (the *Company*) and State Automobile Mutual Insurance Company (*State Auto Mutual*) elected Michael E. LaRocco as President and Chief Executive Officer. As described in

Item 5.07, below, Mr. LaRocco was also elected as a director of the Company at the 2015 Annual Meeting (as defined in Item 5.07, below).

Information concerning Mr. LaRocco, as required by Items 401(b), (d), and (e) of Regulation S-K, is set forth on page 4 of the Company's definitive Proxy Statement, dated April 9, 2015, for the 2015 Annual Meeting (the *2015 Proxy Statement*), which information is incorporated herein by reference. The 2015 Proxy Statement may be accessed at <http://www.sec.gov/Archives/edgar/data/874977/000119312515123641/d868500ddef14a.htm>. Mr. LaRocco has not been a party to any transaction requiring disclosure under Item 404(a) of Regulation S-K.

Mr. LaRocco is a party to an Employment Agreement and an Executive Change of Control Agreement, each dated as of March 27, 2015, with the Company and State Auto Mutual. A brief description of the material terms of such agreements is set forth under Item 5.02(e) of the Current Report on Form 8-K filed by the Company on April 2, 2015, which description is incorporated herein by reference. Such Form 8-K may be accessed at <http://www.sec.gov/Archives/edgar/data/874977/000119312515117835/d902927d8k.htm>. In addition, on May 7, 2015, the Company's Compensation Committee made restricted stock, stock option and short- and long-term cash incentive awards to Mr. LaRocco, as further described in Item 5.02(e), below.

On May 8, 2015, as a result of Mr. LaRocco's election as President and Chief Executive Officer, and consistent with the terms of his employment agreement, Robert P. Restrepo, Jr.'s position as President and Chief Executive Officer of the Company and State Auto Mutual was terminated. As described in Item 5.07, below, Mr. Restrepo was re-elected as a director of the Company at the 2015 Annual Meeting. Mr. Restrepo will continue as a director and Chairman of the Company and State Auto Mutual until his retirement on December 31, 2015.

Item 5.02(e)

On May 7, 2015, the Company's Compensation Committee awarded restricted stock to Mr. LaRocco in the amount of 7,902 of the Company's Common Shares. The restricted stock was awarded to Mr. LaRocco under the Company's 2009 Equity Incentive Compensation Plan and was issued in consideration for future services. This restricted stock award is evidenced by a Restricted Stock Agreement between Mr. LaRocco and the Company. Under the terms of his Restricted Stock Agreement, these Common Shares are subject to a risk of forfeiture if, prior to May 7, 2018, Mr. LaRocco's employment with the Company is terminated or he violates any provision of the Restricted Stock Agreement applicable to such Common Shares. However, these Common Shares will not be forfeited, and will automatically vest, if, prior to May 7, 2018, Mr. LaRocco's employment is terminated in connection with a change of control of the Company. These Common Shares are also subject to restrictions on transfer until May 7, 2018. A copy of Mr. LaRocco's Restricted Stock Agreement has been filed as Exhibit 10.6 to this Form 8-K.

On May 7, 2015, the Company's Compensation Committee awarded stock options to Mr. LaRocco to purchase 33,380 of the Company's Common Shares at an exercise price of \$23.01 per share. Each of the stock options is a non-qualified

stock option, has a ten-year exercise period, has a three-year graduated vesting schedule (*i.e.*, one third of the total options awarded vests on each anniversary of the award date for three years) and was issued at an option exercise price equal to the closing price of the Company's Common Shares on the award date.

The Company has a short-term incentive cash bonus plan called the Leadership Bonus Plan (**LBP**) in which the Company's executives and other members of its Leadership Team participate. The LBP consists of two components, a Company performance component and an individual performance component, with threshold, target and maximum payout amounts as a percentage of the participant's annual base salary. On May 7, 2015, the Company's Compensation Committee designated Mr. LaRocco as a participant in the LBP for 2015 and established Mr. LaRocco's threshold, target and maximum payout percentages for the Company performance and individual performance components of the LBP for 2015, including a range of payout levels between threshold and maximum, with any payouts to be prorated based on his partial year of employment. The Company believes that the disclosure of the specific performance measures for the Company performance and individual performance components of the LBP and the range of awards related to the achievement of such measures by Mr. LaRocco are reflective of the Company's 2015 business plan, and as such constitute confidential information. The Company believes that the disclosure of such information in this Form 8-K would cause competitive harm to the Company. The Committee believes that Mr. LaRocco's target performance goals are difficult but attainable. Additional information concerning the 2015 LBP bonus opportunities is set forth on page 44 of the 2015 Proxy Statement, which information is incorporated herein by reference.

The Company has a Long-Term Incentive Plan (the **LTIP**) under which grants of cash-based performance award units (**PAUs**) are made to Company's executives and other members of its Leadership Team. The value of a PAU is dependent upon the State Auto Group's relative performance to a peer group of other property and casualty insurers (the **LTIP Peer Group**) during a three-year performance period. On May 7, 2015, the Company's Compensation Committee designated Mr. LaRocco as a participant in the LTIP for the three-year performance period ending December 31, 2017 (the **2015-2017 performance period**). For the 2015-2017 performance period, Mr. LaRocco received 773,500 target PAUs, 309,400 threshold PAUs, and 1,547,000 maximum PAUs, with each PAU having a value of \$1.00. Additional information concerning PAU awards is set forth on pages 46-48 of the 2015 Proxy Statement, which information is incorporated herein by reference.

Item 5.02(f)

As described in Item 5.02(e) above, the Company awards PAUs under the LTIP to its Named Executive Officers (**NEOs**) and other members of its Leadership Team. The value of the PAU awards to the NEOs for the three-year performance period ended December 31, 2014 (the **2012-2014 performance period**) was omitted from the 2015 Proxy Statement because, as of that date, the final LTIP Peer Group data for the 2012-2014 performance period was not available to the Company.

On May 7, 2015, the Company's Compensation Committee approved PAU awards for the 2012-2014 performance period for the NEOs identified in the 2015 Proxy Statement. Set forth below are the non-equity incentive compensation and total compensation for each NEO reported in the Summary Compensation Table on Page 53 of the 2015 Proxy Statement, as recalculated to include the value of the PAU awards for the 2012-2014 performance period.
