(the Company) and Wells Fargo Bank, National Association (Wells Fargo) entered into a Second Amended and Restated Master Repurchase and Securities Contract (as amended and restated, the Wells Fargo facility) that amended and restated the Amended and Restated Master Repurchase and Securities Contract dated June 4, 2015 (as amended by Amendment No. 1 to Amended and Restated Master Repurchase Facility dated June 11, 2015) in order to, among other things, increase the facility amount for (i) U.S. Dollar borrowings from \$1.8 billion to \$2.8 billion, as such amount may be further increased by up to \$139.5 million, (ii) Pound Sterling borrowings from £200.4 million to £247.4 million and (iii) Euro borrowings from 13.3 million to 166.1 million, as such amount may be further increased by up to 1.7 million. Canadian Dollar borrowing capacity remains C\$693.6 million, as such amount may be further increased by up to C\$25.5 million. All other material terms, including the Company s guarantee obligations with respect to the Wells Fargo facility, remain substantially the same as described in the Company s Current Report on Form 8-K filed with the Securities and Exchange Commission (the SEC) on June 1, 2015.

The Wells Fargo facility was entered into in accordance with the previously announced commitment by Wells Fargo to provide secured financing to be used by the Company to finance a portion of the purchase price of a portfolio of commercial mortgage loans (the Loan Portfolio) from General Electric Capital Corporation and certain of its affiliates. The Company used the additional funds made available under the Wells Fargo facility on June 23, 2015, together with other available cash, to substantially complete the acquisition of the Loan Portfolio, as well as to acquire an additional \$435.5 million of loan participation interests which are *pari passu* to related interests included in the Loan Portfolio.

Item 2.01 Completion of Acquisition or Disposition of Assets.

On June 23, 2015, the Company completed its acquisition of substantially all of the Loan Portfolio as well as the eight loan participation interests described in Item 1.01 above. On a cumulative basis, the Company has closed on approximately \$4.8 billion of loans in its acquisition of the Loan Portfolio and related loan participation interests.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information set forth in Item 1.01 is hereby incorporated by reference into this Item 2.03.
