PROXY STATEMENT

For The 2016 Annual Meeting of Shareholders To Be Held On

May 19, 2016

GENERAL INFORMATION ABOUT THE MEETING

Date, Time and Place of the Annual Meeting. The Board of Directors (the Board or Board of Directors) of Fortress Investment Group LLC, a Delaware limited liability company (Fortress, the Company, we, us or our), is soliciting proxies to be voted at the 2016 Annual Meeting of Shareholders (the Annual Meeting) to be held at 8:00 AM Eastern Daylight Time, on May 19, 2016, at the Hilton Hotel New York, 1335 Avenue of the Americas, New York, New York, for the purposes set forth in the accompanying Notice of the 2016 Annual Meeting of Shareholders, and at any adjournment or postponement of the Annual Meeting.

The Notice of the 2016 Annual Meeting of Shareholders, Proxy Statement, form of proxy and voting instructions are first being mailed on or about April 8, 2016.

Matters to Be Considered at the Annual Meeting. At the Annual Meeting, shareholders will vote upon the following matters:

1. the election of the Class III directors, Peter L. Briger, Jr., Wesley R. Edens and Douglas L. Jacobs, to serve until the 2019 annual meeting;
2. the ratification of the appointment of Ernst & Young LLP as independent registered public accounting firm for the Company for fiscal year 2016;
3. the approval of the Fortress Investment Group LLC 2016 Omnibus Equity Incentive Plan; and
4. any other business properly presented at the Annual Meeting.

Recommendations of the Board of Directors. The Board recommends a vote:

FOR the election of the director nominees named herein;

FOR the ratification of the appointment of Ernst & Young LLP as independent registered public accounting firm for the Company for fiscal year 2016; and

FOR the approval of the Fortress Investment Group LLC 2016 Omnibus Equity Incentive Plan.

Record Date. Our Board has fixed the close of business on April 1, 2016 as the record date (the Record Date) for determination of the shareholders entitled to notice and to vote at the Annual Meeting. Only shareholders of record as of the close of business on the Record Date are entitled to vote at the Annual Meeting.

Table of Contents

Voting Securities. Holders of our Class A shares and our Class B shares, as recorded in our share register at the close of business on the Record Date, may vote at the Annual Meeting and any adjournment or postponement thereof. As of the Record Date, there were 216,384,655 Class A shares and 169,514,478 Class B shares outstanding.

On each matter to be voted upon, the Class A shares and Class B shares will vote together as a single class. Each holder of Class A shares is entitled to one vote per share, and each holder of Class B shares is entitled to one vote per share. As of the Record Date, the Company's Principals (Peter L. Briger, Jr., Wesley R. Edens and Randal A. Nardone) owned (a) 3,199,681 Class A shares and (b) 169,207,335 Class B shares, and they are entitled to vote these shares. Michael E. Novogratz was a Principal until his retirement in January 2016.

Quorum and Votes Needed. A majority of outstanding shares present at the Annual Meeting, either in person or by proxy, and entitled to vote thereat, shall constitute a quorum for the transaction of business. In accordance with our Fourth Amended and Restated Limited Liability Company Agreement (the "Operating Agreement"), the Annual Meeting may be adjourned from time to time by the chairman of the meeting to another place or time, without regard to the presence of a quorum.

For the election of nominees to our Board, the affirmative vote of a plurality of the votes cast for a particular position is required for approval of the matter. Thus, the nominees with the greatest number of votes will be elected. For the ratification of the appointment of Ernst & Young LLP, the approval of the Fortress Investment Group LLC 2016 Omnibus Equity Incentive Plan and the approval of any other business properly presented at the Annual Meeting, the affirmative vote of a majority of the votes cast is required for approval of the matter. A shareholder voting for the election of directors may withhold authority to vote for all or certain nominees. A shareholder may also abstain from voting on the other matters presented for shareholder vote. Votes withheld from the election of any nominee for director and abstentions from any other proposal will be treated as shares that are present and entitled to vote for purposes of determining the presence of a quorum, but will not be counted in the number of votes cast on a matter.

We will not count shares that abstain from voting on a particular matter or broker non-votes as votes in favor of such matter. In the election of directors, abstentions and broker non-votes will be disregarded and will have no effect on the outcome of the vote because abstentions and broker non-votes are not considered to be votes cast under our Operating Agreement or the laws of Delaware. With respect to the ratification of the appointment of Ernst & Young LLP and the approval of the Fortress Investment Group LLC 2016 Omnibus Equity Incentive Plan, abstentions will be disregarded and will have no effect on the outcome of the vote for the same reasons. If a shareholder holds shares through a broker, bank or other nominee ("broker"), generally the broker may vote the shares it holds in accordance with instructions received. If a shareholder does not give instructions to a broker, the broker can vote the shares it holds with respect to discretionary or routine proposals under the rules of the New York Stock Exchange ("NYSE"). A broker cannot vote shares with respect to non-discretionary proposals for which a shareholder has not given instruction. However, the proposal to ratify the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm is considered a discretionary proposal and, therefore, may be voted upon by your broker even if you do not instruct your broker. The proposals to elect directors and approve equity incentive plans are not considered to be discretionary or routine proposals. As a result, the proposals cannot be voted upon by your broker if you do not instruct your broker as to how to vote on the proposal.

Voting of Proxies. You may vote by any one of the following means:

By Mail

Edgar Filing: Fortress Investment Group LLC - Form DEF 14A

To vote by mail, please sign, date and complete the proxy card and return it in the enclosed self-addressed envelope. No postage is necessary if the proxy card is mailed in the United States. If you hold your shares through a bank, broker or other nominee, it will give you separate instructions for voting your shares.

If you vote by telephone or on the Internet, you do not have to return your proxy card or voting instruction card.

In Person, at the Annual Meeting

in accordance with the judgment of the proxy holders as to any other matter that may be properly brought before the Annual Meeting, including any adjournments and postponements thereof.

Revocability of Proxy. Any shareholder returning a proxy may revoke it at any time before the proxy is exercised by (1) sending a written notice to the Secretary of the Company at the address below; (2) timely delivery of a valid, later-dated proxy or a later-dated vote by telephone or on the Internet; or (3) voting in person at the Annual Meeting. The powers of the proxy holders will be suspended if you attend the Annual Meeting in

Legal Proceedings Involving Directors, Officers or Affiliates. There are no legal proceedings ongoing as to which any director, officer or affiliate of the Company, any owner of record or beneficially of more than five percent of any class of voting securities of the Company, or any associate of any such director, officer, affiliate of the Company or security holder, is a party adverse to us or any of our subsidiaries or has a material interest adverse to us or any of our subsidiaries.

Director Independence. On April 6, 2016, the Board determined the independence of each member of the Board in accordance with the NYSE corporate governance rules and applicable rules of the United States Securities and Exchange Commission ("SEC"). Each director affirmatively determined by the Board to have met the standards set forth in Section 303A.02(b) of the NYSE listing standards is referred to herein as an independent director. The Board has determined that the following Board members are independent directors because none of them had a material relationship with the Company: David B. Barry, Douglas L. Jacobs, Michael G. Rantz and George W. Wellde, Jr. In making its determinations, our Board considered all relevant facts and circumstances, as required by applicable NYSE listing standards, including continuing co-investment in real property among Messrs. Barry, Edens, and Nardone and the employment of Mr. Wellde's daughter by the Company and Mr. Rantz's daughter as part of the Company's summer internship program.

The NYSE rules generally require that the boards of most listed companies consist of a majority of independent directors and that the nominating/corporate governance committee, the compensation committee and the audit committee of the Board consist entirely of independent directors. Under NYSE listing standards, whether a director is an independent director is a subjective determination to be made by the Board, and a director of Fortress only qualifies as independent if the Board affirmatively determines that the director has no material relationship with Fortress (either directly or as a partner, shareholder or officer of an organization that has a relationship with Fortress). While the test for independence is a subjective one, the NYSE rules also contain objective criteria that preclude directors from being considered independent in certain situations.

Specifically, persons meeting any of the following objective criteria would be deemed to be not independent:

Edgar Filing: Fortress Investment Group LLC - Form DEF 14A

A director who is an employee, or whose immediate family member is an executive officer, of Fortress (including any consolidated subsidiary) may not be considered independent until three years after the end of such employment relationship;

A director who has received, or whose immediate family member has received, during any twelve- month period within the last three years, more than \$120,000 in direct compensation from Fortress (including any consolidated subsidiary), other than director and committee fees and pension or other

Table of Contents

forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service). Compensation received by an immediate family member for service as an employee (other than an executive officer) need not be considered in determining independence under this test;

A director (i) who is, or whose immediate family is, a current partner of a firm that is the internal or external auditor of Fortress; (ii) who is a current employee of such a firm; (iii) whose immediate family member is a current employee of such firm and who participates in the firm's audit, assurance or tax compliance (but not tax planning) practice; or (iv) who was, or whose immediate family member was, within the last three years (but is no longer) a partner or employee of such a firm and personally worked on Fortress's audit within that time;

A director who is employed, or whose immediate family member is employed, as an executive officer of another company where any of Fortress's present executives serve on that company's compensation committee may not be considered independent until three years after the end of such service or the employment relationship; and

A director who is an executive officer or an employee, or whose immediate family member is an executive officer, of a company (or a consolidated subsidiary of such company) that makes payments to, or receives payments from, Fortress for property or services in an amount which, in any single fiscal year, exceeds the greater of \$1 million or 2% of such other company's consolidated gross revenues may not be considered an independent director until three years after falling below such threshold.

Ownership, either directly or indirectly, of a significant amount of Fortress's Class A or Class B shares, by itself, does not constitute a material relationship. In addition, an investment in one or more Fortress Funds (as defined hereafter), by itself, also does not constitute a material relationship.

The Board has not established additional guidelines to assist it in determining whether a director has a material relationship with Fortress under NYSE rules. Instead, it evaluates each director or nominee for director under the tests set forth by the NYSE and through a broad evaluation of all relevant facts and circumstances. The Board, when assessing the materiality of a director's relationship with Fortress, also considers the issue not merely from the standpoint of the director but also from that of persons or organizations with which the director has an affiliation.

CORPORATE GOVERNANCE

The role of our Board is to ensure that Fortress is managed for the long-term benefit of our shareholders. To fulfill this role, the Board has adopted corporate governance principles designed to ensure compliance with all applicable corporate governance standards, including those provided by the SEC and the NYSE. In addition, the Board is informed regarding Fortress's activities and periodically reviews, and advises management with respect to, Fortress's annual operating plans and strategic initiatives.

We review our corporate governance policies and practices on an ongoing basis and compare them to those suggested by various authorities in corporate governance and the practices of other public companies. We continue to review the provisions of the Sarbanes-Oxley Act of 2002, new and proposed rules of the SEC and new and proposed listing standards of the NYSE.

Corporate Governance Guidelines. Based on this review, the Board adopted Corporate Governance Guidelines. The Corporate Governance Guidelines are posted on our website at <http://www.fortress.com> under "Public Shareholders Corporate Governance" and are available in print to any shareholder of the Company upon request.

Code of Business Conduct and Ethics. The Board also adopted a Code of Business Conduct and Ethics to help ensure that Fortress abides by applicable corporate governance standards. This code applies to all directors, employees and officers, including our Chief Executive Officer, Chief Financial Officer, Principal Accounting Officer and Controller. The code is posted on our website at <http://www.fortress.com> under "Public Shareholders Corporate Governance" and is available in print to any shareholder of the Company upon request. The Board has also adopted a Code of Ethics for Principal Executive and Senior Financial Officers that applies to our Chief Executive Officer, Chief Financial Officer, and Principal Accounting Officer and is available in print to any shareholder of the Company upon request. The Company intends to post on its website any material amendments to its codes of ethics and the description of any waiver from a provision of its codes, granted by the Board to any director or executive officer of the Company.

Communications with the Board of Directors. Shareholders and other interested parties who wish to communicate directly with any of the Company's directors, including the non-management directors as a group or individually, may do so by writing to the Board of Directors, Fortress Investment Group LLC, 1345 Avenue of the Americas, 46th Floor, New York, NY 10105, Attention: David N. Brooks, General Counsel. All communications will be received, sorted and summarized by the General Counsel, as agent for the non-management directors. Communications relating to the Company's accounting, internal accounting controls or auditing matters will be referred to the chairman of the Audit Committee. Other communications will be referred to such other directors as may be appropriate. Communications may be submitted anonymously or confidentially.

Meetings of the Board of Directors. During the fiscal year ended December 31, 2015, our Board held eight meetings. Each incumbent director attended 75% or more of all meetings of the Board and committees on which the director served during 2015, except for Mr. Novogratz, who retired in January 2016, and Mr. Rantz, who was appointed to the Board effective July 2015 and attended all meetings held following his appointment. In 2015, our Board also met in executive sessions with only non-management directors present. The Company does not require directors to attend the annual shareholders' meetings, although they are invited to attend.

Executive sessions of the non-management directors occur during the course of the year, in compliance with NYSE rules. Non-management directors include all directors who are not officers of the Company. The non-management director presiding at those sessions will rotate from meeting to meeting among the chairs of each of the Board's committees, to the extent the director is present at the executive session.

Committees of the Board of Directors. The Board has standing Audit, Compensation and Nominating, Corporate Governance and Conflicts Committees. The table below indicates the current members and chairmen of each of these committees. All committee members are Independent Directors.

The Audit Committee. The Audit Committee acts under a written charter that has been approved by the Board and complies with the NYSE corporate governance rules and applicable SEC rules and regulations. A current copy of the charter is posted on the Company's website at <http://www.fortress.com> under Public Shareholders Corporate Governance and is available in print to any shareholder of the Company upon request. All members of the Audit Committee are Independent Directors. The Board has determined that each member of the Audit Committee is financially literate as defined by NYSE rules and that Mr. Jacobs is qualified to serve as the Audit Committee's financial expert as defined by SEC regulations. The Board has determined that Mr. Jacobs' simultaneous service on the audit committee of three other public companies will not impair his ability to effectively serve on our Audit Committee. A brief description of Mr. Jacobs' work experience is included in Proposal Number One: Election of Directors Information Concerning Our Directors, Including Our Director Nominees. Members of the Audit Committee do not receive any compensation from the Company other than their compensation as a director, committee member or, if applicable, committee chairman, in each case as described under Director Compensation in this Proxy Statement.

Our Audit Committee's functions include:

reviewing the audit plans and findings of our independent registered public accounting firm and our internal audit staff, as well as the results of regulatory examinations, and tracking management's corrective action plans where necessary;

reviewing our financial statements, including any significant financial items and/or changes in accounting policies, with our senior management and independent registered public accounting firm;

reviewing our financial risk and control procedures, compliance programs and significant tax, legal and regulatory matters; and

appointing annually our independent registered public accounting firm, evaluating its independence and performance and setting clear hiring policies for employees or former employees of the independent

registered public accounting firm.

During the fiscal year ended December 31, 2015, the Audit Committee held five meetings. The Audit Committee occasionally met with the Company's independent auditors in executive sessions after meetings. The report of the Audit Committee is included in this Proxy Statement.

The Compensation Committee. The Compensation Committee acts under a written charter that has been approved by the Board and complies with the NYSE corporate governance rules. A current copy of the charter is posted on the Company's website at <http://www.fortress.com> under Public Shareholders Corporate Governance and is available in print to any shareholder of the Company upon request. All members of the Compensation Committee are Independent Directors.

Our Compensation Committee's functions include:

reviewing and recommending to the Board the salaries, benefits and equity incentive grants for all employees, consultants, officers, directors and other individuals we compensate; and

overseeing our compensation and employee benefit plans, including the Principal Compensation Plan. The Compensation Committee held five meetings during the fiscal year ended December 31, 2015. The report of the Compensation Committee is included in this Proxy Statement. Additional information on the Compensation Committee's procedures and processes regarding the determination of executive compensation is included below under Executive Compensation Compensation Discussion and Analysis.

The Nominating, Corporate Governance and Conflicts Committee. The Nominating, Corporate Governance and Conflicts Committee acts under a written charter that has been approved by the Board and complies with the NYSE corporate governance rules. A current copy of the charter is posted on the Company's website at <http://www.fortress.com> under Public Shareholders Corporate Governance and is available in print to any shareholder of the Company upon request. The Nominating, Corporate Governance and Conflicts Committee held four meetings during the fiscal year ended December 31, 2015.

Our Nominating, Corporate Governance and Conflicts Committee functions include:

reviewing the performance of our Board and making recommendations to the Board regarding the selection of candidates, qualification and competency requirements for service on the Board and the suitability of proposed nominees as directors;

advising the Board with respect to the corporate governance principles applicable to us;

overseeing the evaluation of the Board and Fortress's management;

reviewing and approving in advance any related party transaction, other than those that are pre-approved pursuant to pre-approval guidelines or rules established by the committee; and

establishing guidelines or rules to cover specific categories of transactions.

The Nominating, Corporate Governance and Conflicts Committee works with the Board to determine the appropriate and necessary characteristics, skills and experience of the Board, both as a whole and with respect to its individual members. The committee evaluates biographical and background information relating to potential candidates and interviews candidates selected by members of the committee and by the Board in making its decisions as to prospective candidates to the Board. While the committee does not specifically set forth any minimum skills that a candidate must have prior to consideration, the committee thoroughly examines a candidate's understanding of the Company's business and other elements relevant to the success of a publicly traded company in today's business

environment and educational and professional background. In determining whether to recommend a director for re-election, the Nominating, Corporate Governance and Conflicts Committee also considers the director's past attendance at meetings and participation in and contributions to the activities of the Board. The Nominating, Corporate Governance and Conflicts Committee has the authority to identify potential nominees by asking current directors and executive officers to notify the Nominating, Corporate Governance and Conflicts Committee if they become aware of suitable candidates. As described below, the Nominating, Corporate Governance and Conflicts Committee will also consider candidates recommended by shareholders. We have not paid any third party a fee to assist in the process of identifying or evaluating candidates; however the Nominating, Corporate Governance and Conflicts Committee may elect in the future to engage firms that specialize in identifying director candidates.

All director candidates, including those recommended by shareholders, are evaluated on the same basis. Candidates for director must possess the level of education, experience, sophistication and expertise required to perform the duties of a member of a board of directors of a public company of the Company's size and scope. At a minimum, the committee will consider: (1) whether the recommended candidate is subject to a disqualifying

Table of Contents

factor as described in Section 303A.02(b) of the NYSE listing standards; (2) the number of other boards and committees on which the individual serves; (3) the extent of the individual's experience in business, trade, finance or management; (4) the extent of the individual's knowledge of regional, national and international business affairs; (5) whether the individual possesses the overall judgment to advise and direct the Company in meeting its responsibilities to shareholders, customers, employees and the public; (6) whether the individual provides the appropriate experience and expertise in light of the prevailing business conditions and the composition of the Board; and (7) any other factors, including those set forth in the Corporate Governance Guidelines, relating to the ability and willingness of the individual to serve. The Company does not have a formal policy with regard to the consideration of diversity in identifying director-nominees, but the Nominating, Corporate Governance and Conflicts Committee strives to nominate individuals with a variety of complementary attributes and skills. Director-nominees are also selected to provide the expertise and skills that may be required by board committees to fulfill their duties. The committee assesses its achievement of diversity through the review of Board composition as part of the Board's annual self-assessment process.

While the Corporate Governance Guidelines provide that the committee may, if it deems appropriate, establish procedures to be followed by shareholders in submitting recommendations for Board candidates, the Nominating, Corporate Governance and Conflicts Committee has not, at this time, put in place a formal policy with regard to such procedures. The Board believes that it is appropriate for Fortress not to have a specific policy because shareholders are always free to submit recommendations for Board candidates, simply by following the procedures set forth in our Operating Agreement. Shareholders wishing to nominate an individual for election at an annual meeting of shareholders must give timely notice to the Company's Secretary and comply with all of the procedures set forth in our Operating Agreement, as described further in Shareholder Proposals and Nominations for Next Year's Annual Meeting.

Policy Regarding Roles of Chief Executive Officer and Chairmen of the Board of Directors. The Company does not have a policy to separate the roles of Chief Executive Officer and Co-Chairman of the Board of Directors, as the Board believes it is in the best interests of the Company to make that determination based on the position and direction of the Company and the membership of the Board. Mr. Edens served as the Company's Chief Executive Officer and Chairman of the Board of Directors until August 2009, when we appointed a new Chief Executive Officer and Mr. Edens and Mr. Briger were appointed Co-Chairmen of the Board. Mr. Nardone is currently serving as Chief Executive Officer of the Company. Mr. Nardone also serves as a director, a structure that permits him to focus on the management of the Company's day-to-day operations while still fostering communication between the Company's management and the Board of Directors. The Company does not have a lead independent director.

Board Role in Risk Oversight

Our Board plays a role in risk management at the enterprise level, but not at the fund level, as discussed in more detail below.

The Company and Its Consolidated Subsidiaries

The Company's risk management is overseen by our Chief Financial Officer, Daniel Bass, who works in conjunction with our Chief Executive Officer, Randal Nardone, and the various business risk managers to monitor and evaluate enterprise level risk. Enterprise risk management is focused on balance sheet and corporate funding risk, as well as identification of systemic risks which could have broad impact across our diversified group of businesses.

The Board regularly reviews information regarding the Company's market, credit, counterparty and operational risks, including its liquidity. In addition to the formal compliance program, the Board encourages management to promote a

corporate culture that incorporates risk management into the Company's corporate strategy and day-to-day business operations.

Table of Contents

Fortress Funds

As we have discussed in our prior annual and quarterly reports, the Board is not responsible and does not play a role in overseeing the risk management of any private investment funds, permanent capital vehicles and related managed accounts that Fortress manages (Fortress Funds). The Board has no ability to influence any fund s choice of, or the amount of a fund s exposure to, any given counterparty. As a result, our funds may have concentrated exposure to one or more counterparties and thus be exposed to a heightened risk of loss if that counterparty defaults. This may mean that the Company has a significant concentration of risk with one or more particular counterparties at any particular time when aggregate counterparty risk is measured across all of the various Fortress Funds.

Employee Compensation Policies and Risk Management. The Company generally compensates its employees with a combination of cash and Restricted Share Units (RSUs) or other equity or equity-like arrangements designed to align the employees interests with the long-term interest of our shareholders. In general, as employees become more senior and highly-compensated, we increase the portion of their total compensation that is paid with equity or equity-like arrangements.

Table of Contents**EXECUTIVE COMPENSATION****Compensation Discussion and Analysis**

We believe that it is important for our shareholders to understand how we compensate our top executives and the rationale for our compensation decisions. Set forth below is a detailed discussion regarding the compensation of our named executive officers during the last completed fiscal year, which include our Chief Executive Officer, our Chief Financial Officer, our General Counsel and our Principals: Peter L. Briger, Jr., Wesley R. Edens, and Randal A. Nardone. Michael E. Novogratz was a Principal until his retirement in January 2016 and is not included in the discussion below because he was not a named executive officer during the last completed fiscal year.

Our Compensation Goals and Philosophy Principals

The primary goals of our compensation arrangements with our Principals are to: align their interests with the interests of our shareholders; ensure the ongoing, uninterrupted management of each of our businesses by the Principals who sponsor them and, in many cases, act as their chief investment officers; and further incentivize the Principals to raise new capital for our funds.

To achieve these goals, in August 2011 we entered into new, five-year employment agreements with our Principals effective January 1, 2012, on terms and conditions substantially similar to those of their previous agreements. In connection with the new employment agreements, we adopted a Principal Compensation Plan under which the Principals will receive annual payments based on their respective success in raising and investing new funds and the performance of those new funds during a given fiscal year and, for the credit hedge fund business, on the performance of the existing assets under management (AUM) of Fortress's flagship hedge funds during a given year (Principal Performance Payments). Messrs. Edens and Nardone are entitled to receive payments based on the performance of the private equity business, which includes the private equity funds and the permanent capital vehicles; and Mr. Briger is entitled to receive payments based on the performance of the credit business, which includes credit hedge funds and credit PE funds.

Under the Principal Compensation Plan, Principal Performance Payments are comprised of a mix of cash and equity-based compensation, with the equity component becoming larger as performance, and the size of the payments, increases. Specifically, the Principal Compensation Plan calls for payments of: for the private equity business, (1) 20% of the fund management distributable earnings above a threshold for permanent capital vehicles existing at January 1, 2012, as well as (2) either 10% or 20% (based on the level of involvement of the Principal) of the fund management distributable earnings of new AUM in new businesses (formed after January 1, 2012); and for the credit business, (1) 20% of the incentive income earned from existing flagship hedge fund AUM at January 1, 2012 and (2) 20% of fund management distributable earnings for new flagship hedge fund AUM and either 10% or 20% (based on the level of involvement of the Principal) of the fund management distributable earnings of new AUM in new businesses (formed after January 1, 2012). Payments of up to 10% of fund management distributable earnings before Principal Performance Payments, in each of the Principals' respective businesses, are made in cash, and payments in excess of this threshold are made in RSUs that will vest in equal increments over three years.

As outlined above, the Principal Performance Payments for Messrs. Edens and Nardone were based on the performance of permanent capital vehicles existing at January 1, 2012, as well as new private equity funds and new permanent capital vehicles, which improved overall in 2015 compared to 2014. The Principal Performance Payments for Mr. Briger were based on the performance of existing flagship hedge fund AUM to the extent it generated incentive income and the performance of new flagship hedge fund AUM and new funds in the credit business. In 2015, weaker performance of eligible credit hedge funds was partially offset by improved performance of eligible

credit PE funds. A portion of the compensation for Messrs. Briger and Messrs. Edens and Nardone was in equity because their respective payments exceeded 10% of the fund management distributable earnings for their respective business in 2015 and, in accordance with the Plan, such excess payment was made in RSUs. For additional information on fund management distributable earnings and incentive income by segment, please see Note 11 of our audited consolidated financial statements contained in our 2015 10-K.

Table of Contents

Pursuant to the new employment agreements, each Principal receives annual compensation of \$200,000. The Principals' employment agreements contain customary post-employment non-competition and non-solicitation covenants. In order to ensure the Principals' compliance with such covenants, an amount equal to 50% of the after-tax cash portion of any Principal Performance Payments are subject to mandatory investment in Fortress Funds, and such invested amounts will serve as collateral against any breach of those covenants. The Principals' employment agreements are described in more detail below under the section **Employment Agreements with Our Named Executive Officers**.

Prior to the adoption of the Principal Compensation Plan, the only element of the Principals' compensation (since our initial public offering in February 2007) was an annual salary of \$200,000 pursuant to employment agreements that were set to expire in February 2012. The Principals did not receive any bonus payments directly from us, although they did (and continue to) receive distributions with respect to their ownership of FOG units, in the same amount per unit and generally at the same time as distributions are made to us in respect of the FOG units we hold.

Our Compensation Goals and Philosophy – Named Executive Officers (other than Principals)

As with our Principals, we seek to compensate our Chief Financial Officer and General Counsel (sometimes referred to below, along with our Principals, as our named executive officers or officers) in a manner that aligns their compensation with the creation of long-term value for our shareholders. To achieve this goal, we have designed compensation packages for these named executive officers that aim to reward sustained financial and operational performance for all of our businesses and to motivate these executives to remain with the Company for long and productive careers. Our Chief Financial Officer and General Counsel do not have any role in determining any aspect of their compensation.

Mr. Nardone, our Chief Executive Officer, is also a Principal and is therefore compensated by us under the Principal Compensation Plan.

Compensation Elements We Use To Achieve Our Compensation Goals

We use the following compensation elements as tools to reward and retain our Chief Financial Officer and General Counsel:

Base Salary We provide a base salary of \$200,000 to assist each officer with paying basic living expenses during the calendar year;

Bonus We generally pay discretionary cash bonuses at the beginning of the year for the prior year's performance based upon an evaluation as to how well the officer performed during the year in helping the Company achieve its goals; for 2015, the bonuses for our Chief Financial Officer and General Counsel were paid based on the achievements and factors described below in **Determining Compensation for Our Chief Financial Officer in 2015** and **Determining Compensation for Our General Counsel in 2015** ;

Restricted Share Units We use RSUs, which are typically subject to service-based vesting conditions, as a component of each officer's compensation because we believe that this form of equity-based compensation in the Company incentivizes the officer to (1) remain with the Company and (2) build the Company in ways

that create long-term value for our shareholders and do not promote making business decisions that involve the Company undertaking excessive levels of risk;

Profit Sharing Interests in Fortress Funds Performance We have from time-to-time granted our Chief Financial Officer and General Counsel interests in a portion of the profits (which interests may be calculated and awarded either in the form of partnership interests or paid out in cash on an annual basis) earned by us through our management of various Fortress Funds to incentivize each officer to devote focus to building our various businesses, although no such interests were granted during 2015; and

Table of Contents

Other Compensation We also provide our named executive officers with other compensation and benefits, which are reflected in the **All Other Compensation** column of the Summary Compensation Table set forth below, that we believe are reasonable, competitive and consistent with the Company's overall executive compensation goals and philosophy.

Determining Compensation for Our Chief Financial Officer in 2015

Daniel Bass has served as our Chief Financial Officer since 2003. As the leader of the Company's finance and accounting, Mr. Bass is responsible for overseeing the financial operations of the Company. Mr. Bass also oversees our IT and Facilities departments and, together with Mr. Brooks, our Human Resources department. His strategic and operational responsibilities include, among other things, ensuring that the Company is efficiently financed and maintains sufficient liquidity. In addition, Mr. Bass is responsible for overseeing the Company's financial statements and continuing to build relationships with our investors and financial counterparties.

Mr. Bass played a critical role in helping the Company maintain a strong balance sheet and improving our liquidity during 2015. As part of this effort, Mr. Bass played a crucial role in ensuring compliance with our credit agreement and laid the groundwork for the renewal of the credit agreement in early 2016 with very favorable terms. In addition, Mr. Bass oversees the accounting and financial planning and analysis groups. In the first quarter of 2015, these groups completed the early adoption of the new GAAP consolidation standards issued in early 2016. The adoption involved the de-consolidation of two permanent capital vehicles from the Company's financial statements and the re-filing of our financial statements for the three previous years to reflect the impacts of the new standard. In addition, Mr. Bass oversees our risk management. Mr. Bass also led our efforts to enhance our Human Resources, IT and Facilities departments to serve our employees, including spending significant time on the advancement of our technology developments for the front and back office operations. Mr. Bass was also heavily involved in investor relations, meeting with existing and prospective investors to discuss the strategic and financial activities of the Company. Mr. Bass also provided valuable advice to each of our businesses to assist them in both building and managing their businesses effectively. In light of these achievements, Mr. Bass received a discretionary bonus of \$2,800,000 and the other compensation set forth in the **Summary Compensation Table** below.

Determining Compensation for Our General Counsel in 2014

As the leader of the Company's legal and compliance department since our initial public offering, Mr. Brooks has overall responsibility for all legal and compliance matters. These matters span a broad array of complex laws and regulations around the globe, with the scope and complexity of such laws and regulations increasing substantially in this heightened regulatory environment. Mr. Brooks also serves as Secretary of the Company.

During 2015, Mr. Brooks enhanced the Company's legal and compliance departments and, together with Mr. Bass, oversees the Human Resources department. Mr. Brooks supervised the Company's efforts to comply with the emerging legal requirements under the Dodd-Frank Wall Street Reform and Consumer Protection Act, as well as the legal requirements of the Sarbanes-Oxley Act of 2002 and the NYSE. As Secretary of FIG LLC, Mr. Brooks also supervised the relationship between FIG LLC, an affiliate of the Company that is a registered investment adviser under the Investment Advisers Act of 1940 and serves as the registered investment adviser for various Fortress Funds, and the SEC. Mr. Brooks coordinated the structuring of new business initiatives at the Company and the activities of the New Products Committee. Mr. Brooks also coordinated the process of the retirement of one of our Principals, Michael Novogratz, during the year. Mr. Brooks also provided valuable advice to each of our businesses to assist them in both building and managing their businesses effectively. In light of these achievements, Mr. Brooks received a discretionary bonus of \$2,800,000 as well as the compensation set forth in the **Summary Compensation Table** below.

Grants with respect to 2015 to our Chief Financial Officer and General Counsel

With respect to 2015, Messrs. Bass and Brooks were granted 111,508 and 89,206 RSUs, respectively, in the beginning of 2016. RSUs granted to Messrs. Bass and Brooks on January 29, 2016 will vest in one-half increments on January 2, 2018 and January 2, 2019.

Table of Contents*Use of Compensation Consultant*

During 2015, senior management engaged McLagan to assist us in comparing the compensation packages we offer to our Chief Financial Officer and General Counsel to the compensation packages our peer companies pay to the officers serving comparable roles for their companies. McLagan is a compensation consulting firm that specializes in conducting proprietary compensation surveys and interpreting pay trends in the financial services industry. The companies that participate in McLagan's surveys generally represent peer companies, including some organizations that do not publicly disclose compensation data for executive roles.

Management presented the results of McLagan's analysis to the Compensation Committee as part of its review of executive compensation, and the Compensation Committee actively considered this information in setting the 2015 compensation for the Chief Financial Officer and the General Counsel. In addition, management retained SemlerBrossy in connection with the adoption and design of the Principal Compensation Plan, as described above in Our Compensation Goals and Philosophy – Principals. The Compensation Committee did not engage any compensation consultant to review either executive or director compensation.

Also, McLagan provided management with surveys regarding certain non-executive officer employees to help us understand how the compensation we offer to certain employees compares to the compensation our peers offer to their employees.

Potential Payments Upon Change-in-Control or Termination***Change-in-Control***

We do not have any employment agreements or other arrangements that provide for any cash payment to any of our named executive officers in connection with a change in control of the Company.

If Mr. Bass or Mr. Brooks were terminated within 12 months after the occurrence of a change in control resulting in the common equity of the Company no longer being publicly traded, then 100% of their RSUs would vest as of the date of their termination. Mr. Bass and Mr. Brooks may also be entitled to certain other rights with respect to their RSUs (such as the substitution of rights in the equity of an acquiring company) in the event of a change in control under other circumstances. If a change in control and a qualifying termination had occurred on December 31, 2015, the value of the RSUs (based on the share price of \$5.09 on December 31, 2015) that would have vested as a result would have been \$962,259 and \$753,992 for Messrs. Bass and Brooks, respectively.

Termination Principals

Our employment agreements with each principal provide that if the principal's employment is terminated by us without cause during the term of the agreement, the principal will be paid a lump sum separation payment equal to three times his then-current salary plus his unpaid accrued salary through the date of termination, subject to the provision of a satisfactory release of claims. The Principal Compensation Plan generally provides that if a principal is terminated without cause, he will be entitled to the payment he otherwise would have been entitled to for the full year in which he was terminated with respect to hedge funds and permanent capital vehicles, and he will be entitled to the vested portion of any award with respect to incentive fees on new private equity funds and permanent capital vehicles, in each case subject to the provision of a satisfactory release of claims.

If the employment of any principal had been terminated without cause on December 31, 2015, then the Company would have paid the terminated principal a lump sum separation payment of \$600,000 (calculated as three times the then-current \$200,000 annual salary of each principal), as well as his accrued but unpaid salary through December 31, 2015, pursuant to his employment agreement. No other benefits or payments would be provided to the terminated principal under the agreement.

A termination without cause can only occur with the approval of our Class B shareholders. In general, cause is defined in each principal's agreement as:

- (i) the willful engaging by the principal in illegal or fraudulent conduct or gross misconduct which, in each case, is materially and demonstrably injurious (x) to Fortress, (y) to the reputation of either the principal or Fortress or (z) to any of Fortress's material funds or businesses;
- (ii) conviction of a felony or guilty or nolo contendere plea by the principal with respect thereto; or

Table of Contents

- (iii) a material breach by the principal of the non-competition or non-solicitation covenants contained in the agreement, if such breach is curable and is not cured within 30 business days following receipt of a notice of such breach or if such breach is not curable.

For purposes of this provision, no act, or failure to act, on the part of the principal shall be considered willful unless it is done, or omitted to be done, by the principal in bad faith or without reasonable belief that the principal's action or omission was in the best interests of Fortress or was done, or omitted to be done, with reckless disregard to the consequences. Any act, or failure to act, based upon authority given pursuant to a resolution duly adopted by the board or based upon the advice of counsel for Fortress shall be conclusively presumed to be done, or omitted to be done, by the principal in good faith and in the best interests of Fortress. The cessation of employment of the principal shall not be deemed to be for cause unless and until there shall have been delivered to the principal a copy of a resolution duly adopted by the affirmative vote of two-thirds of the members of the Board at a meeting of the Board called and held for such purpose (after reasonable notice is provided to the principal and the principal is given an opportunity, together with counsel, to be heard before the Board), finding that in the good faith opinion of the Board, the principal is guilty of the conduct constituting cause and specifying the particulars thereof in detail.

Termination Chief Financial Officer and General Counsel

The employment letter agreements we have with Mr. Bass and Mr. Brooks have exhibits that document the profit sharing interests that Mr. Bass and Mr. Brooks hold in a variety of Fortress Funds. Their RSU award agreements also have exhibits that document the vesting schedule of their RSUs. These agreements provide that, in the event that either Mr. Bass or Mr. Brooks is terminated without cause, (1) for RSUs granted in 2013, 50% of the currently outstanding RSUs will vest on the next regularly scheduled vesting date, for RSUs granted in 2014, the number of RSUs that will vest is based on the number of months that have elapsed since the grant date in relation to the total vesting period and for RSUs granted in 2015, 25% of currently outstanding RSUs will vest on the next regularly scheduled vesting date and (2) he will be entitled to be paid certain amounts in respect of his profits interests in Fortress Funds in the calendar year in which he was terminated. If a qualifying termination had occurred as of December 31, 2015, the value of the RSU grant that would have vested (based on a share price of \$5.09 on December 31, 2015) would have been \$346,894 and \$272,178 for Mr. Bass and Mr. Brooks, respectively. The amounts that Mr. Bass and Mr. Brooks would have been entitled to in respect of such profits interests if they had been terminated during 2015 would have been \$56,392 and \$113,846, respectively. The amount that would be due upon such a termination occurring during any future year would be dependent on the performance of the underlying Fortress Funds, and such amount may differ meaningfully from past amounts. In addition, Mr. Bass and Mr. Brooks would each potentially be entitled to accelerated vesting of certain profits interests in Fortress Funds upon a termination of their employment without cause, although such acceleration would not involve the payment of any cash amounts at the time of termination. Mr. Bass and Mr. Brooks are not entitled to any other payments or benefits from the Company upon a termination of their employment. Cause is defined for purposes of these provisions as the commission by Mr. Bass or Mr. Brooks of an act of fraud or dishonesty, or the failure to perform their duties, in each case in the course of their employment.

Employment Agreements with Our Named Executive Officers

Set forth below is additional information regarding the employment agreements we have entered into with our named executive officers:

Employment Agreements with Our Principals

In August 2011, Fortress entered into an employment, non-competition and non-solicitation agreement with each principal (each referred to as an officer in this section describing such agreements). Each officer who is a principal

will also serve as an officer and director of a number of Fortress entities. The initial term of the agreement is the first five years after the effective date therein, which, in each case, is January 1, 2012. The

Table of Contents

agreement's term automatically renews for an additional year each year thereafter, unless notice of intention not to renew is given by either party in accordance with the agreement. Each officer has the right to voluntarily terminate his employment with Fortress at any time.

Each officer is entitled during his employment to annual compensation of \$200,000, which may be increased, but not decreased, at the discretion of the Board, and the officer is entitled to participate in all employee retirement and welfare benefit plans of Fortress, subject to the terms and conditions of such plans. The agreement requires the officer to protect the confidential information of Fortress both during and after employment. The agreement also requires the officer to refrain from soliciting employees or interfering with Fortress's relationships with investors both during and for a period of 24 months after termination of employment.

Employment Letter with the Chief Financial Officer

We have a letter agreement, dated January 25, 2007, as subsequently amended, with our Chief Financial Officer, Daniel N. Bass, which states certain terms and conditions of his continuing employment. This employment letter provides that Mr. Bass is an employee at will, whose employment may be terminated at any time, either by us or by him.

The employment letter provides for a base salary of \$200,000 and possible discretionary bonuses. Mr. Bass is eligible to participate in our 401(k) plan and in other benefit plans and arrangements generally made available to our senior executives from time to time and is entitled to vacation each year in accordance with Fortress's vacation policy applicable to employees, as amended from time to time. The letter's exhibits document certain profit sharing interests held by Mr. Bass in a variety of Fortress Funds. Mr. Bass agrees not to compete with us during his employment, and, if we terminate his employment with cause (as defined in the employment letter) or he resigns, he must not compete with us for twelve months after termination. During his employment and for two years thereafter he will not solicit any of our employees to leave our employment or hire any of our former employees within one year of such employee's termination. During his employment and for two years thereafter he will not intentionally interfere with our relationship with, or endeavor to entice away, any of our investors.

Employment Letter with the General Counsel

We have a letter agreement, dated February 13, 2007, as subsequently amended, with David N. Brooks, our Vice President, General Counsel and Secretary, which states certain terms and conditions of his continuing employment. This employment letter provides that Mr. Brooks is an employee at will, whose employment may be terminated at any time, either by us or by him.

The employment letter provides for a base salary of \$200,000 and possible discretionary bonuses. Mr. Brooks is eligible to participate in our 401(k) plan and in other benefit plans and arrangements generally made available to our senior executives from time to time and is entitled to vacation each year in accordance with Fortress's vacation policy applicable to employees, as amended from time to time. The letter's exhibits document certain profit sharing interests held by Mr. Brooks in a variety of Fortress Funds. Mr. Brooks agrees not to compete with us during his employment, and, if we terminate his employment with cause (as defined in the employment letter) or he resigns, he must not compete with us for twelve months after termination. During his employment and for two years thereafter he will not solicit any of our employees to leave our employment or hire any of our former employees within one year of such employee's termination. During his employment and for two years thereafter he will not intentionally interfere with our relationship with, or endeavor to entice away, any of our investors.

Shareholder Votes on Executive Compensation

At our 2011 annual general meeting of shareholders, our shareholders voted to hold an advisory vote on executive compensation every three years. Consistent with that vote, the Board resolved to accept the shareholders recommendation. We held an advisory vote on executive compensation at our 2014 annual meeting and next advisory vote on executive compensation will be held at the 2017 annual meeting.

Table of Contents

At our 2014 annual general meeting of shareholders, our shareholders also expressed their support of the Company's executive compensation programs. Approximately 99% of the votes cast supported our executive compensation policies and practices. The Compensation Committee viewed the vote as a strong expression of our shareholders' general satisfaction with the Company's current executive compensation programs. As a result, the Compensation Committee decided that it was not necessary to implement changes to our executive compensation programs.

Table of Contents**DIRECTOR COMPENSATION**

We do not, and do not intend to, compensate our directors who are also our employees or who are otherwise affiliated with us for their service on our Board.

The compensation program for our non-employee directors is designed to achieve three goals: (1) fairly compensate directors for their service to the Company given its size and the complexity of its operations and structure; (2) align the directors' interests with the long-term interests of our shareholders; and (3) incentivize the directors to continue to serve as board members. We use the following compensation elements as tools to reward and retain our non-employee directors:

Board Service Each non-employee director receives an annual fee equal to \$100,000, payable semi-annually (generally paid in June and December).

Committee Service Each non-employee director receives an annual fee equal to \$10,000 for committee service, and the chairs of the Audit Committee, Compensation Committee, and Nominating, Corporate Governance and Conflicts Committee receive annual fees of \$30,000, \$15,000 and \$15,000, respectively (generally paid in December).

Annual Stock Grant Each non-employee director receives an annual stock grant equal to \$100,000. The shares are granted on the day immediately preceding our annual shareholder meeting, provided that the director is serving on the Board as of that date.

At the option of the director, the fees described above may be paid in Class A shares, based on the value of our Class A shares on the date prior to issuance, rather than in cash, provided that any such issuance does not prevent such director from being determined to be independent. We encourage our non-employee directors to own at least a minimum amount of Class A shares. We also reimburse our non-employee directors for the expenses they incur in connection with their Board service.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee reviewed Fortress's audited consolidated financial statements as of and for the year ended December 31, 2015, and discussed these financial statements with Fortress's management, including a discussion of the quality and the acceptability of the accounting principles, the reasonableness of significant judgments and estimates, and the clarity and completeness of disclosures in the financial statements. Fortress's independent registered public accounting firm, Ernst & Young LLP, is responsible for performing an independent audit of Fortress's financial statements in accordance with the standards of the Public Company Accounting Oversight Board (the PCAOB) and for issuing a report on their audit of the financial statements. The Audit Committee's responsibility is to monitor and review these processes. The Audit Committee also reviewed and discussed with Ernst & Young LLP the audited financial statements and the matters required by PCAOB Auditing Standard No. 16 (Communication with Audit Committees) and other matters the Committee deemed appropriate.

Fortress's independent registered public accounting firm also provided the Audit Committee with the written letter required by Rule 3526 of the PCAOB, Communications with Audit Committees Concerning Independence. Rule 3526 requires auditors annually to disclose in writing all relationships that in the auditors' professional opinion may reasonably be thought to bear on independence, to confirm their independence and to engage in a discussion of independence. The Audit Committee also considered whether the independent auditors' provision of other, non-audit related services to Fortress is compatible with maintaining such auditors' independence.

Based on its discussions with management and Ernst & Young LLP, and its review of the representations and information provided by management and Ernst & Young LLP, the Audit Committee recommended to Fortress's Board that the audited financial statements be included in Fortress's Annual Report on Form 10-K for the year ended December 31, 2015. In addition, the Audit Committee has also recommended, subject to shareholder approval, the appointment of Ernst & Young LLP as the Company's Independent Registered Public Accounting Firm for the fiscal year ending December 31, 2016.

Respectfully submitted,

The Audit Committee

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Policies and Procedures for Related Party Transactions

Prior to the completion of our initial public offering in February 2007, our Board adopted a Policy and Procedures with Respect to Related Person Transactions, which we refer to as our Related Person Policy (as amended in April 2015). Pursuant to the terms of the Related Person Policy, the Nominating, Corporate Governance and Conflicts Committee of our Board must review and approve in advance any related party transaction, other than those that are pre-approved pursuant to pre-approval guidelines or rules that may be established by such committee to cover specific categories of transactions, including the guidelines described below. All Related Persons (defined below) are required to report to our legal department any such related person transaction prior to its completion and the legal department will determine whether it should be submitted to the Nominating, Corporate Governance and Conflicts Committee for consideration.

Our Related Person Policy covers all transactions, arrangements or relationships (or any series of similar transactions, arrangements or relationships) in which the Company (including any of its consolidated subsidiaries (that is, not including the Fortress Funds) was, is or will be a participant and the amount involved exceeds \$120,000 and in which any Related Person had, has or will have a direct or indirect material interest.

Our Related Person Policy provides that the following transactions shall be deemed pre-approved by the Nominating, Corporate Governance and Conflicts Committee, even if the aggregate of any one or more of such transactions exceeds \$120,000: (1) any investment by a Related Person in a private investment fund or other private collective investment vehicle managed by us or any of our subsidiaries or affiliates with respect to which management and incentive fees are waived (partially or in full), so long as it is not in violation of such fund's organizational documents; (2) any investment by a Related Person in an offering of securities of an issuer (other than securities of an entity covered by clause (1) above) controlled or managed by us or any of our subsidiaries or affiliates; (3) any other investment by a Related Person or any other transaction arrangement or relationship in which a Related Person participates so long as such investment, transaction, arrangement or relationship is also generally available to our senior employees; and (4) any entry of investment funds or publicly traded permanent capital vehicles into management or similar or related agreements with the Company or any of its subsidiaries or affiliates, or amendments thereto, in which a Related Party may have a material interest.

A Related Person, as defined in our Related Person Policy, means any person who is, or at any time since the beginning of the Company's last fiscal year was, a director or executive officer of the Company or a nominee to become a director of the Company, any person who is known to be the beneficial owner of more than 5% of any class of the Company's voting securities, any immediate family member of any of the foregoing persons, which means any child, stepchild, parent, stepparent, spouse, sibling, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law or sister-in-law of the director, executive officer, nominee or more than 5% beneficial owner or any person (other than a tenant or employee) sharing the household of such director, executive officer, nominee or more than 5% beneficial owner, and any firm, corporation or other entity in which any of the foregoing persons is employed or is a general partner or principal or in a similar position or in which such person has a 5% or greater beneficial ownership interest.

Related Party Transactions

The following is a summary of material provisions of various transactions we have entered into with our executive officers, directors or 5% or greater shareholders. We believe the terms and conditions set forth in such agreements are reasonable and customary for transactions of this type.

Formation Transactions

Prior to December 31, 2009, our business was conducted by Fortress Operating Entity I LP and certain of its predecessors by merger (the Operating Entities) and Principal Holdings I LP (Principal Holdings) (the

Table of Contents

Operating Entities together with Principal Holdings, the limited partnerships through which we conduct our business and hold our principals investments, are referred to herein as the Fortress Operating Group), which collectively manage the Fortress Funds. Fortress Investment Group LLC was formed as a Delaware limited liability company for the purpose of completing the Nomura transaction, our initial public offering and the related transactions in order to carry on our business as a publicly-traded entity. As a result of the Nomura transaction and the transactions contemplated by our initial public offering, Fortress Investment Group LLC acquired control of the Fortress Operating Group and, as of December 31, 2015, held approximately 56.1% of the FOG units.

On December 18, 2006, the principals entered into a securities purchase agreement with Nomura Investment Managers U.S.A., Inc., a Delaware corporation (Nomura), whose ultimate parent is Nomura Holdings, Inc., a Japanese corporation. On January 17, 2007, Nomura completed the transaction by purchasing 55,071,450 Class A shares of the Company for \$888 million and the Company in turn purchased 55,071,450 Fortress Operating Group limited partnership units, which represented 15% of Fortress Operating Group s economic interests, from the principals for \$888 million (the foregoing transactions, collectively, the Nomura transaction).

In connection with the closing of the Nomura transaction, we formed FIG Corp., as a Delaware corporation, and FIG Asset Co. LLC, as a Delaware limited liability company, our two wholly-owned intermediate holding companies. In connection with the consummation of our initial public offering, we completed the following transactions:

we granted rights to the investors in the consolidated Fortress Funds to provide a simple majority of the respective unrelated limited partners with the right to accelerate the date on which the fund is liquidated, without cause, in accordance with certain procedures, or otherwise the ability to exert control over the fund, which resulted in our deconsolidation of these funds as of March 31, 2007;

we issued Class A shares to Nomura for net proceeds of \$888.0 million (as described above);

FIG Corp. and FIG Asset Co. LLC (on behalf of any affiliated corporation) entered into a tax receivable agreement with our Principals, as described below;

we entered into an employment agreement with each of our Principals;

we entered into an investor shareholder agreement with Nomura, as described below;

we issued Class A shares in our initial public offering for net proceeds of approximately \$652.7 million; and

we entered into a shareholders agreement between the Company with our Principals (the Shareholders Agreement), as described below, and our Principals entered into the principals agreement.

We refer to the foregoing collectively as the Transactions.

As a result of the Transactions:

Fortress Investment Group LLC is a holding company, and our primary assets are our indirect controlling general partner interest in the Fortress Operating Group and our FOG units, held through the intermediate holding companies;

our Principals acquired a majority of the FOG units and all of our Class B shares;

FIG Corp. or FIG Asset Co. LLC, as applicable, became the sole general partner of each of the entities that constitute the Fortress Operating Group. Accordingly, we operate and control the business of the Fortress Operating Group and its subsidiaries; and

net profits, net losses and distributions of the Fortress Operating Group were allocated and made to its unitholders, on a pro rata basis in accordance with their respective FOG units.

Table of Contents

The remaining Transactions collectively comprise the reorganization pursuant to which the Principals, Nomura and the public acquired 100% of our outstanding Class A and Class B shares and our concurrent acquisition, through two intermediate holding companies, of the controlling general partner interest in the Fortress Operating Group and our FOG units.

Shareholders Agreement

Prior to the consummation of our initial public offering, we entered into the Shareholders Agreement with our Principals. The Shareholders Agreement, as amended, provides the Principals with certain rights with respect to the approval of certain matters and the designation of nominees to serve on our Board as well as registration rights for our securities that they own.

Principals Approval

The Shareholders Agreement provides that, so long as the Principals and their permitted transferees collectively own securities representing more than 40% of the total combined voting power of all of our outstanding Class A and Class B shares, our Board shall not authorize, approve or ratify any action described below without the prior approval (which approval may be in the form of an action by written consent) of Principals that are employed by the Fortress Operating Group holding our outstanding shares representing greater than 50% of the total combined voting power of all of our outstanding Class A and Class B shares held by such Principals, collectively:

any incurrence of indebtedness, in one transaction or a series of related transactions, by us or any of our subsidiaries in an amount in excess of approximately 10% of the then existing long-term indebtedness of us and our subsidiaries;

any issuance by us, in any transaction or series of related transactions, of equity or equity-related outstanding shares which would represent, after such issuance, or upon conversion, exchange or exercise, as the case may be, at least 10% of the total combined voting power of our outstanding Class A and Class B shares other than (1) pursuant to transactions solely among us and our wholly-owned subsidiaries or (2) upon conversion of convertible securities or upon exercise of warrants or options, which convertible securities, warrants or options are either outstanding on the date of, or issued in compliance with, the Shareholders Agreement;

any equity or debt commitment or investment or series of related equity or debt commitments or investments in an entity or related group of entities in an amount greater than \$250 million;

any entry by us or any of our controlled affiliates into a new line of business that does not involve investment management and that requires a principal investment in excess of \$100 million;

the adoption of a shareholder rights plan;

any appointment of a chief executive officer or co-chief executive officer; or

the termination of the employment of a principal with us or any of our material subsidiaries without cause.
Board Representation

The Shareholders Agreement requires that we take all reasonably necessary action to effect the following:

so long as the Principals and their permitted transferees beneficially own: (i) shares representing more than 50% of the total combined voting power of all our outstanding Class A and Class B shares, our Board shall nominate individuals designated by the Principals such that the Principals will have six designees on the Board; (ii) shares representing more than 40% and less than 50% of the total

combined voting power of all our outstanding Class A and Class B shares, our Board shall nominate individuals designated by the Principals such that the Principals will have five designees on the Board; (iii) shares representing more than 25% and less than 40% of the total combined voting power of our outstanding Class A and Class B shares, our Board shall nominate individuals designated by the Principals such that the Principals will have four designees on the Board; (iv) shares representing more than 10% and less than 25% of the total combined voting power of our outstanding Class A and Class B shares, our Board shall nominate individuals designated by the Principals such that the Principals will have two designees on the Board; and (v) shares representing less than 10% of the total combined voting power of our outstanding Class A and Class B shares, the Board shall have no obligation to nominate any individual that is designated by the Principals.

Registration Rights

Demand Rights. We have granted to the Principals registration rights that allow them at any time to request that we register the resale, under the Securities Act, of an amount of shares that they own representing at least 2.5% of the total combined voting power of all our outstanding Class A and Class B shares, based on the aggregate amount of shares issued and outstanding immediately after the consummation of our initial public offering. Each principal, together with his permitted transferees, shall be entitled to an aggregate of two demand registrations. We are not required to maintain the effectiveness of any resale registration statement for more than 90 days. We are also not required to effect any demand registration within six months of a firm commitment underwritten offering in which all Principals that held piggyback rights (as described below) were given the opportunity to sell shares and which offering included at least 50% of the shares collectively requested by the Principals with piggyback rights to be included. We are not obligated to grant a request for a demand registration within four months of any other demand registration and may refuse a request for demand registration if, in our reasonable judgment, it is not feasible for us to proceed with the registration because of the unavailability of audited financial statements, provided that we use our reasonable best efforts to obtain such financial statements as promptly as practicable.

Piggyback Rights. For so long as a principal, together with his permitted transferees and their respective permitted transferees, beneficially owns an amount of shares representing at least 1% of the total combined voting power of all our outstanding Class A and Class B shares, based on the aggregate amount of shares issued and outstanding immediately after the consummation of our initial public offering (a Piggyback Registrable Amount), the principal shall also have piggyback registration rights that allows him to include the shares that he owns in any public offering of equity securities initiated by us (other than those public offerings pursuant to registration statements on Forms S-4 or S-8 or any successor form thereto) or by any of our other holders of equity securities that have registration rights. The piggyback registration rights of these holders of equity securities are subject to proportional cutbacks based on the manner of such offering and the identity of the party initiating such offering.

Shelf Registration. We have granted each principal, for so long as each principal, together with his permitted transferees and their respective permitted transferees, beneficially owns an amount of shares representing at least 2.5% of the total combined voting power of all our outstanding Class A and Class B shares, based on the aggregate amount of shares issued and outstanding immediately after the consummation of our initial public offering, the right to request a shelf registration on Form S-3, providing for resales thereof to be made on a continuous basis, subject to a time limit on our efforts to keep the shelf registration statement continuously effective and our right to suspend the use of the shelf registration prospectus for a reasonable period of time (not exceeding 90 days in succession or 180 days in the aggregate in any 12 month period) if we determine that certain disclosures required by the shelf registration statement would be detrimental to us or our holders of equity securities. In addition, each principal that, together with his permitted transferees and their respective permitted transferees, beneficially owns a Piggyback Registrable Amount and has not made a request for a shelf registration may elect to participate in such shelf registration within ten days after notice of the registration is given.

Indemnification; Expenses. We have agreed to indemnify each principal against any losses or damages resulting from any untrue statement or omission of material fact in any registration statement or prospectus pursuant to which they sell our shares, unless such liability arose from such principal's misstatement or omission, and each such principal has agreed to indemnify us against all losses caused by his misstatements or omissions.

We will pay all expenses incident to our performance under the Shareholders Agreement, and the Principals will pay their respective portions of all underwriting discounts, commissions and transfer taxes relating to the sale of their shares under the Shareholders Agreement.

Clawback Guaranty Indemnity Agreement

Incentive income from certain of the private equity funds and credit private equity funds may be distributed to us on a current basis generally subject to the obligation of the subsidiary of the Fortress Operating Group that acts as general partner of the fund to repay the amounts so distributed in the event certain specified return thresholds are not ultimately achieved. The Principals have personally guaranteed, subject to certain limitations, the obligation of these subsidiaries in respect of this clawback obligation. The Shareholders Agreement contains our agreement to indemnify each of our Principals against all amounts that the principal pays pursuant to any of these personal guaranties in favor of our private equity funds (including costs and expenses related to investigating the basis for or objecting to any claims made in respect of the guaranties).

Exchange Agreement

In connection with the completion of our initial public offering, the Principals entered into an exchange agreement (the Exchange Agreement) with us, under which, at any time and from time to time, each principal (and each other party to the agreement) has the right to exchange a number of FOG units (i.e., a limited partner interest in each Fortress Operating Group entity) together with the corresponding Class B shares for an equal number of Class A shares. Upon an exchange of a Fortress Operating Group unit, the corresponding Class B share is cancelled and our interest in the Fortress Operating Group increases by the number of units exchanged. As a result of an amendment and restatement of this agreement in March 2011, a former senior employee, who is not a principal and who then owned RPU's that were convertible into FOG units, was added as a party.

Expense Allocation Agreement

We have entered into an expense allocation agreement with the Fortress Operating Group entities pursuant to which substantially all of Fortress's expenses (other than (i) income tax expenses of Fortress Investment Group LLC, FIG Corp. and FIG Asset Co. LLC, (ii) obligations incurred under the tax receivable agreement and (iii) payments on indebtedness incurred by Fortress Investment Group LLC, FIG Corp. and FIG Asset Co. LLC), including substantially all expenses incurred by or attributable solely to Fortress Investment Group LLC, are accounted for as expenses of the Fortress Operating Group.

Tax Receivable Agreement

As described above, at any time and from time to time, each owner of a Fortress Operating Group unit has the right to exchange each of his FOG units (together with a corresponding Class B share) for one of our Class A shares in a taxable transaction. Certain of the Fortress Operating Group entities have made and others may make an election under Section 754 of the Internal Revenue Code, which may result in an adjustment to the tax basis of the assets owned by the Fortress Operating Group at the time of the exchange. The taxable exchanges may result in increases in the tax depreciation and amortization deductions, as well as the increase in the tax basis of other assets, of the Fortress

Operating Group that otherwise would not have been available. These increases in tax depreciation and amortization deductions, as well as the increase in the tax basis of other assets, would reduce the amount of tax that FIG Corp. or FIG Asset Co. LLC (on behalf of any affiliated corporation that holds an interest in a Fortress Operating Group entity), as applicable, would otherwise be required to pay in the future. Additionally, our acquisition of FOG units from the Principals, such as in the Nomura transaction, also resulted in increases in tax deductions and tax basis that reduces the amount of tax that the corporate taxpayers would otherwise be required to pay in the future.

Table of Contents

In connection with the closing of the Nomura transaction, the corporate taxpayers entered into a tax receivable agreement with our Principals that provides for the payment by the corporate taxpayers to an exchanging or selling principal of 85% of the amount of cash savings, if any, in U.S. federal, state, local and foreign income tax that the corporate taxpayers actually realize (or are deemed to realize in the case of an early termination payment by the corporate taxpayers or a change of control, as discussed below) as a result of these increases in tax deductions and tax basis, and certain other tax benefits, including imputed interest expense, related to entering into the tax receivable agreement. The corporate taxpayers expect to benefit from the remaining 15% of cash savings, if any, in income tax savings that they realize. The tax savings that the corporate taxpayers actually realize will equal the difference between (i) the income taxes that the corporate taxpayers would pay if the tax basis of the assets was as shown on the corporate taxpayers' books at the time of a taxable exchange and (ii) the income taxes that the corporate taxpayers actually pay, taking into account payments made under the tax receivable agreement as well as depreciation and amortization deductions attributable to the fair market value basis in the assets of the Fortress Operating Group. For purposes of the tax receivable agreement, cash savings in income tax will be computed by comparing our actual income tax liability to the amount of such taxes that the corporate taxpayers would have been required to pay had there been no increase to the tax basis of the tangible and intangible assets of the applicable Fortress Operating Group entity as a result of the transaction and had the corporate taxpayers not entered into the tax receivable agreement. The term of the tax receivable agreement continues until all such tax benefits have been utilized or expired, unless the corporate taxpayers exercise the right to terminate the tax receivable agreement by paying an amount based on the present value of payments remaining to be made under the agreement with respect to units which have been exchanged or sold and units which have not yet been exchanged or sold. Such present value will be determined based on certain assumptions, including that the corporate taxpayers would have sufficient taxable income to fully utilize the deductions that would have arisen from the increased tax deductions and tax basis and other benefits related to entering into the tax receivable agreement. No payments will be made if a principal elects to exchange his FOG units in a tax-free transaction.

Decisions made by the Principals in the course of running our business, in particular decisions made with respect to the sale or disposition of assets or change of control, may influence the timing and amount of payments that are received by an exchanging or selling principal under the tax receivable agreement. In general, earlier disposition of assets following an exchange or acquisition transaction will tend to accelerate such payments and increase the present value of the tax receivable agreement, and disposition of assets before an exchange or acquisition transaction will increase a principal's tax liability without giving rise to any rights to receive payments under the tax receivable agreement.

Although we are not aware of any issue that would cause the Internal Revenue Service (the "IRS") to challenge a tax basis increase, our Principals will not reimburse the corporate taxpayers for any payments made by them under the tax receivable agreement. As a result, in certain circumstances, payments could be made to our Principals under the tax receivable agreement in excess of the corporate taxpayers' cash tax savings. The payments that the corporate taxpayers may make to our Principals could be material in amount. However, our Principals receive 85% of our cash tax savings, leaving the corporate taxpayers with 15% of the benefits of the tax savings. In general, estimating the amount of payments that may be made to the Principals under the tax receivable agreement is, by its nature, imprecise, in the absence of an actual transaction, insofar as the calculation of amounts payable depends on a variety of factors. The actual increase in tax basis and the amount and timing of any payments under the tax receivable agreement will vary depending upon a number of factors, including:

The timing of the transactions – For instance, the increase in any tax deductions will vary depending on the fair market value, which may fluctuate over time, of the depreciable or amortizable assets of the Fortress

Operating Group entities at the time of the transaction;

The price of our Class A shares at the time of the transaction The increase in any tax deductions, as well as tax basis increase in other assets, of the Fortress Operating Group entities is directly proportional to the price of the Class A shares at the time of the transaction;

The taxability of exchanges If an exchange is not taxable for any reason, increased deductions will not be available; and

Table of Contents

The amount and timing of our income The corporate taxpayers will be required to pay 85% of the tax savings as and when realized, if any. If a corporate taxpayer does not have taxable income, the corporate taxpayer is not required to make payments under the tax receivable agreement for that taxable year because no tax savings were actually realized.

In addition, the tax receivable agreement provides that, upon a merger, asset sale or other form of business combination or certain other changes of control, the corporate taxpayers (or their successors) obligations with respect to exchanged or acquired units (whether exchanged or acquired before or after such change of control) would be based on certain assumptions, including that the corporate taxpayers would have sufficient taxable income to fully utilize the deductions arising from the increased tax deductions and tax basis and other benefits related to entering into the tax receivable agreement. As noted above, no payments will be made if a principal elects to exchange his FOG units in a tax-free transaction.

Our purchase, through our intermediate holding companies, of a portion of the Principals FOG units as part of the Nomura and three other transactions resulted in an increase in the tax basis of the assets for which tax receivable payments could be made of approximately \$914.7 million. As of March 31, 2016, we have made payments of principal and interest pursuant to the terms of the tax receivable agreement to the Principals in an aggregate amount of approximately \$157.2 million. Any payments under the tax receivable agreement will give rise to additional tax benefits and additional potential payments under the tax receivable agreement. Any payments under the tax receivable agreement will depend upon whether FIG Corp. has taxable income to utilize the benefit of the increase in the tax basis of the assets owned by the Fortress Operating Group.

Nomura

Upon consummation of the sale of Class A shares in connection with the Nomura transaction, we entered into an investor shareholder agreement with Nomura. The investor shareholder agreement provided Nomura with certain rights with respect to the designation of a nominee to serve on our Board or an observer to attend meetings of our Board, as well as registration rights for our securities that it owns, and placed certain restrictions on actions that Nomura may take with respect to us and our securities. On February 13, 2014, pursuant to a purchase agreement, we acquired all of Nomura s 60,568,275 Class A shares for an aggregate purchase price of \$363.4 million (or \$6.00 per shares) paid in cash. All of the purchased Class A shares were cancelled and ceased to be outstanding. As part of the purchase agreement, we agreed for each year until the third anniversary of the agreement to engage Nomura and its affiliates to provide certain financial advisory and financing services or pay Nomura annual sums, in lieu thereof, equal to the difference, if any, between \$12 million minus all fees earned or received by Nomura for services provided to Fortress and its affiliates during such year. Pursuant to this arrangement, the Company paid Nomura \$9.7 million and \$10.6 million in 2015 and 2016, respectively.

Affiliated Manager

On January 5, 2015 (the transfer date), Adam Levinson, Chief Investment Officer of the Graticule Asia Macro Funds (GAMF), formerly known as the Fortress Asia Macro Funds, transitioned GAMF and related managed accounts, including GAMF employees, into an autonomous asset management business called Graticule Asset Management Asia, L.P. (together with its affiliates, Graticule), with the Company as a non-control partner and provider of infrastructure services. The Company retained a minority interest in Graticule, including economics generated by Graticule and other funds introduced in the future. This economic interest will be approximately 30% of earnings in 2015 and 2016, and will decline to approximately 27% over time. The Company recorded the results of this transaction at fair value. During the year ended December 31, 2015, the Company recorded a non-cash gain of \$134.4 million, non-cash expense of \$101.0 million related to the fair value of the controlling interest in Graticule transferred to Graticule for no consideration and \$33.4 million from its resulting retained interest as an equity method investment.

For additional information, see Note 1 of our audited consolidated financial statements in the 2015 10-K.

Table of Contents

Graticule reimbursed the Company a total of \$15.5 million for expenses it incurred with respect to compensation or employment of GAMF employees for the period between January 1, 2014 and the transfer date. Graticule also reimbursed the Company \$350,000 for third-party fees and expenses in connection with the transactions described above. On the transfer date, Mr. Levinson also received a \$3.0 million payment from the Company.

So long as it is an equity owner of the Graticule business, the Company has the right to appoint one member to its board. In addition, the Company has certain tag along, right of first refusal and drag along rights with respect to transfers of interests in a Graticule business entity by Mr. Levinson or his affiliates, as well as certain veto rights relating to organizational documents and corporate actions. In addition, on the transfer date, the Company entered into an arrangement with Mr. Levinson pursuant to which he will continue to provide specified portfolio management services covering certain managed accounts and will be compensated based on a percentage of profits. In 2015, Mr. Levinson received \$732,167 as compensation for providing portfolio management services to these managed accounts. With the closing of the Fortress Macro funds, such managed accounts were transferred to Graticule for no consideration and therefore the compensation arrangements with Mr. Levinson for these services were terminated effective December 31, 2015. The Company also entered into an infrastructure support agreement with Graticule pursuant to which the Company provides infrastructure support services, including technology and back office services, to Graticule for a reasonable and customary fee. In 2015, the Company received \$16.3 million in fees for the provision of these services. In May 2015, Graticule notified the Company of its intention to terminate the infrastructure services agreement effective at the end of May 2016. The Company will continue to earn fees for providing services to Graticule through the effective date of termination.

In February 2016, the Company entered into an agreement with Graticule for the sale of certain software and technology assets for \$1.7 million, payable in one initial installment of \$1.1 million at closing and a second installment of \$550,000 on the first anniversary of the closing (which may be increased to \$1.1 million subject to certain conditions).

Share and Unit Repurchase

Michael E. Novogratz, a principal, officer and director of the Company retired effective January 2016. In November 2015, the Company purchased from Mr. Novogratz 56.8 million FOG units and corresponding Class B shares at \$4.50 per share, or an aggregate purchase price of \$255.7 million. In connection with this purchase, the Company paid \$100.0 million of cash in November 2015 and issued a \$155.7 million promissory note, of which one half of the principal amount matures in November 2016 and the remainder in November 2017.

Other Related Party Transactions

Fortress generally bears overhead, administrative and other expenses for, and may provide certain other services to Fortress Funds for which they are not reimbursed. Fortress has also entered into cost sharing arrangements with certain Fortress Funds, including market data services and subleases of certain of its office space. Fortress pays these costs directly and is reimbursed by the related Fortress Funds. For the year ended December 31, 2015, other revenues in Fortress financial statements included approximately \$5.5 million of revenues from affiliates, primarily interest and dividends. In addition, Fortress received \$237.2 million of expense reimbursements from affiliates during the year ended December 31, 2015, including \$11.2 million from a fund in which two of our Principals are the primary equity investors pending the third party capital raising process. As of December 31, 2015, amounts due from Fortress Funds recorded in due from affiliates in Fortress financial statements included \$38.6 million of past due management fees and \$11.0 million of private equity general and administrative expenses advanced on behalf of a certain Fortress Fund. As of December 31, 2015, the Company also has past due amounts of \$12.2 million in management fees and \$6.8 million in private equity general and administrative expenses due from another Fortress Fund which has been fully

reserved by Fortress.

Table of Contents

From time to time, we may advance amounts for short periods, or provide indemnification or guarantees to counterparties, on behalf of affiliates, typically in connection with the development and launch of new sponsored investment funds or vehicles or the financing of such funds or vehicles. In such cases, we may or may not charge interest to these affiliates. In 2015, we waived \$1.6 million of interest owed from private equity funds related to management fees paid in arrears. One of our indirect subsidiaries acts as the loan origination platform for certain Fortress Funds. In this respect, it holds commercial lending licenses in various states and receives nominal fees for its loan origination duties.

Fortress Funds and/or their portfolio companies have engaged in a number of related party transactions. None of the Company, Fortress Operating Group or any of our investment management subsidiaries was a party to any of these transactions.

Certain of our portfolio companies and Fortress Funds are co-owned by, have merged with or have engaged in transactions (including loans) with other portfolio companies and Fortress Funds. Generally, co-ownership arrangements are entered into due to transaction size limitations in individual funds, and transactions between portfolio companies take advantage of synergies between these entities.

In some instances, portfolio companies have entered into contracts with other portfolio companies or with certain of our equity method investees to provide services to, or receive services from, these entities, including asset management, consulting and loan servicing. These contracts were entered into because the entity providing the service possessed relevant expertise.

Our employees and directors, including the Principals and other senior employees, may also serve as directors and officers of the permanent capital vehicles and portfolio companies. Our employees and directors are permitted to participate in these entities as well as other Fortress Funds by investing in these funds alongside non-employee third party investors. Many of our employees and directors, including the Principals, other executive officers and senior employees, have invested in these funds. From time to time, Fortress may extend loans to non-executive officer employees, including in situations where employees serve as portfolio managers of Fortress Funds, to facilitate such employees' investments in such funds and for other purposes. Outstanding advances (including principal and accrued interest) totaled \$12.6 million as of December 31, 2015. In many cases, investment in Fortress Funds is limited by law to individuals who qualify under applicable legal regimes. These funds generally do not require employees or directors to pay management fees and do not deduct incentive fees or carried interest from the funds' distributions to these employees. In order to facilitate investments by the Principals in Fortress Funds, our Board of Directors has agreed that such fees may not be charged or deducted on their investments after the termination of their employment. In addition, certain of our executive officers from time to time invest their personal funds directly in affiliates of our funds on the same terms and with the same conditions as the other investors in these affiliates, who are not our directors, executive officers or employees.

Distributions to our executive officers and one former senior employee who is the beneficial owner of more than 5% of our shares (or persons or entities affiliated with them) of profits earned on investments made by, and other income from, any Fortress Fund for which amounts that were distributed (including return of capital invested by such directors or officers) to or, in the case of hedge funds, that could have been withdrawn from the current year profits by such director or officer in 2015 were in aggregate, as follows: Mr. Bass \$147,482, Mr. Briger \$31,414,615, Mr. Brooks \$44,498, Mr. Edens \$14,094,792, Mr. Nardone \$13,143,845, Mr. Novogratz \$12,803,159 and Mr. Levinson \$6,316,881. In 2015, the return of capital invested by such persons in such Fortress Funds over several years was as follows: Mr. Bass \$101,157, Mr. Briger \$11,631,172, Mr. Brooks \$35,679, Mr. Edens \$12,325,809, Mr. Nardone

\$11,348,666, Mr. Novogratz \$7,740,590 and Mr. Levinson \$914,487.

Certain Fortress subsidiaries may, from time to time, be required to pay taxes to various tax jurisdictions on behalf of its members, which include the Principals and other senior employees. These taxes are subject to reimbursement from the members and are collected periodically. The amount subject to reimbursement aggregated \$3.2 million as of December 31, 2015.

Table of Contents

From time to time, employees of Fortress mutually agree with Fortress to terminate their employment in order to accept employment opportunities at the Fortress Funds, Portfolio Companies, or other affiliates. To the extent these former employees had been granted RSUs by Fortress, they are generally permitted to continue vesting in these RSUs pursuant to their original vesting terms as long as they remain employed by an affiliate.

In March 2012, as a result of the repeal of the exemption from registration under the Investment Advisers Act of 1940 for family offices, Fortress hired the personnel of the Principals' family offices and entered into investment management agreements with the family offices. Pursuant to these agreements, these individuals work solely on the Principals' personal financial matters, and the Principals reimburse Fortress for their compensation, benefits and other incremental expense attributable to them. The total amount of such expenses, along with reimbursements by a Principal for similar time spent by employees on affiliated businesses, was \$5.2 million in 2015.

Two of the Principals indirectly owned aircraft that Fortress charters from a third-party aircraft operator for business purposes in the course of operations. Fortress and/or the Fortress Funds, depending on the purposes of the trip, pay market rates for the charters. These amounts totaled \$2.6 million and \$0.6 million in 2015 for each Principal. The operators remit a portion of these amounts to the Principals.

Fortress Operating Group Limited Partnership Agreements and Our Operating Agreement

Operating Agreement of Fortress Investment Group LLC

Organization and Duration

The Company was formed on November 6, 2006 as Fortress Investment Group Holdings LLC, was subsequently renamed Fortress Investment Group LLC on February 1, 2007 and will remain in existence until dissolved in accordance with our Operating Agreement.

Relationship with Fortress Operating Group Entities

Under our Operating Agreement, we must receive the consent of the Principals (who, together with one former senior employee, own all of our Class B shares) before engaging in the following actions:

directly or indirectly entering into or conducting any business or holding any assets other than (a) business conducted and assets held by the Fortress Operating Group and its subsidiaries, (b) ownership, acquisition and disposition of equity interests in our subsidiaries, (c) the management of the business of the Fortress Operating Group, (d) making loans and incurring indebtedness that is otherwise not prohibited under our Operating Agreement, (e) the offering, sale, syndication, private placement or public offering of securities or other interests in compliance with our Operating Agreement, (f) any financing or refinancing related to the Fortress Operating Group and its subsidiaries, (g) any activity or transaction contemplated by the Shareholders Agreement or the Exchange Agreement and (h) any activities incidental to the foregoing;

incurring or guaranteeing any indebtedness other than that incurred in connection with an exchange under the Exchange Agreement and indebtedness to the Company or any of its subsidiaries;

owning any assets other than permitted equity interests, permitted indebtedness and such cash and cash equivalents as the Board deems reasonably necessary for us and our subsidiaries to carry out our respective responsibilities contemplated under our Operating Agreement;

issuing equity securities unless the proceeds of the issuance are contributed to the Fortress Operating Group entities in exchange for equity securities of the Fortress Operating Group entities with preferences, rights, terms and provisions that are substantially the same as those of such company equity securities and equal in number to the number of company equity securities issued;

contributing cash or other assets to the Fortress Operating Group entities other than proceeds from the issuance of equity securities;

effecting any share split, subdivision, reverse share split, combination, pro rata distribution or any other recapitalization or reclassification of the Class A or Class B shares or units of the Company or any Fortress Operating Group entity, unless similar transactions are effected concurrently such that (a) the ratio of outstanding Class A shares or units to outstanding Class B shares or units is maintained and (b) the Company and all Fortress Operating Group entities have the same number of Class A and Class B shares or units outstanding;

making any capital contribution to any Fortress Operating Group entity unless a capital contribution is concurrently made to all of the Fortress Operating Group entities and the values of the capital contributions to all Fortress Operating Group entities are proportional to their relative equity values at the time;

permitting any Fortress Operating Group entity to issue any equity securities to the Company or any of its subsidiaries unless each other Fortress Operating Group entity concurrently issues equity securities that are equal in number to and have substantially the same provisions as the equity securities issued by such Fortress Operating Group entity;

causing the Fortress Operating Group entity to establish record dates for distribution payments unless they coincide with the record dates for distribution payments paid by the Company;

preventing any Class B units from being converted into an equal number of Class A units by the Fortress Operating Group entities if, as a result of an exchange pursuant to the Exchange Agreement, we or our subsidiaries acquire any Class B units issued by the Fortress Operating Group; and

repurchasing or redeeming any equity securities from us or any of our subsidiaries (excluding the Fortress Operating Group and their subsidiaries) except pursuant to our Operating Agreement.

Duties of Officers and Directors

Our Operating Agreement does not expressly modify the duties and obligations owed by officers and directors under the Delaware General Corporation Law (the "DGCL"). However, there are certain provisions in our Operating Agreement regarding exculpation and indemnification of our officers and directors that differ from the DGCL. First, our Operating Agreement provides that to the fullest extent permitted by applicable law our directors or officers will not be liable to us. Under the DGCL, a director or officer would be liable to us for: (1) breach of duty of loyalty to us or our shareholders; (2) intentional misconduct, knowing violations of the law or acts or omissions that are not done in

good faith; (3) improper redemption of stock or declaration of a dividend; or (4) a transaction from which the director derived an improper personal benefit.

Second, our Operating Agreement provides that we indemnify our directors and officers for acts or omissions to the fullest extent permitted by law. Under the DGCL, a corporation can only indemnify directors and officers for acts or omissions if the director or officer acted in good faith, in a manner he reasonably believed to be in or not opposed to the best interests of the corporation, and, in a criminal action, if the officer or director had no reasonable cause to believe his conduct was unlawful.

Third, our Operating Agreement provides that in the event a potential conflict of interest exists or arises between any of our Principals, our directors or their respective affiliates, on the one hand, and us, any of our subsidiaries or any of our shareholders, on the other hand, a resolution or course of action by our Board shall be

Table of Contents

deemed approved by all of our shareholders, and shall not constitute a breach of the fiduciary duties of members of the Board to us or our shareholders, if such resolution or course of action is (1) approved by our nominating, corporate governance and conflicts committee, which is composed of independent directors, (2) approved by shareholders holding a majority of our shares that are disinterested parties, (3) on terms no less favorable than those generally provided to or available from unrelated third parties, or (4) fair and reasonable to us. Under the DGCL, a corporation is not permitted to automatically exempt Board members from claims of breach of fiduciary duty under such circumstances.

Expansion of Board of Directors

Our Operating Agreement provides that the number of directors which shall constitute the whole Board shall be determined from time to time by resolution adopted by a majority of the Board then in office, provided that, for so long as our Principals shall have the right to designate nominees to the Board under the Shareholders Agreement, the number of directors may not be increased without the consent of the Principals.

Investing in FIG Asset Co. LLC

Our Operating Agreement provides that we may not allow FIG Asset Co. LLC to make any investment, directly or indirectly, without the unanimous approval of all holders of Class B shares when such Class B shareholders would be required to contribute funds in order for such shareholders to maintain their respective ownership percentages in such entity.

Limitations on Liability and Indemnification of Our Directors and Officers

Pursuant to our Operating Agreement, we have agreed to indemnify each of our directors and officers, to the fullest extent permitted by law, against all expenses and liabilities (including judgments, fines, penalties, interest, amounts paid in settlement with the approval of the Company and counsel fees and disbursements on a solicitor and client basis) arising from the performance of any of their obligations or duties in connection with their service to us or the Operating Agreement, including in connection with any civil, criminal, administrative, investigative or other action, suit or proceeding to which any such person may hereafter be made party by reason of being or having been one of our directors or officers.

Amendment of Our Operating Agreement

Amendments to our Operating Agreement may be proposed only by or with the consent of our Board. To adopt a proposed amendment, our Board is required to seek written approval of the holders of the number of shares required to approve the amendment or call a meeting of our shareholders to consider and vote upon the proposed amendment. Except as set forth below, an amendment must be approved by holders of a majority of the total combined voting power of our outstanding Class A and Class B shares and, to the extent that such amendment would have a material adverse effect on the holders of any class or series of shares, by the holders of a majority of such class or series.

Prohibited Amendments. No amendment may be made that would:

enlarge the obligations of any shareholder without such shareholder's consent, unless approved by at least a majority of the type or class of shares so affected;

provide that we are not dissolved upon an election to dissolve our limited liability company by our Board that is approved by holders of a majority of the total combined voting power of our outstanding Class A and Class B shares;

change the term of existence of our Company; or

give any person the right to dissolve our limited liability company other than our Board's right to dissolve our limited liability company with the approval of holders of a majority of the total combined voting power of our outstanding Class A and Class B shares.

Table of Contents

The provision of our Operating Agreement preventing the amendments having the effects described in any of the clauses above can be amended upon the approval of holders of at least two-thirds of the total combined voting power of our outstanding Class A and Class B shares, voting together as a single class.

No Shareholder Approval. Our Board may generally make amendments to our Operating Agreement without the approval of any shareholder or assignee to reflect:

a change in our name, the location of our principal place of our business, our registered agent or our registered office;

the admission, substitution, withdrawal or removal of shareholders in accordance with our Operating Agreement;

the merger of our Company or any of its subsidiaries into, or the conveyance of all of our assets to, a newly-formed entity if the sole purpose of that merger or conveyance is to effect a mere change in our legal form into another limited liability entity;

a change that our Board determines to be necessary or appropriate for us to qualify or continue our qualification as a company in which our members have limited liability under the laws of any state or to ensure that we will not be treated as an association taxable as a corporation or otherwise taxed as an entity for U.S. federal income tax purposes other than as we specifically so designate;

an amendment that our Board determines, based upon the advice of counsel, to be necessary or appropriate to prevent us, members of our Board or our officers, agents or trustees from in any manner being subjected to the provisions of the Investment Company Act of 1940, the Investment Advisers Act of 1940 or plan asset regulations adopted under the Employee Retirement Income Security Act of 1974 (ERISA), whether or not substantially similar to plan asset regulations currently applied or proposed;

an amendment or issuance that our Board determines to be necessary or appropriate for the authorization of additional securities;

any amendment expressly permitted in our Operating Agreement to be made by our Board acting alone;

an amendment effected, necessitated or contemplated by a merger agreement that has been approved under the terms of our Operating Agreement;

any amendment that our Board determines to be necessary or appropriate for the formation by us of, or our investment in, any corporation, partnership or other entity, as otherwise permitted by our Operating

Agreement;

a change in our fiscal year or taxable year and related changes; and

any other amendments substantially similar to any of the matters described in the clauses above.

In addition, our Board may make amendments to our Operating Agreement without the approval of any shareholder or assignee if our Board determines that those amendments:

do not adversely affect the shareholders (including any particular class or series of shares as compared to other classes or series of shares) in any material respect;

are necessary or appropriate to satisfy any requirements, conditions or guidelines contained in any opinion, directive, order, ruling or regulation of any federal or state agency or judicial authority or contained in any federal or state statute;

are necessary or appropriate to facilitate the trading of shares or to comply with any rule, regulation, guideline or requirement of any securities exchange on which the shares are or will be listed for trading, compliance with any of which our Board deems to be in the best interests of us and our shareholders;

are necessary or appropriate for any action taken by our Board relating to splits or combinations of shares under the provisions of our Operating Agreement; or

are required to effect the intent expressed in the registration statement filed in connection with our initial public offering, or the intent of the provisions of our Operating Agreement, or are otherwise contemplated by our Operating Agreement.

The IRS could challenge the Trust's manner of reporting to investors (e.g., if the IRS asserts that the Trust constitutes a partnership or is ignored for U.S. federal income tax purposes). In addition, the Trust could be subject to penalties if it were determined that the Trust did not satisfy applicable reporting requirements.

Anti-Takeover Effects, Our Operating Agreement

Our Operating Agreement provides that our shareholders (with the exception of our principals if they collectively own shares representing at least 50% of the total combined voting power of all of our Class A and Class B shares) are specifically denied the ability to call a special meeting of the shareholders. Advance notice must be provided by our shareholders to nominate persons for election to our Board as well as to propose actions to be taken at an annual meeting.

Amended and Restated Agreement of Limited Partnership of the Fortress Operating Group Entities

Each of the amended and restated partnership agreements for the Operating Entities was entered into by FIG Corp. as the general partner and the Principals as limited partners, and the amended and restated partnership agreement for Principal Holdings was entered into by FIG Asset Co. LLC as the general partner and the Principals as limited partners. The amended and restated partnership agreements are substantially similar in form and the following is a summary of certain of the material provisions of each of the amended and restated partnership agreements.

Issuance of Equity Securities by Fortress

If Fortress issues any equity securities, it is expected that: (1) Fortress will immediately contribute the cash proceeds or other consideration received from such issuance, and from the exercise of any rights contained in any such securities, to FIG Corp. and FIG Asset Co. LLC (allocated between them in accordance with their relative values at the time such equity securities are issued); (2) FIG Corp. will immediately contribute its portion of such cash proceeds or other consideration to the Operating Entities and any other entities that FIG Corp. directly acquires an interest in, to the extent that as of the date of such acquisition FIG Corp. and the Principals and the former senior employee and their respective permitted transferees own interests in such entity that are in proportion to their respective ownership interests in the other Operating Entities on such date (allocated among them in accordance with their relative values at the time such equity securities are issued); (3) FIG Asset Co. LLC will immediately contribute its portion of such cash proceeds or other consideration to Principal Holdings and any other entities that FIG Asset Co. LLC directly acquires an interest in, to the extent that as of the date of such acquisition FIG Asset Co. LLC and the Principals and the former senior employee and their respective permitted transferees own interests in such entity that are in proportion to their respective ownership interests in Principal Holdings on such date (allocated among them in accordance with their relative value at the time such equity securities are issued); (4) in exchange for the portion of such cash proceeds or other consideration contributed to the limited partnership, the general partner will receive (i) in the case of an issuance of Class A shares, Class A common units, and (ii) in the case of an issuance of any other equity securities by Fortress, except for Class B shares, a new class or series of units or other equity securities of the limited partnership with designations, preferences and other rights, terms and provisions that are substantially the same as those of such Fortress equity securities (with any dollar amounts adjusted to reflect the portion of the total amount of cash proceeds

or other consideration received by Fortress that is contributed to the limited partnership); and (5) in the event of any subsequent transaction involving such Fortress equity securities (including a share split, a combination, a distribution of additional Fortress equity securities, a conversion, redemption or exchange of such

Table of Contents

Fortress equity securities), the general partner will concurrently effect a similar transaction with respect to the units or other equity securities issued by the limited partnership in connection with the issuance of such Fortress equity securities.

In the event of any issuance of equity securities by Fortress, and the contribution of the cash proceeds or other consideration received from such issuance as described above, the limited partnership shall pay or reimburse Fortress (directly or indirectly by paying or reimbursing the general partner) for its pro rata portion (based on the portion of the total cash proceeds or other consideration contributed to the limited partnership) of the expenses incurred by Fortress in connection with such issuance, including any underwriting discounts or commissions.

If Fortress issues any equity securities and any of the transactions described above are not effected, then the general partner shall make such modifications to the amended and restated partnership agreement as the general partner reasonably determines to be necessary so that, to the greatest extent possible, subsequent distributions to the holders of Class B common units (including distributions upon liquidation) will be the same as would be the case if such transactions had been effected. Such modifications to the amended and restated partnership agreement may include changes in the rates of distributions or allocations of profit and loss among partners or a requirement that the general partner make future contributions to the limited partnership. The general partner may effect any such modifications without the consent or approval of any limited partner.

Transfer

A limited partner may not transfer all or any of such partner's units without approval of the general partner, which approval may be granted or withheld in the general partner's sole and complete discretion; provided, however, that without the general partner's approval, a limited partner may (1) transfer units pursuant to the Exchange Agreement or exchange letter agreement among FIG Corp. and the Principals, (2) transfer units to a permitted transferee of such partner or (3) pledge or assign units to a non-affiliated lending institution. A limited partner may not, without the consent of the general partner, withdraw from the partnership prior to the partnership's termination.

Limited partners holding a majority of the outstanding Class A common units have the right to remove the general partner at any time, with or without cause. Upon the withdrawal or removal of the general partner, limited partners holding a majority of the outstanding Class A common units shall have the right to appoint a successor general partner; provided, that any successor general partner must be a direct or indirect wholly owned subsidiary of Fortress.

Amendments

Except as may be otherwise required by law, the amended and restated partnership agreement may be amended by the general partner without the consent or approval of any partners, except that (1) if an amendment adversely affects the rights of a unit holder other than on a pro rata basis with other unit holders of the same class, such unit holders must consent to the amendment, (2) no amendment may adversely affect the rights of a class of unit holders without the consent of a majority of the holders of the outstanding units of such class and (3) the consent rights of the Principals may not be amended without the written consent of the Principals that hold a majority of the Class B common units then owned by all Principals and their permitted transferees.

Indemnification Agreements

We have entered into separate indemnification agreements with our directors and officers. Each indemnification agreement provides, among other things, for indemnification to the fullest extent permitted by law and our Operating Agreement against (1) any and all expenses and liabilities, including judgments, fines, penalties and amounts paid in

settlement of any claim with our approval and counsel fees and disbursements, (2) any liability pursuant to a loan guarantee, or otherwise, for any of Fortress's indebtedness and (3) any liabilities

Table of Contents

incurred as a result of acting on our behalf (as a fiduciary or otherwise) in connection with an employee benefit plan. The indemnification agreements provide for the advancement or payment of all expenses to the indemnitee and for reimbursement to us if it is found that such indemnitee is not entitled to such indemnification under applicable law and our Operating Agreement.

Insofar as indemnification for liabilities arising under the Securities Act of 1933, as amended (the Securities Act) may be permitted to directors, officers or persons controlling us pursuant to the foregoing provisions, we have been informed that, in the opinion of the SEC, such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable. We maintain directors and officers liability insurance for our officers and directors.

PROPOSAL NUMBER TWO

APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

(Item 2 on Proxy Card)

The Audit Committee Charter, as well as Section 301 of the Sarbanes-Oxley Act of 2002, Rule 10A-3(b)(2) under the Exchange Act and the related NYSE listing standards, each require that the audit committee shall be directly responsible for the appointment and retention of any registered public accounting firm engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attestation services for the listed issuer. In accordance with these requirements, the Audit Committee and the Board recommend that the shareholders ratify the appointment of the firm of Ernst & Young LLP, independent registered public accounting firm (EY), to be the Company's independent registered public accounting firm for the fiscal year 2016. EY was the Company's independent registered public accounting firm for 2015. Before selecting EY, the Audit Committee carefully considered EY's qualifications as the independent registered public accounting firm for Fortress. This included a review of its performance in prior years, as well as its reputation for integrity and competence in the fields of accounting and auditing. The committee has expressed its satisfaction with EY in all of these respects. The committee's review included inquiry concerning any litigation involving EY and any proceedings by the SEC against the firm. In this respect, the committee has concluded that the ability of EY to perform services for Fortress is in no way adversely affected by any such investigation or litigation.

The Audit Committee also oversees the work of EY, and EY reports directly to the Audit Committee in this regard. The Audit Committee also reviews and approves EY's annual engagement letter, including the proposed fees, and determines or sets the policy regarding all audit, and all permitted non-audit, engagements and relationships between Fortress and EY. The Audit Committee also reviews and discusses with EY their annual audit plan, including the timing and scope of audit activities, and monitors the progress and results of the plan during the year. Representatives of EY will be available to answer questions at the Annual Meeting and are free to make statements during the Annual Meeting.

The Board recommends that shareholders vote FOR the ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for fiscal year 2016.

Table of Contents

Audit Fees, Audit Related Fees, Tax Fees and All Other Fees. In connection with the audit of the 2015 financial statements, Fortress entered into an engagement letter with EY which set forth the terms by which EY has performed audit services for Fortress.

The following summarizes EY's fees for professional services rendered in 2015 and 2014.

	2015	2014⁽¹⁾
Audit Fees ⁽²⁾	\$ 5.7 million	\$ 6.0 million
Audit-Related Fees ⁽³⁾	\$ 0.9 million	\$ 1.0 million
Tax Fees ⁽⁴⁾	\$ 1.1 million	\$ 1.1 million
All Other Fees		

- (1) Does not include amounts paid directly by previously consolidated subsidiaries that were deconsolidated retrospectively in connection with the Company's adoption of ASU 2015-02, Consolidation (Topic 810) Amendments to the Consolidation Analysis.
- (2) Includes fees for the audits of the consolidated financial statements of the Company, audits of the effectiveness of the Company's internal control over financial reporting, reviews of the quarterly consolidated financial statements, statutory audits and supplemental regulatory filings.
- (3) Primarily consists of fees for accounting consultations about the application of generally accepted accounting principles.
- (4) Represents fees related primarily to assistance with tax compliance matters, including international, federal and state tax returns preparation and various related consultations.

Audit Committee Pre-Approval Policies and Procedures. The Audit Committee has policies and procedures that require the pre-approval by the Audit Committee or one of its members of all fees paid to, and all services performed by, the Company's independent registered public accounting firm. In the early part of each year, the Audit Committee approves the proposed services, including the nature, type and scope of services contemplated and the related fees, to be rendered by the firm during the year. In addition, pre-approval by the Audit Committee or one of its members is also required for those engagements that may arise during the course of the year that are outside the scope of the initial services and fees pre-approved by the Audit Committee pursuant to the Sarbanes-Oxley Act of 2002. The fees and services provided as noted in the tables above were authorized and approved by the Audit Committee.

Of the fees set forth in the table above, none of the Audit Related Fees, none of the Tax Fees and none of the All Other Fees were approved by the Audit Committee pursuant to SEC Rule 2-01(c)(7)(i)(C) of Regulation S-X. This rule provides that the pre-approval requirement is waived, with respect to fees for services other than audit, review or attest services, if (1) the aggregate amount of all such services provided constitutes no more than five percent of the total amount of revenues paid by the Company to EY during the fiscal year in which the services are provided, (2) such services were not recognized by the Company at the time of the engagement to be non-audit services and (3) such services are promptly brought to the attention of the Audit Committee and approved prior to the completion of the audit by the Audit Committee or by one or more members of the Audit Committee who are members of the Board to whom authority to grant such approvals has been delegated by the Audit Committee.

PROPOSAL NUMBER THREE

APPROVAL OF THE FORTRESS INVESTMENT GROUP LLC

2016 OMNIBUS EQUITY INCENTIVE PLAN

(Item 3 on Proxy Card)

Introduction

The Board adopted the Fortress Investment Group LLC 2016 Omnibus Incentive Plan, referred to as the 2016 Plan, on April 6, 2016, subject to approval by our shareholders at the 2016 Annual Meeting of Shareholders. The 2016 Plan will become effective as of May 19, 2016 if shareholder approval is received at the 2016 Annual Meeting of Shareholders and will not become effective if such shareholder approval is not received.

We currently maintain the Amended and Restated Fortress Investment Group LLC 2007 Omnibus Equity Incentive Plan, referred to as the 2007 Plan, which provides for the issuance of equity-based awards in various forms. The 2007 Plan will expire by its terms on February 1, 2017, which we expect will be prior to our annual meeting of shareholders in 2017, such that approval of the 2016 Plan at the 2016 Annual Meeting of Shareholders is necessary to ensure that we can continue to make future grants of equity-based awards to our employees and directors. Any awards that are outstanding under the 2007 Plan at the time it expires will remain outstanding and will continue to vest subject to the terms and conditions of the 2007 Plan and the applicable award agreements. In 2015, we granted awards under the 2007 Plan covering 11,512,578 Class A shares.

If our shareholders vote to approve the 2016 Plan, 57,260,160 Class A shares will initially be available for grants of equity awards thereunder, subject to annual increases during the term of the 2016 Plan as described below. The initial share reserve under the 2016 Plan represents the same number of Class A shares as were available for the issuance of future awards under the 2007 Plan as of the Record Date. We will not make any further grants of awards under the 2007 Plan after the 2016 Annual Meeting of Shareholders if the 2016 Plan is approved by our shareholders at that meeting.

As of the Record Date, the closing price of our Class A shares on the NYSE was \$4.78.

Rationale for Adoption of the 2016 Plan

Grants of restricted share units and other share-based awards to our employees and directors are an important part of our long-term incentive compensation program, which we use in order to strengthen the commitment of such individuals to the Company, motivate them to faithfully and diligently perform their responsibilities and attract and retain competent and dedicated individuals whose efforts will result in the long-term growth and profitability of the Company.

The 2007 Plan, which is the only plan pursuant to which we currently grant equity-based awards, will expire by its terms on February 1, 2017, which we expect will be prior to our annual meeting of shareholders in 2017. If the adoption of the 2016 Plan is not approved by our shareholders at the 2016 Annual Meeting of Shareholders, we will be unable to issue grants of equity-based awards to our employees and directors as of February 1, 2017. We are therefore requesting that our shareholders vote to approve the adoption of the Plan at the 2016 Annual Meeting of Shareholders in order to ensure that we can continue to adequately incentivize our employees and directors in the future.

Historical Annual Share Usage

While equity-based awards are an important part of our long-term incentive compensation program, we are mindful of our responsibility to our shareholders to exercise judgment in granting equity-based awards.

Overhang. As of the Record Date, we had approximately 74,957,107 Class A shares subject to outstanding awards or available for future awards under the 2007 Plan, which represented approximately 18.6% of our fully

Table of Contents

diluted Class A shares outstanding (including all FOG Units, each of which is (together with a corresponding Class B share) exchangeable into a Class A share), such percentage referred to as overhang percentage. Since we are requesting that our shareholders initially approve 57,260,160 Class A shares for issuance under the 2016 Plan, which is the same number of Class A shares that were available for the issuance of future awards under the 2007 Plan as of the Record Date, the overhang percentage will not be increased as a result of the initial share reserve included in the 2016 Plan over the amount of shares available for future issuance under the 2007 Plan as of the Record Date.

However, the initial share reserve included in the 2016 Plan will represent an increase over the number of shares available for future issuance under the 2007 Plan as of the date of the 2016 Annual Meeting of Shareholders to the extent that we make any awards under the 2007 Plan between the Record Date and the date of the 2016 Annual Meeting of Shareholders. These awards will include, among other potential grants, annual stock grants made to our non-employee directors on the day immediately preceding the 2016 Annual Meeting of Shareholders. The total number of Class A shares relating to awards made during this period is not currently known, but is not expected to result in the initial share reserve under the 2016 Plan representing a material increase in the overhang percentage as of the Record Date.

Share Usage. The annual share usage under the 2007 Plan for the last three fiscal years was as follows:

	Fiscal Year 2015	Fiscal Year 2014	Fiscal Year 2013	Average
A Total Class A Shares Granted During Fiscal Year	11,512,578	5,129,343	6,116,906	7,586,276
B Basic Weighted Average Class A Shares Outstanding ⁽¹⁾	433,647,274	440,086,385	486,007,759	453,247,139
C Burn Rate (A / B)	2.7%	1.2%	1.3%	1.7%

(1) Includes all FOG Units, each of which is (together with a corresponding Class B share) exchangeable into a Class A share.

Description of the 2016 Plan

The following is a summary of the material terms of the 2016 Plan. This summary does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the 2016 Plan, which is attached as Annex A to this Proxy Statement.

Types of Awards; Eligible Recipients. The 2016 Plan provides for the issuance of options, share appreciation rights (referred to as SARs), restricted shares, restricted share units, deferred shares, performance shares, unrestricted shares and other share-based awards to any employee, director, consultant or LLP member (as that term is used in the Limited Liability Partnerships Act 2000 (UK)) of, or any other individual engaged by, the Company or any subsidiary or affiliate who is selected to participate in the 2016 Plan. A total of approximately 1,145 individuals are eligible to receive awards under the 2016 Plan as of the Record Date.

Shares Available; Certain Limitations. A total of 57,260,160 Class A shares will initially be available for issuance under the 2016 Plan. The Class A shares reserved under the 2016 Plan will be increased on the first day of each fiscal year during the 2016 Plan's term, beginning with the 2017 fiscal year, by the lesser of (x) the excess of (i) 15% of the number of outstanding Class A and Class B shares of the Company on the last day of the immediately preceding fiscal

year over (ii) the number of Class A shares reserved and available for issuance under the 2016 Plan as of such date or (y) 60,000,000 shares. From and after such time as the 2016 Plan is subject to Section 162(m) of the Internal Revenue Code, the aggregate awards granted during any fiscal year to any single individual who is likely to be a covered employee, as defined under Section 162(m), may not exceed (i) 10,000,000 shares subject to options or SARs or (ii) 10,000,000 shares subject to other awards.

Table of Contents

If any Class A shares subject to an award are forfeited, cancelled, exchanged or surrendered or if an award otherwise terminates or expires without a distribution of Class A shares to the participant, the Class A shares with respect to such award shall, to the extent of any such forfeiture, cancellation, exchange, surrender, termination or expiration, again be available for the grant of awards under the 2016 Plan.

Administration. The 2016 Plan will be administered by the Compensation Committee (the committee being sometimes referred to as the plan administrator). The plan administrator may interpret the 2016 Plan and may prescribe, amend and rescind rules and make all other determinations necessary or desirable for the administration of the 2016 Plan. The 2016 Plan permits the plan administrator to select the directors, employees, and consultants who will receive awards, to determine the terms and conditions of those awards, including but not limited to the exercise price, the number of shares subject to awards, the term of the awards, the performance goals and the vesting schedule applicable to awards, to determine the restrictions applicable to awards of restricted shares, restricted share units or deferred shares and the conditions under which such restrictions will lapse, and to amend the terms and conditions of outstanding awards. Notwithstanding the foregoing, the plan administrator may not take any action with respect to an award that would be treated, for accounting purposes, as a repricing of such award at a lower exercise, base or purchase price, unless such action is approved by our shareholders.

Options. We may issue options under the 2016 Plan. The exercise price of all options granted under the 2016 Plan will be determined by the plan administrator, but may not be less than the fair market value of a Class A share on the grant date. The term of all options granted under the 2016 Plan will be determined by the plan administrator, but may not exceed ten years. Each option granted under the 2016 Plan will be exercisable at such time and pursuant to such terms and conditions as determined by the plan administrator in the applicable option award agreement.

Unless the applicable option award agreement provides otherwise, in the event of an optionee's termination of employment or service for any reason other than cause, retirement, disability or death, such optionee's options (to the extent exercisable at the time of such termination) generally will remain exercisable until 90 days after such termination, and then expire. Unless the applicable option award agreement provides otherwise, in the event of an optionee's termination of employment or service due to retirement, disability or death, such optionee's options (to the extent exercisable at the time of such termination) generally will remain exercisable until one year after such termination and will then expire. Any options that were not exercisable on the date of termination will expire at the close of business on the date of such termination. In the event of an optionee's termination of employment or service for cause, such optionee's outstanding options will expire at the commencement of business on the date of such termination.

Share Appreciation Rights. SARs may also be granted under the 2016 Plan. SARs may be granted either alone or in conjunction with all or part of any options granted under the 2016 Plan, so long as the Class A shares underlying the SARs are traded on an established securities market within the meaning of Section 409A of the Internal Revenue Code. The plan administrator will determine the number of Class A shares to be awarded, the price per share and all other conditions of SARs. The provisions of SARs need not be the same with respect to each participant. The plan administrator has sole discretion to determine the times at which SARs are exercisable, and the term of such rights.

Other Awards. Restricted shares, restricted share units, deferred shares, performance shares and other share-based awards may be granted under the 2016 Plan. The plan administrator will determine the purchase price and performance objectives, if any, with respect to the grant of restricted shares, restricted share units, deferred shares and performance shares. Participants with restricted shares and performance shares generally have all of the rights of a shareholder; participants generally will not have any rights of a shareholder with respect to restricted share units and deferred shares. Subject to the provisions of the 2016 Plan and applicable award agreement, the plan administrator has sole discretion to provide for the lapse of restrictions in installments or the acceleration or waiver of restrictions (in

whole or in part) under certain circumstances, including, but not limited to, the attainment of certain performance goals, a participant's termination of employment or service or a participant's death or disability.

Table of Contents

Other share-based awards under the 2016 Plan will include awards that may be denominated in or payable in, or valued in whole or in part by reference to, our Class A shares, including but not limited to distribution equivalents, Long Term Incentive Plan (LTIP) units or performance units, each of which may be subject to the attainment of performance goals, a period of continued employment or service, or other terms or conditions as permitted under the 2016 Plan. We may also grant unrestricted Class A shares under the 2016 Plan.

We may make awards in the form of LTIP units, which may be issued pursuant to a separate series of Fortress Operating Group units. LTIP units, which can be granted as free-standing awards or in tandem with other awards under the 2016 Plan, will be valued by reference to the value of our Class A shares, and will be subject to such conditions and restrictions as the plan administrator may determine, including continued employment or service, computation of financial metrics and/or achievement of pre-established performance goals and objectives. If applicable conditions and/or restrictions are not attained, participants would forfeit their LTIP units. LTIP unit awards, whether vested or unvested, may entitle the participant to receive, currently or on a deferred or contingent basis, dividends or dividend equivalent payments with respect to the number of shares of our Class A shares corresponding to the LTIP award or other distributions from the Fortress Operating Group and the plan administrator may provide that such amounts (if any) shall be deemed to have been reinvested in additional Class A shares or LTIP units. The LTIP units granted under the 2016 Plan, subject to such terms and conditions as may be determined by the plan administrator in its sole discretion, including, but not limited to the conversion ratio, may be exchanged for Class A shares in accordance with the terms of the Fourth Amended and Restated Limited Liability Company Agreement of Fortress Investment Group LLC, as it may be amended from time-to-time.

LTIP units may be structured as profits interests for federal income tax purposes, and we do not expect the grant, vesting or conversion of LTIP units to produce a tax deduction for us. As profits interests, LTIP units initially will not have full parity, on a per unit basis, with the Fortress Operating Group units with respect to liquidating distributions. Upon the occurrence of specified events, LTIP units can over time achieve full parity with the units and therefore accrete to an economic value for the participant equivalent of such units. Ordinarily, we anticipate that each LTIP unit awarded will be equivalent to an award of one Class A share reserved under the 2016 Plan, thereby reducing the number of Class A shares available for other equity awards on a one-for-one basis. However, the plan administrator has the authority under the 2016 Plan to determine the number of Class A shares underlying an award of LTIP units in light of all applicable circumstances, including performance-based vesting conditions, operating partnership capital account allocations, to the extent set forth in the partnership agreements for Fortress Operating Group, Code, or Treasury Regulations, value accretion factors and conversion ratios.

Performance Goals. The vesting of awards that are intended to qualify as performance-based compensation for purposes of Section 162(m) of the Internal Revenue Code will be based upon one or more of the following business criteria: (i) earnings including operating income, earnings before or after taxes, earnings before or after interest, depreciation, amortization, or extraordinary or special items or book value per share (which may exclude nonrecurring items); (ii) pre-tax income or after-tax income; (iii) earnings per share (basic or diluted); (iv) operating profit; (v) distributable earnings or fund management distributable earnings; (vi) revenue, revenue growth or rate of revenue growth; (vii) return on assets (gross or net), return on investment, return on capital, or return on equity; (viii) returns on sales or revenues; (ix) operating expenses; (x) share price appreciation; (xi) cash flow, free cash flow, cash flow return on investment (discounted or otherwise), net cash provided by operations, or cash flow in excess of cost of capital; (xii) implementation or completion of critical projects or processes; (xiii) economic value created; (xiv) cumulative earnings per share growth; (xv) operating margin or profit margin; (xvi) Share price or total shareholder return; (xvii) cost targets, reductions and savings, productivity and efficiencies; (xviii) strategic business criteria, consisting of one or more objectives based on meeting specified market penetration, geographic business expansion, investor satisfaction, employee satisfaction, human resources management, supervision of litigation, information technology, and goals relating to acquisitions, divestitures, joint ventures and similar transactions, and budget comparisons; (xix)

personal professional objectives, including any of the foregoing performance goals, the implementation of policies and

Table of Contents

plans, the negotiation of transactions, the development of long term business goals, formation of joint ventures, research or development collaborations, and the completion of other corporate transactions; and (xx) any combination of, or a specified increase in, any of the foregoing.

Where applicable, the performance goals may be expressed in terms of attaining a specified level of the particular criteria or the attainment of a percentage increase or decrease in the particular criteria, and may be applied to one or more of the Company, a subsidiary or affiliate, or a division or strategic business unit of the Company, or may be applied to the performance of the Company relative to a market index, a group of other companies or a combination thereof, all as determined by the Committee. The performance goals may include a threshold level of performance below which no payment shall be made (or no vesting shall occur), levels of performance at which specified payments shall be made (or specified vesting shall occur), and a maximum level of performance above which no additional payment shall be made (or at which full vesting shall occur). Each of the foregoing performance goals shall not be required to be determined in accordance with generally accepted accounting principles and shall be subject to certification by the Compensation Committee; provided that the Compensation Committee will have the authority to make equitable adjustments to the performance goals in recognition of unusual or non-recurring events affecting the Company or any subsidiary or affiliate or the financial statements of the Company or any subsidiary or affiliate, in response to changes in applicable laws or regulations, or to account for items of gain, loss or expense determined to be extraordinary or unusual in nature or infrequent in occurrence or related to the disposal of a segment of a business or related to a change in accounting principles.

Equitable Adjustments. In the event of any merger, consolidation, reclassification, recapitalization, spin-off, spin-out, repurchase or other reorganization or corporate transaction or event, distribution (whether in the form of cash, Shares, or other property), share split or reverse share split, combination or exchange of shares, other change in structure or declaration of a distribution (a Change in Capitalization), in each case which the plan administrator determines, in its sole discretion, affects the Class A shares such that an adjustment is appropriate, an equitable substitution or proportionate adjustment shall be made, in each case, in the manner to be determined by the Administrator, in its sole discretion, in (i) the aggregate number of Class A shares reserved for issuance under the 2016 Plan and the maximum number of Class A shares that may be subject to awards granted to any participant in any calendar or fiscal year, (ii) the kind, number and exercise price subject to outstanding options and SARs granted under the 2016 Plan, and (iii) the kind, number and purchase price of Class A shares subject to other outstanding awards granted under the 2016 Plan.

Equitable substitutions or adjustments shall also be made if the plan administrator determines in its sole discretion that such adjustment is necessary in order to avoid an adverse impact on the value of any outstanding award granted under the 2016 Plan. Without limiting the generality of the foregoing, in connection with a Change in Capitalization, the plan administrator shall take such action as is necessary to adjust the outstanding awards to reflect the Change in Capitalization, including, but not limited to, the cancellation of any outstanding award granted under the 2016 Plan in exchange for payment in cash or other property of the aggregate fair market value of the Class A shares covered by such award, reduced by the aggregate exercise price or purchase price thereof, if any.

Change of Control. In the event that a change of control (as defined below) occurs while any award is outstanding, such outstanding award will generally be subject to the applicable treatment set forth in the award agreement governing such award.

For purposes of the 2016 Plan, a change in control means, in summary, (i) a person or entity becomes the beneficial owner of 50% or more of the Company's voting power; (ii) an unapproved change in the majority membership of the Board; (iii) a merger or consolidation of the Company or any of its subsidiaries and immediately after the consummation of such merger or consolidation, either (A) the members of the Board immediately prior to the merger or consolidation do not continue to represent a majority of the board of directors of the surviving entity or its ultimate

parent or (B) the holders of the Company's voting securities immediately prior to the merger or consolidation cease to hold at least 50% of the Company's voting power; or (iv) shareholder approval of a plan of complete liquidation or dissolution of the Company or the consummation of an

agreement for the sale or disposition of substantially all of the Company's assets, other than a sale or disposition to an entity, at least 50% of the combined voting power of which is owned by the Company's shareholders in substantially the same proportions as their ownership of the Company immediately prior to such sale. However, a change in control will not be deemed to have occurred as a result of any transaction or series of integrated transactions following which shareholder of the Company immediately prior thereto continue to hold the same proportionate equity interest in the entity which owns all or substantially all of the assets of the Company immediately thereafter.

Tax Withholding. Each participant will be required to make arrangements satisfactory to the plan administrator regarding payment of the applicable amount of taxes required by law to be withheld with respect to any award granted under the 2016 Plan. If cash is to be delivered in respect of an award, the Company has the right to deduct any such taxes from the payment otherwise due to the participant and if Class A shares are to be delivered in respect of an award, the Company has the right to require the participant to remit an amount of cash sufficient to satisfy the withholding requirements. With the approval of the plan administrator, the participant may satisfy the foregoing requirement by either electing to have us withhold from delivery of Class A shares or by delivering already owned unrestricted Class A shares, in each case, having a value equal to the minimum amount of taxes required to be withheld and applied to the tax obligations (or such other amount as may be permitted by applicable law and accounting standards). The Company may also use any other method of obtaining the necessary payment or proceeds, as permitted by law, to satisfy its withholding obligation with respect to any award granted under the 2016 Plan.

Amendment and Termination of the 2016 Plan. The 2016 Plan provides the Board with authority to amend, alter or terminate the 2016 Plan, but no such action may impair the rights of any participant with respect to outstanding awards without the participant's consent. The plan administrator may amend an award, prospectively or retroactively, but no such amendment may impair the rights of any participant without the participant's consent. Shareholder approval of any such action will be obtained if required to comply with applicable law.

2016 Plan Term. The 2016 Plan will terminate on May 19, 2026, although awards granted before that time will remain outstanding in accordance with their terms.

New Plan Benefits

It is not possible to determine at this time the exact benefits or amounts to be received under the 2016 Plan by our employees or directors because such awards are subject to the discretion of the plan administrator.

Registration with SEC

We intend to file with the SEC a registration statement on Form S-8 covering the Class A shares issuable under the 2016 Plan.

US Federal Income Tax Consequences

The following is a summary of certain United States federal income tax consequences of awards under the 2016 Plan. It does not purport to be a complete description of all applicable rules, and those rules (including those summarized here) are subject to change.

Options. An optionee generally will not recognize taxable income upon the grant of an option. Rather, at the time of exercise of the option, the optionee will recognize ordinary income for income tax purposes in an amount equal to the excess, if any, of the fair market value of the Class A shares purchased over the exercise price. We generally will be entitled to a tax deduction at such time and in the same amount, if any, that the optionee recognizes as ordinary

income. The optionee's tax basis in any Class A shares received upon exercise of an option will be the fair market value of the common shares on the date of exercise, and if the shares are later sold or exchanged, then the difference between the amount received upon such sale or exchange and the fair market value of such shares on the date of exercise will generally be taxable as long-term or short-term capital gain or loss (if the shares are a capital asset of the optionee) depending upon the length of time such shares were held by the optionee.

Share Appreciation Rights. A participant who is granted a SAR generally will not recognize ordinary income upon receipt of the SAR. Rather, at the time of exercise of such SAR, the participant will recognize ordinary income for income tax purposes in an amount equal to the value of any cash received and the fair market value on the date of exercise of any Class A shares received. We generally will be entitled to a tax deduction at such time and in the same amount, if any, that the participant recognizes as ordinary income. The participant's tax basis in any Class A shares received upon exercise of a SAR will be the fair market value of the Class A shares on the date of exercise, and if the shares are later sold or exchanged, then the difference between the amount received upon such sale or exchange and the fair market value of such shares on the date of exercise will generally be taxable as long-term or short-term capital gain or loss (if the shares are a capital asset of the participant) depending upon the length of time such shares were held by the participant.

Restricted Shares. A participant generally will not be taxed upon the grant of restricted shares, but rather will recognize ordinary income in an amount equal to the fair market value of the Class A shares at the time the shares are no longer subject to a substantial risk of forfeiture (within the meaning of the Internal Revenue Code). We generally will be entitled to a deduction at the time when, and in the amount that, the participant recognizes ordinary income on account of the lapse of the restrictions. A participant's tax basis in the shares will equal their fair market value at the time the restrictions lapse, and the participant's holding period for capital gains purposes will begin at that time. Any cash dividends paid on the restricted shares before the restrictions lapse will be taxable to the participant as additional compensation (and not as dividend income). Under Section 83(b) of the Internal Revenue Code, a participant may elect to recognize ordinary income at the time the restricted shares are awarded in an amount equal to their fair market value at that time, notwithstanding the fact that such restricted shares are subject to restrictions and a substantial risk of forfeiture. If such an election is made, no additional taxable income will be recognized by such participant at the time the restrictions lapse, the participant will have a tax basis in the shares equal to their fair market value on the date of their award, and the participant's holding period for capital gains purposes will begin at that time. We generally will be entitled to a tax deduction at the time when, and to the extent that, ordinary income is recognized by such participant.

Restricted Share Units and Deferred Shares. In general, the grant of restricted share units or deferred shares will not result in income for the participant or in a tax deduction for us. Upon the settlement of such an award, the participant will recognize ordinary income equal to the aggregate value of the payment received, and we generally will be entitled to a tax deduction at the same time and in the same amount.

Other Awards. With respect to other awards granted under the 2016 Plan, including unrestricted shares and other share-based awards, generally when the participant receives payment with respect to an award, the amount of cash and/or the fair market value of any Class A shares or other property received will be ordinary income to the participant, and we generally will be entitled to a tax deduction at the same time and in the same amount.

Section 162(m). To the extent applicable, Section 162(m) of the Internal Revenue Code denies a deduction for certain annual compensation in excess of \$1,000,000 paid to individuals who are covered employees unless it qualifies as performance-based compensation. The plan administrator may make awards under the 2016 Plan to eligible participants who are covered employees (or to individuals whom the plan administrator believes may become covered employees) that are intended to qualify as performance-based compensation under Section 162(m) of the Internal Revenue Code to the extent Section 162(m) is applicable to us. To qualify, the exercisability and/or payment of such awards must generally be subject to the achievement of performance criteria based upon one or more performance goals set forth in the 2016 Plan and to certification of such achievement in writing by the Compensation Committee. The performance criteria must be established in writing by that committee not later than the time period prescribed under Section 162(m) of the Internal Revenue Code.

The delivery of this Proxy Statement shall not, under any circumstances, imply that there has not been any change in the information set forth herein since the date of this Proxy Statement.

CONFIDENTIALITY OF PROXIES

The Company's policy is that proxies identifying individual shareholders are private except as necessary to determine compliance with law, assert or defend legal claims, in a contested proxy solicitation or in the event that a shareholder makes a written comment on a proxy card or an attachment to it.

SHAREHOLDER PROPOSALS AND NOMINATIONS FOR NEXT YEAR'S ANNUAL MEETING

You may submit proposals for consideration at future shareholder meetings. Under the rules of the SEC, if a shareholder wants us to include a proposal under Rule 14a-8 in our Proxy Statement and form of proxy for presentation at our 2016 Annual Meeting of Shareholders, the proposal must be received by us at our principal executive offices at Fortress Investment Group LLC, 1345 Avenue of the Americas, 46th Floor, New York, NY 10105 by December 10, 2016. The proposal should be sent to the attention of the Secretary of the Company.

Our Operating Agreement governs the submission of nominations for director or other business proposals that a shareholder wishes to have considered at a meeting of shareholders but which are not to be included in the Company's Proxy Statement for that meeting. Under our Operating Agreement, nominations for director or other business proposals to be addressed at our annual meeting of shareholders may be made by an eligible shareholder who has delivered a timely notice to the Company's Secretary at the above address and otherwise meets the information and procedural requirements prescribed by our Operating Agreement. Such notice must be received no later than January 9, 2017 and no earlier than December 10, 2016, provided that if the annual meeting is called for a date that is more than 25 days before or after the anniversary of the previous year's annual meeting, notice must be received no more than 10 days after the public announcement of the annual meeting date. Under the rules of the SEC, if we do not receive by January 9, 2017 proper notice with respect to any proposals outside of Rule 14a-8 that a shareholder wishes to have considered at next year's Annual Meeting of Shareholders, such proposals will not be considered timely for purposes of Rule 14a-4(c) and the persons named as proxies in the proxy materials related to that meeting will have the right to use their discretion in voting on such proposals when they are raised at the meeting.

The SEC has adopted rules that permit companies and intermediaries such as brokers to satisfy delivery requirements for proxy materials with respect to two or more shareholders sharing the same address. This process, which is commonly referred to as householding, potentially provides extra convenience for shareholders and cost savings for companies. The Company and some brokers household proxy materials, delivering a single copy of the proxy materials to multiple shareholders sharing an address unless contrary instructions have been received from the affected shareholders.

Once you have received notice from your broker or the Company that they or the Company will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding, please notify your broker if your shares are held in a brokerage account or the Company if you hold registered shares. You can notify the Company by sending a written request to, Fortress Investment Group LLC, 1345 Avenue of the Americas, 46th Floor, New York, NY 10105, Attention: General Counsel.
