Two Class III directors are to be elected at the meeting. The Board of Directors, at its meeting on April 18, 2016, upon the recommendation of the Nominating and Corporate Governance Committee, selected Margaret B. Pyle and Donald F. The two nominees receiving the greatest number of votes at the annual meeting will be elected directors. Unless a stockholder indicates otherwise on the proxy, proxies will be voted for the election of the two nominees named below. If due to circumstances not now foreseen, any of the nominees becomes unavailable for election, the proxies will be voted for such other person or persons as the Board of Directors may select, or the Board will make an appropriate reduction in the number of directors to be elected.

Meetings and Committees of the Board

The business and affairs of the Company are managed under the direction of the Board of Directors. Members of the Board keep informed of the Company's business and activities by reports and proposals sent to them periodically and in advance of each Board meeting and reports made to them during these meetings by the Chief Executive Officer and other Company officers. The Board is regularly advised of actions taken by the committees of the Board, as well as significant actions taken by management. Members of management are available at Board meetings and other times to answer questions and discuss issues. During the Company's fiscal year ended April 30, 2016, the Board of Directors held twelve meetings.

During fiscal year 2016, the standing committees of the Board of Directors of the Company were the Audit Committee, Compensation Committee, Financial/Planning Committee, and Nominating and Corporate Governance Committee. The functions and membership of the committees are described below.

At the December 9, 2015 Board meeting the decision was made to disband the Executive Committee. During the Company's 2016 fiscal year the Executive Committee met one time.

The Audit Committee consists of Messrs. Gehl (Chairman), Russell, and Shaw. All members of the committee are independent directors. Mr. Campbell served on the Committee until his death on November 7, 2015. Ross W. McCannless, who resigned as a director effective May 29, 2015, served as Chairman of the committee until the election, effective April 29, 2015, of Mr. Gehl as a director and chairman of the committee. The committee performs the responsibilities and duties described in the Company's Audit Committee Charter, and is responsible for annually appointing the independent auditor for the Company, approving services to be performed by the independent auditor, reviewing the independent auditor's reports, and reviewing the Company's quarterly and annual financial statements before release to the public. In accordance with Audit Committee Charter guidelines, the committee is responsible for reviewing and approving all related party transactions. The Board of Directors has determined that Mr. Gehl is a financial expert within the meaning of the current rules of the Securities and Exchange Commission. The committee met four times during the Company's last fiscal year. The Audit Committee Charter can be found on the Company's website at <http://www.kewaunee.com>.

The Compensation Committee consists of Messrs. Russell (Chairman), Gehl, Rhind, and Shaw and Ms. Pyle. All members of the committee are independent directors. The committee considers and provides recommendations to the Board of Directors with respect to the compensation (salaries and bonuses) of executive officers of the Company; short- and long-range compensation programs for officers and other key employees of the Company; benefit programs for all employees of the Company; and stock option grants to key employees. The committee also acts as the Stock Option Committee, administering and interpreting the stock option plans for officers and other key employees. The committee may delegate its responsibilities and authority to one or more subcommittees as the committee may deem appropriate in its sole discretion. The Compensation Committee Charter can be found on the Company's website at <http://www.kewaunee.com>. The committee met three times during the Company's last fiscal year. The committee engaged a compensation consultant during May of 2016 to advise the committee on director compensation during fiscal year 2017.

The Financial/Planning Committee consists of Messrs. Shaw (Chairman), Rausch, Russell, and Shumaker and Ms. Pyle. Mr. Campbell served on the Committee until his death on November 7, 2015. The committee reviews and provides recommendations to the Board of Directors with respect to the annual budget for the Company, the Company's strategic plan, and the annual budget for capital expenditures. The committee also reviews the investment results of the assets of the Company's retirement plans. The committee met four times during the Company's last fiscal year.

The Nominating and Corporate Governance Committee consists of Messrs. Rhind (Chairman) and Shaw and Ms. Pyle. Mr. McCanless served on the committee until April 29, 2015. The committee performs the responsibilities and duties described in the Company's Nominating and Corporate Governance Committee Charter, which is available on the Company's website at <http://www.kewaunee.com>. The committee is comprised of at least three directors, all of whom meet the criteria for independence required by the NASDAQ Global Market. The committee reviews and recommends to the Board of Directors the appointment of directors to Board committees and the selection of the chairperson of each committee, makes recommendations to the Board of Directors with respect to officers of the Company, assures that an up-to-date management succession plan is in place for the Chief Executive Officer and other executive officers, reviews and makes recommendations to the Board of Directors regarding director compensation and benefits, periodically reviews the skills and qualifications of existing directors with a view toward a well-rounded and effective Board, identifies and screens potential nominees to the Board, and reviews stockholder proposals for inclusion in the Company's Proxy Statement. In addition, the committee makes recommendations to the Board of Directors concerning nominees for Board membership brought to its attention by officers, directors, and stockholders. Proposals may be addressed to the committee at the address shown on the cover of this Proxy Statement, attention of the Corporate Secretary. At a minimum, a candidate for the Board must have demonstrated significant accomplishment in his or her field, the capacity and experience to understand the broad business operations of the Company, and the vision to assist the Company in its development and expansion. The Nominating and Corporate Governance Committee does not favor or disfavor any particular nominee on the basis of race, religion, gender, age, or national origin. The Committee met two times during the Company's last fiscal year.

Executive sessions of independent directors are held in connection with each regularly scheduled Board of Directors meeting, the regularly scheduled Audit Committee meeting in June of each year, and at other times as necessary. The Board of Directors' policy is to hold executive sessions without the presence of management, including the Chief Executive Officer and any other non-independent directors. The Board of Directors has determined that each of Messrs. Gehl, Rhind, Russell, and Shaw and Ms. Pyle are, and Messrs. Campbell and McCanless were, independent within the meaning of the rules of the NASDAQ Global Market.

The Company does not have a formal policy regarding attendance by members of the Board of Directors at the Annual Meeting of Stockholders, although all directors are expected to attend. All members of the Board of Directors attended the Company's 2015 Annual Meeting of Stockholders. In the Company's last fiscal year, no director attended less than 75% of the aggregate of all meetings of the Board and all meetings held by committees of the Board on which such director served.

Board Leadership Structure

The Board determines whether the role of the Chairman and the Chief Executive Officer should be separated or combined based on its judgment as to the structure that best serves the interest of the Company. Currently, the Board believes that the positions of Chairman and Chief Executive Officer should be separate.

Board's Role in Risk Oversight

The Board oversees risk management processes directly and through its committees. Management is responsible for risk management on a day-to-day basis. The role of the Board and its committees is to oversee the risk management activities of management. The Audit Committee assists the Board in fulfilling its oversight responsibilities with respect to risk management in the areas of financial reporting, internal controls, and compliance with legal and regulatory requirements. The Compensation Committee assists the Board in fulfilling its oversight responsibilities with respect to the management of risk arising from our compensation policies and programs. The Nominating and Corporate Governance Committee assists the Board in fulfilling its oversight responsibilities with respect to the management of risks associated with Board organization, membership and structure, and succession planning for our directors.

Stockholder Communications with the Board of Directors

The Board of Directors recommends that any communications from stockholders be in writing and addressed to the Board in care of the Corporate Secretary, 2700 West Front Street, Statesville, North Carolina 28677-2927. The name of any specific Board member to whom a communication is intended to be addressed should be noted in the communication. The Corporate Secretary will forward such correspondence only to the intended recipient if one is noted; however, the Corporate Secretary, prior to forwarding any correspondence, will

review the correspondence, and in his discretion, will not forward certain items if they are deemed frivolous, of inconsequential commercial value, or otherwise inappropriate for Board consideration.

Compensation Committee Interlocks and Insider Participation

As noted above, the Compensation Committee consists of Messrs. Russell, Gehl, Rhind, and Shaw and Ms. Pyle. No executive officer of the Company served as a member of the Compensation Committee or as a director of any other entity, one of whose executive officers serves on the Compensation Committee or is a director of the Company.

Director Compensation

In fiscal year 2016, each director who was not an employee of the Company received for his services as such a quarterly retainer of \$5,000 plus a fee of \$1,500 for each day of Board and/or committee meetings attended, a daily multiple-meeting fee of \$2,000 and a \$750 fee for telephone meetings. In addition, the Chairman of each of the Nominating and Corporate Governance Committee, Executive Committee, Financial/Planning Committee, and Compensation Committee receives an annual fee of \$2,000, the Chairman of the Audit Committee receives an annual fee of \$7,500, and the Chairman of the Board receives an annual fee of \$10,000. All directors are reimbursed for their expenses for each Board and committee meeting. From time to time the Board of Directors reviews director compensation paid by other public companies with comparable revenues and market capitalization, and in comparable industries, as part of its evaluation of the appropriate level of compensation to be paid to the Company's directors.

Non-employee directors may elect to participate in the Company's health insurance program at no cost to them. During fiscal year ended April 30, 2016, Messrs. Gehl, Russell, and Shaw participated in the program. All current non-employee directors that do not otherwise have life insurance provided by the Company are provided life insurance coverage of \$20,000 under the Company's life insurance program.

During fiscal year 2011, the stockholders approved the 2010 Stock Option Plan for Directors (the "2010 Plan"). The 2010 Plan is designed to promote the interests and long-range prospects of the Company and its stockholders by attracting and retaining well-qualified directors who are not employees of the Company. On the effective date of the 2010 Plan, each eligible director of the Company was granted an option to purchase 10,000 shares of the Company's common stock. Each person who becomes an eligible director after the effective date of the 2010 Plan will be granted on the date of his or her election an option to purchase 10,000 shares of the Company's common stock. The 2010 Plan authorizes the Board of Directors, until August 25, 2020, to grant options to purchase not more than an aggregate of 100,000 shares of the Company's common stock to eligible directors of the Company. If an option expires or is terminated unexercised as to any shares, such released shares may again be subject to newly granted options. The option price for shares granted under the 2010 Plan is the fair market value of the Company's common stock on the date of grant. Options are

granted under the 2010 Plan for a term of five years and are exercisable in four equal installments, one-fourth becoming exercisable on the next August 1 following the date of grant, and an additional one-fourth becoming exercisable on August 1 of each of the next three years.

ITEM 2.

RATIFICATION OF APPOINTMENT OF

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has selected the independent registered public accounting firm of Ernst & Young LLP as the Company's independent auditors for the fiscal year ending April 30, 2017. Although not required by law, our bylaws or otherwise to submit the appointment to a vote by shareholders, the Audit Committee is requesting that the shareholders ratify the appointment of Ernst & Young LLP because we value our shareholders' views on our independent public accounting firm and as a matter of good corporate practice. Assuming that a quorum is present, the selection of Ernst & Young LLP will be deemed to have been ratified if more shares are voted in favor of ratification than are voted against ratification. The Audit Committee will consider the outcome of this vote but is not bound by our shareholders' vote.

On June 23, 2016, the Company, with approval of the Audit Committee notified Cherry Bekaert LLP (Cherry Bekaert) that Cherry Bekaert was being dismissed as the Company's independent registered public accounting firm, effective upon completion of Cherry Bekaert's audit of the Company's financial statements for the fiscal year ended April 30, 2016, and appointed Ernst & Young LLP as the Company's new independent registered public accounting firm. The decision to change the Company's independent registered public accounting firm was the result of a request for proposal process in which the Audit Committee conducted a comprehensive, competitive process to select the independent registered public accounting firm, and which action was ratified by the Board of Directors.

Cherry Bekaert served as the Company's independent registered public accounting firm auditing the Company's annual financial statements and reviewing the financial statements included in the Company's quarterly reports on Form 10-Q through the fiscal year ended April 30, 2016.

Cherry Bekaert's audit reports on the Company's financial statements for the years ended April 30, 2016 and 2015 did not contain an adverse opinion or a disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles. During the Company's two most recent fiscal years ended April 30, 2016 and 2015 and through July 21, 2016, the Company has not had any disagreement with Cherry Bekaert on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedures, which disagreement, if not resolved to Cherry Bekaert's satisfaction, would have caused Cherry Bekaert to make reference to the subject matter of the disagreement in their reports on the Company's consolidated financial statements. In addition, during the Company's two most recent fiscal years ended April 30, 2016 and 2015 and through July 21, 2016, there were no reportable events as that term is defined in Item 304(a)(1)(v) of Regulation S-K.

It is expected that a representative of Ernst & Young LLP will be present at the Annual Meeting of Stockholders to be held on August 31, 2016 to answer any appropriate

questions, and such representative will have an opportunity to make a statement if he or she desires. The Company does not currently expect that a representative of Cherry Bekaert will be present at the Annual Meeting of Stockholders.

**The Audit Committee recommends a vote FOR ratification of the
independent registered public accounting firm of Ernst & Young LLP
as the Company's independent auditors for fiscal year 2017.**

Policy on Audit Committee Pre-Approval of Audit and Non-Audit Services

The Audit Committee's policy is to pre-approve all audit and non-audit services to be provided by the Company's independent auditors on a case-by-case basis. In making such determination, the Audit Committee considers whether the provision of non-audit services is compatible with maintaining the auditor's independence. All of the audit and non-audit services provided by the Company's independent auditors on behalf of the Company in fiscal years 2016 and 2015 were pre-approved in accordance with this policy.

Audit Fees and Non-Audit Fees

The following fees were paid or will be paid to the Cherry Bekaert for professional services rendered on behalf of the Company related to the past two fiscal years:

	2016	2015
Audit of Financial Statements	\$ 130,800	\$ 120,000
Audit-Related Services	25,500	25,000
All Other Fees		
Total	\$ 156,300	\$ 145,000

Audit services consisted of the audit of the Company's annual consolidated financial statements and the review of the Company's quarterly financial statements. Audit-related services consisted of fees for audits of financial statements of employee benefit plans.

Audit Committee Report

The Audit Committee is responsible for overseeing the Company's financial reporting process and other duties as described in the Audit Committee Charter. In fulfilling its oversight responsibilities, the Committee has reviewed and discussed the Company's audited financial statements for the fiscal year ended April 30, 2016 with management and the Company's registered independent public accounting firm. Management of the Company is responsible for these financial statements and the Company's financial reporting process, including the Company's system of internal controls. The independent auditors are responsible for expressing an opinion on the conformity of these financial statements with accounting principles generally accepted in the United States. The Committee has discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 relating to the conduct of the audit. The Committee has received the written disclosures and the letter from Cherry Bekaert required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, and has discussed with Cherry Bekaert their independence.

The Audit Committee also considered whether the provision of non-audit services by Cherry Bekaert, if any, was compatible with maintaining its independence. Based on the Committee's review of the audited financial statements and the review and discussions described in the preceding paragraph, the Committee recommended to the Board of Directors that the audited financial statements for the fiscal year ended April 30, 2016 be included in the Company's Annual Report on Form 10-K for the fiscal year ended April 30, 2016 for filing with the Securities and Exchange Commission. All members of the committee meet the independence standards established by the NASDAQ Global Market.

ITEM 3.

ADVISORY VOTE ON EXECUTIVE COMPENSATION

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 enables stockholders to vote to approve, on an advisory, non-binding basis, the compensation of our named executive officers as disclosed in this Proxy Statement in accordance with SEC rules.

Stockholders are urged to read the Compensation Discussion and Analysis section of this Proxy Statement, which discusses how our compensation design and practices reflect our compensation philosophy. The objective of the Company's executive compensation program is to attract, motivate, reward, and retain management talent critical to the Company's achievement of its objectives. The Compensation Committee and the Board of Directors believe that our compensation design and practices are effective in achieving our objectives.

We are required to submit a proposal to stockholders for a (non-binding) advisory vote to approve the compensation of our named executive officers pursuant to Section 14A of the Exchange Act. At their meeting in August 2013, our stockholders voted to hold the advisory vote on executive compensation on an annual basis. This proposal, commonly known as a "say-on-pay" proposal, gives our stockholders the opportunity to express their views on the compensation of our named executive officers. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the principles, policies, and practices described in this Proxy Statement. Accordingly, the following resolution is submitted for stockholder vote at the 2016 Annual Meeting:

RESOLVED, that the compensation paid to the Company's named executive officers, as disclosed pursuant to the compensation disclosure rules of the SEC, including the Compensation Discussion and Analysis, compensation tables, and any related material disclosed in the Proxy Statement is hereby APPROVED.

As this is an advisory vote, the result will not be binding on us, the Board of Directors, or the Compensation Committee, although our Compensation Committee will consider the outcome of the vote when evaluating our compensation principles, design, and practices. Proxies submitted without direction pursuant to this solicitation will be voted FOR the approval of the compensation of our named executive officers, as disclosed in this Proxy Statement.

**We recommend that you vote FOR the approval, on an advisory basis,
of the compensation of our named executive officers,
as disclosed in this Proxy Statement.**

COMPENSATION DISCUSSION AND ANALYSIS

Executive compensation is administered by the Compensation Committee of the Board, which is composed solely of independent directors.

The objective of the Company's executive compensation program is to attract, motivate, reward and retain management talent critical to the Company's achievement of its objectives. Salaries and other compensation for the Company's executive officers are based on each executive officer's responsibilities, level of experience, and performance over time, as well as on the recommendation of the Chief Executive Officer. In order to assure that salaries and compensation remain competitive, the Company subscribes to and consults various published surveys on executive compensation.

Section 162(m) of the Internal Revenue Code of 1986, as amended, limits the deduction for federal income tax purposes of certain compensation paid by any publicly-held corporation to its chief executive officer and its four other most highly compensated executive officers to \$1 million per year for each such executive. Because the levels of compensation of executive officers traditionally have been well below the deduction limit, the Company has not adopted a formal policy with respect to Section 162(m).

Executive Officer Compensation

The four principal components of the Company's compensation program for executive officers are discussed below.

Base Salary

The Compensation Committee annually reviews the base salaries of executive officers. Prior to the meeting at which the annual review occurs, the Committee is provided (i) information furnished by the Company's human resources department on historical data about the base and total compensation for each executive, and marketplace compensation data, including both base and incentive compensation data, for comparable positions at other manufacturing and service companies with generally similar annual sales volume, and (ii) individual performance appraisals and recommended base salary adjustments from the Chief Executive Officer for each executive officer, except himself. The human resources department also provides a base salary range based on class for each executive officer, which shows a minimum, mid-point, and maximum salary, and the position of the executive officer's base salary in this range. The base salary range is established using marketplace comparison data and the individual responsibilities of the executive officer's position, and is updated each year for inflation. The Company typically targets base salaries at the mid-point of the Company's established range for a position. The Committee further considers, on a subjective basis, the executive officer's particular qualifications, level of experience, and sustained performance over time. These same factors are also considered in determining an adjustment to the salary of the Chief Executive Officer. Base salaries are traditionally adjusted as of July 1 of each year.

Annual Incentive Compensation

All of the Company's executive officers are eligible to participate in an annual incentive bonus plan, pursuant to which each executive officer is eligible to earn a cash bonus for each fiscal year of the Company, based primarily on the attainment of earnings goals established in the incentive bonus plan and, to a lesser extent, on the executive officer's achievement of established personal objectives to the degree determined by the Board of Directors upon the recommendation of the Chief Executive Officer and the Compensation Committee.

At the beginning of each fiscal year, the Board of Directors approves earnings goals for the Company for such year and, upon recommendation of the Compensation Committee, establishes specified percentages of each executive officer's base salary that will be available for bonuses if the Company and/or its operating businesses achieve specified earnings goals and the executive officer achieves his or her personal goals. The Board of Directors generally attempts to establish annual earnings goals at target levels it believes are challenging, but achievable, with earnings above target levels considered to be relatively difficult to achieve. In determining the level of available bonuses for each executive officer, many of the same factors considered in determining an executive officer's base salary are also considered by the Committee and the Board of Directors.

For fiscal year 2016, the specified bonus percentages for executive officers other than the Chief Executive Officer ranged from 1.0% of an executive officer's base salary, if the Company achieved 100% of targeted earnings for the year, increasing to a maximum of 43.8% of an executive's base salary, as earnings reached 150% of targeted earnings. The corresponding specified percentages for the Chief Executive Officer were from 1.0% to a maximum of 50%.

Long-Term Incentive Plans

The Company uses stock options as its long-term incentive plan for executive officers. Stock option awards are normally made annually in August by the Board of Directors, based on the recommendations of the Chief Executive Officer, with respect to all stock options other than his own, and the Compensation Committee. The exercise price of the granted stock options is the fair market value of the Company's common stock on the date of the grant. Individual awards are based on an individual's performance, his or her comparative base salary level and the number of stock option grants previously made to him or her. In August 2015 and 2014, the Company granted stock options on a total of 20,000 and 20,000 shares, respectively, of the Company's common stock to the Chief Executive Officer and named executive officers under the Company's stock option plans.

Other Compensation Plans

Executive officers of the Company who met eligibility requirements as of April 30, 2005, participate in the Company's Pension Plan. The Plan provides retirement benefits for participating employees. The annual benefit amount is calculated as 40% of the 10-year final average annual compensation (salary and bonus) minus 50% of the primary social security

benefit, all multiplied by a fraction, the numerator of which is the number of years of credited service up to 30 years, and the denominator of which is 30. Participants in the Plan may elect among several payment alternatives. As of April 30, 2005, the Company froze the benefits under the Plan. As a result, no further benefits have been or will be earned under the Plan after that date and no additional participants have been or will be added to the Plan. To the extent ERISA rules restricted the amount otherwise payable under the Plan, the benefit amount in excess of the restrictions will be paid by the Company under the provisions of the Company's non-qualified Pension Equalization Plan.

The Company has a 401(k) Incentive Savings Plan (the 401(k) Plan) which covers substantially all salaried and hourly employees, including all of the executive officers. The plan provides benefits to all employees who have attained age 21, completed three months of service, and who elect to participate. Under the terms of the plan, the Company makes matching contributions equal to 100% of the employee's qualifying contribution up to 3% of the employee's compensation, and makes matching contributions equal to 50% of the employee's contributions between 3% and 5% of the employee's compensation, resulting in a maximum employer contribution equal to 4% of the employee's compensation. Additionally, the Company may make a non-matching contribution for participants employed by the Company on December 31 of each year up to 1% of the participant's qualifying compensation for that calendar year based on the profitability of the Company.

The Company also has a non-qualified 401 Plus Executive Deferred Compensation Plan (the 401 Plus Plan), which supplements the 401(k) Plan. The 401 Plus Plan was adopted to provide highly compensated employees an alternative retirement plan because income tax laws restrict the amount of contributions executives may otherwise have contributed to the 401(k) Plan. The 401 Plus Plan operates similarly to the 401(k) Plan, in that the Company makes matching credits to the participant's account in an amount equal to 50% of the compensation deferred by the participant up to 3% of the participant's compensation. Amounts deferred under the plan will be distributed to the participant after the participant's termination of employment with the Company in cash in a lump sum or installments at a time previously elected by the participant. All of the named executive officers participated in the 401(k) Plan and the 401 Plus Plan in fiscal year 2016.

Each of the Company's executive officers is entitled to receive additional compensation in the form of payments, allocations, or accruals under various other group compensation and benefit plans on the same basis as other employees. Benefits under these plans are not directly, or indirectly, tied to employee or Company performance.

Chief Executive Officer Compensation

The Compensation Committee considers the Chief Executive Officer's leadership an important factor in the future success of the Company. The compensation of the CEO has traditionally included base salary, annual incentive compensation, long-term incentive compensation, and benefits under various group plans. In establishing the Chief Executive Officer's base salary for each fiscal year, the Compensation Committee considered operating

results for the prior year and the outlook for the current year, continued development of the management team, operational improvements, compensation of chief executive officers of other companies with comparable sales, a review of his base salary in relation to the range for his position proposed by the human resources department, and the price of the Company's common stock.

The Chief Executive Officer's annual incentive compensation and long-term incentive compensation are determined pursuant to the Company's incentive plans for executive officers. Mr. Rausch earned a cash bonus of \$31,080 for fiscal year 2016 under the annual incentive bonus plan, as actual earnings for the fiscal year were in excess of the minimum earnings goal.

Rindoks, Vice President of Engineering and Product Development, in fiscal year 2000, (iii) with Messrs. Smith and Dana L. Dahlgren, Vice President of Sales and Marketing Americas, in fiscal year 2005, and (iv) with Ms. Elizabeth D. Upon a termination of employment occurring after the first anniversary, but within three years, of the date of the Change of Control, in addition to unpaid ordinary compensation and a lump-sum cash payment for certain benefits, Messrs. Rindoks, Smith, and Dahlgren and Ms. Phillips will be entitled to a lump-sum payment equal to one-half (1/2) of their annual compensation and Messrs. Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's executive officers, directors and 10% stockholders to file reports of ownership with the Securities and Exchange Commission. Such persons also are required to furnish the Company with copies of all Section 16(a) forms they file. Based solely on its review of copies of such forms received by it and inquiries of such persons, the Company believes that all such filing requirements applicable to its executive officers, directors and 10% stockholders were complied within fiscal year 2016.

PROXIES AND VOTING AT THE MEETING

The expense of solicitation of proxies is to be paid by the Company. The Company will also reimburse brokerage houses and other custodians, nominees, and fiduciaries for their reasonable expenses in sending proxies and proxy material to the beneficial owners of the Company's common stock. To obtain directions to attend the annual meeting, please contact the Secretary of the Company. This Proxy Statement and the 2016 Annual Report to Stockholders are available at <http://www.edocumentview.com/kequ>.

At the close of business on July 11, 2016, the record date for determination of stockholders entitled to vote at the annual meeting, there were 2,696,703 shares of common stock of the Company outstanding and entitled to vote.

Each share of common stock is entitled to one vote. Any stockholder giving a proxy has the power to revoke it at any time before it is voted, by written notice to the Secretary, by delivery of a later-dated proxy or in person at the meeting.

The holders of a majority of the total shares of common stock issued and outstanding, whether present in person or represented by proxy, will constitute a quorum for the transaction of business at the meeting. The vote of a plurality of the shares represented at the meeting, in person or by proxy, is required to elect the two nominees for director. Approval of Item 2 (ratification of appointment of independent registered public accounting firm) and approval of Item 3 (advisory vote on executive compensation) submitted to the stockholders for their consideration at the meeting each requires the affirmative vote of the holders of a majority of the shares of common stock represented at the meeting, in person or by proxy, and entitled to vote. However, Item 3 is an advisory vote only. Abstentions, directions to withhold authority, and broker non-votes are counted as shares present in the determination of whether the shares of stock represented at the meeting constitute a quorum. Abstentions, directions to withhold authority, and broker non-votes are not counted in tabulations of the votes cast on proposals presented to stockholders. Thus, an abstention, direction to withhold authority, or broker non-vote with respect to a matter other than the election of directors may have the same legal effect as a vote against the matter. With respect to the election of directors, an abstention, direction to withhold authority or broker non-vote will have no effect. An automated system administered by the Company's transfer agent will be used to tabulate votes.

A stockholder entitled to vote for the election of directors can withhold authority to vote for any of the nominees.
