Item 1.01. Entry into a Material Definitive Agreement.

On September 29, 2016, Spectra Energy Capital, LLC (Spectra Energy Capital), a wholly owned subsidiary of Spectra Energy Corp (Spectra Energy), entered into a \$2.0 billion revolving credit agreement (the Credit Agreement) with the initial lenders named in the Credit Agreement and Citibank, N.A., as administrative agent. BMO Harris Bank N.A. acted as syndication agent and Citigroup Global Markets Inc. and BMO Capital Markets Corp. acted as joint lead arrangers and joint bookrunners.

Interest on borrowings under the Credit Agreement will be based on prevailing interest rates as described in the Credit Agreement and the credit ratings of Spectra Energy Capital. Outstanding borrowings under the Credit Agreement mature on September 28, 2017, which date may be extended for a one-year period at the election of Spectra Energy Capital, with any outstanding revolving advances on the date of such extension being converted to term advances. All amounts outstanding under the Credit Agreement will be required to be prepaid in full upon a change of control of Spectra Energy (including any change of control resulting from Spectra Energy s previously announced pending merger with Enbridge Inc. (or any subsidiary thereof) (the Proposed Merger)). Spectra Energy has guaranteed Spectra Energy Capital s obligation to repay borrowings under the Credit Agreement.

The Credit Agreement contains customary, representations, warranties and covenants, including limitations on the creation of liens on the assets of Spectra Energy, Spectra Energy Capital and certain subsidiaries of Spectra Energy Capital, limitations on consolidations, mergers and the sale of all or substantially all of the assets of Spectra Energy, Spectra Energy Capital and certain subsidiaries of Spectra Energy Capital and limitations on certain transactions with affiliates. Spectra Energy and Spectra Energy Capital have each agreed to maintain a ratio of consolidated indebtedness to consolidated capitalization, as defined in the Credit Agreement, of less than or equal to 65%, measured at the end of each fiscal quarter of Spectra Energy. Upon the occurrence of certain events of default, Spectra Energy Capital s obligations under the Credit Agreement may be accelerated. Such events of default include payment defaults to lenders under the Credit Agreement, a change in control of Spectra Energy (including any change of control resulting from the Proposed Merger), covenant defaults and other customary defaults.

The Credit Agreement provides that the proceeds from borrowings under the Credit Agreement may be used for Spectra Energy Capital s and its subsidiaries general company purposes.

Certain of the lenders under the Credit Agreement and their respective affiliates perform various financial advisory, investment banking and commercial banking services from time to time for Spectra Energy and its affiliates, for which they receive customary fees and expense reimbursement.

The foregoing description of the Credit Agreement is not complete and is qualified in its entirety by reference to the Credit Agreement, which is attached to this Current Report on Form 8-K as Exhibit 10.1 and incorporated herein by reference.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information set forth under Item 1.01 is hereby incorporated into this Item 2.03 by reference.
