Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On October 26, 2016, each of the Board of Directors of Columbia Banking System, Inc. (the Company) and the Personnel and Compensation Committee approved the Amended and Restated Columbia Banking System, Inc. 2005 401 Plus Plan (the 2005 401 Plus Plan), a deferred compensation arrangement with certain of the Company's directors and a select group of senior management and highly compensated employees of the Company and its subsidiaries. Participants in the 2005 401 Plus Plan have the option to defer up to 50% of their base salary and up to 100% of their bonus compensation. The Company may elect, at its sole and absolute discretion, to match the amount that a participant defers under the 2005 401 Plus Plan. In the event that a participant retires or becomes disabled, the participant's account balance will be distributed by the Company in either a single lump-sum or monthly installment payments over a period not to exceed 120 months, as elected by the participant pursuant to the procedures set forth in the 2005 401 Plus Plan. Account balances will become payable immediately in a single lump-sum payment upon a participant's death, separation from service for any reason other than retirement or disability, or if after monthly installment payments to the participant have begun, the credit balance of the account for such participant does not exceed the applicable dollar amount (\$18,000 for 2016). The 2005 401 Plus Plan was amended in order to, among other things, freeze participation in the 2005 401 Plus Plan as of October 26, 2016.

On October 26, 2016, each of the Board of Directors of the Company and the Personnel and Compensation Committee also approved the Columbia Banking System, Inc. 2016 401 Plus Plan (the 2016 401 Plus Plan), a deferred compensation arrangement with certain of the Company's directors and a select group of senior management and highly compensated employees of the Company and its subsidiaries. Compared to the 2005 401 Plus Plan, the 2016 401 Plus Plan permits participants to elect installment payments for distribution events other than only retirement or disability.

The foregoing description of each of the plans described above is qualified in its entirety by reference to the complete plans, which are filed as Exhibits 10.1 and 10.2 to this Current Report on Form 8-K and incorporated herein by reference.
