**ITEM 5.02 DEPARTURE OF DIRECTORS OR CERTAIN OFFICERS; ELECTION OF DIRECTORS; APPOINTMENT OF CERTAIN OFFICERS; COMPENSATORY ARRANGEMENTS OF CERTAIN OFFICERS.**

On July 20, 2018, the Board of Directors of Tenneco Inc. (the Company) selected Brian J. Kessler and Roger J. Wood, currently a member of the Board of Directors, as the chief executive officers who will lead the two new independent, publicly traded companies, which will be created in the second half of 2019 after the Company completes its acquisition of Federal-Mogul LLC (Federal-Mogul). The appointments are subject to consummation of the Federal-Mogul acquisition and the separation of the combined company into two independent companies. Mr. Kessler, the Company's current Chief Executive Officer, will become Chairman and Chief Executive Officer of the new aftermarket and ride performance company, while Mr. Wood will become Chairman and Chief Executive Officer of the powertrain technology company.

The Company also announced that, effective upon and subject to consummation of the Federal-Mogul acquisition, the Board of Directors has appointed Messrs. Kessler and Wood to be Co-Chief Executive Officers of the Company until the separation is completed.

Mr. Wood, age 56, was named Chief Executive Officer and Chairman of Fallbrook Technologies Inc. in February 2018 and became Executive Chairman on June 29, 2018. He previously retired as President and Chief Executive Officer of Dana Holding Corporation (now known as Dana Incorporated) in 2015, having served in those positions since 2011 when he joined Dana. Prior to joining Dana Holding Corporation, Mr. Wood served as Executive Vice President and Group President for the Engine Group at BorgWarner Inc. In his 26-year career at BorgWarner, Mr. Wood served in various leadership roles with global operations responsibilities. Mr. Wood holds a bachelor's degree in engineering technology from State University College in Buffalo, N.Y., and an M.B.A. from Syracuse University. He is a member of the board of directors of Brunswick Corporation and Fallbrook Technologies. Prior to Mr. Wood's retirement from Dana, he served as a member of the boards for the Business Leaders of Michigan, the Ohio Business Roundtable, the board of trustees of the Manufacturer's Alliance/MAPI and the CEO Council for the Original Equipment Suppliers Association (OESA). Mr. Wood is a fellow of the National Association of Corporate Directors.

Mr. Wood has been a director of the Company since 2016 and will continue to serve as a director, but will no longer serve as a member of the Company's Compensation Committee.

In connection with his appointment, the Company provided Mr. Wood with a letter outlining the terms of his appointment. He will receive a base salary of \$1,050,000 per year. His target bonus opportunity under the annual incentive plan for the 2018 calendar year will be 125% of his annual base salary (pro rated to his employment date). He will be eligible to participate in the Company's long-term incentive plan in a manner consistent with other executives. The Company estimates that his 2019 award will have a value of \$5.4 million. He will also receive a long-term incentive award for 2018 with an equivalent value, prorated to his employment date, granted as restricted stock units that vest over three years. He will be eligible to participate in the Company's 401(k) plan and change in control severance plan. Under the Company's excess benefit plan, he will receive a company contribution after certain IRS limits are met at the rate of 3 percent of compensation and he will receive a company contribution equal to 3% of the annual incentive bonus paid. Outside of the context of a change of control, if Mr. Wood's employment is involuntarily terminated by the Company for reasons other than disability or Cause or if Mr. Wood terminates employment due to Constructive Termination, he will be entitled to severance equal to two times the sum of his annual base salary and target bonus for the year in which termination occurs, payable in a lump sum within 60 days of termination, subject to execution of a general release and such other documents as the Company may reasonably request. For these purposes Cause means fraud, embezzlement, or theft in connection with employment, gross negligence in the performance of duties, or conviction, guilty plea, or plea of nolo contendere with respect to a felony, and Constructive Termination will generally have the same meaning as under the change in control severance plan.

Edgar Filing: TENNECO INC - Form DEFA14A

In connection with Mr. Kessler's new role, the Company provided Mr. Kessler with an addendum to his original offer letter. The addendum entitles him to the same severance benefit as Mr. Wood where, outside of a change of control context, Mr. Kessler's employment is involuntarily terminated by the Company for reasons other than disability or Cause or if Mr. Kessler terminates employment due to Constructive Termination .

A copy of the Company's press release, dated July 23, 2018, announcing these changes is filed herewith as Exhibit 99.1 and is incorporated herein by reference.
