Item 1.01. Entry into a Material Definitive Agreement.

Amendment to Existing Revolving Credit Agreement

On February 6, 2019, Fiserv, Inc. (*Fiserv*) and its existing lender group entered into a first amendment to Fiserv's existing revolving credit facility, dated as of September 19, 2018 (the *Revolving Credit Agreement*), among Fiserv, the lenders party thereto from time to time, and JPMorgan Chase Bank, N.A., as administrative agent. The purpose of the amendment was to:

- (i) amend the maximum leverage ratio covenant contained in the *Revolving Credit Agreement* to permit Fiserv to elect to increase the permitted maximum leverage ratio from 3.5:1.0 to either 4.0:1.0 or 4.5:1.0 for a specified period following certain acquisitions involving consideration in excess of certain thresholds, subject to certain mandatory step-downs; and
- (ii) permit Fiserv to make drawings under the *Revolving Credit Agreement* on the closing date of the proposed merger of Fiserv and First Data Corporation (*First Data*) previously described in Fiserv's Current Report on Form 8-K filed on January 18, 2019, subject only to certain limited conditions.

The foregoing description of the first amendment to the *Revolving Credit Agreement* is summary in nature and is qualified in its entirety by reference to the first amendment, a copy of which is filed hereto as Exhibit 4.1 and incorporated herein by reference. The first amendment should be read in conjunction with, and is qualified in its entirety by reference to, the *Revolving Credit Agreement*. A copy of the *Revolving Credit Agreement* is included as Exhibit 4.1 to Fiserv's Current Report on Form 8-K filed on September 20, 2018.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant

The information set forth under the heading *Amendment to Existing Revolving Credit Agreement* in Item 1.01 of this Current Report on Form 8-K is hereby incorporated by reference in this Item 2.03.

Item 8.01. Other Events

On February 5, 2019, Fiserv executed and delivered a joinder agreement (the *Commitment Letter Joinder*) to the bridge facility commitment letter, dated January 16, 2019 (the *Commitment Letter*), previously described in Fiserv's Current Report on Form 8-K filed on January 18, 2019, which *Commitment Letter Joinder* amended the *Commitment Letter* to, among other things, add additional commitment parties and reallocate the commitments in respect of the capital markets tranche of the bridge facility thereunder. Certain of the additional commitment parties are lenders under the *Revolving Credit Agreement*. In addition, Fiserv expects to complete in the near future the syndication of (i) a new \$5,000 million unsecured term loan facility to replace the loan tranche of the bridge facility and (ii) an increase of \$1,500 million in the aggregate commitments available under the *Revolving Credit Agreement*.

Forward-looking statements are subject to assumptions, risks and uncertainties that may cause actual results to differ materially from those contemplated by such forward-looking statements.

The factors that could cause Fiserv's actual results to differ materially include, among others: the possibility that the parties may be unable to achieve expected synergies and operating efficiencies in the transaction within the expected time frames or at all and to successfully integrate the operations of First Data into those of Fiserv; such integration may be more

Fiserv and First Data are subject to, among other matters, changes in customer demand for their products and services; pricing and other actions by competitors; general changes in local, regional, national and international economic conditions and the impact they may have on Fiserv and First Data and their customers and Fiserv's and First Data's assessment of that impact; rapid technological developments and changes, and the ability of Fiserv's and First Data's technology to keep pace with a rapidly evolving marketplace; the impact of a security breach or operational failure on Fiserv's and First Data's business; the effect of proposed and enacted legislative and regulatory actions in the United States and internationally affecting the financial services industry as a whole and/or Fiserv and First Data and their subsidiaries individually or collectively; regulatory supervision and oversight, and Fiserv and First Data's ability to comply with government regulations; the impact of Fiserv's and First Data's strategic initiatives; Fiserv's and First Data's ability to continue to introduce competitive new products and services on a timely, cost-effective basis; the ability to contain costs and expenses; the protection and validity of intellectual property rights; the outcome of pending and future litigation and governmental proceedings; acts of war and terrorism; and other factors included in Risk Factors in Fiserv's and First Data's respective filings with the SEC, including their respective Annual Reports on Form 10-K for the year ended December 31, 2017, and in other documents that the companies file with the SEC, which are available at <http://www.sec.gov>.
