Item 1.02 Termination of a Material Definitive Agreement

Swap Transaction Agreement

## Edgar Filing: CURATIVE HEALTH SERVICES INC - Form 8-K

On June 3, 2005, Curative Health Services, Inc. (the "Company") notified National City Bank that the Company was exercising its right to terminate its interest rate swap agreement (the "Swap Agreement") with National City Bank, originally entered into on May 3, 2004.

Under the Swap Agreement, the Company entered into a \$90.0 million notional amount interest rate swap on a portion of its fixed rate debt. The Swap Agreement was used by the Company to reduce interest expense and modify exposure to interest rate risk by converting its fixed rate debt to a floating rate liability. Under the Swap Agreement, the Company received, on the portion of the senior subordinated notes hedged, 10.75% fixed rate amounts in exchange for floating interest rate (the 6-month LIBOR rate plus a premium) payments over the life of the Swap Agreement without an exchange of the underlying principal amount. The swap was scheduled to mature on May 2, 2011.

As a result of the termination, effective June 3, 2005, the Company and National City Bank released each other from all obligations under the Swap Agreement, including, without limitation, the obligation to make periodic payments thereunder, and the Swap Agreement was canceled and terminated. The Company will pay a \$540,000 termination payment to National City Bank by June 7, 2005. No early termination penalties were incurred by the Company.
