RELEVANT FACT

BRASKEM S.A. ("Braskem"), PETRÓLEO BRASILEIRO S.A. - PETROBRAS, ODEBRECHT S.A. ("Odebrecht"), PETROBRAS QUÍMICA S.A. PETROQUISA ("Petroquisa"), NORDESTE QUÍMICA S.A. NORQUISA and ODBPAR INVESTIMENTOS S.A., due to the expiration today of the option of Petroquisa ("Option") to increase its participation in the voting share capital of Braskem by up to 30%, through the subscription of additional common shares that would have been paid in exchange for the contribution to Braskem of Petroquisa's participations in the share capital of the petrochemical companies described in the Relevant Fact dated September 29th, 2005, hereby informs their shareholders and the market of the following:

After the analysis undertaken by the parties, Petroquisa decided not to exercise the Option because it was not possible to reach a consensus on the terms and conditions that would have allowed the creation of value for all of Braskem's shareholders.

The share capital structure of Braskem will not be altered, with Petroquisa maintaining the current share capital position of 10.02% of the voting share capital and 8.45% of the total share capital of Braskem. In addition, the provisions of the Memorandum of Understanding Regarding Shareholders Agreement of Copene Petroquímica do Nordeste S.A. (previous corporate name of Braskem) executed by Odebrecht and Petroquisa, will remain in effect.

São Paulo, March 31st, 2006.
