the Securities Exchange Act of 1934.

Yes No

If "Yes" is marked, indicated below the file number assigned to the
registrant in connection with Rule 12g3-2(b):

GOLL4 Shares Included in IBrX-50 Index

São Paulo, May 2, 2006 GOL Linhas Aéreas Inteligentes (Bovespa: GOLL4 and NYSE: GOL), Brazil's low-cost, low-fare airline, announced that GOLL4 shares were included in the Sao Paulo Stock Exchange's (Bovespa) IBrX-50 Index. The IBrX-50 measures the total return of a select portfolio of the 50 most actively traded stocks on the Sao Paulo Stock Exchange, in terms of liquidity.

To be included in the index, the Company had to meet several requirements, including being among the top 50 most traded stocks in the 12 months prior to evaluation, and must also have been traded in at least 80% of the exchange sessions in the 12 months prior to the formation of the portfolio.

GOL's inclusion in the IBrX-50 Index demonstrates the high liquidity of the Company's shares, which has steadily increased since our initial listing on the Bovespa in June 2004, says Richard Lark, Chief Financial Officer of GOL.

About GOL Linhas Aéreas Inteligentes

GOL Linhas Aéreas Inteligentes, a low-cost, low-fare airline, is one of the most profitable and fastest growing airlines in the industry worldwide. GOL operates a simplified fleet with a single class of service. It also has one of the youngest and most modern fleets in the industry that results in low maintenance, fuel and training costs, with high aircraft utilization and efficiency ratios. In addition, safe and reliable services, which stimulate GOL's brand recognition and customer satisfaction, allow GOL to have the best value proposition in the market. GOL currently offers over 500 daily flights to 50 major business and travel destinations in Brazil, Argentina, Bolivia, Paraguay and Uruguay. GOL growth plans include increasing frequencies in existing markets and adding service to additional markets in both Brazil and other high-traffic South American travel destinations. GOL shares are listed on the NYSE and the Bovespa. GOL: here everyone can fly!

This release contains forward-looking statements relating to the prospects of the business, estimates for operating and financial results, and those related to growth prospects of GOL. These are merely projections and, as such, are based exclusively on the expectations of GOL's management concerning the future of the business and its continued access to capital to fund the Company's business plan. Such forward-looking statements depend, substantially, on changes in market conditions, government regulations, competitive pressures, the performance of the Brazilian economy and the

industry, among other factors and risks disclosed in GOL's filed disclosure documents and are, therefore, subject to change without prior notice.
