Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On September 13, 2004, Penton Media, Inc. (the "Company") filed a Certificate of Designations for a new series of preferred stock, \$.01 par value (the "Series M Preferred Stock") with the Secretary of State for the State of Delaware. The Board of Directors of the Company created the Series M Preferred Stock for issuance to certain officers of the Company as a long-term incentive plan to incentivize management by giving them an equity stake in the performance of the Company. The Series M Preferred Stock is limited to 150,000 shares.

Among other rights and provisions, the Series M Preferred Stock provides that the holder of each share will receive a cash distribution upon any liquidation, dissolution, winding up or change of control of the Company. The amount of such distribution is a percentage of what the holders of Series C Preferred Stock (as defined below) and the holders of the Company's common stock would receive upon such liquidation, dissolution, winding up or change of control.

A conformed copy of the Series M Preferred Stock Certificate of Designations is attached to this Report as Exhibit 3.1.

On September 13, 2004, the Company also filed a Certificate of Designations governing another new series of preferred stock, \$.01 par value (the "Series C Preferred Stock") with the Secretary of State for the State of Delaware. The Series C Preferred Stock was exchanged on a share-for-share basis with the Company's Series B Preferred Stock, \$.01 par value (the "Series B Preferred Stock"). The Certificate of Designations for the Series C Preferred stock is identical to the Series B Preferred Stock Certificate of Designations except:

- the new series allows for the sharing of the liquidation preference with the new Series M Preferred Stock,
- certain technical and correcting amendments have been made to the Certificate of Designations for the Series C Preferred Stock, including fixing the formula used to calculate the "Change of Control Cap" (as defined in the Series C Preferred Stock Certificate of Designations), and
- certain conforming changes were made to the Series C Preferred Stock Certificate of Designations to account for the fact that the Series C Preferred Stock was issued in exchange for the Series B Preferred Stock.

A conformed copy of the Series C Preferred Stock Certificate of Designations is attached to this Report as Exhibit 3.2.

On September 15, 2004, the Company filed Certificates of Elimination for the Certificate of Designations governing its Series A Preferred Stock and the Certificate of Designations governing its Series B Preferred Stock with the Secretary of State for the State of Delaware, eliminating both certificates of designations from the Company's Restated Certificate of Incorporation, as amended. No shares of Series A Preferred Stock or Series B Preferred Stock are outstanding.

All actions noted above were approved by the Company's Board of Directors at its July 21, 2004 meeting.
