**Item 1.02 Termination of a Material Definitive Agreement.**

On April 30, 2015, First BanCorp. (the "Corporation") announced that its wholly-owned banking subsidiary, FirstBank Puerto Rico ("FirstBank" or "the Bank"), received notification from the Federal Deposit Insurance Corporation (the "FDIC") that, effective April 29, 2015, the Consent Order under which FirstBank has been operating since June 2, 2010 was terminated (the "Consent Order"). The termination of the Consent Order reflects the Bank's improved performance.

FirstBank entered into the Consent Order with the FDIC and the Office of the Commissioner of Financial Institutions of the Commonwealth of Puerto Rico on June 2, 2010. The Consent Order, which has now been terminated, provided for various things, including (among other things) the following: (1) having and retaining qualified management; (2) increased participation in the affairs of FirstBank by its Board of Directors; (3) development and implementation by FirstBank of a capital plan to attain a leverage ratio of at least 8%, a Tier 1 risk-based capital ratio of at least 10% and a total risk-based capital ratio of at least 12%; (4) adoption and implementation of strategic, liquidity, and fund management and profit and budget plans and related projects within certain timetables set forth in the Consent Order and on an ongoing basis; (5) adoption and implementation of plans for reducing FirstBank's positions in certain classified assets and delinquent and non-accrual loans within timeframes set forth in the Consent Order; (6) refraining from lending to delinquent or classified borrowers already obligated to FirstBank on any extensions of credit so long as such credit remains uncollected, except where FirstBank's failure to extend further credit to a particular borrower would be detrimental to the best interests of FirstBank, and any such additional credit is approved by FirstBank's Board of Directors; (7) refraining from accepting, increasing, renewing, or rolling over brokered CDs without the prior written approval of the FDIC; (8) establishment of a comprehensive policy and methodology for determining the allowance for loan and lease losses and the review and revision of FirstBank's loan policies, including the non-accrual policy; and (9) adoption and implementation of adequate and effective programs of independent loan review, appraisal compliance, and an effective policy for managing FirstBank's sensitivity to interest rate risk.

The foregoing summary of the Consent Order is not complete and is qualified in all respects by reference to the actual language of the Consent Order. The Corporation filed a copy of the Consent Order with the Securities and Exchange Commission as Exhibit 10.1 to its Form 8-K filed on June 4, 2010.

On April 30, 2015 the Corporation issued a press release announcing the termination of the Consent Order. A copy of the press release is attached hereto as Exhibit 99.1.
