EXHIBIT 1

Euroseas Ltd. Declares Quarterly Dividend of \$0.32 per Common Share and Announces Date for the Release of Second Quarter 2008 Results, Conference Call and Webcast

Maroussi, Athens, Greece August 08, 2008 Euroseas Ltd. (NASDAQ: ESEA), an owner and operator of drybulk and container carrier vessels and provider of seaborne transportation for drybulk and containerized cargoes, announced today that its Board of Directors has declared a dividend of \$0.32 per common share for the second quarter of 2008. The dividend is payable on September 17, 2008 to all shareholders of record as of September 05, 2008. This dividend is \$0.01 above the previous quarterly dividend and \$0.07 above the dividend paid for the same period last year.

Aristides Pittas, Chairman and CEO of Euroseas commented: We are happy to announce the 8th consecutive increase in our dividend. This increase demonstrates our ability to steadily grow the company. This dividend represents a 3.2% increase over the dividend of the previous quarter and 28% increase over the dividend we declared for the same quarter last year. As usual, this dividend is only a fraction of our net income and free cash flow, however it suffices to keep our company amongst the highest dividend paying shipping companies but at the same time further improve our liquidity to be able to take advantage of opportunities this tight credit environment presents. Our focus remains to continue growing our fleet and providing superior risk-adjusted returns to our shareholders.

Euroseas also announced that it will release its second quarter results for the period ended June 30, 2008, on Thursday, August 14, 2008, before the market opens in New York.
