Press Release

**Tender offer for Fastweb shares**

**Swisscom receives green light from Consob – Offer period to start on April 10**

**On March 20<sup>th</sup> 2007, Swisscom filed the offer document related to the tender offer for Fastweb shares with Consob (the Italian authority responsible for regulating the Italian securities market) for its approval. Today, Consob approved the offer document. The offer period will begin on April 10<sup>th</sup> and will end on May 15<sup>th</sup>, 2007 (included). The offer price is equal to EUR 47 a share.**

Consob gave today the green light ( nulla osta ) for the publication of the offer document concerning the voluntary public tender offer to be launched by Swisscom for 98.26% of Fastweb's share capital. Swisscom currently owns a stake of 1.74%. There are no material changes to the terms and conditions of the offer as communicated on 12 March 2007.

Subject to the terms of the offer described in the offer document, Swisscom will pay to each shareholder tendering its Fastweb shares an amount of EUR 47 per share. Fastweb's board of directors has ruled in favour ( espresso parere favorevole ) of the tender offer to be launched by Swisscom, after taking into account the fairness opinions provided by its financial advisors.

The maximum consideration payable is equal to EUR 3.7 billion and is being financed through loans from a consortium of leading international banks, which entered into a facility agreement to finance the offer.

The offer document will be available to the public from April 7<sup>th</sup>, 2007 on the website of Swisscom ([www.swisscom.com/fastweb](http://www.swisscom.com/fastweb)) and Fastweb ([www.fastweb.it](http://www.fastweb.it)).

As a strategic partner with a long-term focus, Swisscom is investing in Fastweb with the clear objective of building on the company's present competitive edge and technological dominance and of extending the company's product range. Swisscom believes that all Swisscom and Fastweb shareholders, customers and staff will benefit from the planned acquisition.
