1 GENERAL COMPANY INFORMATION

Focus Affiliates, Inc. (the Company) is a Delaware corporation. It was incorporated on March 1994 as Cellular Telecom Corporation and subsequently changed its name to Intellicell Corp. in June 1996 and then to Focus Affiliates, Inc. in October 1999.

The Company was reinstated on December 8, 2006 in the State of Delaware by an incorporator. The Company has been dormant since 2001 and was reorganized under new management in March 16, 2007 which will put the Company into the Development Stage.

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of the Company have been prepared in accordance with accounting principles generally accepted in the United States. Because a precise determination of many assets and liabilities is dependent upon future events the preparation of financial statements for a period necessarily involves the use of estimates which have been made using careful judgment.

The financial statements have, in management's opinion, been properly prepared within reasonable limits of materiality within the framework of the accounting policies summarized below :

(a) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, cash accounts, interest bearing saving accounts and time certificates of deposit with a maturity of three months or less when purchased.

Edgar Filing: FOCUS AFFILIATES INC - Form 10-Q

(b) Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

(c) Foreign currencies

The functional currency of the Company is the United States dollar. Transactions in foreign currencies are translated into United States dollars at the rates in effect on the transaction date. Exchange gains or losses arising on translation or settlement of foreign currency denominated monetary items are included in the statement of operations.

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

(d) Income taxes

The Company follows the asset and liability method of accounting for income taxes. Under this method, current taxes are recognized for the estimated income taxes payable for the current period.

Deferred income taxes are provided based on the estimated future tax effects on temporary differences between financial statement carrying amounts of assets and liabilities and their respective tax bases as well as the benefit of losses available to be carried forward to future years for tax purposes.

Deferred tax assets and liabilities are measured using enacted tax rates that are expected to apply to taxable income in the years in which those temporary differences are expected to be covered or settled. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in operations in the period that includes the enactment date. A valuation allowance is recorded for deferred tax assets when it is more likely than not that such deferred tax assets will not be realized.

(e) Loss per share

Loss per share computations are based on the weighted average number of common shares outstanding during the period. Common share equivalents consisting of stock options and warrants are not considered in the computation because their effect would be anti-dilutive.

3. Stockholders' Equity

Edgar Filing: FOCUS AFFILIATES INC - Form 10-Q

As of September 30, 2008 the Company has issued and outstanding common stock of 638,508,112 shares of \$0.001 par value.
