Approval of Amendment and Restatement of Equity Plan

On April 23, 2013, the Compensation Committee of the Board of Directors, subject to stockholder approval, approved an amendment and restatement of the Newpark Resources, Inc. 2006 Equity Incentive Plan (As Amended and Restated Effective June 10, 2009), as amended by Amendment No. 1 Newpark Resources, Inc. 2006 Equity Incentive Plan (the “2006 Plan”). On June 6, 2013, the stockholders of Newpark Resources, Inc. (the “Company”) approved the Amended and Restated 2006 Equity Incentive Plan (the “Amended and Restated Plan”). The 2006 Plan was amended to, among other things:

increase the number of shares of common stock available for awards under the 2006 Plan, including incentive stock options granted under the 2006 Plan, by 4,250,000 to a total of 12,250,000 shares;

add provisions implementing fungible share counting with the effect that stock options and stock appreciation rights will reduce the number of available shares on a 1 to 1 basis, while full value awards will reduce the number of available shares on a 1.5 to 1 basis;

revise and clarify the provisions that limit the repricing of options and stock appreciation rights without stockholder approval;

modify the method of share counting to provide that the number of available shares for grant will not be increased by actions such as the tendering or withholding of shares to satisfy the exercise price or tax withholding obligations relating to an option or stock appreciation right, or the repurchase of shares on the open market with the proceeds of an option exercise price;

increase the limit of shares available for awards to any individual in any calendar year to 1,000,000 shares;

delete the provision granting the committee administering the 2006 Plan the ability to extend the term of any award;

add provisions that restrict the payment of dividends or dividend equivalents on performance awards unless the performance awards vest and further provide that any such dividends or dividend equivalents will be forfeited if the respective performance-based award is forfeited; and

make other compliance, administrative, clarifying and updating amendments.

The foregoing description of the Amended and Restated Plan is qualified in its entirety by reference to the Amended and Restated Plan, a copy of which was attached as Exhibit 4.7 to the Company's Registration Statement on Form S-8 filed June 6, 2013 (SEC File No. 333-189127).

Approval of Award Agreements

In connection with the approval of the Amended and Restated Plan and the grants of long-term compensation, the Compensation Committee approved forms of agreements for time-based restricted stock unit (“time-based unit”) awards, performance-based restricted stock unit (“performance-based unit”) awards, restricted stock agreements and stock option grants to be made under the Amended and Restated Plan.

The performance criteria established by the Compensation Committee for the performance-based awards includes, and the performance-based units will be paid based on, the relative ranking of the Company’s total shareholder return (“TSR”) as compared to the TSR of the Company’s designated peer group for 2013 (the “Peer Group”). The performance period for the performance-based units will begin May 3, 2013 and end June 1, 2016, with the beginning TSR price being equal to the average TSR over the 30-calendar days beginning May 3, 2013 and the ending TSR price being equal to the average TSR over the 30-calendar days ending June 1, 2016. The performance-based units are settled in shares of common stock and the number of shares received by each executive at the conclusion of the performance period will be determined once the Compensation Committee has certified the results of the TSR calculations for the Company and each of the Peer Group.

Each of the executive officers of the Company received a performance-based unit in the following maximum payout amounts (stated in the number of shares): Paul Howes – 66,723; Gregg Piontek – 17,584; Mark Airola – 19,392; Lee Ann Kendrick – 8,398; Bruce Smith – 22,746; Jeffery Juergens – 14,689. The payout of shares for each executive ranges from 0% - 150% of target based on the following matrix:

	Below Threshold	Threshold	Target	Maximum
TSR Performance	<25 th Percentile	25 th Percentile	50 th Percentile	75 th Percentile
Relative to Peers				
Percent of target	0%	30%	100%	150%
shares earned				

If performance is between Threshold and Target or Target and Maximum the number of performance-based units earned is based upon the formula set forth in the performance-based unit award agreement. The other terms of the performance-based units and the terms of the time-based units and the stock options are materially consistent with the terms disclosed in the Company’s proxy statement for the Annual Meeting.

The foregoing description of the performance-based units is qualified in its entirety by reference to the Form of Restricted Stock Unit Agreement (Performance-Based). Copies of the Form of Non-Qualified Stock Option Agreement, Form of Restricted Stock Agreement, and Form of Restricted Stock Unit Agreement (Performance-Based), were attached as Exhibits 4.8, 4.9, and 4.11, respectively, to the Company's Registration Statement on Form S-8 filed June 6, 2013 (SEC File No. 333-189127) and are incorporated herein by reference.
