If the subject report could not be filed without unreasonable effort or expense and the registrant seeks relief pursuant to Rule 12b-25(b), the following should be completed. (Check box if appropriate)

- (a) The reasons described in reasonable detail in Part III of this form could not be eliminated without unreasonable effort or expense;

The subject annual report, semi-annual report, transition report on Form 10-K, Form 20-F, Form 11-K, Form N-SAR or Form N-CSR, or portion thereof, will be filed on or before the fifteenth calendar day following the (b)prescribed due date; or the subject quarterly report or transition report on Form 10-Q or subject distribution report on Form 10-D, or portion thereof, will be filed on or before the fifth calendar day following the prescribed due date; and

**PART III — NARRATIVE**

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

EAGLE BULK SHIPPING INC. (the "Company") has determined that it is unable to file its Annual Report on Form 10-K for the fiscal year ended December 31, 2014 in a timely manner. As discussed in the Current Report on Form 8-K filed by the Company on October 16, 2014, the Company commenced a voluntary prepackaged case (the "Prepackaged Case") under chapter 11 of title 11 of the United States Code in the United States Bankruptcy Court for the Southern District of New York on August 6, 2014 and emerged from Chapter 11 on October 15, 2014. Due to the demands associated with the Prepackaged Case, the Company's emergence from Chapter 11, and related activities including the application of fresh start accounting, the Company has been unable to complete the preparation, review, and filing of its Annual Report on Form 10-K within the prescribed time period without unreasonable effort and expense. The Company has identified an adjustment in the application of fresh start accounting and is currently evaluating the internal control implication of this adjustment. The Company has not completed its testing and assessment of the effectiveness of its internal control over financial reporting due in part to identified control deficiency related to that adjustment. Upon completion of the evaluation and of its assessment of the effectiveness of internal control over financial reporting the Company may determine that there is a material weakness in its internal control over fresh start accounting. The Company anticipates filing the Annual Report on or before the 15th calendar day following the prescribed due date of the Company's Annual Report on Form 10-K.
