Appointment of New Director

On September 30, 2015, the Board of Directors of Liquidmetal Technologies, Inc. (the “Company”) appointed a new director, Walter Weyler, to the Board of Directors, to serve until the Company’s next annual stockholder meeting or until his successor is elected and qualified. Mr. Weyler will also serve as a member of the Audit, Compensation, and Corporate Governance and Nominating Committees of the Board.

Mr. Weyler, age 76, has been a member of the Company’s Technology Board, a technology-focused advisory board, since October 2014. Mr. Weyler previously served, from 1995 to 2005, as the owner and president of Kinetics, Incorporated, a contract manufacturer of complex solid steel parts and a leader in metal injection molding. Prior to that time, Mr. Weyler served, from 1985 to 1993, as the president and chief operating officer and a director of Graco Inc., a publicly traded company that designs, manufactures and markets systems and equipment to move, measure, dispense and spray fluid and coating materials. Mr. Weyler has served as a member of the Oregon Symphony Board of Trustees since 2006 and a member of the Eliot Condominium Board since 2013. Mr. Weyler also served as a member of the Board of Trustees of the Oregon Museum of Science and Industry from 2011 to 2015. The Board of Directors believes that Mr. Weyler’s experience and background will make him a qualified and valuable member of the Board. In particular, Mr. Weyler’s experience with coatings and metal injection molding businesses make him a valuable resource for the Company.

As a non-employee director, Mr. Weyler will be compensated in accordance with the Company’s compensation policies for non-employee directors. In addition, Mr. Weyler will be eligible to receive stock options and other equity-based awards under the Company’s 2012 Equity Incentive Plan.

In connection with his appointment to the Board and the Audit, Compensation, and Corporate Governance and Nominating Committees of the Board, Mr. Weyler will receive an initial grant of options to purchase 800,000 shares of the Company’s common stock and Board and committee fees for the fourth quarter of 2015 of \$9,375.

There is no arrangement or understanding between Mr. Weyler and any other person pursuant to which Mr. Weyler was selected as a director of the Company, and there are no transactions in which Mr. Weyler has an interest requiring disclosure under Item 404(a) of Regulation S-K.
