We expect these materials to be first mailed to stockholders on or about February 11, 2016.

In this proxy statement, terms such as “we,” “us” and “our” refer to Advaxis, Inc., which may also be referred to from time to time as “Advaxis” or the “Company.”

Information About the Annual Meeting

When is the Annual Meeting?

The Annual Meeting will be held at 10:00 a.m., Eastern Time, on March 10, 2016.

Where will the Annual Meeting be held?

The Annual Meeting will be held at the offices of Alston & Bird LLP, our legal counsel, located at 90 Park Avenue, New York, New York 10016.

What items will be voted on at the Annual Meeting?

There are five matters scheduled for a vote:

To elect nine members to our Board of Directors to hold office until the next annual meeting of stockholders or until their respective successors have been elected and qualified;

To approve an amendment to our Amended and Restated Certificate of Incorporation to increase our authorized shares of common stock by 20,000,000 shares from 45,000,000 to 65,000,000;

To approve an amendment to our 2015 Incentive Plan to authorize an additional 1,000,000 shares thereunder;

To approve an advisory (non-binding) resolution regarding the compensation of our named executive officers; and

To ratify the selection of Marcum LLP as our independent registered public accounting firm for the fiscal year ending October 31, 2016, which we refer to as fiscal 2016.

As of the date of this proxy statement, we are not aware of any other matters that will be presented for consideration at the Annual Meeting.

What are the Board of Directors' recommendations?

Our Board recommends that you vote:

“FOR” the election of each of the nine nominees named herein to serve on the Board;

“FOR” the approval of an amendment to our Amended and Restated Certificate of Incorporation to increase our authorized shares of common stock by 20,000,000 shares from 45,000,000 to 65,000,000;

“FOR” the ratification of the appointment of Marcum LLP as our independent registered public accounting firm for fiscal 2016.

Information About the Voting

Who is entitled to vote at the Annual Meeting?

Only stockholders of record at the close of business on January 15, 2016, which we refer to as the Record Date, are entitled to receive notice of the Annual Meeting and to vote the shares that they held on that date at the Annual Meeting, or any adjournment or postponement thereof. As of the close of business on the Record Date, we had 33,789,136 shares of common stock outstanding. Each share of common stock entitles its holder to one vote at the Annual Meeting.

Stockholders of Record: Shares Registered in Your Name. If on the Record Date your shares were registered directly in your name with our transfer agent, Continental Transfer and Trust Company, then you are a stockholder of record. As a stockholder of record, you may vote in person at the Annual Meeting or vote by proxy. Whether or not you plan to attend the Annual Meeting, we urge you to fill out and return the enclosed proxy card, to ensure your vote is counted.

Beneficial Owner: Shares Registered in the Name of a Broker, Bank, Custodian or Other Nominee. If on the Record Date your shares were held in an account at a brokerage firm, bank, custodian or other nominee, then you are the beneficial owner of shares held in “street name” and these proxy materials are being forwarded to you by that organization. The organization holding your account is considered the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your broker, bank, custodian or other nominee on how to vote the shares in your account. You are also invited to attend the Annual Meeting. However, because you are not the stockholder of record, you may not vote your shares in person at the Annual Meeting unless you request and obtain a valid proxy from your broker, bank, custodian or other nominee.

What is the quorum requirement?

A quorum of stockholders is necessary to hold a valid meeting. Pursuant to our bylaws, a quorum will be present if at least one-third of the outstanding shares entitled to vote are represented by stockholders present at the Annual Meeting or by proxy. On the Record Date, there were 33,789,136 shares outstanding and entitled to vote. Thus, 11,263,046 shares must be represented by stockholders present at the Annual Meeting or by proxy to have a quorum.

Your shares will be counted towards the quorum only if you submit a valid proxy (or one is submitted on your behalf by your broker, bank, custodian or other nominee) or if you vote in person at the Annual Meeting. Votes withheld from nominees for directors, abstentions and broker non-votes will be counted towards the quorum requirement. If there is no quorum, a majority of the votes present in person or represented by proxy at the Annual Meeting may

adjourn the Annual Meeting to another date.

What is a proxy?

A proxy is a person you appoint to vote your shares of our common stock on your behalf. If you are unable to attend the Annual Meeting, our Board of Directors is seeking your appointment of a proxy so that your shares of our common stock may be voted. If you vote by proxy, you will be designating Daniel J. O'Connor or Gregory T. Mayes, as your proxies. Messrs. O'Connor or Mayes may act on your behalf and have the authority to appoint a substitute to act as your proxy.

How do I vote?

Whether you hold shares directly as the stockholder of record or indirectly as the beneficial owner of shares held for you by a broker or other nominee (*i.e.*, in "street name"), you may direct your vote without attending the Annual Meeting. You may vote by granting a proxy or, for shares you hold in street name, by submitting voting instructions to your broker or nominee. In most instances, you will be able to do this by internet, telephone or by mail. Please refer to the summary instructions below and those included on your proxy card or, for shares you hold in street name, the voting instruction card provided by your broker or nominee.

By Internet— If you have Internet access, you may authorize your proxy from any location in the world by following the “By Internet” instructions on the proxy card or, if applicable, the Internet voting instructions that may be described on the voting instruction card sent to you by your broker or nominee.

By Telephone— If you are calling from the United States or Canada, you may authorize your proxy by following the “By Telephone” instructions on the proxy card or, if applicable, the telephone voting instructions that may be described on the voting instruction card sent to you by your broker or nominee.

By Mail— You may authorize your proxy by signing your proxy card and mailing it in the enclosed, postage-prepaid and addressed envelope. For shares you hold in street name, you may sign the voting instruction card included by your broker or nominee and mail it in the envelope provided.

How many votes do I have?

On each matter to be voted upon, you have one vote for each share of common stock you own as of the Record Date.

Can I change my vote after I return my proxy card?

Yes. You can revoke your proxy at any time before the final vote at the Annual Meeting. If you are the record holder of your shares, you may revoke your proxy in any one of three ways:

You may submit another properly completed proxy bearing a later date;

You may send a written notice that you are revoking your proxy to Advaxis, Inc. at 305 College Road East, Princeton, New Jersey 08540, Attention: Gregory T. Mayes, Chief Operating Officer and Secretary (so long as we receive such notice no later than the close of business on the day before the Annual Meeting); or

You may attend the Annual Meeting and notify the election officials at the Annual Meeting that you wish to revoke your proxy and vote in person. Simply attending the Annual Meeting will not, by itself, revoke your proxy.

If your shares are held by your broker, bank, custodian or other nominee, you should follow the instructions provided by such broker, bank, custodian or other nominee.

What if I sign and return my proxy but do not provide voting instructions?

Proxy cards or voting instruction cards that are signed, dated and returned but do not contain voting instructions will be voted:

“FOR” the election of each of the nine nominees named herein to serve on the Board;

“FOR” the approval of an amendment to our Amended and Restated Certificate of Incorporation to increase our authorized shares of common stock by 20,000,000 shares from 45,000,000 to 65,000,000;

“FOR” the approval of an amendment to our 2015 Incentive Plan to authorize an additional 1,000,000 shares thereunder;

“FOR” the approval of the advisory (non-binding) resolution regarding the compensation of our named executive officers; and

“FOR” the ratification of the appointment of Marcum LLP as our independent registered public accounting firm for fiscal 2016.

How are votes counted?

Votes will be counted by the inspector of election appointed for the Annual Meeting, who will separately count “FOR” votes, withheld votes and broker non-votes, and, with respect to proposals other than the election of directors, “AGAINST” votes and abstentions. Abstentions will be counted towards the vote total for each proposal (other than for Proposal No. 1, the election of directors), and will have the same effect as “AGAINST” votes.

Brokers who hold shares in street name have the discretionary authority to vote on certain “routine” items when they have not received instructions from their clients. For purposes of our Annual Meeting, brokers may only exercise discretionary authority with respect to Proposal No. 5 (the ratification of the appointment of Marcum LLP as our independent registered public accounting firm for fiscal 2016). If the organization that holds your shares does not receive instructions from you on how to vote your shares on the other matters being considered at the Annual Meeting, the organization that holds your shares will inform us that it does not have the authority to vote on this matter with respect to your shares. This is generally referred to as a “broker non-vote.” Broker non-votes will be considered as represented for purposes of determining a quorum, but will not otherwise affect voting results. We encourage you to provide voting instructions to the organization that holds your shares by carefully following the instructions provided in the Notice.

How many votes are needed to approve each proposal?

For the election of directors (Proposal No. 1), the nine nominees receiving the most “FOR” votes (among votes properly cast in person or by proxy) will be elected. Only votes “FOR” or votes withheld with respect to any or all of the nominees will affect the outcome.

For the approval of the amendment to the Advaxis, Inc. Amended and Restated Certificate of Incorporation (Proposal No. 2), the proposal must each receive “FOR” votes from the holders of a majority of the total number of shares of our common stock outstanding on the record date.

To be approved, Proposal No. 3 (the approval of the amendment to the Advaxis, Inc. 2015 Incentive Plan), Proposal No 4 (the “say-on-pay” advisory proposal), and Proposal No. 5 (the ratification of the appointment of Marcum LLP as our independent registered public accounting firm for fiscal 2016) must receive “FOR” votes from the holders of a majority of the shares present and entitled to vote either in person or by proxy.

How can I find out the results of the voting at the Annual Meeting?

We will announce preliminary voting results at the Annual Meeting. We will also disclose voting results on a Form 8-K filed with the SEC, within four business days after the Annual Meeting.

How do I obtain a list of the Company’s stockholders?

A list of our stockholders as of the Record Date will be available for inspection at our corporate headquarters located at 305 College Road East, Princeton, New Jersey 08540 during normal business hours during the 10-day period prior to the Annual Meeting.

Who is paying for this proxy solicitation?

We will pay the entire cost of preparing, assembling, printing, mailing, and distributing these proxy materials and soliciting votes. If you choose to vote over the internet, you are responsible for internet access charges you may incur. If you choose to vote by telephone, you are responsible for telephone charges you may incur. In addition to the mailing of these proxy materials, the solicitation of proxies or votes may be made in person, by telephone or by electronic communication by our directors, officers and employees, who will not receive any additional compensation for such solicitation activities. Proxies also may be solicited by employees and our directors by mail, telephone, facsimile, e-mail or in person.

Additional Information

Whom should I contact if I have any questions?

If you have any questions about the Annual Meeting, these proxy materials or your ownership of our common stock, please contact Gregory T. Mayes, Chief Operating Officer and Secretary, by mail at Advaxis, Inc., 305 College Road East, Princeton, New Jersey 08540, by telephone: (609) 250-7515 or by fax: (609) 452-9818.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

Our By-laws provide that the number of directors is to be no less than one and no more than nine and shall be fixed by action of the directors. Currently, our Board of Directors consists of 8 members. We have proposed nine individuals for nomination to our Board and will increase the size of the Board concurrently with the election of directors. Each director will hold office until the next annual meeting of stockholders and until his successor is duly elected and qualified, or until his earlier resignation or removal. For information regarding the independence of our directors, see “Corporate Governance Matters — Director Independence” elsewhere in this proxy statement.

Unless otherwise instructed, the persons named in the proxy will vote to elect the nine nominees named below as directors. Although the Board does not contemplate that any of the nominees will be unavailable to serve as a director, should any unexpected vacancies occur, the enclosed proxy will be voted for such substituted nominees, if any, as may be designated by the Board. In no event will the proxy be voted for more than nine directors.

Information for Nominees for Director

The names of the nominees for election as directors at the Annual Meeting, each of whom is an incumbent director (other than Mr. Mayes), and certain information about them, including their ages as of January 22, 2016 is set forth below:

Name	Age	Position
Dr. David Sidransky	55	Chairman of our Board of Directors
Dr. James P. Patton	58	Vice Chairman of our Board of Directors
Daniel J. O’Connor	51	President, Chief Executive Officer and Director
Roni A. Appel	49	Director
Richard J. Berman	73	Director
Dr. Samir N. Khleif	52	Director
Gregory T. Mayes	47	Chief Operating Officer, Executive Vice President and Secretary
Dr. Thomas McKearn	67	Director
Thomas J. Ridge	70	Director

Biographical information for all nominated directors and current directors is provided in the Corporate Governance Matters section elsewhere in this proxy statement.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE “FOR” ELECTING EACH OF THE NINE NOMINEES LISTED ABOVE.

PROPOSAL NO. 2

TO APPROVE an amendment to our AMENDED AND RESTATED Certificate of Incorporation to INCREASE our authorized shareS OF COMMON STOCK by 20,000,000 shares from 45,000,000 to 65,000,000

The Board of Directors has determined that it would be advisable and in our best interests to amend Article Fourth of our Amended and Restated Certificate of Incorporation, or the Charter, to increase the authorized shares of common stock of the Company by 20,000,000 shares from 45,000,000 shares to 65,000,000 shares. A copy of the proposed amendment to the Charter is attached to this Proxy Statement as Exhibit A (referred to as the “Proposed Amendment” herein).

Purposes and Effects of the Amendment

The additional common stock for which authorization is sought would be a part of the existing class of common stock and, if and when issued, would have the same rights and privileges as the common stock presently issued and outstanding.

Except for shares reserved or to be reserved for the issuance of shares of common stock underlying certain options to purchase shares of our common stock, we have no agreements or understandings concerning the issuance of any additional common stock. However, our Board of Directors believes that the increased authorization of common stock is advisable at this time both in order to avoid the adverse consequences to us of the failure to adopt this Proposal Two and so that shares will be available for issuance in the future on a timely basis if such need arises in connection with financings, acquisitions or other corporate purposes. This will enable us to take advantage of market conditions, the availability of favorable financing, and opportunities for acquisitions, without the delay and expense associated with convening a special stockholders’ meeting.

Unless required under Delaware law or our Amended and Restated Certificate of Incorporation or the rules of the NASDAQ Capital Market, our Board of Directors will be able to provide for the issuance of the additional shares of common stock without further action by our stockholders and no further authorization by the stockholders will be sought prior to such issuance.

Although not designed or intended for such purposes, the effect of the proposed increase in the authorized common stock might be to render more difficult or to discourage a merger, tender offer, proxy contest or change in control of

us and the removal of management, which stockholders might otherwise deem favorable. The authority of our Board of Directors to issue common stock might be used to create voting impediments or to frustrate an attempt by another person or entity to effect a takeover or otherwise gain control of us because the issuance of additional common stock would dilute the voting power of the common stock and preferred stock then outstanding. Our common stock could also be issued to purchasers who would support our Board of Directors in opposing a takeover bid which our Board determines not to be in our best interests and those of our stockholders.

In addition to the proposed amendment, our Amended and Restate Certificate of Incorporation and Amended and Restated Bylaws currently contain provisions approved by our stockholders that could have the effect of making it more difficult for a third party to acquire, or of discouraging a third party from attempting to acquire, or control us. These provisions could limit the price that certain investors might be willing to pay in the future for shares of our common stock. Our Amended and Restate Certificate of Incorporation allows us to issue preferred stock with rights senior to those of the common stock without any further vote or action by the stockholders and our amended and restated bylaws eliminates the right of stockholders to call a special meeting of stockholders, which could make it more difficult for stockholders to effect certain corporate actions. These provisions could also have the effect of delaying or preventing a change in control. The issuance of preferred stock could decrease the amount of earnings and assets available for distribution to the holders of our common stock or could adversely affect the rights and powers, including voting rights, of such holders. In certain circumstances, such issuance could have the effect of decreasing the market price of our common stock.

If the Proposed Amendment is approved by the stockholders, it will become effective upon filing and recording of a Certificate of Amendment as required by the Delaware General Corporation Law.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE “FOR” THE APPROVAL OF THE AMENDMENT OF OUR AMENDED AND RESTATED CERTIFICATE OF INCORPORATION TO INCREASE OUR AUTHORIZED SHARES OF COMMON STOCK BY 20,000,000 SHARES FROM 45,000,000 TO 65,000,000. The adoption of the Proposed Amendment requires the affirmative vote of not less than a majority of the votes entitled to be cast by all shares of Common Stock issued and outstanding on the Record Date.

PROPOSAL NO. 3

APPROVAL OF AN AMENDMENT TO THE ADVAXIS, INC. 2015 INCENTIVE PLAN TO AUTHORIZE AN ADDITIONAL 1,000,000 SHARES THEREUNDER

We are asking stockholders to approve an amendment to the Advaxis, Inc. 2015 Incentive Plan (the “2015 Plan”), which was approved by our stockholders at the 2015 Annual Meeting. On January 15, 2016, the Board of Directors approved an amendment to the 2015 Plan to increase the number of shares authorized under the Plan from 3,600,000 to 4,600,000, subject to stockholder approval at this Annual Meeting. Except for the proposed increase in the number of shares authorized under the 2015 Plan, the plan as previously approved by our stockholders in 2015 shall remain in full force and effect.

As of January 22, 2016, there were approximately 3,163,055 shares of our common stock subject to outstanding awards under the 2015 Plan. As of such date, there were approximately 548,333 shares of our common stock reserved and available for future awards under the 2015 Plan. The Compensation Committee believes the number of shares currently available under the 2015 Plan will not be sufficient to make the grants it believes will be needed to provide adequate long-term equity incentives to our key employees. Approval of the amendment to the 2015 Plan will enable the Company to continue making equity compensation grants that serve as incentives to recruit and retain key employees and to continue aligning the interests of its employees with stockholders.

Equity-based compensation is an important element in our compensation program. Equity compensation aligns the interests of our management and key employees with the interests of our stockholders, links pay to performance, and provides a strong incentive to our executives and key employees to join our Company and to remain as we continue to move towards commercialization of our products. Importantly, equity compensation allows us to conserve our crucial cash resources while still being able to attract high quality employees and competitively compensate our experienced management team. If we are not able to grant equity awards, we risk losing our executives and key employees to our competition, which would be disruptive and detrimental to our goals and, ultimately, to our stockholders.

A summary of the 2015 Plan is set forth below. This summary is qualified in its entirety by the full text of the 2015 Plan, which is filed as Appendix A to the Company’s proxy statement for the 2015 Annual Meeting. A copy of the proposed amendment increasing the number of shares authorized under the Plan from 3,600,000 to 4,600,000 is attached to this proxy statement as Exhibit B.

Key Data Relating to Outstanding Equity Awards and Shares Available

The following table includes information regarding outstanding equity awards and shares available for future awards under the 2015 Plan as of January 22, 2016 (and without giving effect to approval of the amendment to the 2015 Plan under this Proposal):

Total shares underlying outstanding stock options	2,653,196
Weighted average exercise price of outstanding stock options	\$13.18
Weighted average remaining contractual life of outstanding stock options	8.87 years
Total shares underlying outstanding full value awards (1)	2,653,196
Total shares currently available for grant	548,333

- (1) Includes the maximum number of shares issuable upon conversion of performance awards assuming maximum achievement of all performance goals.

Summary of the 2015 Plan

Purpose and Eligibility. The purpose of the 2015 Plan is to promote the Company's success by linking the personal interests of its employees, officers, directors and consultants to those of the Company's stockholders, and by providing participants with an incentive for outstanding performance. As of January 22, 2016, approximately 50 employees and 7 non-employee directors would be eligible to participate in the 2015 Plan.

Administration. The 2015 Plan will be administered by the Compensation Committee of the Board of Directors. The Committee will have the authority to: designate participants; grant awards; determine the type or types of awards to be granted to each participant and the number, terms and conditions thereof; establish, adopt or revise any rules and regulations as it may deem advisable to administer the 2015 Plan; and make all other decisions and determinations that may be required under the 2015 Plan.

Awards to Non-Employee Directors. Notwithstanding the above, awards granted under the 2015 Plan to the Company's non-employee directors will be made only in accordance with the terms, conditions and parameters of a plan, program or policy for the compensation of non-employee directors as in effect from time to time.

Permissible Awards. The 2015 Plan authorizes the granting of awards in any of the following forms:

market-priced options to purchase shares of our Common Stock, which may be designated under the Code as nonstatutory stock options or incentive stock options;

stock appreciation rights, which give the holder the right to receive an amount (payable in cash or stock, as specified in the award agreement) equal to the excess of the fair market value per share of our Common Stock on the date of exercise over the base price of the award (which cannot be less than the fair market value of the underlying stock as of the grant date), multiplied by the number of stock appreciation rights that have been exercised by the holder;

restricted stock, which is subject to restrictions on transferability and subject to forfeiture on terms set by the Committee;

stock units, which represent the right to receive shares of Common Stock (or an equivalent value in cash or other property, as specified in the award agreement) at a designated time in the future and subject to any vesting requirement as may be set by the Committee;

performance awards, which represent any award of the types listed above which have a performance-vesting component based on the achievement, or the level of achievement, of one or more performance goals during a specified performance period, as established by the Committee;

other stock-based awards that are denominated or payable in, valued by reference to, or otherwise based on, shares of Common Stock;

cash-based awards, including performance-based annual bonus awards.

Shares Available for Awards. Subject to proportionate adjustment in the event of stock splits and similar events, the aggregate number of shares of Common Stock that may be issued under the 2015 Plan, as proposed to be amended is 4,600,000 shares, plus a number of additional shares (not to exceed 650,000) underlying awards outstanding under the Company's prior equity incentive plan as of the effective date of the 2015 Plan that thereafter terminate or expire unexercised, or are cancelled, forfeited or lapse for any reason.

Shares subject to awards that terminate or expire unexercised, or are cancelled, forfeited or lapse for any reason, and shares underlying awards that are ultimately settled in cash, will again be available for future grants of awards under the 2015 Plan. To the extent that the full number of shares subject to a full-value award is not issued for any reason, including by reason of failure to achieve maximum performance goals, the unissued shares originally subject to the award will be added back to the plan share reserve. Shares delivered by the participant or withheld from an award to

satisfy tax withholding requirements, and shares delivered or withheld to pay the exercise price of an option, will not be used to replenish the plan share reserve. Upon exercise of a SAR, the full number of shares underlying the award (rather than any lesser number based on the net number of shares actually delivered upon exercise) will count against the plan share reserve. The Committee may grant awards under the 2015 Plan in substitution for awards held by employees of another entity who become employees of the Company as a result of a business combination, and such substitute awards will not count against the plan share reserve.

Limitations on Awards. The maximum aggregate number of shares of Common Stock subject to time-vesting options or time-vesting SARs that may be granted under the 2015 Plan in any calendar year to any one participant is 250,000 each. With respect to performance vesting awards, for any calendar year, the maximum amount that may be paid to any one participant payable in cash or property or other than shares is \$2,500,000, and the maximum number of shares that may be paid to any one participant payable in stock is 250,000 shares. The maximum aggregate number of shares subject to awards that may be granted under the 2015 Plan to any non-employee director in any calendar year is 200,000 shares.

Minimum Vesting Requirements. Except in the case of substitute awards granted in a business combination as described above, full-value awards, options and SARs shall either (i) be subject to a minimum vesting period of three years (which may include graduated vesting within such three-year period), or one year if the vesting is based on performance criteria other than continued service, or (ii) be granted solely in exchange for foregone cash compensation. However, the Committee may at its discretion (i) accelerate vesting of such full-value awards, options and SARs in the event of the participant's termination of service, or the occurrence of a change in control, or (ii) grant full-value awards, options and SARs without the minimum vesting requirements described above with respect to awards covering 5% or fewer of the total number of shares authorized under the 2015 Plan.

Qualified Performance-Based Awards. All options and stock appreciation rights granted under the 2015 Plan are designed to be exempt from the \$1,000,000 deduction limit imposed by Code Section 162(m). The Committee may designate any other award granted under the 2015 Plan as a qualified performance-based award in order to make the award fully deductible without regard to the \$1,000,000 deduction limit imposed by Code Section 162(m). If an award is so designated, the Committee must establish objectively determinable performance goals for the award based on one or more of the following business criteria, which may be expressed in terms of Company-wide objectives or in terms of objectives that relate to the performance of an affiliate or a division, region, department or function within the Company or an affiliate over a performance term to be designated by the Committee:

Revenue

Sales

Profit (net profit, gross profit, operating profit, economic profit, profit margins or other corporate profit measures)

Earnings (EBIT, EBITDA, earnings per share, or other corporate earnings measures)

Net income (before or after taxes, operating income or other income measures)

Cash (cash flow, cash generation or other cash measures)

Stock price or performance

Total stockholder return (stock price appreciation plus reinvested dividends divided by beginning share price)

Economic value added

Return measures (including, but not limited to, return on assets, capital, equity, investments or sales, and cash flow return on assets, capital, equity, or sales);

Market share

Improvements in capital structure

Expenses (expense management, expense ratio, expense efficiency ratios or other expense measures)

Business expansion or consolidation (acquisitions and divestitures)

Internal rate of return or increase in net present value

Working capital targets relating to inventory and/or accounts receivable

Inventory management

Service or product delivery or quality

Customer satisfaction

Employee retention

Safety standards

Productivity measures

Cost reduction measures

Strategic plan development and implementation

The Committee must establish such goals within the time period prescribed by Code Section 162(m), and the Committee may for any reason reduce (but not increase) any award, notwithstanding the achievement of a specified goal.

The Committee may provide, at the time the performance goals are established, that any evaluation of performance shall exclude or otherwise objectively adjust for any specified circumstance or event that occurs during a performance period. Any payment of an award granted with performance goals will be conditioned on the written certification of the Committee in each case that the performance goals and any other material conditions were satisfied.

Treatment of Awards upon a Change of Control. Unless otherwise provided in an award agreement or any special plan document governing an award:

- (A) in the event of a change of control of the Company in which a successor entity fails to assume and maintain awards under the 2015 Plan:

all of that participant's outstanding options and stock appreciation rights will become fully vested and exercisable, and all time-based vesting restrictions on that participant's outstanding awards will lapse; and

the target payout opportunities attainable under outstanding performance-based awards will be deemed to have been fully earned as of the change in control based upon an assumed achievement of all relevant performance goals at the "target" level, and there will be a pro rata payout to the Participant within 60 days following the change of control.

- (B) in the event of a change of control of the Company in which a successor entity assumes or otherwise equitably converts awards under the 2015 Plan, if within two years after the effective date of the change of control, a participant's employment is terminated without Cause or the participant resigns for Good Reason (as such terms are defined), then:

all of that participant's outstanding options and stock appreciation rights will become fully vested and exercisable, and all time-based vesting restrictions on that participant's outstanding awards will lapse; and

the target payout opportunities attainable under outstanding performance-based awards will be deemed to have been fully earned as of the date of termination based upon an assumed achievement of all relevant performance goals at the "target" level, and there will be a pro rata payout to the Participant within 60 days following the termination of employment.

Anti-dilution Adjustments. In the event of a transaction between us and our stockholders that causes the per-share value of our Common Stock to change (including, without limitation, any stock dividend, stock split, spin-off, rights offering or large nonrecurring cash dividend), the share authorization limits and annual award limits under the 2015 Plan will be adjusted proportionately, and the Committee shall make such adjustments to the 2015 Plan and awards as it deems necessary, in its sole discretion, to prevent dilution or enlargement of rights immediately resulting from such transaction.

Amendment and Termination of the 2015 Plan. No awards may be granted under the 2015 Plan after the tenth anniversary of the effective date of the plan. The Board or the Committee may amend, suspend or terminate the 2015 Plan at any time, except that no amendment may be made without the approval of the Company's stockholders if stockholder approval is required by any federal or state law or regulation or by the rules of any stock exchange on which the Common Stock may then be listed, or if the amendment, alteration or other change materially increases the benefits accruing to participants, increases the number of shares available under the 2015 Plan or modifies the requirements for participation under the 2015 Plan, or if the Board or Committee in its discretion determines that obtaining such stockholders approval is for any reason advisable. No amendment or termination of the 2015 Plan may, without the written consent of the participant, reduce or diminish the value of an outstanding award. The Committee may amend or terminate outstanding awards at any time, except that no amendment or termination of outstanding award may, without the written consent of the participant, reduce or diminish the value of such outstanding awards.

Prohibition on Repricing. Without the prior consent of the Company's stockholders, outstanding stock options and SARs cannot be repriced, directly or indirectly, nor may stock options or SARs be cancelled in exchanged for stock options or SARs with an exercise or base price that is less than the exercise price or base price of the original stock options or SARs. In addition, the Company may not, without the prior approval of stockholders, repurchase an option or stock appreciation right for value from a participant if the current market value of the underlying stock is lower than the exercise price per share of the option or stock appreciation right.

Limitations on Transfer; Beneficiaries. No right or interest of a participant in any award may be pledged or encumbered to or in favor of any person other than the Company, or be subject to any lien, obligation or liability of the participant to any person other than the Company or an affiliate. Except to the extent otherwise determined by the Committee with respect to awards other than incentive stock options, no award may be assignable or transferable by a participant otherwise than by will or the laws of descent and distribution.

Clawback Policy. Awards under the 2015 Plan will be subject to any compensation recoupment policy (sometimes referred to as a "clawback policy") of the Company as adopted from time to time.

Federal Income Tax Consequences

The U.S. federal income tax discussion set forth below is intended for general information only and does not purport to be a complete analysis of all of the potential tax effects of the 2015 Plan. It is based upon laws, regulations, rulings and decisions now in effect, all of which are subject to change. State, local and ex-U.S. income tax consequences are not discussed, and may vary from jurisdiction to jurisdiction.

Nonqualified Stock Options. There will be no federal income tax consequences to the optionee or to the Company upon the grant of a nonqualified stock option under the 2015 Plan. When the optionee exercises a Nonqualified option, however, he or she will recognize ordinary income in an amount equal to the excess of the fair market value of the stock received upon exercise of the option at the time of exercise over the exercise price, and the Company will be allowed a corresponding federal income tax deduction. Any gain that the optionee realizes when he or she later sells or disposes of the option shares will be short-term or long-term capital gain, depending on how long the shares were held.

Incentive Stock Options. There will be no federal income tax consequences to the optionee or to the Company upon the grant of an incentive stock option. If the optionee holds the option shares for the required holding period of at least two years after the date the option was granted and one year after exercise, then the amount equal to the excess of the amount realized upon sale or disposition of the option shares over the exercise price will be long-term capital gain or loss, and the Company will not be entitled to a federal income tax deduction. If the optionee disposes of the option shares in a sale, exchange, or other disqualifying disposition before the required holding period ends, he or she will recognize taxable ordinary income in an amount equal to the excess of the fair market value of the option shares at the time of exercise over the exercise price, and the Company will be allowed a federal income tax deduction equal to such amount. While the exercise of an incentive stock option does not result in current taxable income, the excess of the fair market value of the option shares at the time of exercise over the exercise price will be an item of adjustment for purposes of determining the optionee's alternative minimum taxable income.

Stock Appreciation Rights. A participant receiving a stock appreciation right under the 2015 Plan will not recognize income, and the Company will not be allowed a tax deduction, at the time the award is granted. When the participant exercises the stock appreciation right, the amount of cash and the fair market value of any shares of stock received will be ordinary income to the participant and the Company will be allowed as a corresponding federal income tax deduction at that time.

Restricted Stock. Unless a participant makes an election to accelerate recognition of the income to the date of grant as described below, a participant will not recognize income, and the Company will not be allowed a tax deduction, at the time a restricted stock award is granted, provided that the award is nontransferable and is subject to a substantial risk of forfeiture. When the restrictions lapse, the participant will recognize ordinary income equal to the fair market value of the stock as of that date (less any amount he or she paid for the stock), and the Company will be allowed a

corresponding federal income tax deduction at that time, subject to any applicable limitations under Code Section 162(m). If the participant files an election under Code Section 83(b) within 30 days after the date of grant of the restricted stock, he or she will recognize ordinary income as of the date of grant equal to the fair market value of the stock as of that date (less any amount paid for the stock), and the Company will be allowed a corresponding federal income tax deduction at that time, subject to any applicable limitations under Code Section 162(m). Any future appreciation in the stock will be taxable to the participant at capital gains rates. However, if the stock is later forfeited, the participant will not be able to recover the tax previously paid pursuant to the Code Section 83(b) election.

Stock Units. A participant will not recognize income, and the Company will not be allowed a tax deduction, at the time a stock unit award is granted. Upon receipt of shares of stock (or the equivalent value in cash or other property) in settlement of a stock unit award, a participant will recognize ordinary income equal to the fair market value of the stock or other property as of that date (less any amount he or she paid for the stock or property), and the Company will be allowed a corresponding federal income tax deduction at that time, subject to any applicable limitations under Code Section 162(m).

Performance Awards. A participant will not recognize income, and the Company will not be allowed a tax deduction, at the time a performance award is granted (for example, when the performance goals are established). Upon receipt of cash, stock or other property in settlement of a performance award, the participant will recognize ordinary income equal to the cash, stock or other property received, and the Company will be allowed a corresponding federal income tax deduction at that time, subject to any applicable limitations under Code Section 162(m). Performance awards granted under the 2015 Plan are intended to qualify for the “performance based compensation” exception from Code Section 162(m).

Code Section 409A. The 2015 Plan permits the grant of various types of incentive awards, which may or may not be exempt from Code Section 409A. If an award is subject to Section 409A, and if the requirements of Section 409A are not met, the taxable events as described above could apply earlier than described, and could result in the imposition of additional taxes and penalties. Restricted stock awards, stock options and stock appreciation rights granted under the 2015 Plan, are designed to be exempt from the application of Code Section 409A. Restricted stock units and performance awards granted under the 2015 Plan would be subject to Section 409A unless they are designed to satisfy the short-term deferral exemption from such law. If not exempt, such awards must be specially designed to meet the requirements of Section 409A in order to avoid early taxation and penalties.

Tax Withholding. The Company has the right to deduct or withhold, or require a participant to remit to the Company, an amount sufficient to satisfy federal, state, and local taxes (including employment taxes) required by law to be withheld with respect to any exercise, lapse of restriction or other taxable event arising as a result of the 2015 Plan.

Benefits to Named Executive Officers and Others

Future Awards under the 2015 Plan are granted in the discretion of the Compensation Committee, and therefore are not determinable. The following table sets forth the number of stock option, restricted stock and restricted stock unit awards that have been granted under the 2015 Plan to our Named Executive Officers (as defined below) and the other individuals and groups indicated, as of January 22, 2016.

The Board of Directors unanimously recommends

a vote "FOR" PProposal no. 3 relating to the approval of

AN AMENDMENT TO the advaxis, Inc. 2015 Incentive Plan.

PROPOSAL NO. 4

ADVISORY VOTE ON EXECUTIVE COMPENSATION

Background

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the “Dodd-Frank Act”) requires that we provide our stockholders with the opportunity to vote to approve, on a nonbinding, advisory basis, the compensation of our named executive officers as disclosed in this proxy statement. This Proposal No. 4, commonly known as a “say-on-pay” proposal, provides stockholders the opportunity to express their views on our named executive officers’ compensation.

Accordingly, stockholders will be asked to vote on the following resolution at the 2016 Annual Meeting:

“RESOLVED, that the stockholders of Advaxis, Inc. approve, on an advisory basis, the compensation of the named executive officers, as disclosed in Advaxis, Inc.’s Proxy Statement for the 2016 Annual Meeting of Stockholders pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the summary compensation table and the other related tables and disclosure.”

The Board of Directors believes that the compensation awarded to the named executive officers for the fiscal year ended October 31, 2015 is reasonable and appropriate, and justified by the performance of our Company.

Vote Required

Approval of Proposal No. 4, on an advisory basis, requires the affirmative vote of the holders of a majority of the shares present, either in person or by proxy, at the Annual Meeting.

This vote is advisory and therefore not binding on the Company or the Board. The Board and the Compensation Committee, however, will review the voting results and take them into account in making decisions regarding future compensation of the named executive officers.

Director Independence

In accordance with the disclosure requirements of the SEC, we have adopted the NASDAQ listing standards for independence effective April 2010. Each of our directors, other than Daniel J. O'Connor and Gregory T. Mayes, is independent in accordance with the definition set forth in the NASDAQ rules. Each nominated member of each of our Board committees is an independent director under the NASDAQ standards applicable to such committees. The Board considered the information included in transactions with related parties as outlined below along with other information the Board considered relevant, when considering the independence of each director.

Audit Committee

The Audit Committee of our Board of Directors is currently composed of three directors, all of whom satisfy the independence and other standards for Audit Committee members under the NASDAQ rules and the Exchange Act, as amended. For fiscal year 2015, the Audit Committee was composed of Messrs. Berman and Appel and Dr. Patton, with Mr. Berman serving as the Audit Committee's financial expert as defined under Item 407 of Regulation S-K of the Securities Act of 1933, as amended, which we refer to as the Securities Act.

The Audit Committee operates under a written Audit Committee Charter, which is available to stockholders on our website at <http://ir.advaxis.com/governance-docs>.

Compensation Committee

The Compensation Committee of our Board of Directors consists of Messrs. Berman and Appel, and Dr. Patton. The Compensation Committee determines the salaries and incentive compensation of our officers subject to applicable employment agreements, and provides recommendations for the salaries and incentive compensation of our other employees and consultants. For executives other than the Chief Executive Officer, the Compensation Committee receives and considers performance evaluations and compensation recommendations submitted to the Committee by the Chief Executive Officer. In the case of the Chief Executive Officer, the evaluation of his performance is conducted by the Compensation Committee, which determines any adjustments to his compensation as well as awards to be granted. The agenda for meetings of the Compensation Committee is usually determined by its Chairman, with the assistance of the Company's Chief Executive Officer. Compensation Committee meetings are regularly attended by the Chief Executive Officer. Our compensation committee hired Hewitt Associates LLC, operating as Aon Hewitt, a compensation consultant, in January 2015 to perform a compensation program review and market analysis, as well as provide their recommendations for our 2015 Plan.

The Compensation Committee operates under a written Compensation Committee Charter, which is available to stockholders on our website at <http://ir.advaxis.com/governance-docs>.

Nominating and Corporate Governance Committee

For fiscal year 2015, the Nominating and Corporate Governance Committee was composed of Mr. Ridge, Dr. Patton, Dr. Sidransky and Dr. Khleif.

The Nominating and Corporate Governance Committee operates under a written Nominating and Corporate Governance Committee Charter, which is available to stockholders on our website at <http://ir.advaxis.com/governance-docs>.

The Nominating and Corporate Governance Committee will consider director candidates recommended by eligible stockholders. Stockholders may recommend director nominees for consideration by the Nominating and Corporate Governance Committee by writing to the Nominating and Corporate Governance Committee, Attention: Chairman, Advaxis, Inc., 305 College Road East, Princeton, New Jersey, 08540. Any recommendations for director made to the Nominating and Corporate Governance Committee should include the nominee's name and qualifications for membership on our Board of Directors, and should include the following information for each person being recommended or nominated for election as a director:

Edgar Filing: Advaxis, Inc. - Form PRE 14A

The name, age, business address and residence address of the person;

The principal occupation or employment of the person;

The number of shares of our Common Stock that the person owns beneficially or of record; and

Any other information relating to the person that must be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for election of directors under Section 14 of the Exchange Act and its rules and regulations.

In addition, the stockholder's notice must include the following information about such stockholder:

The stockholder's name and record address;

The number of shares of our Common Stock that the stockholder owns beneficially or of record;

A description of all arrangements or understandings between the stockholder and each proposed nominee and any other person or persons, including their names, pursuant to which the nomination is to be made;

A representation that the stockholder intends to appear in person or by proxy at the annual meeting to nominate the person or persons named in such stockholder's notice; and

Any other information about the stockholder that must be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for election of directors under Section 14 of the Exchange Act and its rules and regulations.

The notice must include a written consent by each proposed nominee to being named as a nominee and to serve as a director if elected. No person will be eligible for election as a director of ours unless recommended by the Nominating and Corporate Governance Committee and nominated by our Board of Directors or nominated in accordance with the procedures set forth above. Candidates proposed by stockholders for nomination are evaluated using the same criteria as candidates initially proposed by the Nominating and Corporate Governance Committee.

We must receive the written nomination for an annual meeting not less than 90 days and not more than 120 days prior to the first anniversary of the previous year's annual meeting of stockholders, or, if no annual meeting was held the previous year or the date of the annual meeting is advanced more than 30 days before or delayed more than 60 days after the anniversary date, we must receive the written nomination not more than 120 days prior to the annual meeting and not less than the later of 90 days prior to the annual meeting or ten days following the day on which public announcement of the date of the annual meeting is first made. For a special meeting, we must receive the written nomination not less than the later of 90 days prior to the special meeting or ten days following the day on which public announcement of the date of the special meeting is first made.

The Nominating and Corporate Governance Committee expects, as minimum qualifications, that nominees to our Board of Directors (including incumbent directors) will enhance our Board of Director's management, finance and/or scientific expertise, will not have a conflict of interest and will have a high ethical standard. A director nominee's knowledge and/or experience in areas such as, but not limited to, the medical, biotechnology, or life sciences industry, equity and debt capital markets and financial accounting are likely to be considered both in relation to the individual's qualification to serve on our Board of Directors and the needs of our Board of Directors as a whole. Other characteristics, including but not limited to, the director nominee's material relationships with us, time availability, service on other boards of directors and their committees, or any other characteristics that may prove relevant at any given time as determined by the Nominating and Corporate Governance Committee shall be reviewed for purposes of determining a director nominee's qualification.

Candidates for director nominees are evaluated by the Nominating and Corporate Governance Committee in the context of the current composition of our Board of Directors, our operating requirements and the long-term interests of our stockholders. The Nominating and Corporate Governance Committee then uses its network of contacts to compile a list of potential candidates, but may also engage, if it deems appropriate, a professional search firm. The Nominating and Corporate Governance Committee conducts any appropriate and necessary inquiries into the backgrounds and qualifications of possible candidates after considering the function and needs of our Board of Directors. In the case of incumbent directors whose terms of office are set to expire, the Nominating and Corporate Governance Committee reviews such directors' overall service to us during their term, including the number of meetings attended, level of participation, quality of performance, and any other relationships and transactions that might impair such directors' independence. The Nominating and Corporate Governance Committee meets to discuss and consider such candidates' qualifications and then selects a nominee for recommendation to our Board of Directors by majority vote. To date, the Nominating and Corporate Governance Committee has not paid a fee to any third party to assist in the process of identifying or evaluating director candidates.

While we do not have a formal diversity policy for Board membership, we will seek to ensure that its membership consists of sufficiently diverse backgrounds, meaning a mix of backgrounds and experiences that will enhance the quality of the Board's deliberations and decisions. In considering candidates for the Board, the independent directors will consider, among other factors, diversity with respect to viewpoints, skills, experience and other demographics.

Research and Development Committee

The Research and Development Committee was established in August 2013 with the purpose of providing advice and guidance to the Board on scientific and medical matters and development. The Research and Development Committee currently consists of Dr. Sidransky, Dr. Khleif and Dr. McKearn.

Board Leadership Structure

On May 27, 2015, David Sidransky was appointed Chairman and continues to serve as Chairman. Dr. Sidransky's experience in life science companies, as well as his scientific knowledge, his history with our Company and his own history of innovation and strategic thinking, qualify him to serve as our Chairman. Additionally, on August 19, 2013, Daniel J. O'Connor was appointed our Chief Executive Officer and President. Mr. O'Connor's knowledge of industry standards and his experience in industry operations, and his leadership experience provides a fine compliment to Dr. Sidransky's scientific knowledge. While we do not have a formal policy regarding the separation of our Chief Executive Officer and Chairman of our Board, we believe the current structure is in the best interest of the Company at this time. Further, this structure demonstrates to our employees, customers and stockholders that we are under strong leadership, with multiple skills and sets the tone for managing our operations. This unity of leadership promotes strategic development and execution, timely decision-making and effective management of our resources. We believe that we are well-served by this structure.

Risk Oversight

The Board has an active role in overseeing our risk management and is responsible for discussing with management and the independent auditors our major financial risk exposures, the guidelines and policies by which risk assessment and management is undertaken, and the steps management has taken to monitor and control risk exposure. The Board regularly engages in discussions of the most significant risks that we are facing and how those risks are being managed. The Board believes that its work and the work of the Chairman and the Chief Executive Officer, enables the Board to effectively oversee our risk management function.

Stockholder Communications to the Board

Stockholders may contact an individual director, the Board as a group, or a specified Board committee or group, including the non-employee directors as a group, by writing to the following address:

Advaxis, Inc.

305 College Road East

Princeton, New Jersey 08540

Attn: Board of Directors

Each communication should specify the applicable addressee or addressees to be contacted as well as the general topic of the communication. We will initially receive and process communications before forwarding them to the addressee. We generally will not forward to the directors a stockholder communication that we determine to be primarily commercial in nature or relates to an improper or irrelevant topic, or that requests general information about us.

Section 16(a) of the Exchange Act, requires our directors and executive officers and each person who owns more than ten percent of a registered class of our equity securities (collectively, "Reporting Persons") to file with the SEC initial reports of ownership and reports of changes in ownership of our Common Stock and our other equity securities. Reporting Persons are required by SEC regulation to furnish us with copies of all Section 16(a) forms that they file. Based solely on the Company's review of the copies of the forms received by it during the fiscal year ended October 31, 2015 and written representations that no other reports were required, the Company believes that each person who, at any time during such fiscal year, was a Reporting Person complied with all Section 16(a) filing requirements during such fiscal year, except: (i) Daniel J. O'Connor, our Chief Executive Officer, filed a late Form 4 on February 4, 2015 to report a transaction that occurred on January 30, 2015; (ii) Sara Bonstein, our Chief Financial Officer, filed a late Form 4 on February 4, 2015 to report a transaction that occurred on January 30, 2015; (iii) Gregory T. Mauro, our former Chief Medical Officer, filed a late Form 4 on February 4, 2015 to report a transaction that occurred on January 30, 2015.

Compensation Committee Interlocks and Insider Participation

During fiscal year 2015, the Compensation Committee consisted of Messrs. Berman and Appel, and Dr. Patton. No member of the Compensation Committee was an officer or employee of the Company during the last fiscal year or at any other time, or had any relationship with the Company requiring disclosure under Item 404 of Regulation S-K, except as otherwise disclosed under “Certain Relationships and Related Party Transactions” below. No executive officer of the Company served as a member of the board of directors or compensation committee of another entity, one of whose executive officers served on the Company’s Compensation Committee or Board of Directors.

Certain Relationships and Related Transactions

Our policy is to enter into transactions with related parties on terms that, on the whole, are no more favorable, or no less favorable, than those available from unaffiliated third parties. Based on our experience in the business sectors in which we operate and the terms of our transactions with unaffiliated third parties, we believe that all of the transactions described below met this policy standard at the time they occurred.

OWNERSHIP OF SECURITIES

Except as noted below, the following table sets forth certain information with respect to the beneficial ownership of our Common Stock as of January 22, 2016:

The O'Connor Employment Agreement, as amended, provides for an initial term of three years, after which it will be automatically renewed for one year periods, unless otherwise terminated by either party upon ninety (90) days written notice. Mr. O'Connor is entitled to a 2015 base salary of \$370,000 per year (plus annual cost-of-living adjustments), which will be reviewed on an annual basis.

Pursuant to the O'Connor Employment Agreement, as amended, the base salary shall be paid in two components: a percentage in cash and a percentage in Common Stock. The Company and Executive shall agree, from time to time, regarding the percentage used for the cash component and the stock component.

Mr. O'Connor is eligible to receive a target annual bonus of 50% of his base salary, which amount, if any, will be determined by the Compensation Committee based on achievement of goals to be established by the committee and Mr. O'Connor at the beginning of each fiscal year. Mr. O'Connor is eligible to participate in our benefit plans, is entitled to 4 weeks of vacation and sick leave, as well as reimbursement of reasonable expenses incurred in fulfilling his duties.

In the event Mr. O'Connor's employment is terminated without Just Cause, or if he voluntarily resigns with Good Reason, or if his employment is terminated due to disability (all as defined in the employment agreement), and so long as Mr. O'Connor executes a confidential separation and release agreement, in addition to the applicable base salary, plus any accrued but unused vacation time and unpaid expenses that have been earned as of the date of such termination, Mr. O'Connor is entitled to the following: (i) 12-months of base salary and continued health and welfare benefits payable in equal monthly installments, (ii) pro rata target bonus, (iii) full vesting of all stock options and extension of the exercise period for such stock options by two years, (iv) the issuance of all earned but unissued shares of common stock, and (v) removal of all restrictive legends on shares that qualify for such treatment under Rule 144 of the Securities and Exchange Act of 1934 within 10 business days of the presentation of such shares to the transfer agent. For a stockholder proposal to be considered for inclusion in our proxy statement for our 2017 annual meeting of stockholders, our Corporate Secretary must receive the written proposal at our principal executive offices no later than December 9, 2016; provided, however, that in the event that we hold our 2017 annual meeting of stockholders more than 30 days before or after the one-year anniversary date of the 2016 Annual Meeting, we will disclose the new deadline by which stockholders proposals must be received under Item 5 of our earliest possible Quarterly Report on Form 10-Q or, if impracticable, by any means reasonably calculated to inform stockholders. DELIVERY OF PROXY MATERIALS TO HOUSEHOLDS

The SEC has adopted rules that permit companies and intermediaries, such as brokers, to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as “householding,” potentially provides extra convenience for stockholders and cost savings for companies.

We and some brokers may be householding our proxy materials by delivering a single proxy statement and annual report to multiple stockholders sharing an address unless contrary instructions have been received from the affected

stockholders. Once you have received notice from your broker or us that they or we will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If at any time you no longer wish to participate in householding and would prefer to receive a separate proxy statement and annual report, or if you are receiving multiple copies of the proxy statement and annual report and wish to receive only one, please notify your broker if your shares are held in a brokerage account or us if you are a stockholder of record. You can notify us by sending a written request by mail to Gregory T. Mayes, Chief Operating Officer and Secretary, Advaxis, Inc., 305 College Road East, Princeton, New Jersey 08540, or by calling (609) 250-7515. In addition, we will promptly deliver, upon written or oral request to the address or telephone number above, a separate copy of the annual report and proxy statement to a stockholder at a shared address to which a single copy of the documents was delivered.

OTHER MATTERS

The Board knows of no other matters that may come before the Annual Meeting. If any other matters should properly come before the Annual Meeting, it is the intention of the persons named in the accompanying proxy to vote in accordance with their judgment on such matters. Such discretionary authority is conferred by the proxy.

In our filings with the SEC, information is sometimes “incorporated by reference.” This means that we are referring you to information that has previously been filed with the SEC, so the information should be considered as part of the filing you are reading.
