Prof. Shoham’s departure is not related to any disagreement with the Company’s accounting or operating policies or practices. Professor Shoham expects to devote more time to the scientific side of the Company’s business, including with respect to his commitment to its scientific advisory board.

On December 6, 2017, the Board appointed Mr. Prattipati Laxminarain, age 60, to fill the vacancy on the Board resulting from Prof. Shoham’s resignation and to serve as a Class III director of the Company, whose term expires at the Company’s 2018 annual meeting of stockholders. The Company believes that Mr. Laxminarain is qualified as a Board member of the Company because of his extensive experience working with medical device companies and knowledge of the industries in which the Company intends to compete.

Mr. Laxminarain will receive compensation for his services as a director in accordance with the compensation package of the Company for all non-management directors, which as of December 6, 2017 includes:
