**PROXY STATEMENT
2018 ANNUAL MEETING OF STOCKHOLDERS**

GENERAL INFORMATION

This proxy statement (“Proxy Statement”) is being furnished in connection with the solicitation of proxies by the Board of Directors (the “Board of Directors” or the “Board”) of OncoSec Medical Incorporated, a Nevada corporation (the “Company,” “OncoSec,” “we,” “us” or “our”), for use at our 2018 Annual Meeting of Stockholders (the “Annual Meeting”) to be held on December 18, 2018, at 10:00 a.m., Eastern Time, at the offices of our legal counsel, Alston & Bird LLP, located at 90 Park Avenue, New York, New York 10016, and at any adjournments or postponements thereof. Stockholders are being asked to vote at the Annual Meeting on the following proposals: (1) the election of five directors to the Board; (2) to ratify the appointment of Mayer Hoffman McCann P.C. as the Company’s independent registered public accounting firm for our fiscal year ending July 31, 2019; (3) to approve an amendment to our Articles of Incorporation to authorize the Company to issue up to 10,000,000 shares of blank check preferred stock, par value \$0.001 per share, in series as determined by the Board of Directors, with such rights, privileges, preferences and limitations as the Board may, in its sole discretion, determine; (4) to approve, on an advisory basis, the compensation of the Company’s named executive officers; and (5) such other business as may properly come before the Annual Meeting. This Proxy Statement summarizes the information you need to know in order to vote on these proposals in an informed manner.

Delivery of Proxy Materials

Pursuant to rules adopted by the Securities and Exchange Commission (“SEC”), we have elected to provide access on the internet to our proxy materials, including this Proxy Statement and our annual report for our fiscal year ended July 31, 2018 (“Fiscal Year 2018,” and such annual report, the “Annual Report”). In addition, we will mail a full set of our proxy materials for the Annual Meeting, including a proxy card, to stockholders who have previously requested paper delivery of our proxy materials. Accordingly, beginning on or about November 8, 2018, we are mailing a Notice of Internet Availability of Proxy Materials or a full set of our proxy materials, as applicable, to all of our stockholders of record and beneficial owners as of the record date for the Annual Meeting. If you receive a Notice of Internet Availability of Proxy Materials, please follow the instructions in such notice regarding how to access and review the Proxy Statement and the Annual Report on the internet and submit your proxy for the Annual Meeting. If you have elected to receive a printed copy of our proxy materials by mail, please follow the instructions set forth on the proxy card you receive by mail.

QUESTIONS AND ANSWERS

Q: Why did I receive an “Important Notice Regarding the Availability of Proxy Materials”?

In accordance with Securities and Exchange Commission (“SEC”) rules, instead of mailing a printed copy of our proxy materials, we may send an “Important Notice Regarding the Availability of Proxy Materials” to stockholders. All stockholders will have the ability to access the proxy materials on a website referred to in the notice or to

A. request a printed set of these materials at no charge. You will not receive a printed copy of the proxy materials unless you specifically request one from us. Instead, the notice instructs you as to how you may access and review all of the important information contained in the proxy materials via the internet and submit your vote via the internet.

Q: When is the Annual Meeting?

A. The Annual Meeting will be held at 10:00 a.m., Eastern Time, on December 18, 2018.

Q: Where will the Annual Meeting be held?

A. The Annual Meeting will be held at the offices of Alston & Bird LLP, our legal counsel, located at 90 Park Avenue, New York, New York 10016.

Q: What is the purpose of the Annual Meeting?

At the Annual Meeting, our stockholders will act upon the matters outlined in the Notice of 2018 Annual Meeting of Stockholders accompanying this proxy statement, including (i) the election of five directors, until their successors are elected and qualified, (ii) the ratification of the appointment of Mayer Hoffman McCann P.C. as our independent registered public accounting firm for the fiscal year ending July 31, 2019, (iii) the approval of an

A. amendment to our Articles of Incorporation to authorize the Company to issue up to 10,000,000 shares of blank check preferred stock, par value \$0.001 per share, in series as determined by the Board, with such rights, privileges, preferences and limitations as the Board may, in its sole discretion, determine, (iv) an advisory approval of the compensation of our named executive officers, and (v) the transaction of any other business that may properly come before the 2018 Annual Meeting or any adjournment thereof.

Q: How many votes do I have?

A. On each matter to be voted upon, you have one vote for each share of common stock you own as of the Record Date.

Q: Who is entitled to vote at our Annual Meeting?

A. Only stockholders of record at the close of business on November 2, 2018, which we refer to as the Record Date, are entitled to receive notice of the Annual Meeting and to vote the shares that they held on that date at the Annual Meeting, or any adjournment or postponement thereof. As of the close of business on the Record Date, we had [] shares of common stock outstanding. Each share of common stock entitles its holder to one vote at the Annual Meeting. A list of stockholders entitled to vote at the Annual Meeting, including the address of and number of shares held by each stockholder of record, will be available for your inspection beginning November 8, 2018, at our

offices located at 24 N. Main Street, Pennington, NJ 08534, between the hours of 10:00 a.m. and 5:00 p.m., Eastern Time, each business day.

Stockholders of Record: Shares Registered in Your Name. If on the Record Date your shares were registered directly in your name with our transfer agent, Nevada Agency and Transfer Company, then you are a stockholder of record. As a stockholder of record, you may vote in person at the Annual Meeting or vote by proxy. Whether or not you plan to attend the Annual Meeting, we urge you to fill out and return the enclosed proxy card, to ensure your vote is counted.

Beneficial Owner: Shares Registered in the Name of a Broker, Bank, Custodian or Other Nominee. If on the Record Date your shares were held in an account at a brokerage firm, bank, custodian or other nominee, then you are the beneficial owner of shares held in “street name” and these proxy materials are being forwarded to you by that organization. The organization holding your account is considered the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your broker, bank, custodian or other nominee on how to vote the shares in your account. You are also invited to attend the Annual Meeting. However, because you are not the stockholder of record, you may not vote your shares in person at the Annual Meeting unless you request and obtain a valid proxy from your broker, bank, custodian or other nominee.

Q: How do I vote?

Whether you hold shares directly as the stockholder of record or indirectly as the beneficial owner of shares held for you by a broker or other nominee (i.e., in “street name”), you may direct your vote without attending the Annual Meeting. You may vote by granting a proxy or, for shares you hold in street name, by submitting voting instructions to your broker or nominee. In most instances, you will be able to do this by internet, telephone or by mail. Please refer to the summary instructions below and those included on your proxy card or, for shares you hold in street name, the voting instruction card provided by your broker or nominee.

By Internet — If you have internet access, you may authorize your proxy from any location in the world as directed in our “Important Notice Regarding the Availability of Proxy Materials.”

By Telephone — If you are calling from the United States or Canada, you may authorize your proxy by following the “By Telephone” instructions on the proxy card or, if applicable, the telephone voting instructions that may be described on the voting instruction card sent to you by your broker or nominee.

By Mail — You may authorize your proxy by signing your proxy card and mailing it in the enclosed, postage-prepaid and addressed envelope. For shares you hold in street name, you may sign the voting instruction card included by your broker or nominee and mail it in the envelope provided.

Q: What is a proxy?

A. A proxy is a person you appoint to vote your shares of our common stock on your behalf. If you are unable to attend the Annual Meeting, our Board of Directors is seeking your appointment of a proxy so that your shares of our common stock may be voted. If you vote by proxy, you will be designating Daniel J. O'Connor, our President and Chief Executive Officer, and Sara M. Bonstein, our Chief Financial Officer, Chief Operating Officer and Corporate Secretary, as your proxies. Mr. O'Connor and/or Ms. Bonstein may act on your behalf and have the authority to appoint a substitute to act as your proxy.

Q: How will my shares be voted if I vote by proxy?

A. Your proxy will be voted according to the instructions you provide. If you complete and submit your proxy but do not otherwise provide instructions on how to vote your shares, your shares will be voted (i) "FOR" the individuals nominated to serve as members of our Board of Directors, (ii) "FOR" the ratification of Mayer Hoffman McCann P.C. as our independent registered public accounting firm for the fiscal year ending July 31, 2019, (iii) "FOR" the approval of an amendment to our Articles of Incorporation to authorize the issuance of up to 10,000,000 shares of blank check preferred stock, and (iv) "FOR" the advisory approval of the compensation of our names executive officers. Presently, our Board of Directors does not know of any other matter that may come before the Annual Meeting. However, your proxies are authorized to vote on your behalf, using their discretion, on any other business that properly comes before the Annual Meeting.

Q: Can I change my vote after I return my proxy card?

A. Yes. You may revoke your proxy at any time before the final vote at the Annual Meeting. If you are the record holder of your shares, you may revoke your proxy in any one of three ways:

You may send a written notice that you are revoking your proxy to our Corporate Secretary, Sara Bonstein at 24 N. Main Street Pennington, NJ 08534 (so long as we receive such notice no later than the close of business on the day before the Annual Meeting);

You may submit a later dated proxy card or voting again via the internet as described in the "Important Notice Regarding the Availability of Proxy Materials"; or

You may attend the Annual Meeting and notify the election officials at the Annual Meeting that you wish to revoke your proxy and vote in person. Simply attending the Annual Meeting will not, by itself, revoke your proxy.

If your shares are held by your broker, bank, custodian or other nominee, you should follow the instructions provided by such broker, bank, custodian or other nominee.

Q: Is my vote confidential?

A. Yes. All votes remain confidential, unless you provide otherwise.

Q: How are votes counted?

A. Before the Annual Meeting, our Board of Directors will appoint one or more inspectors of election for the meeting. The inspector(s) will determine the number of shares represented at the meeting, the existence of a quorum and the validity and effect of proxies. The inspector(s) will also receive, count, and tabulate ballots and votes and determine the results of the voting on each matter that comes before the Annual Meeting.

Abstentions and votes withheld, and shares represented by proxies reflecting abstentions or votes withheld, will be treated as present for purposes of determining the existence of a quorum at the Annual Meeting. They will not be considered as votes “for” or “against” any matter for which the stockholder has indicated their intention to abstain or withhold their vote. Broker or nominee non-votes, which occur when shares are held in “street name” by brokers or nominees who indicate that they do not have discretionary authority to vote on a particular matter, will not be considered as votes “for” or “against” that particular matter. Broker and nominee non-votes will be treated as present for purposes of determining the existence of a quorum, and may be entitled to vote on certain matters at the Annual Meeting.

Q: What constitutes a quorum at the Annual Meeting?

A. In accordance with Nevada law (the law under which we are incorporated) and our Bylaws, the presence at the Annual Meeting, by proxy or in person, of the holders of a majority of the shares of our common stock issued, outstanding, and entitled to vote on the record date constitutes a quorum, thereby permitting the stockholders to conduct business at the Annual Meeting. Abstentions, votes withheld, and broker or nominee non-votes will be included in the calculation of the number of shares considered present at the Annual Meeting for purposes of determining the existence of a quorum.

If a quorum is not present at the Annual Meeting, a majority of the stockholders present in person and by proxy may adjourn the meeting to another date. If an adjournment is for more than 30 days or a new record date is fixed for the adjourned meeting by our Board of Directors, we will provide notice of the adjourned meeting to each stockholder of record entitled to vote at the adjourned meeting. At any adjourned meeting at which a quorum is present, any business may be transacted that might have been transacted at the originally called meeting.

Q: What vote is required to elect each of our director-nominees?

A. The affirmative vote of a plurality of the votes of the shares present, in person or by proxy, at the Annual Meeting is required for the election of each of the director nominees. “Plurality” means that the nominees receiving the largest number of votes up to the number of directors to be elected at the Annual Meeting will be duly elected as directors. Abstentions, votes withheld, and broker or nominee non-votes will not affect the outcome of director elections.

Q: What vote is required to ratify Mayer Hoffman McCann P.C. as our independent registered public accounting firm for the fiscal year ending July 31, 2019?

A. The affirmative vote of a majority of the shares present, in person or by proxy, and entitled to vote at the Annual Meeting is required to approve the ratification Mayer Hoffman McCann P.C. as our independent registered public accounting firm for the fiscal year ending July 31, 2019. Abstentions and votes withheld will have the same effect as a negative vote. However, broker or nominee non-votes, and shares represented by proxies reflecting broker or nominee non-votes, will not have the effect of a vote against this proposal as they are not considered to be present and entitled to vote on this matter.

Q: What vote is required to authorize our Board, in its discretion, to amend the Articles of Incorporation to authorize the Company to issue up to 10,000,000 shares of blank check preferred stock, par value \$0.001 per share, in series as determined by the Board, with such rights, privileges, preferences and limitations as the Board may, in its sole discretion, determine?

A. The affirmative vote of a majority of the common shares outstanding is required to approve the amendment to our Articles of Incorporation to authorize the Company to issue up to 10,000,000 shares of blank check preferred stock, par value \$0.001 per share, in series as determined by the Board, with such rights, privileges, preferences and limitations as the Board of Directors may, in its sole discretion, determine. Abstentions and votes withheld and broker or nominee non-votes (and shares represented by proxies reflecting broker or nominee non-votes) will have the same effect as a negative vote.

Q: What vote is required to approve the compensation of our named executive officers?

A. The affirmative vote of a majority of the shares present, in person or by proxy, and entitled to vote at the Annual Meeting is required to approve the compensation of our named executive officers. Abstentions and votes withheld will have the same effect as a negative vote. However, broker or nominee non-votes, and shares represented by proxies reflecting broker or nominee non-votes, will not have the effect of a vote against this proposal as they are not considered to be present and entitled to vote on this matter.

Q: What percentage of our outstanding common stock do our directors and executive officers own?

A. As of November 2, 2018, our directors and executive officers owned, or have the right to acquire, approximately [__]% of our outstanding common stock. See the discussion under the heading “Security Ownership of Certain Beneficial Owners and Management” on page 30 for more details.

Q: How can I find out the results of the voting at the Annual Meeting?

A. We will announce preliminary voting results at the Annual Meeting. We will also disclose voting results on a Form 8-K filed with the SEC, within four business days after the Annual Meeting.

Q: Who was our independent public accountant for the year ended July 31, 2018? Will they be represented at the Annual Meeting?

A. Mayer Hoffman McCann P.C. is the independent registered public accounting firm that audited our financial statements for the fiscal year ended July 31, 2018. We expect a representative of Mayer Hoffman McCann P.C. to be present at the Annual Meeting. The representative will have an opportunity to make a statement and will be available to answer your questions.

Q: Who is paying for this proxy solicitation?

A. We will pay the entire cost of preparing, assembling, printing, mailing, and distributing these proxy materials and soliciting votes. If you choose to vote over the internet, you are responsible for internet access charges you may incur. If you choose to vote by telephone, you are responsible for telephone charges you may incur. In addition to the mailing of these proxy materials, the solicitation of proxies or votes may be made in person, by telephone or by electronic communication by our directors, officers and employees, who will not receive any additional compensation for such solicitation activities. Proxies also may be solicited by employees and our directors by mail, telephone, facsimile, e-mail or in person.

Q: How can I obtain a copy of our annual report on Form 10-K?

A. We have filed our annual report on Form 10-K for the fiscal year ended July 31, 2018, with the SEC. The annual report on Form 10-K is also included in the Annual Report to stockholders. You may obtain, free of charge, a copy of our annual report on Form 10-K, including financial statements and exhibits, by writing to our Corporate Secretary, Sara Bonstein. Upon request, we will also furnish any exhibits to the annual report on Form 10-K as filed with the SEC.

Important Notice Regarding the Availability of Proxy Materials for the Annual Meeting of Stockholders to Be Held on December 18, 2018

The Notice of Annual Meeting of Stockholders, this Proxy Statement and the Annual Report are available at www.proxyvote.com.

You are encouraged to access and review all of the important information contained in the proxy materials before voting.

Who Can Vote Outstanding Shares

The record date for the Annual Meeting is November 2, 2018. All holders of record of our common stock on the record date are entitled to notice of and to vote at the Annual Meeting and at any adjournment or postponement thereof.

As of the record date for the Annual Meeting, there were [__] shares of our common stock outstanding.

Voting Information

Voting Rights

Each of our stockholders is entitled to one vote for each share of common stock held by such stockholder as of the record date for the Annual Meeting on all matters presented at the Annual Meeting.

Quorum Requirements

The presence in person or representation by proxy at the Annual Meeting (regardless of whether the proxy has authority to vote on each proposal to be voted on at the meeting) of the holders of a majority of the outstanding shares

of our common stock as of the record date for the Annual Meeting will constitute a quorum. Shares represented by proxies that reflect abstentions, broker non-votes (discussed below) or withheld authority to vote on any proposal are each counted as shares that are present at the Annual Meeting for purposes of determining a quorum.

Effect of Not Providing Voting Instructions Broker Non-Votes

If you are a stockholder of record and you submit a valid proxy that is not revoked before your shares are voted at the Annual Meeting and that does not provide voting instructions with respect to your shares, all shares represented by your proxy will be voted in accordance with the recommendation of the Board of Directors on each proposal to be presented at the Annual Meeting, as described in this Proxy Statement.

If you hold your shares in “street name” (that is, your shares are held by a broker or other nominee on your behalf as the beneficial owner, but are not held of record in your name), it is critical that you provide voting instructions to your broker or other nominee if you want your vote to count on Proposal 1 (election of directors), Proposal 3 (approval of the amendment to our Articles of Incorporation) and Proposal 4 (approval of the compensation of the Company’s named executive officers). These proposals constitute “non-routine” matters on which a broker or other nominee is not entitled to vote shares held for a beneficial owner without receiving specific voting instructions from the beneficial owner. As a result, if you hold your shares in street name and you do not instruct your broker on how to vote on Proposals 1, 3 and 4, no vote will be cast on these proposals on your behalf and a “broker non-vote” will occur. Your broker or other nominee will, however, have discretion to vote uninstructed shares on Proposal 2 (ratification of appointment of independent registered public accounting firm), because this proposal constitutes a “routine” matter on which a broker or other nominee is entitled to vote shares held for a beneficial owner even without receiving voting instructions from the beneficial owner.

Required Votes

Each stockholder may vote for, vote against, or abstain from voting on each of the proposals to be voted on at the Annual Meeting. The vote required for approval of each proposal is as follows:

Proposal 1—Election of Directors: Director nominees will be elected by a plurality of the votes cast on this proposal by shares present in person or represented by proxy and entitled to vote on the election of directors at the Annual Meeting, meaning that the five nominees who receive the highest number of votes will be elected. Abstentions and broker non-votes, if any, will have no impact on the outcome of the vote on Proposal 1.

Proposal 2— Ratification of the Appointment of Independent Registered Public Accounting Firm: This proposal will be approved if the number of votes cast in favor of the action at the Annual Meeting exceeds the number of votes cast in opposition to the action at the Annual Meeting. Abstentions are not counted as votes cast and will have no impact on the outcome of the vote on Proposal 2.

Proposal 3—Approval of an Amendment to the Company’s Articles of Incorporation to Authorize the Company to Issue up to 10,000,000 Shares of Blank Check Preferred Stock, in a Series as Determined by the Board, with such Rights, Privileges, Preferences and Limitations as the Board may, in its Sole Discretion, Determine: This proposal will be approved if the majority of votes representing common shares are cast in favor of the action at the Annual Meeting. Abstentions and votes withheld and broker or nominee non-votes (and shares represented by proxies reflecting broker or nominee non-votes) will have the same effect as a negative vote.

Proposal 4—Advisory Approval of the Compensation of Named Executive Officers: An affirmative vote of a majority of shares present in person or represented by proxy and that are entitled to vote on such proposal at the Annual Meeting is required to approve Proposal 4. Abstentions and broker non-votes, if any, will have no impact on Proposal 4.

Tabulation of Votes

The inspector of elections of the Annual Meeting will tabulate the votes of our stockholders. All shares entitled to vote and represented by properly submitted proxies (including those submitted via the internet, by telephone and by mail) that are received before the voting deadlines described under “How to Cast or Revoke Your Vote—Voting Deadlines” below and are not revoked or superseded will be voted at the Annual Meeting in accordance with the instructions indicated on the proxies. If such a properly submitted and unrevoked proxy does not provide voting instructions on a proposal, then the shares represented by the proxy will be voted on the proposal at the Annual Meeting by the proxy holders named in the proxy in accordance with the recommendations of our Board as described in this Proxy Statement. If the Annual Meeting is adjourned or postponed, properly submitted and unrevoked proxies will remain effective and will be voted at the adjourned or postponed Annual Meeting, and stockholders will retain the right to change or revoke any such proxy until it is actually voted at the adjourned or postponed Annual Meeting.

How to Cast or Revoke Your Vote

You may vote by attending the Annual Meeting and voting in person, or you may vote by submitting a proxy. If you desire to attend the Annual Meeting and vote in person, please see the important information under “Attending the Annual Meeting” below.

Stockholders of Record

You are a stockholder of record if your shares are registered directly in your name with Nevada Agency and Transfer Company, our transfer agent. If you were a stockholder of record at the close of business on the record date for the Annual Meeting, you may vote by submitting your proxy via the internet, by telephone or through the mail. To vote via the internet, follow the instructions in the Notice of Internet Availability of Proxy Materials or go to the internet address stated on your proxy card. To vote by telephone, call the number stated on your proxy card. If you have received a proxy card in the mail and wish to vote by mail, simply mark your proxy card, date and sign it, and return it in the postage-prepaid envelope. If you have received a proxy card in the mail and wish to vote by mail, simply mark your proxy card, date and sign it, and return it in the postage-prepaid envelope. If you do not have the postage-prepaid envelope, please mail your completed proxy card to the following address: OncoSec Medical Incorporated, c/o Proxy Services, 51 Mercedes Way, Edgewood, New York 11717. If you receive only the Notice of Internet Availability of Proxy Materials and would like to vote by mail, follow the procedures described in such notice to request a paper proxy card to submit your vote by mail.

You should receive voting instructions from the broker or other nominee that holds your shares, and you should follow these instructions in order to direct your broker or other nominee on how to vote your shares. The availability of various voting methods for beneficial owners, including voting via the internet, by telephone or by mail, will depend on the voting processes of each broker or other nominee. Stockholders who submit a proxy via the internet or by telephone need not return a proxy card or the form provided by your broker or other nominee.

YOUR VOTE IS VERY IMPORTANT.

We recommend that you promptly submit your proxy, even if you plan to attend the Annual Meeting in person.

If you choose to attend the Annual Meeting in person, you may be asked to present valid picture identification, such as a driver's license or passport. Additionally, if you are

a beneficial owner of shares held in street name, you must bring to the Annual Meeting a copy of a brokerage statement reflecting your ownership of our common stock as of the record date, so that we may identify you as a stockholder of our Company.

Submitting your vote prior to the Annual Meeting will not affect your right to vote at the Annual Meeting if you decide to attend however, your attendance at the Annual Meeting after having submitted a valid proxy will not in and of itself constitute a revocation of your proxy. In order to revoke a previously submitted proxy at the Annual Meeting, you should give oral notice of your intention to vote in person to the inspector of elections of the Annual Meeting and submit a completed ballot at the Annual Meeting reflecting your new vote.

Proxy Solicitation Costs

The accompanying proxy is solicited on behalf of the Board. We will pay for the cost of preparing, assembling, printing and mailing the proxy materials for the Annual Meeting to our stockholders, as well as the cost of soliciting proxies for the Annual Meeting. We may request brokers and other nominees holding shares in their names that are beneficially owned by others to solicit proxies for the Annual Meeting from these beneficial owners, and we will reimburse these brokers and other nominees for their reasonable out-of-pocket expenses regarding these solicitations. Our directors, officers and other employees may supplement the original solicitation of proxies through the use of the mail, by telephone, facsimile, e-mail or personal solicitation. We will pay no additional compensation to our directors, officers and other employees for these activities. We have not engaged employees for the specific purpose of soliciting proxies or a proxy solicitation firm to assist us in soliciting proxies, but we may elect to engage and pay the cost of such employees or such a proxy solicitation firm at any time.

Householding

The SEC has adopted rules that allow a company to deliver a single set of proxy materials, including a Notice of Internet Availability of Proxy Materials and/or a complete copy of the proxy statement, annual report and proxy card, to multiple stockholders who share the same address, unless contrary instructions have been received from a stockholder. This method of delivery, known as “householding,” permits companies to realize cost savings, reduces the amount of duplicate information stockholders receive and reduces the environmental impact of printing and mailing these materials to stockholders. We have adopted householding for the Annual Meeting, and as a result, stockholders sharing an address will receive only one copy of our proxy materials. Upon our receipt of a written or oral request, we will deliver promptly, at no charge, a separate copy of the proxy materials for the Annual Meeting to any stockholder at a shared address to which we have delivered a single copy of these materials. In addition, stockholders who share an address and receive a single copy of our proxy materials for the Annual Meeting may submit a request to receive multiple copies of these materials for future annual meetings of our stockholders, and stockholders who share an address and receive multiple copies of our proxy materials for the Annual Meeting may request to receive a single copy of these materials for our future annual meetings of stockholders. Any such requests should be directed to us by writing to 24 N. Main Street, Pennington, NJ 08534, Attn: Secretary, or by calling 855-662-6732.

PROPOSAL 2
RATIFICATION OF THE APPOINTMENT OF OUR
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

General

The Audit Committee has re-appointed Mayer Hoffman McCann P.C. (“MHM”) as our independent registered public accounting firm for our fiscal year ending July 31, 2019. MHM has served as the Company’s independent registered public accounting firm since May 2011. In re-appointing MHM, the Audit Committee considered MHM’s independence with respect to the services to be performed by it, as well as other factors the Audit Committee and the Board considered relevant.

At the Annual Meeting, stockholders will be asked to ratify the appointment of MHM as the Company’s independent registered public accounting firm for our current fiscal year. Stockholder ratification of the appointment of MHM is not required by our bylaws or otherwise. However, the Board of Directors, at the direction of the Audit Committee, is submitting the appointment of MHM to our stockholders for ratification as a matter of good corporate practice. If our stockholders fail to ratify the appointment, the Audit Committee will reconsider whether or not to retain the firm. Even if the appointment is ratified, the Audit Committee, in its discretion, may direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and our stockholders.

Representatives of MHM are expected to be present at the Annual Meeting, will have an opportunity to make a statement if they desire to do so, and are expected to be available to respond to appropriate questions. MHM has advised the Company that MHM leases substantially all of its personnel, who work under the control of MHM’s shareholders, from wholly-owned subsidiaries of CBIZ, Inc., in an alternative practice structure. Accordingly, substantially all of the hours expended on MHM’s engagement to audit the Company’s financial statements for its most recently completed fiscal year were attributed to work performed by persons other than MHM’s full-time, permanent employees.

Independent Registered Public Accounting Firm Fees and Services

The following table presents the aggregate fees billed to the Company for professional services rendered by MHM in Fiscal Year 2018 and our fiscal year ended July 31, 2017 (“Fiscal Year 2017”):

Fiscal Year
2018 2017

Audit Fees(1)	\$233,188	\$176,550
Audit Related Fees(2)	—	—
Tax Fees (3)	—	—
All Other Fees (4)	—	—
Total	\$233,188	\$176,550

Audit Fees consist of fees for professional services rendered by MHM for the audit of our annual consolidated financial statements and review of our interim consolidated financial statements included in our quarterly reports (1) on Form 10-Q, as well as audit services that are normally provided in connection with other statutory and regulatory filings, including consents related to registration statements on Forms S-3 and S-8, and prospectus supplement review or comfort letter preparation related thereto.

Audit-Related Fees consist of fees for assurance and related services that are reasonably related to the performance (2) of the audit or review of the Company's financial statements and are not reported as Audit Fees. No such fees were billed by MHM for these services during the periods presented.

(3) *Tax Fees* consist of fees for professional services rendered for tax compliance, tax advice and tax planning. No such fees were billed by MHM for these services during the periods presented.

(4) *All Other Fees* consist of fees billed for all products and services provided that are not included in (1), (2) and (3) above. No such fees were billed by MHM for any such services during the periods presented.

Pre-Approval Policies and Procedures

Our Audit Committee's charter requires this Committee to pre-approve all audit and permissible non-audit services to be performed for the Company by our independent registered public accounting firm, as well as the fees and terms for these services, subject to certain exceptions for "de minimis" amounts as permitted by applicable SEC rules. In considering such services and fees for approval, the Audit Committee considers whether the provision of the services and the payment of the related fees are compatible with maintaining the independence of our independent registered public accounting firm.

All of the fees and services provided by MHM described in the table above were authorized and approved by the Audit Committee in compliance with these pre-approval policies and procedures.

The Board of Directors recommends that you vote "FOR" the ratification of the appointment of Mayer Hoffman McCann P.C. as our independent registered public accounting firm.

PROPOSAL 3

APPROVAL OF AMENDMENT TO THE COMPANY'S ARTICLES OF INCORPORATION TO AUTHORIZE THE ISSUANCE OF UP TO 10,000,000 SHARES OF BLANK CHECK PREFERRED STOCK

General

Our Board has approved, subject to stockholder approval, an amendment to our Articles of Incorporation to authorize the issuance of 10,000,000 shares of blank check Preferred Stock (the "Blank Check Preferred Amendment").

If the Blank Check Preferred Amendment is approved by our stockholders, we intend to file the Blank Check Preferred Amendment with the Secretary of State of Nevada, substantially in the form of Appendix A hereto, with the Secretary of State of Nevada as soon as practicable following the approval.

Outstanding Shares and Purpose of the Proposal

Our Articles of Incorporation currently do not authorize us to issue preferred stock.

Upon filing with the Nevada Secretary of State, the Blank Check Preferred Amendment will authorize the issuance of up to 10,000,000 shares of preferred stock, \$0.001 par value. The Board of Directors will be authorized to fix the designations, rights, preferences, powers and limitations of each series of the preferred stock.

The term "blank check" preferred stock refers to stock which gives the Board of Directors of a corporation the flexibility to create one or more series of preferred stock, from time to time, and to determine the relative rights, preferences, powers and limitations of each series, including, without limitation: (i) the number of shares in each series, (ii) whether a series will bear dividends and whether dividends will be cumulative, (iii) the dividend rate and the dates of dividend payments, (iv) liquidation preferences and prices, (v) terms of redemption, including timing, rates and prices, (vi) conversion rights, (vii) any sinking fund requirements, (viii) any restrictions on the issuance of additional shares of any class or series, (ix) any voting rights and (x) any other relative, participating, optional or other special rights, preferences, powers, qualifications, limitations or restrictions. Any issuances of preferred stock by the Company will need to be approved by the Board of Directors.

Effects of Blank Check Preferred Amendment on Current Stockholders

The shares of preferred stock to be authorized pursuant to the Blank Check Preferred Amendment could be issued, at the discretion of the Board, for any proper corporate purpose, without further action by the stockholders other than as may be required by applicable law. The Company does not currently have any plan or proposal to issue any shares of preferred stock. Existing stockholders do not have preemptive rights with respect to future issuance of preferred stock by the Company and their interest in the Company could be diluted by such issuance with respect to earnings per share, voting, liquidation rights and book and market value.

The Board of Directors will have the power to issue the shares of preferred stock in one or more classes or series with such preferences and voting rights as the Board of Directors may fix in the resolution providing for the issuance of such shares. The issuance of shares of preferred stock could affect the relative rights of the Company's shares of common stock. Depending upon the exact terms, limitations and relative rights and preferences, if any, of the shares of preferred stock as determined by the Board of Directors at the time of issuance, the holders of shares of preferred stock may be entitled to a higher dividend rate than that paid on the common stock, a prior claim on funds available for the payment of dividends, a fixed preferential payment in the event of liquidation and dissolution of the Company, redemption rights, rights to convert their shares of preferred stock into shares of common stock, and voting rights which would tend to dilute the voting control of the Company by the holders of shares of common stock. Depending on the particular terms of any series of the preferred stock, holders thereof may have significant voting rights and the right to representation on the Company's Board of Directors. In addition, the approval of the holders of shares of preferred stock, voting as a class or as a series, may be required for the taking of certain corporate actions, such as mergers.

The issuance of shares of preferred stock may have the effect of discouraging or thwarting persons seeking to take control of the Company through a tender offer, proxy fight or otherwise or seeking to bring about removal of incumbent management or a corporate transaction such as a merger. For example, the issuance of shares of preferred stock in a public or private sale, merger or in a similar transaction may, depending on the terms of the series of preferred stock dilute the interest of a party seeking to take over the Company. Further, the authorized preferred stock could be used by the Board of Directors for adoption of a stockholder rights plan or "poison pill."

The Blank Check Preferred Amendment was not proposed in response to, or for the purpose of deterring, any current effort by a hostile bidder to obtain control of the Company or as an anti-takeover measure. It should be noted that any action taken by the Company to discourage an attempt to acquire control of the Company might result in stockholders not being able to participate in any possible premiums which might be obtained in the absence of anti-takeover provisions. Any transaction which may be so discouraged or avoided could be a transaction that the Company's stockholders might consider to be in their best interests. However, the Board of Directors has a fiduciary duty to act in the best interests of the Company's stockholders at all times.

The Board of Directors recommends that you vote "FOR" approval of the amendment to our Articles of Incorporation to provide the Board of Directors with the ability to issue 10,000,000 shares of blank check preferred stock.

PROPOSAL 4

APPROVAL, ON AN ADVISORY BASIS, OF THE COMPENSATION OF THE
COMPANY'S NAMED EXECUTIVE OFFICERS

General

The Board is providing shareholders with the opportunity to cast an advisory vote on the compensation of the Company's named executive officers. This proposal, commonly known as a "Say on Pay" proposal, gives shareholders the opportunity to endorse or not endorse our executive compensation program and related policies and practices as they relate to the compensation of our named executive officers. The say on-pay vote is advisory, and therefore not binding on the Company, the Compensation Committee or our Board of Directors. Our Board of Directors and our Compensation Committee value the opinions of our shareholders and to the extent there is any significant vote against the named executive officer compensation as disclosed in this Proxy Statement, we will consider our shareholders' concerns and the Compensation Committee will evaluate whether any actions are necessary to address those concerns.

The Company's executive compensation program is designed to implement the objective of competitive pay that aligns management's interests with the interests of shareholders and with the Company's annual and long-term performance. The Board believes the Company's executive compensation program uses appropriate structures and sound practices that are effective in achieving our Company milestones.

The Board of Directors recommends that you vote "FOR" approval, on an advisory basis, of the compensation of the Company's named executive officers.

CORPORATE GOVERNANCE

Role of the Board

The primary functions and responsibilities of the Board are to oversee management's operation of the business and affairs of the Company, the determination of our objectives and strategies, and the management of our risks. The functions of the Board are carried out by the full Board and, when delegated, by our Board committees, and each director is a full and equal participant in the major strategic and policy decisions of the Company. The Board has adopted Corporate Governance Guidelines to assist the Board and its committees in performing their duties and serving the best interests of the Company and its stockholders. These Corporate Governance Guidelines are available on our website, located at www.oncosec.com, on the Governance page under the Investors tab.

Director Independence

The Company's common stock is listed on the NASDAQ Capital Market. The rules of NASDAQ require that a majority of the Company's directors be "independent directors," as defined by NASDAQ rules. In addition, NASDAQ rules require that, subject to specified exceptions, each member of a company's audit, compensation and nominating committee be independent. Audit committee and compensation committee members must also satisfy enhanced independence criteria under certain SEC rules and corresponding NASDAQ rules.

Based upon information requested from and provided by each director concerning his background, employment and affiliations, our Board has determined that Dr. Dhillon, Dr. DeMesa and Mr. Mayes, constituting three of the five directors standing for re-election at the Annual Meeting, are independent directors within the meaning of applicable NASDAQ rules. Our Board has also determined that each person serving currently or at any time in Fiscal Year 2018 as a member of the Audit Committee, Compensation Committee or Nominating and Corporate Governance Committee meets all independence and financial expertise requirements under NASDAQ and SEC rules applicable to each such committee, including the enhanced independence requirements applicable to the Audit Committee and the Compensation Committee. In making these determinations, the current and prior relationships of each director with our Company and all other facts and circumstances deemed relevant were considered, including their beneficial ownership of our capital stock and any related party relationships involving our Company and any such director, as described under "Certain Relationships and Related Party Transactions" below. The Board has determined that Punit Dhillon and Daniel J. O'Connor are not independent directors as of the date of this Proxy Statement because of their respective past and present roles as our Chief Executive Officer and President.

Board Leadership Structure

Under our Corporate Governance Guidelines, the Board has the flexibility to decide whether the roles of Chief Executive Officer and Chairman of the Board should be separated or combined. The Board has determined that it is currently in the best interest of the Company and our stockholders for the roles of Chief Executive Officer and Chairman of the Board to be separated in recognition of the differences between these two roles and to permit the individual serving in each role to focus on different aspects of our business.

For example, our Chief Executive Officer is responsible for setting our strategic direction and managing our day-to-day leadership, operations and performance, while the Chairman of the Board focuses on organizing Board activities and maintaining effective working relationships with senior management and among Board members to enable the Board to provide guidance to and oversight (including risk oversight) and accountability of management, provide the Chief Executive Officer ongoing direction regarding Board needs, interests and opinions, and ensure Board agendas are appropriately directed toward the Company's most significant matters. Dr. Avtar Dhillon has served as Chairman of the Board since March 2011, and Mr. Daniel J. O'Connor has served as our Chief Executive Officer since November 2017. Mr. O'Connor also serves as a member of our Board of Directors.

The Board periodically reviews the Board's leadership structure to determine whether it continues to best serve the Company and its stockholders. As a result, the Board may determine in the future that these interests are best served by selecting one person to occupy both the Chief Executive Officer and Chairman of the Board roles.

Board Meetings and Director Attendance at Stockholder Meetings

Our Board met 4 times in Fiscal Year 2018, and each director attended 100% of the meetings of the Board and of the Board committees on which he served during that period.

We expect that our directors will attend our annual meetings of stockholders. All of our directors who served the Company at the time of our 2017 annual meeting of stockholders attended the meeting.

Board Committees

The Board has established the following standing committees: the Audit Committee, Compensation Committee, and Nominating and Corporate Governance Committee. The Board may also create additional, temporary committees from time to time, including committees relating to financings, strategic transactions or other significant corporate matters. The Board has adopted a written charter for each of the Audit Committee, Compensation Committee, Nominating and Corporate Governance Committee, current copies of which are available on our website, located at www.oncosec.com, on the Governance page under the Investors tab.

The members of each of the Board's committees from August 1, 2017, the beginning of Fiscal Year 2018, through October 23, 2018 are set forth in the following tables:

- (3) Dr. Jenkins was first appointed to the Compensation Committee upon Mr. O'Connor's removal from such committee in connection with his appointment as the Company's Chief Executive Officer in November 2017.
- (4) Mr. O'Connor ceased service on all Board committees upon his appointment as the Company's Chief Executive Officer in November 2017.

Audit Committee

The primary functions of the Audit Committee are, among other things: overseeing our accounting and financial reporting processes and the audits of our financial statements and internal control over financial reporting; reviewing the policies and procedures adopted by the Company to fulfill its responsibilities regarding the fair and accurate presentation of financial statements; appointing, retaining and overseeing the work of our independent registered public accounting firm; reviewing and discussing reports from our independent registered public accounting firm regarding critical accounting policies and practices, alternative treatments of financial information and any material written communications between such firm and management; reviewing and discussing with management and our independent registered public accounting firm the Company's financial statements and financial disclosures prior to the filing thereof in any report filed with the SEC; taking appropriate action to oversee and ensure the independence of our independent registered public accounting firm; and establishing procedures for the confidential and anonymous submission by our employees of concerns regarding questionable accounting or auditing matters. The Audit Committee met 4 times in Fiscal 2018.

The Board has determined that Mr. Mayes is an "audit committee financial expert," as defined by applicable SEC rules, and that each member of the Audit Committee has sufficient knowledge in reading and understanding the Company's financial statements to serve on such committee.

Compensation Committee

The primary functions of the Compensation Committee are, among other things: reviewing and approving compensation programs and arrangements applicable to our officers; determining the objectives of our executive officer compensation programs, including reviewing and establishing goals and objectives relevant to Chief Executive Officer compensation, and determining the extent to which they are achieved and any related compensation earned; administering our incentive compensation and equity-based plans; reviewing management's risk assessment regarding the compensation policies and practices of the Company and taking steps to provide that such policies and practices do not encourage unnecessary or excessive risk-taking; and reviewing and approving director compensation and benefits. The Compensation Committee met 4 times in Fiscal Year 2018.

While certain members of senior management, including primarily our Chief Executive Officer, present their views regarding attainment of business objectives and recommended compensation, the Compensation Committee performs its own independent analysis and makes final determinations regarding compensation related matters. Our Chief Executive Officer is not present during the Compensation Committee's or the Board's voting or deliberations regarding his own compensation. The Compensation Committee is not authorized to delegate its authority without the authorization of the Board, but has, with the Board's authorization, delegated to our Chief Executive Officer and our Chairman of the Board the authority to jointly approve grants of equity awards of 100,000 shares or less.

The Compensation Committee's charter gives the Compensation Committee the authority to, without any approval of the Board or management, engage and compensate compensation consultants and other advisors as it deems necessary or desirable to carry out its duties, including its evaluation of director or executive officer compensation. Pursuant to its charter and in accordance with applicable NASDAQ and SEC rules, the Compensation Committee would assess the independence of any compensation consultant, including the existence of any conflicts of interest, prior to any engagement.

In Fiscal Year 2018, the Compensation Committee engaged Marsh & McLennan Agency (“Marsh”), an independent compensation consultant, to review and evaluate all elements of our executive compensation program. Based on their evaluation, Marsh concluded executive compensation generally was below market median. The input from Marsh may be considered by the Compensation Committee in making future compensation decisions.

Nominating and Corporate Governance Committee

The primary functions of the Nominating and Corporate Governance Committee are, among other things: assisting in the identification of nominees for election to our Board, consistent with qualifications and criteria approved by the Board; determining the composition of the Board and its committees; recommending to the Board the director nominees for the annual meeting of stockholders; establishing and monitoring a process of assessing the Board’s effectiveness; developing and overseeing a set of corporate governance guidelines and procedures; and overseeing the evaluation of the Board and the Company’s management. The Nominating and Corporate Governance Committee met 4 times in Fiscal Year 2018.

Nomination of Directors

Our Nominating and Corporate Governance Committee is responsible for identifying and evaluating individuals qualified to become directors and recommending these candidates to our Board for nomination or appointment.

Director Qualifications

In considering potential new directors, the Nominating and Corporate Governance Committee may review individuals from various disciplines and backgrounds. Among the qualifications to be considered in the selection of candidates are broad experience in business, finance or administration; familiarity with the Company’s industry; and prominence and reputation. Since prominence and reputation in a particular profession or field of endeavor are what brings most persons to the Board’s attention, there is further consideration of whether the individual has the time available to devote to the work of the Board on one or more of its committees. To this end, our Corporate Governance Guidelines provide that no director is to hold more than four directorships of publicly traded companies, and no member of our Audit Committee is to sit on the Audit Committee of more than two other publicly traded companies. The Nominating and Corporate Governance Committee also reviews the activities and associations of each candidate to ensure there is no legal impediment, conflict of interest or other consideration that might hinder or prevent service on the Board. With respect to the nomination of continuing directors for re-election, an individual’s past contributions to the Board are also considered.

Other than the foregoing, there are no stated minimum criteria for director nominees and the Nominating and Corporate Governance Committee may also consider these factors and any such other factors as it deems appropriate and in the best interests of the Company and our stockholders. The Nominating and Corporate Governance Committee does, however, recognize that under applicable regulatory requirements at least one member of the Board should meet the criteria for an “audit committee financial expert” as defined by SEC rules, at least a majority of the members of the Board must be independent directors under NASDAQ rules or the standards of any other applicable self-regulatory organization, and the members of certain of our Board committees must satisfy enhanced independence criteria under applicable NASDAQ and SEC rules. Further, although the Company does not have a formal diversity policy, the Nominating and Corporate Governance Committee seeks to assemble a Board that brings to the Company a variety of perspectives, skills, expertise, and sound business understanding and judgment, derived from a broad range of business, professional, governmental, finance, community and industry experience.

Identification and Evaluation of Director Nominees

The Nominating and Corporate Governance Committee utilizes a variety of methods for identifying and evaluating nominees for director. Potential director candidates may come to the attention of the Nominating and Corporate Governance Committee through current members of the Board, executive officers, professional search firms, stockholders or others. These candidates are evaluated at regular or special meetings of the Nominating and Corporate Governance Committee, and may be considered at any point during the year. The Nominating and Corporate Governance Committee recommends the director nominees to our Board for approval for election at each annual meeting of stockholders. Under our bylaws, any director appointed by our Board is subject to re-election by our stockholders at our next annual meeting of stockholders.

Stockholder Recommendations of Director Candidates

Pursuant to its charter, our Nominating and Corporate Governance Committee is responsible for considering director candidates recommended by our stockholders. As a result, our Nominating and Corporate Governance Committee considers and evaluates director candidates that are properly submitted by our stockholders in the same manner as other prospective director candidates. Any such submission should be made in writing to the Company at 24 N. Main Street, Pennington, NJ 08534, Attn: Secretary, and should include the name, address and a current resume of the proposed director candidate, a statement describing the candidate's qualifications and consent to serve on our Board if selected as a director nominee, and contact information for personal and professional references. The submission should also include the name and address of the stockholder who is submitting the proposed director candidate, the number of shares of our common stock that are owned of record or beneficially by the submitting stockholder and a description of all arrangements or understandings between the submitting stockholder and the candidate. Any stockholder-proposed candidate that is selected by our Nominating and Corporate Governance Committee would be recommended by this committee as a director nominee to the Board, which would then consider and evaluate the candidate in the same manner and based on the same criteria and qualifications as other prospective director candidates. If approved by the Board, the individual would be appointed as a director to a vacant seat on the Board or included in the Board's slate of recommended director nominees for election at our next annual meeting of stockholders.

Stockholder Nominations of Directors

Our bylaws provide that any stockholder who is entitled to vote at an annual meeting of our stockholders and who complies with the applicable notice requirements set forth in our bylaws may nominate persons for election to our Board at the annual meeting. A stockholder desiring to nominate a director to our Board must do so in a written notice delivered to or received by the Company at 24 N. Main Street, Pennington, NJ 08534, Attn: Secretary, within a specified time period before the annual meeting of stockholders at which the proposed director candidate is to be up for election. See “Stockholder Director Nominations and Other Proposals for 2018 Annual Meeting of Stockholders” below for more information, including specific information about these time periods in connection with our next annual meeting of stockholders. The stockholder’s notice must include, among other things as specified in our bylaws: certain personal identification information about the stockholder and its director nominee(s); the principal occupation or employment of the director nominee(s); the class and number of shares of the Company that are beneficially owned by the stockholder and its director nominee(s); and any other information relating to the director nominee(s) that is required to be disclosed in solicitations for proxies for election of directors pursuant to Regulation 14A under the Exchange Act. A stockholder who complies with the notice requirements set forth in our bylaws will be permitted to present the director nominee at the applicable annual meeting of stockholders, but will not be entitled to have the nominee included in our proxy statement for the annual meeting, unless an applicable rule of the SEC requires that we include the director nominee in our proxy statement.

Board Role in Risk Oversight

Risk is inherent in every business. We face a number of risks, including business, operational, strategic, research and development, financial and legal and regulatory risks. In general, our management is responsible for the day-to-day management of the risks we face, while our Board, as a whole and through its committees, is responsible for the oversight of risk management. The Board performs its risk oversight function as a whole, as well as through its committee structure.

The involvement of the full Board in setting our business strategy and objectives is integral to the Board’s assessment of our risks, as well as determining appropriate levels of risk and how best to manage risk. In its risk oversight role, the Board receives regular reports and/or presentations from applicable members of management and from the committees of the Board regarding areas of significant risk, assesses these risks in the context of our business and individual transactions or arrangements, and addresses any risk issues with management throughout the year as necessary.

While our Board of Directors has ultimate oversight responsibility for the risk management process, the Board delegates responsibility for certain aspects of risk management oversight to its committees. In particular:

The Audit Committee is responsible for reviewing our policies with respect to risk assessment and risk management generally, and also oversees management of risks relating to our financial reporting and accounting policies and related controls and processes, as well as any related party or conflict-of-interest transactions;

The Compensation Committee oversees management of risks relating to our compensation practices and policies, including creating compensation policies and practices that do not encourage unnecessary or excessive risk-taking; and

The Nominating and Corporate Governance Committee oversees management of risks relating to the composition of the Board, including the independence of our directors, and our processes and procedures for maintaining good corporate governance practices and ethical conduct and behaviors.

We believe our Board's regular review and analysis of our risks and risk management policies, the separation of the roles of Chairman of the Board and Chief Executive Officer, and the role of our Board committees in the Board's performance of its risk oversight function, provide appropriate independent oversight of our risk management practices, policies and procedures.

Communications with the Board

Any stockholder who desires to contact our Board or any member(s) of our Board may do so by writing to: Board of Directors, c/o Secretary, OncoSec Medical Incorporated, 24 N. Main Street, Pennington, NJ 08534. Copies of any such written communications received by the Secretary will be provided to our full Board or any identified member(s), unless they are considered, in the reasonable judgment of the Secretary, to be improper for submission to the intended recipient(s).

Code of Business Conduct and Ethics

The Board has adopted a Code of Business Conduct and Ethics that applies to all of our directors, officers and employees, including our principal executive officer and principal financial and accounting officer. The Code of Business Conduct and Ethics is available for review on our website at www.oncosec.com, on the Governance page under the Investors tab, and is also available in print, without charge, to any stockholder who requests a copy by writing to us at OncoSec Medical Incorporated, 24 N. Main Street, Pennington, NJ 08534, Attention: Investor Relations. We intend to post on our website any amendments to certain provisions of our Code of Business Conduct and Ethics or any waivers of any such provisions applicable to any director or principal executive, financial or accounting officer or persons performing similar functions, to the extent required by applicable NASDAQ or SEC rules.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our officers, directors and persons who beneficially own more than 10% of our common stock to file reports of securities ownership and changes in such ownership with the SEC. Applicable SEC rules also require that copies of these filings be furnished to us. To our knowledge, based solely on our review of copies of such reports or written representations from persons subject to Section 16(a), we believe that during Fiscal Year 2018, all Section 16(a) reporting requirements applicable to our directors, executive officers and 10% stockholders were completed in a timely manner, except for three Form 4's by Punit Dhillon, two Form 4's related to one transaction and one Form 4 related to 18 transactions, one Form 4 related to 13 transactions by Avtar Dhillon, one Form 4 related to two transactions by Daniel O'Connor, and one Form 4 related to one transaction by Gregory Mayes.

Certain Relationships and Related Party Transactions

Related Party Transactions

Except as described below and except for employment arrangements and compensation for Board service, which are described under “Executive Compensation” below, since August 1, 2016, there has not been, nor is there currently proposed, any transaction in which we are or were a participant, the amount involved exceeds the lesser of \$120,000 or 1% of the average of our total assets at year-end for the last two completed fiscal years, and any of our directors, executive officers, holders of more than 5% of our common stock or any immediate family member of any of the foregoing had or will have a direct or indirect material interest.

We have entered into indemnification agreements with each of our directors and executive officers. In general, these indemnification agreements require the Company to indemnify a director to the fullest extent permitted by law against liabilities that may arise by reason of his service for the Company.

Policies and Procedures for Review and Approval of Related Party Transactions

Pursuant to its charter and in accordance with applicable NASDAQ rules, our Audit Committee has the responsibility to review and approve in advance any transactions with a related party. In addition, our Code of Business Conduct and Ethics addresses conflicts of interest, and requires that the existence of any actual or potential conflict be disclosed to the Chairman of the Audit Committee to enable the committee’s full review of the potential conflict. The Audit Committee intends to approve only those related party or conflict of interest transactions that are considered to be in the best interests of the Company and our stockholders. In considering whether to approve any such transaction, the Audit Committee considers such factors as it deems appropriate, and generally focuses on whether the terms of the transaction are at least as favorable to us as terms we would receive on an arm’s-length basis from an unaffiliated third party and whether any such transaction might impair the independence of a director or present a conflict of interest for a director or executive officer.
