Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

Departure of a Director

On July 28, 2015, Christopher Paisley provided notice to the Company of his intention to resign as a member of its Board of Directors (the “Board”) and all committees thereof effective August 31, 2015. Mr. Paisley indicated that he has decided to limit his board participation to companies headquartered in the San Francisco Bay Area, in order to better accommodate his teaching schedule and other commitments at Santa Clara University. Prior to announcing his decision, Mr. Paisley was filling the roles of Audit Committee Chairperson and Lead Independent Director. Following Mr. Paisley’s announcement, the Board elected to reduce the number of directors on the Board from eight to seven effective as of August 31, 2015. Mr. Paisley’s departure is not due to any disagreement with the Company on any matter relating to the Company’s operations, policies, or practices, and the composition of the Company’s Audit Committee continues to meet all independence and other requirements pursuant to applicable NASDAQ and SEC rules.

New Board Committee Leadership Assignments

The Board has appointed current Board member, Mark Jensen, to serve as Audit Committee Chairperson and current Board member, David Habiger, to serve as Lead Independent Director. The Board made these changes in assignments effective immediately following Mr. Paisley’s announcement.

Mr. Jensen is currently serving on the Company’s Audit Committee and is a natural fit to step in as its Chairperson. Mr. Jensen has over 30 years of significant transactional, operational, and leadership experience, including providing accounting and advisory services on numerous IPOs, M&A transactions, and corporate financings and reorganizations. Mr. Jensen previously served as U.S. Managing Partner-Audit and Enterprise Risk Services, Technology Industry at Deloitte & Touche for more than 10 years, and prior to his employment with Deloitte & Touche, Mr. Jensen spent more than 20 years at Arthur Andersen LLP and was the Managing Partner of its Silicon Valley office. Mr. Jensen will act as the the Audit Committee’s “audit committee financial expert” as defined under applicable SEC rules.

Mr. Habiger brings a depth of experience to the role of Lead Independent Director. Mr. Habiger has served as a member of Control4's Board since 2012, and currently serves as the Compensation Committee Chairperson and as a member of the Nominating and Governance Committee. Mr. Habiger is a senior advisor to Silver Lake Partners and a venture partner at the Pritzker Group. Prior to that, Mr. Habiger served as the chief executive officer of several technology companies including NDS Group Ltd., a provider of video software and content security solutions, and Sonic Solutions, a provider of software for digital media. In his role as Lead Independent Director, Mr. Habiger will, among other responsibilities, preside at all Board meetings at which the Chairman of the Board is not present, including executive sessions of the independent directors, serve as a liaison between the Chairman of the Board and the independent directors, review and approve Board meeting agendas and serve as a point of contact for Company stockholders wishing to communicate with the Company's independent directors.

Messrs. Jensen and Habiger will each continue to receive compensation for his service on the respective committees of the Board in accordance with the Company's director compensation policy, which is described in the Company's most

recent Proxy Statement filed on April 2, 2015. In addition, the Company will provide an annual cash retainer of \$6,000 for the Board's Lead Independent Director.
