On, January 26, 2015, Science Applications International Corporation (SAIC) announced that Timothy J. Mayopoulos was appointed as a member of the SAIC Board of Directors effective as of February 19, 2015. Mr. Mayopoulos also will become a member of the Audit Committee and the Nominating and Corporate Governance Committee of SAIC's Board of Directors when he joins the Board. In connection with Mr. Mayopoulos' appointment to the Board of Directors, SAIC increased the size of its Board to nine members.

Mr. Mayopoulos currently is the President and Chief Executive Officer of the Federal National Mortgage Association, commonly known as Fannie Mae, as well as a member of its Board of Directors. Mr. Mayopoulos has over 25 years of experience in senior leadership positions at a number of financial institutions including Bank of America, Deutsche Bank, Credit Suisse First Boston and Donaldson, Lufkin & Jenrette.

After the effective date of his election, Mr. Mayopoulos will receive an initial cash retainer of \$12,500 and a grant of SAIC restricted stock units (RSUs) with a value of \$25,000. Mr. Mayopoulos will then be entitled to receive the standard annual cash and equity compensation paid to all SAIC directors. The annual cash compensation paid to all directors currently consists of a retainer of \$50,000 (one fourth of which is paid quarterly) and meeting fees of \$2,000 for each meeting attended of the Board and any Board Committee. In addition, directors currently receive an annual equity award of RSUs with a value of \$100,000 and stock options with a value of \$50,000, which currently are granted following the director's election at SAIC's annual meeting of stockholders. Finally, as a director, Mr. Mayopoulos will be entitled to participate in the Company's Deferred Compensation Plan which allows directors to defer 100% of the cash retainer and meeting fees they receive.
