PROCEDURAL MATTERS

This Proxy Statement is being furnished to holders of common stock and Class B common stock of TripAdvisor, Inc., a Delaware corporation, in connection with the solicitation of proxies by TripAdvisor's Board of Directors for use at its 2016 Annual Meeting of Stockholders or any adjournment or postponement thereof (the "Annual Meeting"). All references to "TripAdvisor," the "Company," "we," "our" or "us" in this Proxy Statement are to TripAdvisor, Inc. and our wholly-owned subsidiaries. An Annual Report to Stockholders, containing financial statements for the year ended December 31, 2015, and this Proxy Statement are being made available to all stockholders entitled to vote at the Annual Meeting.

TripAdvisor's principal executive offices are currently located at 400 1st Avenue, Needham, Massachusetts 02494. This Proxy Statement is being made available to TripAdvisor stockholders on or about April 29, 2016.

Date, Time and Place of Meeting

The Annual Meeting will be held on Thursday, June 23, 2016, at 11:00 a.m. local time at the Sheraton Needham Hotel, 100 Cabot Street, Needham, MA 02494.

Only stockholders and persons holding proxies from stockholders may attend the Annual Meeting. If your shares are registered in your name, you must bring a form of identification to the Annual Meeting. If your shares are held in the name of a broker, trust, bank or other nominee, otherwise known as holding in "street name," you must bring a proxy or letter from that broker, trust, bank or other nominee that confirms you are the beneficial owner of those shares. Cameras and recording devices will not be permitted at the Annual Meeting.

Record Date and Voting Rights

The Board of Directors established the close of business on April 25, 2016 as the record date for determining the holders of TripAdvisor common stock entitled to notice of and to vote at the Annual Meeting. On the record date, 132,897,713 shares of common stock and 12,799,999 shares of Class B common stock were outstanding and entitled to vote at the Annual Meeting. TripAdvisor stockholders are entitled to one vote for each share of common stock and ten votes for each share of Class B common stock held as of the record date, voting together as a single voting group, in (i) the election of six of the eight director nominees, (ii) the ratification of the appointment of KPMG LLP as TripAdvisor's independent registered public accounting firm for the year ending December 31, 2016, and (iii) the approval of the TripAdvisor, Inc. Amended and Restated 2011 Stock and Annual Incentive Plan. TripAdvisor stockholders are entitled to one vote for each share of common stock held as of the record date in the election of the two director nominees that the holders of TripAdvisor common stock are entitled to elect as a separate class pursuant to TripAdvisor's restated certificate of incorporation.

On August 27, 2014, the entire beneficial ownership of our common stock and Class B common stock held by Liberty Interactive Corporation ("Liberty") was transferred to Liberty TripAdvisor Holdings, Inc. ("LTRIP"). Simultaneously, Liberty, LTRIP's former parent company, distributed, by means of a dividend, to the holders of its Liberty Ventures common stock, Liberty's entire equity interest in LTRIP. We refer to this transaction as the Liberty Spin-Off. As a result of the Liberty Spin-Off, effective August 27, 2014, LTRIP became a separate, publicly traded company and 100% of Liberty's interest in TripAdvisor was held by LTRIP. Liberty also assigned to LTRIP the rights and obligations under the Governance Agreement between TripAdvisor and Liberty, dated December 20, 2011 (the "Governance Agreement").

As a result of these transactions, as of the record date, LTRIP beneficially owned 18,159,752 shares of our common stock and 12,799,999 shares of our Class B common stock, which shares constitute 13.7% of the outstanding shares of common stock and 100% of the outstanding shares of Class B Common Stock. Assuming the conversion of all of the LTRIP's shares of Class B common stock into common stock, as of the record date LTRIP would beneficially own

21.3% of the outstanding common stock. Because each share of Class B common stock generally is entitled to ten votes per share and each share of common stock is entitled to one vote per share, as of the record date LTRIP may be deemed to beneficially own equity securities representing approximately 56.0% of our

1

voting power. As a result, regardless of the vote of any other TripAdvisor stockholder, LTRIP has control over the vote relating to (i) the election of six of the eight director nominees, (ii) the ratification of the appointment of KPMG LLP as TripAdvisor's independent registered public accounting firm, and (iii) the approval of the TripAdvisor, Inc. Amended and Restated 2011 Stock and Annual Incentive Plan.

Quorum; Abstentions; Broker Non-Votes

Transaction of business at the Annual Meeting may occur if a quorum is present. If a quorum is not present, it is expected that the Annual Meeting will be adjourned or postponed in order to permit additional time for soliciting and obtaining additional proxies or votes, and, at any subsequent reconvening of the Annual Meeting, all proxies will be voted in the same manner as such proxies would have been voted at the original convening of the Annual Meeting, except for any proxies that have been effectively revoked or withdrawn.

With respect to (i) the election of six of the eight director nominees, (ii) the ratification of the appointment of KPMG LLP as TripAdvisor's independent registered public accounting firm, and (iii) the approval of the TripAdvisor, Inc. Amended and Restated 2011 Stock and Annual Incentive Plan, the presence at the Annual Meeting, in person or by proxy, of the holders of a majority of the total votes entitled to be cast constitutes a quorum. For the election of the two directors whom the holders of TripAdvisor common stock are entitled to elect as a separate class, the presence at the Annual Meeting, in person or by proxy, of the holders of a majority of shares of common stock constitutes a quorum.

If a share is represented for any purpose at the meeting, it is deemed to be present for quorum purposes and for all other matters as well. Shares of TripAdvisor capital stock represented by a properly executed proxy will be treated as present at the Annual Meeting for purposes of determining a quorum, without regard to whether the proxy is marked as casting a vote or abstaining.

Abstentions and broker non-votes are counted as present and entitled to vote for purposes of determining a quorum. A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote the shares on a proposal because the nominee does not have discretionary voting power for a particular item and has not received instructions from the beneficial owner regarding voting. Brokers who hold shares for the accounts of their clients have discretionary authority to vote shares if specific instructions are not given with respect to the ratification of the appointment of our independent registered public accounting firm. Brokers do not have discretionary authority to vote on (i) the election of our directors or (ii) the approval of the TripAdvisor, Inc. Amended and Restated 2011 Stock and Annual Incentive Plan, so we encourage you to provide instructions to your broker regarding the voting of your shares.

Solicitation of Proxies

TripAdvisor will bear the cost of the solicitation of proxies from its stockholders. In addition to solicitation by mail, the directors, officers and employees of TripAdvisor, without additional compensation, may solicit proxies from stockholders by telephone, by letter, by facsimile, in person or otherwise. Following the original mailing of the proxies and other soliciting materials, TripAdvisor will ask brokers, trusts, banks or other nominees to forward copies of the proxy and other soliciting materials to persons for whom they hold shares of TripAdvisor capital stock and to request authority for the exercise of proxies. In such cases, TripAdvisor, upon the request of the brokers, trusts, banks and other stockholder nominees, will reimburse such holders for their reasonable expenses.

Voting of Proxies

The manner in which your shares may be voted depends on whether you are a:

Edgar Filing: TripAdvisor, Inc. - Form DEF 14A

Registered stockholder: Your shares are represented by certificates or book entries in your name on the records of the TripAdvisor's stock transfer agent and you have the right to vote those shares directly; or

·Beneficial stockholder: You hold your shares "in street name" through a broker, trust, bank or other nominee and you have the right to direct your broker, trust, bank or other nominee on how to vote the

2

shares in your account; however, you must request and receive a valid proxy from your broker, trust, bank or other nominee.

Whether you hold shares directly as a registered stockholder or beneficially as a beneficial stockholder, you may direct how your shares are voted without attending the Annual Meeting. For directions on how to vote, please refer to the instructions below and those on the Notice of Internet Availability of Proxy Materials, proxy card or voting instruction form provided. To vote using the Internet or by telephone, you will be required to enter the control number included on your Notice of Internet Availability of Proxy Materials or other voting instruction form provided by your broker, trust, bank or other nominee.

- Using the Internet. Registered stockholders may vote using the Internet by going to www.proxyvote.com and following the instructions. Beneficial stockholders may vote by accessing the website specified on the voting instruction forms provided by their brokers, trusts, banks or other nominees.
- By Telephone. Registered stockholders may vote, from within the United States, using any touch-tone telephone by calling 1-800-690-6903 and following the recorded instructions. Beneficial owners may vote, from within the United States, using any touch-tone telephone by calling the number specified on the voting instruction forms provided by their brokers, trusts, banks or other nominees.
- By Mail. Registered stockholders may submit proxies by mail by requesting printed proxy cards and marking, signing and dating the printed proxy cards and mailing them in the accompanying pre-addressed envelopes. Beneficial owners may vote by marking, signing and dating the voting instruction forms provided by their brokers, trusts, banks or other nominees and mailing them in the accompanying pre-addressed envelopes.

All proxies properly submitted and not revoked will be voted at the Annual Meeting in accordance with the instructions indicated thereon. If no instructions are provided, such proxies will be voted FOR proposals (1) through (3) described in this Proxy Statement.

TripAdvisor is incorporated under Delaware law, which specifically permits electronically transmitted proxies, provided that each such proxy contains, or is submitted with, information from which the inspector of elections can determine that such proxy was authorized by the stockholder. The electronic voting procedures provided for the Annual Meeting are designed to authenticate each stockholder by use of a control number, to allow stockholders to vote their shares and to confirm that their instructions have been properly recorded.

Voting in Person at the Annual Meeting

You may also vote in person at the Annual Meeting. Votes in person will replace any previous votes you have made by mail or telephone or via the Internet. We will provide a ballot to registered stockholders who request one at the meeting. Shares held in your name as the stockholder of record may be voted on that ballot. Shares held beneficially in street name may be voted on a ballot only if you bring a legal proxy from the broker, trust, bank or other nominee that holds your shares giving you the right to vote the shares. Attendance at the Annual Meeting without voting or revoking a previous proxy in accordance with the voting procedures will not in and of itself revoke a proxy.

Your vote is very important. Whether or not you plan to attend the Annual Meeting, please take the time to vote via the Internet, by telephone or by returning your marked, signed and dated proxy card so that your shares will be represented at the Annual Meeting.

Revocation of Proxies

Any proxy given pursuant to this solicitation may be revoked by the person giving it any time before the taking of the vote at the Annual Meeting.

If you are a beneficial stockholder, you may revoke your proxy or change your vote only by following the separate instructions provided by your broker, trust, bank or other nominee.

If you are a registered stockholder, you may revoke your proxy at any time before it is exercised at the Annual Meeting by (i) delivering written notice, bearing a date later than the proxy, stating that the proxy is revoked, (ii) submitting a later-dated proxy relating to the same shares by mail or telephone or via the Internet prior to the vote at the Annual Meeting or (iii) attending the Annual Meeting and properly giving notice of revocation to the inspector of elections or voting in person. Registered holders may send any written notice or request for a new proxy card to TripAdvisor, Inc., c/o Broadridge, 51 Mercedes Way, Edgewood, New York 11717, or follow the instructions provided on the Notice of Internet Availability of Proxy Materials and proxy card to submit a new proxy by telephone or via the Internet. Registered holders may also request a new proxy card by calling 1-800-579-1639.

Other Business

The Board of Directors does not presently intend to bring any business before the Annual Meeting other than the proposals discussed in this Proxy Statement and specified in the Notice of Annual Meeting of Stockholders. The Board of Directors has no knowledge of any other matters to be presented at the Annual Meeting other than those described in this Proxy Statement. If any other matters should properly come before the Annual Meeting, the persons designated in the proxy will vote on them according to their best judgment.

PROPOSAL 1:

ELECTION OF DIRECTORS

Overview

Our Board of Directors currently consists of nine members. Pursuant to the terms of TripAdvisor's bylaws, each director serves for a one-year term from the date of his or her election and until such director's successor is elected or until such director's earlier resignation or removal. The Board of Directors has nominated the following eight directors and recommends that each be elected to serve a one-year term and until such director's successor shall have been duly elected and qualified or until such director's earlier death, resignation or removal:

Gregory B. Maffei

Stephen Kaufer

Dipchand (Deep) Nishar

Jeremy Philips

Spencer M. Rascoff

Albert E. Rosenthaler

Sukhinder Singh Cassidy

Robert S. Wiesenthal

The Board of Directors previously set the size of the Board at nine directors. However, only eight directors are being nominated for election at the Annual Meeting as the Board has not yet identified a ninth individual to serve on the Board of Directors. Proxies cannot be voted for a greater number of persons than the number of nominees named in this proxy statement. Our Board may appoint a director to fill a vacancy on the Board at any time following the Annual Meeting. A director elected by the Board to fill the vacancy shall serve for the remainder of the full term or until the director's successor is duly elected and qualified, or until the director's earlier death, resignation or removal.

TripAdvisor's restated certificate of incorporation provides that the holders of TripAdvisor common stock, acting as a single class, are entitled to elect a number of directors equal to 25% of the total number of directors, rounded up to the next whole number, which will be two directors as of the date of the Annual Meeting. The Board has designated Messrs. Philips and Wiesenthal as nominees for the positions on the Board to be elected by the holders of TripAdvisor common stock voting as a separate class.

Pursuant to the Governance Agreement, LTRIP has the right to nominate up to a number of directors equal to 20% of the total number of the directors on the Board of Directors (rounded up to the next whole number if the number of directors on the Board of Directors is not an even multiple of five) for election to the Board of Directors and has certain other rights regarding committee participation, so long as certain stock ownership requirements applicable to LTRIP are satisfied. LTRIP has designated Messrs. Maffei and Rosenthaler as its nominees to the Board of Directors.

Although management does not anticipate that any of the nominees named above will be unable or unwilling to stand for election, in the event of such an occurrence, proxies may be voted for a substitute nominee designated by the Board of Directors.

The Board of Directors considered the NASDAQ requirement that TripAdvisor's Audit Committee be composed of at least three independent directors, as well as specific NASDAQ and U.S. Securities and Exchange Commission ("SEC") requirements regarding financial literacy and expertise.

Required Vote

Election of Ms. Singh Cassidy and Messrs. Maffei, Kaufer, Nishar, Rascoff and Rosenthaler as directors requires the affirmative vote of a plurality of the total number of votes cast by the holders of shares of TripAdvisor common stock and Class B common stock, present in person or represented by proxy, voting together as a single class.

Election of Messrs. Philips and Wiesenthal as directors requires the affirmative vote of a plurality of the total number of votes cast by the holders of shares of TripAdvisor common stock, present in person or represented by proxy, voting together as a separate class.

Valid proxies received pursuant to this solicitation will be voted in the manner specified. With respect to the election of directors, you may vote "FOR" or "WITHHOLD". Where no specification is made, it is intended that the proxies received from stockholders will be voted FOR the election of the director nominees identified. THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE "FOR" THE ELECTION OF EACH OF THE NOMINEES FOR DIRECTOR NAMED ABOVE.

Board of Directors

Director Independence

Under the NASDAQ Stock Market Listing Rules (the “NASDAQ Rules”), the Board has a responsibility to make an affirmative determination that those members of the Board who serve as independent directors do not have any relationships that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. In connection with the independence determinations described below, the Board reviewed information regarding transactions, relationships and arrangements relevant to independence, including those required by the NASDAQ Rules. This information is obtained from director responses to questionnaires circulated by management, as well as our records and publicly available information. Following this determination, management monitors those transactions, relationships and arrangements that were relevant to such determination, as well as solicits updated information potentially relevant to independence from internal personnel and directors, to determine whether there have been any developments that could potentially have an adverse impact on the Board’s prior independence determination.

The Board of Directors has determined that each of Ms. Singh Cassidy and Messrs. Miller, Nishar, Philips, Rascoff and Wiesenthal is an “independent director” as defined by the NASDAQ Rules. In making its independence determinations, the Board of Directors considered the applicable legal standards and any relevant transactions, relationships or arrangements. In addition to the satisfaction of the director independence requirements set forth in the NASDAQ Rules, members of the Audit Committee and Compensation Committee have also satisfied separate independence requirements under the current standards imposed by the SEC and the NASDAQ Rules for audit committee members and by the SEC, NASDAQ Rules and the Internal Revenue Service for compensation committee members.

Controlled Company Status

On August 27, 2014, the entire beneficial ownership of our common stock and Class B common stock held by Liberty was transferred to LTRIP. Simultaneously, Liberty, LTRIP’s former parent company, distributed, by means of a dividend, to the holders of its Liberty Ventures common stock, Liberty’s entire equity interest in LTRIP. We refer to this transaction as the Liberty Spin-Off. As a result of the Liberty Spin-Off, effective August 27, 2014, LTRIP became a separate, publicly traded company and 100% of Liberty’s interest in TripAdvisor was held by LTRIP.

As of the record date, LTRIP beneficially owned 18,159,752 shares of our common stock and 12,799,999 shares of our Class B common stock, which shares constitute 13.7% of the outstanding shares of common stock and 100% of the outstanding shares of Class B common stock, respectively. Assuming the conversion of all of LTRIP’s shares of Class B common stock into common stock, LTRIP would beneficially own 21.3% of the outstanding common stock. Because each share of Class B common stock generally is entitled to ten votes per share and each share of common stock is entitled to one vote per share, LTRIP may be deemed to beneficially own equity securities representing approximately 56.0% of our voting power. LTRIP has filed a Statement of Beneficial Ownership on Schedule 13D with respect to its TripAdvisor holdings and related voting arrangements with the SEC.

The NASDAQ Rules exempt “controlled companies,” or companies of which more than 50% of the voting power is held by an individual, a group or another company, such as TripAdvisor, from certain governance requirements under the NASDAQ Rules, including, among other items, the requirement that our Board of Directors be comprised of a majority of independent directors. On this basis, TripAdvisor is relying on the exemption for controlled companies from certain requirements under the NASDAQ Rules, including, among others, the requirement that the Compensation Committee be composed solely of independent directors and certain requirements relating to the nomination of directors. We may, in the future, rely on other exemptions available to a controlled company, including, among others, the requirement that a majority of the Board of Directors be composed of independent directors.

Board Leadership Structure

Mr. Maffei serves as the Chairman of the Board of Directors, and Mr. Kaufer serves as President and Chief Executive Officer of TripAdvisor. The roles of Chief Executive Officer and Chairman of the Board of Directors are currently separated in recognition of the differences between the two roles. This leadership structure provides us with the benefit of Mr. Maffei's oversight of TripAdvisor's strategic goals and vision, coupled with the benefit of a full-time Chief Executive Officer dedicated to focusing on the day-to-day management and continued growth of TripAdvisor and its operating businesses. We believe that it is in the best interests of our stockholders for the Board of Directors to make a determination regarding the separation or combination of these roles each time it elects a new Chairman or Chief Executive Officer based on the relevant facts and circumstances applicable at such time.

Independent members of the Board of Directors chair our Audit Committee, Compensation Committee and Section 16 Committee.

Meeting Attendance

The Board of Directors met eight times in 2015. During such period, each member of the Board of Directors attended at least 75% of the meetings of the Board and the Board committees on which they served. The independent directors meet in regularly scheduled sessions, typically before or after each Board meeting, without the presence of management. We do not have a lead independent director or any other formally appointed leader for these sessions. Directors are encouraged but not required to attend annual meetings of TripAdvisor stockholders. All of the incumbent directors who were directors at the time have historically attended the annual meetings of stockholders.

Committees of the Board of Directors

The Board of Directors has the following standing committees: the Audit Committee, the Compensation Committee, the Section 16 Committee and the Executive Committee. The Audit, Compensation and Section 16 Committees operate under written charters adopted by the Board of Directors. These charters are available in the "Corporate Governance" section of the Investor Relations page of TripAdvisor's corporate website at ir.tripadvisor.com. At each regularly scheduled Board meeting, the Chairperson of each committee provides the full Board of Directors with an update of all significant matters discussed, reviewed, considered and/or approved by the relevant committee since the last regularly scheduled Board meeting. The membership of our Audit and Section 16 Committees ensures that directors with no ties to Company management are charged with oversight for all financial reporting and executive compensation related decisions made by Company management.

The following table sets forth the current members of each committee of the Board of Directors. Following the Annual Meeting, there will be a vacancy on the Audit Committee. At the first meeting of the Board of Directors following the Annual Meeting, the Board of Directors intends to designate the members of the Board to serve on each of the committees and fill the vacancy created on the Audit Committee.

Audit Committee. The Audit Committee of the Board of Directors currently consists of three directors: Messrs. Miller, Rascoff and Wiesenthal. Mr. Wiesenthal is the Chairman of the Audit Committee. Each Audit Committee member satisfies the independence requirements under the current standards imposed by the rules of the SEC and NASDAQ. The Board has determined that each of Messrs. Wiesenthal and Rascoff is an “audit committee financial expert,” as such term is defined in the regulations promulgated under the Securities Exchange Act of 1934, as amended (the “Exchange Act”).

The Audit Committee is appointed by the Board of Directors to assist the Board with a variety of matters discussed in detail in the Audit Committee charter, including monitoring (i) the integrity of our financial reporting process, (ii) the independent registered public accounting firm’s qualifications and independence, (iii) the performance of the independent registered public accounting firm and our internal audit department, and (iv) our compliance with legal and regulatory requirements. The Audit Committee met six times in 2015. The formal report of the Audit Committee with respect to the year ended December 31, 2015 is set forth in the section below titled “Audit Committee Report.”

Following the Annual Meeting, there will be a vacancy on the Audit Committee. At the first meeting of the Board of Directors following the Annual Meeting, the Board of Directors intends to designate the members of the Board to serve on each of the committees and fill the vacancy on the Audit Committee.

Compensation Committee. The Compensation Committee consists of Ms. Singh Cassidy and Messrs. Philips and Maffei. Ms. Singh Cassidy is the Chairperson of the Compensation Committee. Each member of the Compensation Committee is an “outside director” for purposes of Section 162(m) of the Internal Revenue Code of 1986, as amended (the “Code”). With the exception of Mr. Maffei, each member is an “independent director” as defined by the NASDAQ Rules. No member of the Compensation Committee is an employee of TripAdvisor.

The Compensation Committee is responsible for (i) designing and overseeing our compensation with respect to our executive officers, including salary matters, bonus plans and stock compensation plans and (ii) approving all grants of equity awards, but excluding matters governed by Rule 16b-3 under the Exchange Act (which are handled by the Section 16 Committee described below). A description of our policies and practices for the consideration and determination of executive compensation is included in the section below titled “Compensation Discussion and Analysis.” The Compensation Committee met four times in 2015.

Section 16 Committee. The Section 16 Committee consists of Ms. Singh Cassidy and Mr. Philips. Ms. Singh Cassidy is the Chairperson of the Section 16 Committee. Each member is an “independent director” as defined by the NASDAQ Rules and satisfies the definition of “non-employee director” for purposes of Section 16 of the Exchange Act.

The Section 16 Committee is authorized to exercise all powers of the Board of Directors with respect to matters governed by Rule 16b-3 under the Exchange Act, including approving grants of equity awards to TripAdvisor’s executive officers. The Section 16 Committee met four times in 2015.

In this Proxy Statement, we refer to the Compensation Committee and Section 16 Committee collectively as the “Compensation Committees.”

Executive Committee. The Executive Committee consists of Messrs. Kaufer and Maffei. The Executive Committee has the powers and authority of the Board of Directors, except for those matters that are specifically reserved to the Board of Directors under Delaware law or our organizational documents. The Executive Committee primarily serves as a means to address issues that may arise and require Board approval between regularly scheduled Board meetings. Following are some examples of matters that could be handled by the Executive Committee: (i) oversight and implementation of matters approved by the Board of Directors, (ii) administrative matters with respect to benefit plans, transfer agent matters, banking authority, formation of subsidiaries and other administrative items involving subsidiaries and determinations or findings under TripAdvisor’s financing arrangements and (iii) in the case of a natural disaster or other emergency as a result of which a quorum of the Board of Directors cannot readily be

convened for action, directing the management of the business and affairs of TripAdvisor during such emergency or natural disaster. The Executive Committee did not meet in 2015 but acted by written consent two times.

12

Risk Oversight

Assessing and managing risk is the responsibility of TripAdvisor's management. Our Board of Directors oversees and reviews certain aspects of our risk management efforts. Our Board of Directors is involved in risk oversight through direct decision-making authority with respect to significant matters and the oversight of management by the Board of Directors and its committees. The President and Chief Executive Officer, the Senior Vice President, Chief Financial Officer and Treasurer and the Senior Vice President, General Counsel and Secretary attend Board meetings and discuss operational risks with the Board. Management also provides reports and presentations on strategic risks to the Board. Among other areas, the Board is involved, directly or through its committees, in overseeing risks related to our overall corporate strategy, business continuity, crisis preparedness and competitive and reputational risks.

The committees of the Board execute their oversight responsibility for risk management as follows:

- The Audit Committee has primary responsibility for discussing with management TripAdvisor's major financial risks and the steps management has taken to monitor and control such risks. In fulfilling its responsibilities, the Audit Committee receives regular reports from, among others, the Chief Financial Officer, General Counsel, the Vice President of Tax and the Corporate Controller as well as from representatives of internal audit, the company's compliance committee and our auditors. The Audit Committee makes regular reports to the Board of Directors. In addition, TripAdvisor has, under the supervision of the Audit Committee, established procedures available to all employees for the anonymous and confidential submission of complaints relating to any matter to encourage employees to report questionable activities directly to our senior management and the Audit Committee.
- The Compensation Committee considers and evaluates risks related to our cash and equity-based compensation programs, policies and practices and evaluates whether our compensation programs encourage participants to take excessive risks that are reasonably likely to have a material adverse effect on TripAdvisor or our business. Consistent with SEC disclosure requirements, the Compensation Committee working with management has assessed the compensation policies and practices for our employees, including our executive officers, and has concluded that such policies and practices do not create risks that are reasonably likely to have a material adverse effect on TripAdvisor.

Ultimately, though, management is responsible for the day-to-day risk management process, including identification of key risks and implementation of policies and procedures to manage, mitigate and monitor risks. In fulfilling these duties, management conducted an enterprise and internal audit risk assessment and will use the results of that assessment in its risk management efforts. In addition, management has formed a Compliance Committee in connection with the implementation, management and oversight of a corporate compliance program to promote operational excellence throughout the entire organization in adherence with all legal and regulatory requirements and with the highest ethical standards

Director Nominations

Given the ownership structure of TripAdvisor and our status as a "controlled company," the Board of Directors does not have a nominating committee or other committee performing similar functions or any formal policy on director nominations. The Board of Directors does not have specific requirements for eligibility to serve as a director of TripAdvisor, nor does it have a specific policy on diversity; however, the Board of Directors does consider, among other things, diversity when considering nominees to serve on our Board of Directors. We broadly construe diversity to mean diversity of opinions, perspectives, and personal and professional experiences and backgrounds, such as gender, race and ethnicity, as well as other differentiating characteristics. In evaluating candidates, regardless of how recommended, the Board of Directors considers whether the professional and personal ethics and values of the candidate are consistent with those of TripAdvisor, whether the candidate's experience and expertise would be beneficial to the Board in rendering service to TripAdvisor, including in providing a mix of Board members that represent a diversity of backgrounds, perspectives and opinions, whether the candidate is willing and able to devote the necessary time and energy to the work of the Board of Directors, and whether the candidate is prepared and qualified to represent the best interests of TripAdvisor's stockholders.

Pursuant to the Governance Agreement, LTRIP has the right to nominate a number of directors equal to 20% of the total number of the directors on the Board of Directors (rounded up to the next whole number if the number of directors on the Board is not an even multiple of five) for election to the Board of Directors so long as certain stock ownership requirements are satisfied. LTRIP has nominated Messrs. Maffei and Rosenthaler as nominees for 2016. The other nominees to the Board of Directors were recommended by the Chairman and then were considered and recommended by the entire Board of Directors.

The Board of Directors does not have a formal policy regarding the consideration of director candidates recommended by stockholders, as historically TripAdvisor has not received such recommendations. However, the Board of Directors would consider such recommendations if made in the future. Stockholders who wish to make such a recommendation should send the recommendation to TripAdvisor, Inc., 400 1st Avenue, Needham, Massachusetts 02494, Attention: Secretary. The envelope must contain a clear notation that the enclosed letter is a "Director Nominee Recommendation." The letter must identify the author as a stockholder, provide a brief summary of the candidate's qualifications and history and be accompanied by evidence of the sender's stock ownership, as well as consent by the candidate to serve as a director if elected. Any director candidate recommendations will be reviewed by the Secretary and, if deemed appropriate, forwarded to the Chairman for further review. If the Chairman believes that the candidate fits the profile of a director nominee as described above, the recommendation will be shared with the entire Board of Directors.

Communications with the Board

Stockholders who wish to communicate with the Board of Directors or a particular director may send such communication to TripAdvisor, Inc., 400 1st Avenue, Needham, Massachusetts 02494, Attention: Secretary. The mailing envelope must contain a clear notation indicating that the enclosed letter is a "Stockholder-Board Communication" or "Stockholder-Director Communication." All such letters must identify the author as a stockholder, provide evidence of the sender's stock ownership and clearly state whether the intended recipients are all members of the Board of Directors or certain specified directors. The Secretary will then review such correspondence and forward it to the Board of Directors, or to the specified director(s), if deemed appropriate. Communications that are primarily commercial in nature, that are not relevant to stockholders or other interested constituents or that relate to improper or irrelevant topics will generally not be forwarded to the Board of Directors or to the specified director(s).

PROPOSAL 2:

RATIFICATION OF APPOINTMENT OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Overview

KPMG LLP (“KPMG”) was TripAdvisor’s independent registered public accounting firm for the years ended December 31, 2014 and December 31, 2015. The Audit Committee of the Board of Directors has also appointed KPMG as TripAdvisor’s independent registered public accounting firm for the year ending December 31, 2016.

The Audit Committee is directly responsible for the appointment, compensation and oversight of the audit work of the independent registered public accounting firm. If the stockholders fail to vote to ratify the appointment of KPMG, the Audit Committee will reconsider whether to retain KPMG and may retain that firm or another firm without resubmitting the matter to our stockholders. Even if stockholders vote on an advisory basis in favor of the appointment, the Audit Committee may, in its discretion, direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of TripAdvisor and our stockholders.

A representative of KPMG is expected to be present at the Annual Meeting, and will be given an opportunity to make a statement if he or she so chooses and will be available to respond to appropriate questions.

Disclosures Related to Change in Independent Accountants in 2014

In February 2014, the Audit Committee of the Board of Directors determined it to be in the best interest of TripAdvisor to select KPMG to replace Ernst & Young LLP (“E&Y”) as TripAdvisor’s independent registered public accounting firm for the year ended December 31, 2014.

On February 6, 2014, the Audit Committee determined to dismiss E&Y as TripAdvisor’s independent registered public accounting firm effective immediately upon TripAdvisor’s filing of its Annual Report on Form 10-K for the year ended December 31, 2013 (the “Annual Report”). The Annual Report was filed with the SEC on February 11, 2014. The reports of E&Y on TripAdvisor’s consolidated financial statements as of and for the years ended December 31, 2013 and 2012 did not contain an adverse opinion or a disclaimer of opinion, and were not qualified or modified as to uncertainty, audit scope or accounting principles. During the years ended December 31, 2013 and 2012, and through February 11, 2014, there were no: (i) disagreements with E&Y on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to E&Y’s satisfaction, would have caused E&Y to make reference to the subject matter thereof in connection with its reports for such years; or (ii) reportable events, as described under Item 304(a)(1)(v) of Regulation S-K. TripAdvisor provided E&Y with a copy of the disclosures it expected to make in the Current Report on Form 8-K and requested from E&Y a letter addressed to the SEC indicating whether or not it agrees with the above disclosures. A copy of E&Y’s letter dated February 11, 2014 is attached as Exhibit 16.1 to TripAdvisor’s Current Report on Form 8-K filed on February 11, 2014.

Contemporaneous with the determination to dismiss E&Y, the Audit Committee appointed KPMG as TripAdvisor’s independent registered public accounting firm for the year ended December 31, 2014, also to be effective immediately following the filing of TripAdvisor’s Annual Report. During the years ended December 31, 2013 and 2012 and the subsequent interim period through February 11, 2014, TripAdvisor did not consult with KPMG with respect to (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered with respect to TripAdvisor’s financial statements, and no written report or oral advice was provided to TripAdvisor that KPMG concluded was an important factor considered by TripAdvisor in reaching a

decision as to any accounting, auditing or financial reporting issue, or (ii) any matter that was subject to any disagreement, as defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions thereto, or a reportable event within the meaning set forth in Item 304(a)(1)(v) of Regulation S-K.

Required Vote

At the Annual Meeting, we will ask our stockholders to ratify the appointment of KPMG as our independent registered public accounting firm for the fiscal year ending December 31, 2016. This proposal requires the affirmative vote of a majority of the voting power of our shares, present in person or represented by proxy, and entitled to vote thereon, voting together as a single class. With respect to the ratification of KPMG, you may vote “FOR,” “AGAINST,” or “ABSTAIN”. Abstentions will be counted toward the tabulations of voting power present and entitled to vote on the ratification of the independent registered public accounting firm proposal and will have the same effect as votes against the proposal. Brokers have discretion to vote on the proposal for ratification of the independent registered public accounting firm.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE “FOR” RATIFICATION OF THE APPOINTMENT OF KPMG LLP AS TRIPADVISOR’S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR 2016.

Fees Paid to Our Independent Registered Public Accounting Firm

KPMG was TripAdvisor’s independent registered public accounting firm for the years ended December 31, 2014 and 2015. The following table sets forth aggregate fees for professional services rendered by KPMG for the years ended December 31, 2014 and 2015.

	2015	2014
Audit Fees(1)	\$1,778,047	\$1,352,635
Other Fees	11,650	2,550
Total Fees	\$1,789,697	\$1,355,185

(1) Audit Fees include fees and expenses associated with the annual audit of our consolidated financial statements, statutory audits, review of our periodic reports, accounting consultations, review of SEC registration statements, report on the effectiveness of internal control and consents and other services related to SEC matters.

Audit and Non-Audit Services Pre-Approval Policy

The Audit Committee has responsibility for appointing, setting compensation of and overseeing the work of the independent registered public accounting firm. In recognition of this responsibility, the Audit Committee has adopted a policy governing the pre-approval of all audit and permitted non-audit services performed by TripAdvisor’s independent registered public accounting firm to ensure that the provision of such services does not impair the independent registered public accounting firm’s independence from TripAdvisor and our management. Unless a type of service to be provided by our independent registered public accounting firm has received general pre-approval from the Audit Committee, it requires specific pre-approval by the Audit Committee. The payment for any proposed services in excess of pre-approved cost levels requires specific pre-approval by the Audit Committee.

Pursuant to its pre-approval policy, the Audit Committee may delegate its authority to pre-approve services to one or more of its members, and it has currently delegated this authority to its Chairman, subject to a limit of \$250,000 per approval. The decisions of the Chairman (or any other member(s) to whom such authority may be delegated) to grant pre-approvals must be presented to the full Audit Committee at its next scheduled meeting. The Audit Committee may not delegate its responsibilities to pre-approve services to Company management.

All of the audit-related, tax and all other services provided to us by KPMG in 2014 and 2015 were approved by the Audit Committee by means of specific pre-approvals or pursuant to the procedures contained in the Company’s

pre-approval policy.

The Audit Committee has considered the non-audit services provided by KPMG in 2014 and 2015, as listed in the table above, and believes that they are compatible with maintaining KPMG's independence in the conduct of their auditing functions.

PROPOSAL 3:

APPROVAL OF THE TRIPADVISOR, INC. AMENDED AND RESTATED 2011 STOCK AND ANNUAL INCENTIVE PLAN

Proposal

The Board of Directors believes that stock options and other stock-based incentive awards can play an important role in the success of TripAdvisor by encouraging and enabling the employees, officers, non-employee directors and consultants of TripAdvisor and its subsidiaries upon whose judgment, initiative and efforts we largely depend for the successful conduct of our business to acquire a proprietary interest in TripAdvisor. The Board of Directors believes that providing such persons with a direct stake in the Company will result in a closer alignment of the interests of such individuals with those of TripAdvisor and our stockholders, thereby stimulating their efforts on our behalf and strengthening their desire to remain with TripAdvisor.

Awards under the TripAdvisor, Inc. Amended and Restated 2011 Stock and Annual Incentive Plan (the “Amended 2011 Plan”) are intended to qualify as “performance-based compensation” under Section 162(m) of the Code to be tax-deductible. Section 162(m) of the Code generally places a \$1 million annual limit on a Company’s tax deduction for compensation paid to certain senior executives, other than compensation that satisfies the applicable requirements for a performance-based compensation exception. To qualify as performance-based compensation under Section 162(m) of the Code, the compensation must (among other requirements) be subject to attainment of performance goals that have been disclosed to stockholders and approved by a majority stockholder vote. We are asking stockholders to approve the material terms of the performance goals under the Amended 2011 Plan so that the Company may make awards that qualify as performance-based compensation under Section 162(m), and thus, would be tax deductible. For purposes of Section 162(m), the material terms of the performance goals requiring stockholder approval include the following:

- the employees eligible to receive awards under the Amended 2011 Plan;
- the business criteria used as the basis for the performance goals; and
- the limits on the maximum amount of compensation payable to any employee in a given time period.

By approving the Amended 2011 Plan, the stockholders will be approving, among other things, the eligibility requirements, performance goals and limits on various cash and stock awards contained therein for purposes of Section 162(m).

Key Changes

If approved, the Amended 2011 Plan would make the following key changes to the current TripAdvisor, Inc. 2011 Stock and Annual Incentive Plan as amended to date (the “2011 Plan”):

- | | |
|-------------------------|---|
| Limits | Impose a limit of \$1 million on the amount of annual awards (cash and equity) that could be made to each non-employee directors. |
| Acceleration Provisions | Disallow acceleration of equity awards upon a change in control only (a “single trigger”), and provide for acceleration of equity awards upon the death of a participant. |
| Administrative Changes | Make certain other administrative changes. |

The 2011 Plan previously provided for individual limits in any calendar year for participants in the plan. The Board of Directors determined, based on a recommendation from the Compensation Committees, that it was appropriate to amend the 2011 Plan to provide for annual limits on the compensation (including cash and equity awards) for non-employee directors. With respect to the acceleration of vesting of equity awards, the Board determined it was in the best interest of the Company to disallow acceleration of equity awards upon a “single trigger” (or a Change in Control (as defined in the 2011 Plan) without a corresponding termination of employment) and allow for acceleration upon (i) a “double trigger” (or a termination of employment by the Company for other than for cause or disability or by the participant for Good Reason (as defined below), in each case within two years of a Change in Control), or (ii) a termination of employment by reason of death of the participant. Finally, over the years, the Board has made changes to the 2011 Plan that did not materially impair the rights of the participants and

thus did not require shareholder approval. The Amended 2011 Plan incorporates these changes. The approval of this Proposal will not result in new shares being added to the Plan.

Summary of Material Features of the Amended 2011 Plan

The material features of the Amended 2011 Plan are:

- The maximum number of shares of common stock to be issued under the Amended 2011 Plan is 32,400,000 shares;
- The award of stock options (both incentive and non-qualified options), stock appreciation rights, restricted stock, restricted stock units, unrestricted stock, performance units, dividend equivalents, convertible debentures and cash bonus awards is permitted;
- The exercise price of stock options and stock appreciation rights will not be decreased in any manner without stockholder approval; and

- Any material amendment to the Amended 2011 Plan is subject to approval by our stockholders.

The shares of common stock underlying any awards that are forfeited, canceled, held back upon exercise or settlement of an award to satisfy the exercise price or tax withholding, reacquired by TripAdvisor prior to vesting, satisfied without any issuance of stock, expire or are otherwise terminated (other than by exercise) under the Amended 2011 Plan are added back to the shares of common stock available for issuance under the Amended 2011 Plan.

Qualified Performance-Based Compensation under Code Section 162(m)

To ensure that certain awards granted under the Amended 2011 Plan to a “Covered Employee” (as defined in the Code) qualify as “performance-based compensation” under Section 162(m) of the Code, the Amended 2011 Plan provides that the Compensation Committees may require that the vesting of such awards be conditioned on the satisfaction of performance criteria that may include any or all of the following: (1) specified levels of earnings per share from continuing operations; (2) net profit after tax; (3) EBITDA; (4) EBITA; (5) gross profit; (6) cash generation; (7) unit volume; (8) market share; (9) sales; (10) asset quality; (11) earnings per share; (12) operating income; (13) revenues; (14) return on assets; (15) return on operating assets; (16) return on equity; (17) profits; (18) total stockholder return (measured in terms of stock price appreciation and/or dividend growth); (19) cost saving levels; (20) marketing-spending efficiency; (21) core non-interest income; (22) change in working capital; (23) return on capital; and (24) stock price. Performance goals may be based upon specified levels of Company, subsidiary, affiliate or division performance under one or more of the criteria set forth above relative to the performance of other entities, divisions or subsidiaries. The Compensation Committees will select the particular performance criteria within the time period specified by Section 162(m) of the Code. Subject to adjustments for stock splits and similar events, the maximum award granted to any one individual in the form of restricted stock units or restricted stock that is intended to qualify as “performance-based compensation” under Section 162(m) of the Code will not exceed 2,000,000 shares of common stock for any calendar year and no more than 3,000,000 shares of common stock underlying options and/or stock appreciation rights may be granted to any one individual during any calendar year period. If a performance-based award is payable in cash, it cannot exceed \$10,000,000 for any calendar year.

Summary of the Amended 2011 Plan

The following description of certain features of the Amended 2011 Plan is intended to be a summary only. The summary is qualified in its entirety by the full text of the Amended 2011 Plan that is attached hereto as Appendix A.

Plan Administration. The Amended 2011 Plan is administered by the Compensation Committees. The Compensation Committees have full power to select, from among the individuals eligible for awards, the individuals to whom awards will be granted, to make any combination of awards to participants, and to determine the specific terms and conditions of each award, subject to the provisions of the Amended 2011 Plan. The Compensation

18

Committees may delegate to an officer the authority to grant awards to employees who are not subject to the reporting and other provisions of Section 16 of the Exchange Act and not subject to Section 162(m) of the Code, subject to certain limitations and guidelines.

Eligibility. Persons eligible to participate in the Amended 2011 Plan are the directors, officers, employees, and consultants of TripAdvisor and its subsidiaries or affiliates as selected from time to time by the Compensation Committees in their discretion. Approximately 3,000 individuals are currently eligible to participate in the Amended 2011 Plan, which includes five executive officers and seven non-employee directors.

Plan and Individual Limits. The maximum award of stock options and/or stock appreciation rights granted to any one individual will not exceed 3,000,000 shares of common stock (subject to adjustment for stock splits and similar events) for any calendar year period. If any award of restricted stock, restricted stock units or performance shares granted to an individual is intended to qualify as “performance-based compensation” under Section 162(m) of the Code, then the maximum award shall not exceed 2,000,000 shares of common stock (subject to adjustment for stock splits and similar events) to any one such individual in any calendar year. If any cash-based award is intended to qualify as “performance-based compensation” under Section 162(m) of the Code, then the maximum award to be paid in cash in any performance cycle may not exceed \$10,000,000. In addition, no more than 7,000,000 shares may be issued in the form of incentive stock options. Finally, the Company has amended the 2011 Plan to provide that no non-employee Director may be granted any compensation (including cash and an Award) with a fair value, determined as of the Grant Date, of greater than \$1,000,000.

Stock Options. The Amended 2011 Plan permits the granting of (1) options to purchase common stock intended to qualify as incentive stock options under Section 422 of the Code and (2) options that do not so qualify. Options granted under the Amended 2011 Plan will be non-qualified options if they fail to qualify as incentive options or exceed the annual limit on incentive stock options. Incentive stock options may only be granted to employees of TripAdvisor and its subsidiaries. Non-qualified options may be granted to any persons eligible to receive incentive options and to non-employee directors and consultants. The option exercise price of each option will be determined by the Compensation Committees but may not be less than 100% of the fair market value of the common stock on the date of grant. Fair market value for this purpose will be the closing price of the shares of common stock on the NASDAQ on the date of grant. Without stockholder approval, the exercise price of an option may not be reduced after the date of the option grant, other than to appropriately reflect changes in our capital structure.

The term of each option will be fixed by the Compensation Committees and, in the case of incentive stock options, may not exceed ten years from the date of grant. The Compensation Committees will determine at what time or times each option may be exercised. Options may be made exercisable in installments and the exercisability of options may be accelerated by the Compensation Committees. In general, unless otherwise permitted by the Compensation Committees, no option granted under the Amended 2011 Plan is transferable by the optionee other than by will or by the laws of descent and distribution or pursuant to a qualified domestic relations order, and options may be exercised during the optionee’s lifetime only by the optionee, or by the optionee’s legal representative or guardian in the case of the optionee’s incapacity.

Upon exercise of options, the option exercise price must be paid in full by certified or bank check or other instrument acceptable to the Compensation Committees or, if authorized at the time the option is granted, by delivery (or attestation to the ownership) of shares of common stock that are beneficially owned by the optionee. Subject to applicable law, the exercise price may also be delivered to TripAdvisor by a broker pursuant to irrevocable instructions to the broker from the optionee. In addition, the Compensation Committees may permit options to be exercised using a net exercise feature which reduces the number of shares issued to the optionee by the number of shares with a fair market value equal to the exercise price.

To qualify as incentive options, options must meet additional federal tax requirements, including a \$100,000 limit on the value of shares subject to incentive options that first become exercisable by a participant in any one calendar year.

Stock Appreciation Rights. The Compensation Committees may award tandem or free-standing stock appreciation rights, subject to such conditions and restrictions as the Compensation Committees may determine. Stock appreciation rights entitle the recipient to shares of common stock equal to the value of the appreciation in the

19

stock price over the exercise price. The exercise price may not be less than the fair market value of the common stock on the date of grant. The term of a stock appreciation right shall be determined by the Compensation Committees.

Restricted Stock. The Compensation Committees may award shares of common stock to participants subject to such conditions and restrictions as the Compensation Committees may determine. These conditions and restrictions may include the achievement of certain performance goals (as summarized above) and/or continued employment with us through a specified restricted period.

Restricted Stock Units. The Compensation Committees may award restricted stock units to any participants. Restricted stock units are ultimately payable in the form of shares of common stock, cash or a combination of both and may be subject to such conditions and restrictions as the Compensation Committees may determine. These conditions and restrictions may include the achievement of certain performance goals (as summarized above) and/or continued employment with TripAdvisor through a specified vesting period.

Unrestricted Stock Awards. The Compensation Committees may also grant shares of common stock which are free from any restrictions under the Amended 2011 Plan.

Performance Share Awards. The Compensation Committees may grant performance share awards to any participant which entitle the recipient to receive shares of common stock upon the achievement of certain performance goals (as summarized above) and such other conditions as the Compensation Committees shall determine.

Dividend Equivalents. The Compensation Committees may grant dividend equivalents to participants which entitle the recipient to receive credits for dividends that would be paid if the recipient had held specified shares of common stock. Dividend equivalents granted as a component of another award subject to performance vesting may be paid only if the related award becomes vested.

Cash Bonus Awards. The Compensation Committees may grant cash bonuses under the Amended 2011 Plan to participants. The cash bonuses may be subject to the achievement of certain performance goals (as summarized above).

Acceleration Provisions. The 2011 Plan originally included a provision providing for acceleration of the vesting of equity awards (i) upon a participant's termination of employment by the Company during the two-year period following a Change in Control other than for Cause or Disability, each as defined in the 2011 Plan, or by the participant for Good Reason, as defined in the 2011 Plan (i.e. a "double trigger"), or (ii) for certain participants and certain awards, following a Change in Control without a corresponding termination of employment (i.e., a "single trigger"). On the recommendation of the Compensation Committee and Board of Directors, the Company has amended the 2011 Plan to disallow acceleration of equity awards upon a "single trigger" and allow for acceleration of vesting of equity awards upon a "double trigger" (or a termination of employment by the Company for other than for cause or disability or by the participant for Good Reason, in each case within two years of a Change in Control), or (ii) upon the death of the participant. These changes are reflected in the Amended 2011 Plan attached hereto.

Adjustments for Stock Dividends, Stock Splits, Etc. The Amended 2011 Plan requires the Compensation Committees to make appropriate adjustments to the number of shares of common stock that are subject to the Amended 2011 Plan, to certain limits in the Amended 2011 Plan, and to any outstanding awards to reflect stock dividends, stock splits, extraordinary cash dividends and similar events.

Tax Withholding. Participants in the Amended 2011 Plan are responsible for the payment of any federal, state or local taxes that TripAdvisor is required by law to withhold upon the exercise of options or stock appreciation rights or vesting of other awards. Subject to approval by the Compensation Committees, participants may elect to have the

minimum tax withholding obligations satisfied by authorizing us to withhold shares of common stock to be issued pursuant to the exercise or vesting.

Amendments and Termination. The Board of Directors may at any time amend, alter or discontinue the Amended 2011 Plan and the Compensation Committees may unilaterally amend the terms of any award, prospectively or retroactively. However, no such action may materially impair rights of a participant with respect to a previously granted award without the participant's consent, except such an amendment made to comply with

20

applicable law (including without limitation Section 409A of the Code), stock exchange rules or accounting rules. In addition, no such amendment shall be made without stockholder approval to the extent such approval is required by applicable law or the listing standards of NASDAQ.

Effective Date of 2011 Plan. The Board of Directors originally adopted the 2011 Plan on December 20, 2011. No awards may be granted under the Amended 2011 Plan after December 20, 2021. If the proposed Amended 2011 Plan is not approved by stockholders, the Amended 2011 Plan will continue in effect until it expires, and awards may be granted thereunder, in accordance with its terms.

New Plan Benefits

Because the grant of awards under the Amended 2011 Plan is within the discretion of the Compensation Committees, we cannot determine the dollar value or number of shares of common stock that will in the future be received by or allocated to any participant in the Amended 2011 Plan. Accordingly, in lieu of providing information regarding benefits that will be received under the Amended 2011 Plan, the following table provides information concerning the benefits that were received by the following persons and groups during 2015: each named executive officer; all current executive officers, as a group; all current directors who are not executive officers, as a group; and all employees who are not executive officers, as a group.

Tax Aspects Under the Code

The following is a summary of the principal federal income tax consequences of certain transactions under the Amended 2011 Plan. It does not describe all federal tax consequences under the Amended 2011 Plan, nor does it describe state or local tax consequences.

Incentive Options. No taxable income is generally realized by the optionee upon the grant or exercise of an incentive option. If shares of common stock issued to an optionee pursuant to the exercise of an incentive option are sold or transferred after two years from the date of grant and after one year from the date of exercise, then (i) upon sale of such shares, any amount realized in excess of the option price (the amount paid for the shares) will be taxed to the optionee as a long-term capital gain, and any loss sustained will be a long-term capital loss, and (ii) the Company will not be entitled to any deduction for federal income tax purposes. The exercise of an incentive option will give rise to an item of tax preference that may result in alternative minimum tax liability for the optionee.

If shares of common stock acquired upon the exercise of an incentive option are disposed of prior to the expiration of the two-year and one-year holding periods described above (a “disqualifying disposition”), generally (i) the optionee will realize ordinary income in the year of disposition in an amount equal to the excess (if any) of the fair market value of the shares of common stock at exercise (or, if less, the amount realized on a sale of such shares of common stock) over the option price thereof, and (ii) we will be entitled to deduct such amount. Special

21

rules will apply where all or a portion of the exercise price of the incentive option is paid by tendering shares of common stock.

If an incentive option is exercised at a time when it no longer qualifies for the tax treatment described above, the option is treated as a non-qualified option. Generally, an incentive option will not be eligible for the tax treatment described above if it is exercised more than three months following termination of employment (or one year in the case of termination of employment by reason of disability). In the case of termination of employment by reason of death, the three-month rule does not apply.

Non-Qualified Options. No income is realized by the optionee at the time the option is granted. Generally (i) at exercise, ordinary income is realized by the optionee in an amount equal to the difference between the option price and the fair market value of the shares of common stock on the date of exercise, and we receive a tax deduction for the same amount, and (ii) at disposition, appreciation or depreciation after the date of exercise is treated as either short-term or long-term capital gain or loss depending on how long the shares of common stock have been held. Special rules will apply where all or a portion of the exercise price of the non-qualified option is paid by tendering shares of common stock. Upon exercise, the optionee will also be subject to Social Security taxes on the excess of the fair market value over the exercise price of the option.

Other Awards. The Company generally will be entitled to a tax deduction in connection with an award under the Amended 2011 Plan in an amount equal to the ordinary income realized by the participant at the time the participant recognizes such income. Participants typically are subject to income tax and recognize such tax at the time that an award is exercised, vests or becomes non-forfeitable, unless the award provides for a further deferral.

Parachute Payments. The vesting of any portion of an option or other award that is accelerated due to the occurrence of a Change in Control may cause a portion of the payments with respect to such accelerated awards to be treated as “parachute payments” as defined in the Code. Any such parachute payments may be non-deductible to the Company, in whole or in part, and may subject the recipient to a non-deductible 20% federal excise tax on all or a portion of such payment (in addition to other taxes ordinarily payable).

Limitation on Deductions. Under Section 162(m) of the Code, the Company’s deduction for certain awards under the Amended 2011 Plan may be limited to the extent that the Chief Executive Officer or other executive officer whose compensation is required to be reported in the summary compensation table (other than the Principal Financial Officer) receives compensation in excess of \$1 million a year (other than performance-based compensation that otherwise meets the requirements of Section 162(m) of the Code). The Amended 2011 Plan is structured to allow certain awards to qualify as performance-based compensation.

Required Vote

At the Annual Meeting, we will ask our stockholders to approve the TripAdvisor, Inc. Amended and Restated 2011 Stock and Annual Incentive Plan. This proposal requires the affirmative vote of a majority of
