Item 1.01. Entry into a Material Definitive Agreement

On August 23, 2016, Science Applications International Corporation (“SAIC”) entered into the First Amendment (the “Amendment”) to the Second Amended and Restated Credit Agreement, dated as of May 4, 2015 (the “Existing Credit Agreement”), among SAIC as borrower, Citibank, N.A., as administrative agent and collateral agent, and certain other lenders and parties thereto primarily to (1) extend the maturity of the term loan “A” facility (“Term Loan A Facility”) and extend the termination date of the Revolving Credit Facility, (2) transfer certain amounts of the term loan “B” facility (“Term Loan B Facility”) to the Term Loan A Facility, and (3) reduce the interest rate margins for the Term Loan A Facility, the Term Loan B Facility and the Revolving Credit Facility.

Prior to the Amendment, approximately \$528 million of the Term Loan A Facility and \$532 million of the Term Loan B Facility were outstanding under the Existing Credit Agreement. Pursuant to the Amendment, principal borrowings of approximately \$131.5 million under the Term Loan B Facility were transferred to the Term Loan A Facility. Pursuant to the Amendment, the maturity date for the Term Loan A Facility and the termination date for the Revolving Credit Facility were extended to August 23, 2021 and the maturity date for the Term Loan B Facility remained unchanged at May 4, 2022. The Amendment revises the quarterly principal payments due under the Term Loan A Facility to 1.250% of the stated principal amount per quarter with the first quarterly payment due in October 2017, increasing to 1.875% in October 2018, and increasing further to 2.500% in October 2019. The Term Loan B Facility will no longer have quarterly amortization. Pursuant to the Amendment, the interest rate on borrowings under the Term Loan A Facility and the Revolving Credit Facility is a variable rate based on either LIBOR plus a margin from 1.50% up to 2.25%, or Citibank’s base rate plus a margin from 0.50% up to 1.25%, depending on SAIC’s then current leverage ratio. The interest rate on borrowings under the Term Loan B Facility is now LIBOR plus a margin of 2.50% or Citibank’s base rate plus a margin of 1.50%.

The amended Term Loan A Facility, the amended Term Loan B Facility and the Revolving Credit Facility are secured by the same collateral and guaranteed by the same guarantors as under the Existing Credit Agreement. Certain covenants under the Existing Credit Agreement were amended to provide for greater operational and financial flexibility to SAIC and certain other minor and conforming amendments were made. The remaining terms in the Existing Credit Agreement are unchanged.
