PROXY STATEMENT

FOR ANNUAL GENERAL MEETING OF SHAREHOLDERS

TO BE HELD MAY 20, 2015

This proxy statement (“Proxy Statement”) is being furnished to you in connection with the solicitation of proxies by our board of directors (“Board”) to be used at the annual general meeting of the Company for 2015 to be held at the Sofitel Miami, 5800 Blue Lagoon Drive, Miami, Florida 33126, on Wednesday, May 20, 2015 at 9:00 a.m. (Miami time), and any adjournments or postponements thereof (the “Annual General Meeting”). References in this Proxy Statement to “we,” “us,” “our,” “Company” and “NCLH” refer to Norwegian Cruise Line Holdings Ltd.

This Proxy Statement and accompanying form of proxy were first sent to shareholders on or about April 16, 2015.

We are enclosing a copy of our 2014 Annual Report to Shareholders (“2014 Annual Report”), which includes our 2014 financial statements. Our 2014 Annual Report is not, however, part of the proxy materials.

Important Notice Regarding the Availability of Proxy Materials for the Annual General Meeting to Be Held on May 20, 2015: This Proxy Statement and our 2014 Annual Report are available on our website at www.nclhldinvestor.com. The information that appears on our website is not part of, and is not incorporated by reference into, this Proxy Statement.

GENERAL INFORMATION

Who May Vote

Each ordinary share of the Company, par value \$.001 per share (the “ordinary shares”), outstanding as of the close of business on March 20, 2015 (the “record date”) is entitled to one vote at the Annual General Meeting. At the close of business on March 20, 2015, 229,719,240 of our ordinary shares were outstanding and entitled to vote. The ordinary shares are our only outstanding class of equity securities that are entitled to vote at the Annual General Meeting. Our bye-laws provide that no one person or group of related persons, other than certain of the Apollo Holders, the TPG Viking Funds and Genting HK (each as defined herein), may own, or be deemed to own more than 4.9% of our ordinary shares, whether measured by vote, value or number, unless such ownership is approved by our Board (the “4.9% limit”). Any outstanding shares held in excess of the 4.9% limit will be transferred to and held in a trust. The trustee will be entitled to vote the excess shares on behalf of the beneficiary. See “Item 1—Business—Taxation—U.S. Income Taxation—Exemption of International Shipping Income under Section 883 of the Code” in our 2014 Annual Report for further information.

You may vote all of the ordinary shares owned by you as of the close of business on the record date. These ordinary shares include ordinary shares that are (1) held of record directly in your name and (2) held for you as the beneficial owner through a broker, bank, or other nominee. There are some distinctions between ordinary shares held of record and ordinary shares owned beneficially as described herein.

Ordinary shares held of record

If your ordinary shares are registered directly in your name with the Company or our transfer agent, American Stock Transfer & Trust Company, LLC, you are considered the shareholder of record with respect to those ordinary shares, and the proxy materials were sent directly to you by the Company. As the shareholder of record, you have the right to grant your voting proxy directly to us or to vote in person at the Annual General Meeting. We have enclosed a proxy card for you to use. You may vote via the Internet, telephone, by mail, or in person at the meeting, as described below under the heading “How to Vote.”

TABLE OF CONTENTS

Ordinary shares owned beneficially

If your ordinary shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of ordinary shares held in “street name,” and the proxy materials and a voting instruction form were forwarded to you by your broker, bank or other nominee. As the beneficial owner, you have the right to direct your broker, bank or other nominee on how to vote the shares in your account, and you are also invited to attend the Annual General Meeting. If you are a beneficial owner and desire to vote your shares in person at the Annual General Meeting, see “How to Vote—Voting in Person” below for additional information.

Requirements to Attend the Annual General Meeting

You are invited to attend the Annual General Meeting if you are a shareholder of record or a beneficial owner as of March 20, 2015, or you hold a valid legal proxy for the Annual General Meeting. If you are a shareholder of record, you must bring proof of identification such as a valid driver’s license for admission to the Annual General Meeting. If you hold your ordinary shares through a broker, bank or other nominee, you will need to provide proof of beneficial ownership by bringing either a copy of the voting instruction form provided to you by your broker, bank or other nominee, a copy of your brokerage statement showing your ordinary share ownership as of March 20, 2015, or other similar evidence of ownership as of the record date, as well as proof of identification such as a valid driver’s license.

How to Vote

Voting in Person

Ordinary shares held in your name as the shareholder of record may be voted in person at the Annual General Meeting. Ordinary shares for which you are the beneficial owner but not the shareholder of record may be voted in person at the Annual General Meeting only if you obtain a legal proxy from the broker, bank or nominee that holds your shares giving you the right to vote the shares in person at the meeting. Even if you plan to attend the Annual General Meeting, we recommend that you also submit your proxy or voting instructions as described below so that your vote will be counted if you later decide not to attend the meeting.

Voting Without Attending the Annual General Meeting

Whether you hold shares directly as a shareholder of record or beneficially in street name, you may vote your ordinary shares without attending the Annual General Meeting. You may vote by granting a proxy or, for ordinary shares held in street name, by submitting voting instructions to your broker, bank or nominee. You may also submit a proxy or voting instructions by telephone or using the Internet as outlined on your proxy card or voting instruction form. Please see your proxy card or the information your bank, broker, or other nominee provided to you for more information on these options. Votes cast by Internet or telephone have the same effect as votes cast by submitting a written proxy card or voting instruction form.

How Your Shares Will Be Voted

Our Board has appointed Wendy A. Beck and Howard Flanders to serve as proxy holders to vote your shares according to the instructions you submit. If you properly submit a proxy but do not specify your voting choice on one or more of the items listed in the accompanying Notice of Annual General Meeting of Shareholders, your shares will be voted as follows:

- FOR the election of each of the four nominees for Class II director named below (Items 1a to 1d of Proposal No. 1);
- FOR the approval, on a non-binding, advisory basis, of the compensation of our named executive officers (Proposal No. 2);
- FOR ratification of (i) the appointment of PricewaterhouseCoopers LLP (“PwC”) as our independent registered certified public accounting firm and (ii) the determination of PwC’s remuneration by the Audit Committee of the Board (Proposal No. 3); and

TABLE OF CONTENTS

•
FOR the amendment to the Company's bye-laws to clarify the notice provisions under the Company's bye-laws (Proposal No. 4).

If you hold your ordinary shares in street name through a brokerage account and you do not submit voting instructions to your broker, your broker may generally vote your ordinary shares in its discretion on routine matters. However, a broker cannot vote ordinary shares held in street name on non-routine matters unless the broker receives voting instructions from the street name holder. The proposal to ratify the appointment of PwC as our independent registered certified public accounting firm for the year ending December 31, 2015 and the Audit Committee's determination of PwC's remuneration (Proposal No. 3) is considered routine under applicable rules, while each of the other items to be submitted for a vote of shareholders at the Annual General Meeting is considered non-routine. Accordingly, if you hold your ordinary shares in street name through a brokerage account and you do not submit voting instructions to your broker, your broker may exercise its discretion to vote your ordinary shares on Proposal No. 3, but will not be permitted to vote your ordinary shares on any of the other items at the Annual General Meeting. If your broker exercises this discretion, your ordinary shares will be counted as present for the purpose of determining the presence of a quorum at the Annual General Meeting and will be voted on Proposal No. 3 in the manner directed by your broker, but your shares will constitute "broker non-votes" on each of the other items at the Annual General Meeting. Broker non-votes will not be counted as a vote cast with respect to these other items and therefore will not be counted in determining the outcome of the items.

Matters to be Presented

We are not aware of any matters to be presented for a vote at the Annual General Meeting other than those described in this Proxy Statement. If any matters not described in this Proxy Statement are properly presented at the meeting, your proxy, if properly submitted, gives authority to the proxy holders to vote your ordinary shares in accordance with their judgment.

Quorum

A quorum refers to the number of persons that must be in attendance at an annual general meeting of shareholders and the percentage of the total issued voting shares that must be represented at such meeting in order to lawfully conduct business. The presence of two or more persons, present in person or by proxy, holding in excess of 50% of the total issued ordinary shares entitled to vote will form a quorum for the transaction of business at the Annual General Meeting. Shares represented by properly submitted proxies that reflect abstentions or broker non-votes will be counted as shares that are present and entitled to vote for purposes of determining the presence of a quorum. If the persons present or represented by proxy at the Annual General Meeting constitute the holders of less than a majority of the outstanding ordinary shares entitled to vote as of the record date, the chairman of the Annual General Meeting may adjourn the meeting to a subsequent date for the purpose of obtaining a quorum.

Vote Necessary to Approve Proposals

The following summary describes the vote required to approve each of the proposals at the Annual General Meeting assuming a quorum has been established for the transaction of business at the meeting.

Election of Class II Directors (Proposal No. 1). Pursuant to our bye-laws, each director nominee receiving an affirmative majority of the votes cast with respect to his election will be elected as a Class II director. The majority voting standard does not apply, however, where the number of persons validly proposed for election as a director is greater than the number of directors to be elected. In such circumstances, directors will instead be elected by a plurality of the votes cast, meaning that the persons receiving the highest number of votes, up to the total number of directors to be elected at the meeting, will be elected.

At the Annual General Meeting, the number of director nominees validly proposed for election as a Class II director equals the number of directors to be elected. Therefore, in accordance with the majority voting standard, director nominees will be elected at the Annual General Meeting by an affirmative majority of the votes cast. Shareholders are not permitted to cumulate their shares for the purpose of electing directors.

TABLE OF CONTENTS

For purposes of this proposal, abstentions and broker non-votes are not counted as votes cast and therefore will not be counted in determining the outcome of the election of directors.

Proposals No. 2 and 3. Pursuant to our bye-laws, the affirmative vote of a majority of the votes cast on the proposal at the meeting is required to approve each of Proposal No. 2 (advisory approval of the compensation of our named executive officers) and Proposal No. 3 (ratification of the appointment of PwC as our independent registered certified accounting firm and the Audit Committee's determination of PwC's remuneration). Notwithstanding this vote standard required by our bye-laws, Proposal No. 2 and Proposal No. 3 are advisory in nature and therefore not binding on the Company. Our Board will consider the outcome of the vote on each of these items in considering what action, if any, should be taken in response to the vote by shareholders. For purposes of these proposals, abstentions and broker non-votes, if any, are not counted as votes cast and therefore will not be counted in determining the outcome of any of these proposals.

Amendment to Bye-laws (Proposal No. 4). Pursuant to our bye-laws, the affirmative vote of a majority of the outstanding ordinary shares of the Company is required to approve Proposal No. 4 (amendment to bye-laws). For purposes of this proposal, abstentions and broker non-votes will have the same effect as a vote against the proposal. Prior to the Annual General Meeting, we will select two or more inspectors of election for the meeting. Such inspectors will determine the number of ordinary shares represented at the Annual General Meeting, the existence of a quorum and the validity and effect of proxies. They will also receive and tabulate ballots and votes and determine the results thereof.

Revoking a Proxy

If you are a shareholder of record, you may revoke your proxy at any time before the Annual General Meeting by delivering a written notice of revocation to our Assistant Secretary at 7665 Corporate Center Drive Miami, Florida 33126 prior to the Annual General Meeting, by submitting a later-dated proxy via the Internet, by telephone or by mail by the deadline specified on the accompanying proxy card (only your latest proxy submitted prior to the Annual General Meeting will be counted), or by attending the Annual General Meeting and voting in person. If your shares are held in street name through a bank, broker or other nominee, you may change any previous voting instructions by submitting new voting instructions to the bank, broker or nominee holding your shares by the deadline specified on the accompanying voting instruction form or by attending the Annual General Meeting and voting in person if you have obtained a legal proxy from the bank, broker or nominee giving you the right to vote the shares at the Annual General Meeting. Attendance at the Annual General Meeting will not by itself constitute a revocation of any proxy or voting instructions.

Presentation of Financial Statements

In accordance with the Bermuda Companies Act 1981, as amended, and bye-law 78 of the Company, the Company's audited financial statements for the year ended December 31, 2014 will be presented at the Annual General Meeting. The Board has approved these statements. There is no requirement under Bermuda law that these statements be approved by shareholders, and no such approval will be sought at the meeting.

CORPORATE GOVERNANCE

Corporate Governance Guidelines

The Board has adopted Corporate Governance Guidelines, which provide the framework for the governance of our Company and represent the Board's current views with respect to selected corporate governance issues considered to be of significance to our shareholders. The Corporate Governance Guidelines direct our Board's actions with respect to, among other things, Board composition and director qualifications, director independence, Board committees, succession planning and the Board's annual performance evaluation. A current copy of the Corporate Governance Guidelines is posted in the corporate governance section of our website at www.nclhldinvestor.com.

Board of Directors and Committees

Our Board currently consists of eleven seats, which includes two vacancies created by the resignations of Mr. Blondel So King Tak and Kevin C. Jones on April 9, 2015. Our Company is governed by the Board and various committees of the Board that meet throughout the year. The standing committees of our Board include: the Audit Committee, the Compensation Committee, and the Nominating and Governance Committee. The functions of each of these committees are described below. Each committee has adopted a written charter and a copy of each committee charter is posted in the corporate governance section on our website at www.nclhldinvestor.com. In addition to these committees, the Board may, from time to time, authorize additional Board committees to assist the Board in its responsibilities.

Our Chief Executive Officer, Chief Financial Officer and our Assistant Secretary regularly attend meetings of our Board committees when they are not in executive session and report on matters that are not addressed by other officers. In addition, our directors are encouraged to communicate directly with members of management regarding matters of interest, including matters related to risk, at times when meetings are not being held.

Board of Directors

During 2014, there were seven meetings of the Board, ten meetings of the Audit Committee and two meetings of the Compensation Committee. Each of our directors attended at least 75% of the aggregate of all meetings of the Board and of any committees on which he served during 2014, other than Mr. David M. Abrams. Mr. Abrams joined our Board in April 2014 and was unable to attend two of six Board meetings held after his appointment due to scheduling conflicts that existed prior to his appointment to the Board. Pursuant to our Corporate Governance Guidelines, in addition to regularly scheduled Board meetings, during 2014 our independent directors held four regularly scheduled executive sessions without the presence of Company management.

We do not have a formal policy regarding Board member attendance at the annual general meeting of shareholders. Four of our directors attended the annual general meeting of the Company in 2014.

Audit Committee

Our Audit Committee consists of Walter L. Revell, F. Robert Salerno and John Chidsey. Our Board has determined that both Walter L. Revell and John Chidsey qualify as audit committee financial experts as defined in Item 407(d)(5) of Regulation S-K. Mr. Revell's and Mr. Chidsey's biographies are each set forth below. Each of Walter L. Revell, F. Robert Salerno and John Chidsey are independent as independence is defined in Rule 10A-3 under the Securities Exchange Act of 1934, as amended (the "Exchange Act") and under the applicable rules of the NASDAQ Stock Market LLC ("NASDAQ").

The principal duties and responsibilities of our Audit Committee are as follows:

- to oversee and monitor the integrity of our financial statements;
- to monitor our financial reporting process and internal control system;
- to appoint our independent registered certified public accounting firm from time to time, determine their compensation and other terms of engagement and oversee their work;

TABLE OF CONTENTS

- to oversee the performance of our internal audit function; and

- to oversee our compliance with legal, ethical and regulatory matters.

The Audit Committee has the power to investigate any matter brought to its attention within the scope of its duties. It also has the authority to retain counsel and advisors to fulfill its responsibilities and duties.

Compensation Committee

Our Compensation Committee consists of Steve Martinez, John Chidsey and F. Robert Salerno.

The principal duties and responsibilities of our Compensation Committee are as follows:

- to provide oversight and make recommendations to our Board on the development and implementation of the compensation policies, strategies, plans and programs for our key employees, executive officers and outside directors and disclosure relating to these matters and to establish and administer incentive compensation, benefit and related plans;

- to review and make recommendations to our Board regarding corporate goals and objectives, performance and the compensation of our Chief Executive Officer, Chief Financial Officer and the other executive officers of us and our subsidiaries; and

- to provide oversight and make recommendations to our Board concerning selection of officers, regarding performance of individual executives and related matters.

The Compensation Committee is also responsible for reviewing the Compensation Discussion and Analysis included in this Proxy Statement and for preparing the Compensation Committee Report included in this Proxy Statement. We avail ourselves of the “controlled company” exemption under the NASDAQ rules, which exempts us from the requirement that we have a compensation committee composed entirely of independent directors. Each of the current members of the Compensation Committee, other than Mr. Martinez, is an independent director under applicable NASDAQ rules. The Board previously determined that Mr. Tan Sri Lim Kok Thay, who resigned from the Board and the Compensation Committee on March 3, 2015, Mr. David M. Abrams, who stepped down from the Compensation Committee on February 10, 2015 and Mr. Kevin Crowe, who stepped down from the Compensation Committee on March 27, 2015 were not independent.

The Compensation Committee is responsible for reviewing compensation for the Company’s executive officers and recommending the compensation for approval by the Board. However, the Compensation Committee takes into account recommendations of the Company’s Chief Executive Officer in reviewing and recommending the compensation (including share awards) of executive officers other than the Chief Executive Officer. In addition, the Compensation Committee retains the power to appoint and delegate matters to a subcommittee comprised of at least one member of the Compensation Committee. The Compensation Committee does not currently intend to delegate any of its responsibilities to a subcommittee.

Nominating and Governance Committee

Our Nominating and Governance Committee consists of John Chidsey, F. Robert Salerno and Adam M. Aron.

The principal duties and responsibilities of our Nominating and Governance Committee are as follows:

- to establish criteria for the Board and committee membership and recommend to our Board proposed nominees for election to our Board and for membership on committees of our Board;

to make recommendations regarding proposals submitted by our shareholders; and

- to make recommendations to our Board regarding our Board's governance matters and practices.

7

TABLE OF CONTENTS

We avail ourselves of the “controlled company” exemption under the NASDAQ rules, which exempts us from the requirement that we have a nominating and governance committee composed entirely of independent directors. Each of the current members of the Nominating and Governance Committee, other than Mr. Aron, is an independent director under applicable NASDAQ rules. The Board previously determined that Mr. David Chua Ming Haut, who resigned from the Board and the Nominating and Governance Committee on March 3, 2015, and Mr. Steve Martinez, who stepped down from the Nominating and Governance Committee on March 27, 2015, were not independent.

The Nomination Process

At an appropriate time prior to each annual general meeting of shareholders at which directors are to be elected, the Nominating and Governance Committee recommends to the Board for nomination by the Board such candidates as the Nominating and Governance Committee, in the exercise of its judgment, has found to be well qualified and willing and available to serve. In addition, the Nominating and Governance Committee recommends candidates to serve on the Board at other times during the year, as needed.

As set forth in NCLH’s Corporate Governance Guidelines, the Nominating and Governance Committee seeks to elect directors who: (i) understand elements relevant to the success of a publicly traded company and (ii) understand the Company’s business and have a strong educational and professional background. In selecting director nominees for membership on the Board, the Nominating and Governance Committee may also consider the individual’s independence, character, ability to exercise sound judgment and demonstrated leadership skills. While the Board does not have a formal policy for the consideration of diversity in identifying nominees for directors, the Nominating and Governance Committee evaluates the composition of the Board to ensure that the Board encompasses a broad range of skills, expertise, industry knowledge and diversity of background and experience.

The Nominating and Governance Committee will identify and consider candidates suggested by outside directors, management and/or shareholders and evaluate them in accordance with its established criteria. In addition, certain of the Sponsors have certain rights to nominate directors and the Nominating and Governance Committee must follow those requirements as long as the Company is subject to those requirements. See “Proposal 1: Election of Directors” below.

Director candidates recommended by shareholders will be considered in the same manner as recommendations received from other sources. If a shareholder desires to recommend a director candidate for consideration by the Nominating and Governance Committee, recommendations should be sent in writing to the Assistant Secretary, Norwegian Cruise Line Holdings Ltd., 7665 Corporate Center Drive Miami, Florida 33126, together with appropriate biographical information concerning each proposed director candidate. The Nominating and Governance Committee may request additional information concerning the director candidate as it deems reasonably necessary to determine the eligibility and qualification of the director candidate to serve as a member of our Board. Shareholders who are recommending candidates for consideration by the Board in connection with the next annual general meeting of shareholders should submit their written recommendation no later than January 1 of the year of that meeting.

Board Leadership Structure

The Board believes its current leadership structure best serves the objectives of the Board’s oversight of management, the Board’s ability to carry out its roles and responsibilities on behalf of the shareholders, and the Company’s overall corporate governance. The leadership structure of the Company consists of Mr. Del Rio who serves as Chief Executive Officer and Mr. Walter L. Revell who serves as Chairman of the Board and Chairman of the Audit Committee. The Board periodically reviews the leadership structure and may make changes in the future.

Board Role in Risk Oversight

One of the principal functions of our Board is to provide oversight concerning the assessment and management of risk related to our business. The Board is involved in risk oversight through its approval authority with respect to fundamental financial and business strategies and major corporate activities, as

TABLE OF CONTENTS

well as through its oversight of management and the committees of the Board. Management is responsible for identifying the material risks facing NCLH, implementing appropriate risk management strategies and ensuring the information with respect to material risks is shared with the Board or the appropriate committee of the Board. In connection with this responsibility, members of management provide regular reports to the Board regarding business operations and strategic planning, financial planning and budgeting and regulatory matters, including any material risk to NCLH relating to such matters.

Our Board uses its committees to assist in their risk oversight function as follows:

- Our Audit Committee is responsible for oversight of our financial controls and compliance activities. The Audit Committee also oversees management’s process of identifying areas of major risk exposure facing NCLH and the steps management has taken to monitor and control those risk exposures.

- Our Compensation Committee is responsible for oversight of risks associated with our compensation program.

- Our Nominating and Governance Committee is responsible for oversight of risk associated with Board processes and corporate governance.

As needed at regular meetings of our Board, the committee members report to the full Board regarding matters reported and discussed at any committee meetings, including any matters relating to risk assessment or risk management. Our Chief Executive Officer, Chief Financial Officer and Assistant Secretary regularly attend meetings of these committees when they are not in executive session, and often report on matters that may not be otherwise addressed at these meetings. In addition, our directors are encouraged to communicate directly with members of management regarding matters of interest, including matters related to risk, at times when meetings are not being held. The Board believes that the structure and assigned responsibilities described above provide the appropriate focus, oversight and communication of key risks faced by our Company. The Board also believes that the processes it has established to administer the Board’s risk oversight function would be effective under a variety of leadership frameworks and therefore do not have a material effect on the Board’s leadership structure described under “—Board Leadership Structure” above.

Director Independence

The Board consists of eleven seats, which includes two vacancies created by the resignations of Mr. Blondel So King Tak and Mr. Kevin C. Jones on April 9, 2015. The Board has affirmatively determined that three of our directors, Messrs. Revell, Chidsey and Salerno, are independent under the applicable rules of NASDAQ and rules and regulations of the Securities and Exchange Commission (the “SEC”). In considering the independence of each director, the Board reviews information provided by each director and considers whether any director has a relationship that would interfere with the director’s exercise of independent judgment in carrying out his responsibilities as a director. Due to the fact that our Sponsors own over 50% of our issued and outstanding ordinary shares, we avail ourselves of the “controlled company” exception under the NASDAQ rules, which eliminates the requirement that we have a majority of independent directors on our Board and that we have compensation and nominating and governance committees composed entirely of independent directors. However, we are required to have a fully-independent audit committee, which we currently do.

As of March 20, 2015, the Sponsors held approximately 50.1% of our issued and outstanding ordinary shares. If at any time we cease to be a “controlled company” under the NASDAQ rules, our Board will take all action necessary to comply with such NASDAQ rules, including appointing a majority of independent directors to the Board and establishing certain committees composed entirely of independent directors, subject to a permitted “phase-in” period, and in each case subject to the terms of the Shareholders’ Agreement.

Family Relationships

There are no family relationships between or among any of our executive officers and directors or director nominees.

Contacting Members of the Board of Directors

Shareholders may send written communications to the Board or to specified individuals on the Board, c/o Norwegian Cruise Line Holdings Ltd.’s Assistant Secretary at 7665 Corporate Center Drive, Miami, Florida 33126. All mail received will be opened and communications from verified shareholders that relate to matters that are within the scope of the responsibilities of the Board, other than solicitations, junk mail and frivolous or inappropriate communications, will be forwarded to the Chairman of the Board or any specified individual director, as applicable. If the correspondence is addressed to the Board, the Chairman will distribute it to the other Board members if he determines it is appropriate for the full Board to review.

The amounts and percentages of our ordinary shares beneficially owned are reported on the basis of regulations of the SEC governing the determination of beneficial ownership of securities (including as further described in the footnotes to the following table). PROPOSAL 1 — ELECTION OF DIRECTORS

General

In accordance with our bye-laws, the number of directors comprising our Board will be as determined from time to time by resolution of our Board, provided that there shall be at least seven but no more than eleven directors. The composition of our Board and committees of our Board are subject to requirements in the Shareholders' Agreement. Pursuant to the Shareholders' Agreement, our Board currently consists of eleven seats, occupied by six directors designated by the Apollo Holders, three independent directors (two designated by the Apollo Holders and one designated by Genting HK) and includes two vacancies created by the resignations of Mr. Blondel So King Tak and Mr. Kevin C. Jones on April 9, 2015. Under our bye-laws, the Board is divided into three classes, each of whose members serve for staggered three-year terms. Information as to the directors currently comprising each class of directors and the current expiration date of the term of each class of directors is set forth in the following table:

Class	Directors Comprising Class	Current Term Expiration Date	Designated By
Class I	David M. Abrams	2017 Annual General Meeting	Apollo Holders
	John Chidsey		Apollo Holders
Class II	Adam M. Aron	2015 Annual General Meeting	Apollo Holders
	Kevin Crowe		Apollo Holders
	F. Robert Salerno		Apollo Holders
	Walter L. Revell		Genting HK
Class III	Steve Martinez	2016 Annual General Meeting	Apollo Holders
	Karl Peterson		Apollo Holders
	Robert Seminara		Apollo Holders

Each director is to hold office until his successor is duly elected and qualified or until his earlier death, resignation or removal. A director appointed by the Board to fill a vacancy (including a vacancy created by an increase in the size of our Board) will serve for the remainder of the term of the class of directors in which the vacancy occurred and until his successor is elected and qualified, or until his earlier death, resignation, or removal.

Pursuant to our bye-laws and the Shareholders' Agreement, so long as certain conditions are met, (i) the Apollo Holders have the right to nominate for election a majority of directors on our Board and Genting HK has the right to nominate the remainder of directors to our Board (Genting HK waived such rights on April 9, 2015) and (ii) the majority of independent directors required to be appointed to our Board will be nominated for election to our Board or appointed to the applicable committee by the Apollo Holders and the remainder of independent directors required to be appointed shall be nominated for election to our Board or appointed to the applicable committee by Genting HK. At any meeting of our Board, except as otherwise required by law, our bye-laws provide that a majority of the total number of directors then in office, including a majority of the directors designated by the Apollo Holders and at least one director designated by Genting HK (Genting HK also waived its quorum rights), will constitute a quorum for all purposes. We refer you to "Certain Relationships and Related Party Transactions—The Shareholders' Agreement" for more information regarding Genting HK's waiver, the governance arrangements for the Company among our Sponsors and the process for selection of directors by certain of our Sponsors.

As discussed in greater detail under the heading "Director Independence," our Board has determined that three of the current members of our Board are independent directors within the meaning of the listing standards of NASDAQ and applicable rules and regulations of the SEC. We avail ourselves of the "controlled company" exception under the NASDAQ rules, which eliminates the requirement that we have a majority of independent directors on our Board and that we have compensation and nominating and governance committees composed entirely of independent directors. At the Annual General Meeting, four directors will be elected to our Board as Class II directors. The Nominating and Governance Committee recommended, and our Board nominated, each of Adam M. Aron, Kevin Crowe, F. Robert Salerno and Walter L. Revell as nominees for election as Class II members of

TABLE OF CONTENTS

our Board at the Annual General Meeting. Pursuant to the Shareholders' Agreement, Adam M. Aron, Kevin Crowe and F. Robert Salerno were designated by the Apollo Holders as nominees for election at the Annual General Meeting and Walter L. Revell was designated as a nominee for election at the Annual General Meeting by Genting HK. If elected, each of the nominees will serve until our 2018 annual general meeting and until his successor is elected and qualified, or until his earlier death, resignation, or removal.

If any of the nominees becomes unable or unwilling for good cause to serve if elected, shares represented by validly delivered proxies will be voted for the election of a substitute nominee designated by our Board or our Board may determine to reduce the size of our Board, subject, in each case, to the requirements of our Shareholders' Agreement. Each person nominated for election has consented to be named in this Proxy Statement and agreed to serve if elected.

Directors Standing for Election

Set forth below is biographical information for the nominees as well as the key attributes, experience and skills that the Board believes each nominee brings to the Board.

Adam M. Aron, age 60, became a director of the Company in January 2008. Mr. Aron was appointed Interim Chief Executive Officer of Starwood Hotels & Resorts Worldwide, Inc. in February 2015. Since 2006, he has been Chairman and CEO of World Leisure Partners, Inc., a personal consultancy for matters related to travel and tourism, high-end real estate development, professional sports and which sometimes has acted in partnership with Apollo. Mr. Aron has previously served as CEO of the Philadelphia 76ers from 2011 to 2013, Chairman of the Board and Chief Executive Officer of Vail Resorts, Inc., from 1996 to 2006; President and CEO of Norwegian Cruise Line, from 1993 to 1996; Senior Vice President of Marketing for United Airlines, from 1990 to 1993; and Senior Vice President-Marketing for Hyatt Hotels Corporation, from 1987 to 1990. Mr. Aron currently serves on the board of directors of Starwood Hotels and Resorts Worldwide, Inc. and, prior to the Acquisition, served on the board of Prestige Cruise Holdings, Inc. He is a member of the Council on Foreign Relations, and is a former member of the Young Presidents' Organization and Business Executives for National Security. He also formerly served as First Vice Chairman of the Travel Industry Association of America. Mr. Aron was selected by the U.S. Secretary of Defense to participate in the Joint Civilian Orientation Conference in 2004 and was appointed by the U.S. Secretary of Agriculture to serve on the board of directors of the National Forest Foundation from 2000 through 2006. Mr. Aron received a Master's of Business Administration degree with Distinction from the Harvard Business School and a Bachelor of Arts degree cum laude from Harvard College. Mr. Aron has 35 years of experience managing companies operating in the travel and leisure industries and provides our Board with, among other skills, valuable insight and perspective on the travel and leisure operations of the Company. In light of Mr. Aron's business experience, we believe that it is appropriate for Mr. Aron to serve as a director of the Company.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Review and Approval of Related Party Transactions

The Audit Committee of our Board is responsible for the review and approval of all related party transactions; however, the Audit Committee does not have a written policy regarding the approval of related party transactions. As part of its review and approval of a related party transaction, the Audit Committee considers:

- the nature of the related party's interest in the transaction;
- the material terms of the transaction, including the amount involved and type of transaction;
- the importance of the transaction to the related party and to us;
- whether the transaction would impair the judgment of a director or executive officer to act in our best interest; and
- any other matters the Audit Committee deems appropriate.

The Company believes that each of the following transactions was on terms at least as favorable to it as could have been obtained from an unaffiliated third party.

Agreements among Apollo, Prestige and the Company

Certain of the Apollo Holders, affiliates or partners of which employ each of Messrs. Aron, Martinez, Crowe and Seminara, each of whom serves on the Board, owned approximately 20.0% of the issued and outstanding ordinary shares of NCLH and controlled the Board prior to the Acquisition, and other funds affiliated with Apollo also controlled Prestige prior to the Acquisition, owning approximately 80% of Prestige's economics. Accordingly, in connection with the Acquisition, funds affiliated with Apollo received approximately 80% of the consideration paid in the Acquisition equaling, approximately \$869.2 million in cash and 16,035,310 in NCLH's ordinary shares. A portion of such consideration is being held in escrow to secure the indemnification obligations of Prestige's securityholders under the Merger Agreement. The Merger Agreement and the transactions contemplated thereby were approved by a special transaction committee of the Board composed entirely of disinterested directors. In connection with the Acquisition, certain investment funds affiliated with Apollo and certain members of our management team, including our President and Chief Executive Officer, Frank J. Del Rio, and the President and Chief Operating Officer of the Regent Seven Seas Cruises and Oceania Cruises brands, Jason Montague, have agreed to lock-up restrictions through January 1, 2016, with respect to the ordinary shares of NCLH that they received in connection with the Acquisition.

Transactions with Genting HK, Apollo and TPG

In May 2011, we entered into an agreement with Star Cruise Management Limited, a wholly owned subsidiary of Genting HK, whereby Star Cruise Management Limited will provide sales, marketing and promotional services in the Asia Pacific region. We pay a monthly commission fee based on net cruise revenue generated under the agreement and have paid \$2.4 million under the contract through March 20, 2015.

In January 2011, we entered into an agreement with Crystal Aim Limited, a wholly owned subsidiary of Genting HK, for the operation of a call center. Compensation under the agreement is based on an hourly rate for the services provided. We have paid approximately \$1.1 million under the contract through March 20, 2015.

In June 2012, we exercised our option with Genting HK to purchase Norwegian Sky. The purchase price was \$259.3 million, which consisted of a \$50.0 million cash payment and a \$209.3 million payable to Genting HK, \$79.7 million of such amount was paid to Genting HK within fourteen days of the consummation of the initial public offering of NCLH (the "IPO"), together with accrued interest thereon, and the remaining balance is to be repaid over seven equal semi-annual payments, the first of which was due and paid in June 2013 and has a weighted-average interest rate of 1.52% through maturity. The fair value of the payable was \$205.5 million based on discounting the future payments at an imputed interest rate of 2.26% per annum, which was commensurate with the Company's borrowing rate for similar assets. We have paid \$203.7 million to Genting HK in connection with the Norwegian Sky purchase agreement through March 20, 2015 and there is \$55.6 million outstanding under the Norwegian Sky purchase agreement. The payable is collateralized by a mortgage and an interest in all earnings, proceeds of insurance and certain other interests related to the ship.

In July 2009, we entered into an agreement with Caesars Entertainment Corporation establishing a marketing alliance which incorporates cross company marketing, purchasing and loyalty programs. Caesars Entertainment Corporation is owned by affiliates of both Apollo and TPG.

In November 2006, we entered into an agreement with Sabre Inc., an affiliate of TPG, for the use of reservation software. We pay a commission fee based on the number of annual bookings made through the system. We have paid approximately \$9.5 million under the contract through March 20, 2015.

The Shareholders' Agreement

Upon the consummation of the IPO, NCLH, the Apollo Holders, the TPG Viking Funds and Genting HK entered into the Shareholders' Agreement on terms substantially similar to an existing shareholders' agreement. The following description of selected provisions of the Shareholders' Agreement is qualified in its entirety by reference to the Shareholders' Agreement.

In connection with the proposed purchase by Genting HK of Crystal Cruises, Inc. (the "Purchase"), Genting HK delivered a waiver, dated April 9, 2015 (the "Genting Waiver"), to the Company and the other parties to the Shareholders' Agreement. Pursuant to the Genting Waiver, Genting HK waived certain rights that it has under the Shareholders' Agreement including: (i) certain Board appointment rights in respect of the GHK Directors (as defined in the Shareholders' Agreement), (ii) quorum rights and (iii) certain consent, notice and consultation and information rights insofar as they relate to the Oceania and Regent brands operated by Prestige Cruises International, Inc. The Genting Waiver will be automatically revoked (i) upon a termination of the purchase agreement for the Purchase or (ii) at the time, if any, that Genting HK and its subsidiaries would no longer hold a controlling interest (less than 50%) or a material equity interest (as determined by Genting HK) in, nor any rights to appoint members of the board of directors of, Crystal Cruises, LLC (which will be the successor company of Crystal Cruises, Inc.). Please see the Current Report on Form 8-K filed by the Company on April 10, 2015 for additional details regarding the Genting Waiver.

Subject to the terms and conditions described therein, including with regard to the nomination of independent directors, the Apollo Holders maintaining the Apollo Minimum Ratio (as defined below), and Genting HK maintaining the GHK Minimum Ratio (as defined below), the Shareholders' Agreement

TABLE OF CONTENTS

entitles the Apollo Holders to nominate for election a majority of the directors on our Board and Genting HK to nominate for election the remainder of our non-independent directors to our Board (Genting HK has waived such rights pursuant to the Genting Waiver).

For so long as the Apollo Minimum Ratio is maintained, the number of independent directors shall be maintained at an odd number and the majority of independent directors so required to be appointed shall be nominated for election to our Board or appointed to the applicable committee thereof by the Apollo Holders, and the remainder of independent directors so required to be appointed shall be nominated for election to our Board or appointed to the applicable committee thereof by Genting HK.

Pursuant to the Shareholders' Agreement, NCLH and the shareholders party thereto will take all actions as may be required to ensure that the number of directors will consist of at least seven and no more than eleven members.

Pursuant to the Shareholders' Agreement, NCLH and the shareholders party thereto will take such actions as may be required to ensure that the directors of NCLH are classified with respect to the time for which they severally hold office into three classes, as nearly equal in number as possible, with each director being elected to a three-year term and that such nominees to our Board are classified as follows:

- | | |
|----------------------|---|
| Class I directors: | David M. Abrams and John Chidsey, whose current terms expire at the 2017 annual general meeting of shareholders;(1) |
| Class II directors: | Walter L. Revell, Adam M. Aron, Kevin Crowe and F. Robert Salerno, whose current terms expire at the 2015 annual general meeting of shareholders; and |
| Class III directors: | Steve Martinez, Karl Peterson and Robert Seminara, whose current terms expire at the 2016 annual general meeting of shareholders.(2) |

(1)

This class includes one vacancy created by the resignation of Kevin C. Jones on April 9, 2015.

(2)

This class includes one vacancy created by the resignation of Blondel So King Tak on April 9, 2015.

The term of each director shall continue until the election and qualification of a successor and be subject to such director's earlier death, resignation or removal. Thereafter, at each annual general meeting of shareholders of NCLH, the successors of the directors whose term expires at that meeting shall be elected to hold office for a term expiring at the annual general meeting of shareholders held in the third year following the year of their election.

Additionally, pursuant to the Shareholders' Agreement, the Chief Executive Officer of NCLH is designated as a non-voting observer to be present at all meetings of our Board and all committees thereof (other than the Audit Committee and executive sessions of our Board and all committees thereof) and one individual designated by the TPG Viking Funds is designated as a non-voting observer to be present at all meetings of our Board and all committees thereof (other than the Audit Committee) and receive the same notice and information at substantially the same time as nominees of the Apollo Holders.

Pursuant to the Shareholders' Agreement, the Audit Committee is composed of three members, all of whom are independent directors. The current members of the Audit Committee are Walter L. Revell, John Chidsey and F. Robert Salerno.

Pursuant to the Shareholders' Agreement, the Compensation Committee is composed of three members, who are John Chidsey, Steve Martinez and F. Robert Salerno.

Pursuant to the Shareholders' Agreement, the Nominating and Governance Committee is composed of three members, who are John Chidsey, F. Robert Salerno and Adam M. Aron.

Pursuant to the Shareholders' Agreement, Genting HK, the Apollo Holders and the TPG Viking Funds agree not to acquire any publicly traded equity securities of NCLH without the prior written consent of (a) the Apollo Holders, with respect to any proposed acquisitions by Genting HK, (b) Genting HK, with respect to any proposed acquisitions by the Apollo Holders, (c) Genting HK and the Apollo Holders, with respect to any proposed acquisitions by the TPG Viking Funds; provided, however, that no consent shall be required with respect to the acquisition of any publicly

traded equity securities of NCLH

by Genting HK, the Apollo Holders or the TPG Viking Funds if, at least ten business days prior to the proposed acquisition, such shareholder provides NCLH (and the Board in the case of clauses (i) and (ii)) with (i) written notice of the maximum number of shares it proposes to acquire, (ii) a written certification stating that the consummation of such acquisition will not result in NCLH losing its exemption from taxation on gross income derived from the international operation of a ship or ships within the meaning of Section 883 of the Internal Revenue Code of 1986, as amended (the “Code”) and (iii) any additional forms or certificates reasonably requested by NCLH, and the Audit Committee reasonably determines, taking into account the information provided by such shareholder and such additional information as the Audit Committee deems relevant, that such acquisition will not result in NCLH losing its exemption from taxation on gross income derived from the international operation of a ship or ships within the meaning of Section 883 of the Code. No shareholder party to the Shareholders’ Agreement other than Genting HK, the Apollo Holders and the TPG Viking Funds will be permitted to acquire any publicly traded equity securities of NCLH without the prior written consent of NCLH.

Pursuant to the Shareholders’ Agreement, the shareholders party thereto provide information or certifications as are reasonably requested by NCLH or as are required under the terms of the Shareholders’ Agreement in order for NCLH to comply with any regulatory filing or withholding requirements, including forms required by Section 883 of the Code; provided, however, except to the extent reasonably requested by NCLH, a shareholder owning less than 5% of the vote and value of NCLH, including for avoidance of doubt, shares held by attribution, shall not be required to provide such forms or to provide the identity of its direct or indirect owners.

Subject to Genting HK’s consent rights (some of which Genting HK has waived) as described below, the Apollo Holders have the right to vote the shares of NCLH held by Genting HK. In the event that the ratio of the aggregate number of equity securities of NCLH held by the Apollo Holders (and certain of their permitted transferees, which includes the TPG Viking Funds) to the aggregate number of equity securities of NCLH held by Genting HK (and certain of their permitted transferees) falls below 0.6 (the “Apollo Minimum Ratio”), these voting rights of the Apollo Holders will cease. Additionally, if the Apollo Minimum Ratio is no longer maintained, the Apollo Holders’ right to appoint a majority of the members of our Board will immediately terminate and from that time until the time, if any, that the NASDAQ listing rules require that a majority of the members of our Board be independent, Genting HK shall have the right to nominate for election a majority of the directors on our Board and the Apollo Holders shall have the right to nominate for election one or two directors based on the combined ownership percentage of the Apollo Holders and the TPG Viking Funds. The Apollo Holders also have the right to vote the TPG Viking Funds’ shares of the Company; such voting rights will terminate when the combined ownership of NCLH shares by the Apollo Holders and Genting HK (and certain of their respective permitted transferees, which includes, with respect to the Apollo Holders, the TPG Viking Funds) falls below 25% of the then total outstanding equity securities of NCLH.

For as long as the ratio of the aggregate number of equity securities held by Genting HK (and certain of their permitted transferees) to the aggregate number of equity securities held by the Apollo Holders (and certain of their permitted transferees, including the TPG Viking Funds) is at least 0.6 (the “GHK Minimum Ratio”) and there has not been a change of control of Genting HK, certain matters may not be carried out by the Company without the prior written consent of Genting HK (Genting HK has waived such consent rights to the extent they relate to capital expenditures for Regent or Oceania), which include, among others, the following:

- sale of NCLH (except any sale effected through the right of first offer, drag along and tag along transactions pursuant to the Shareholders’ Agreement);
- any acquisitions or divestitures with the aggregate consideration paid or received, together with the consideration paid or received in respect of all other acquisitions and divestitures after January 24, 2013, exceeding \$200.0 million;
- subject to limited exceptions, the primary issuance by NCLH of equity securities in a public offering;
-

subject to limited exceptions, the issuance by NCLH of equity securities in a private offering to third parties;

- capital expenditures if the aggregate amount of such capital expenditures (or a series of separate but related capital expenditures), together with all other capital expenditures made after January 24, 2013, is in excess of \$20.0 million;
- the declaration or payment of any non-pro rata dividends or distributions;
- change of the independent accountants of NCLH and its subsidiaries;
- the issuance or authorization of new equity compensation plans or amendment of existing equity compensation plans;
- subject to limited exceptions, the entrance into any contract or agreement with any officer, director, shareholder or affiliate or employee of Apollo;
- any changes to NCLH's memorandum of association or bye-laws; and
- the hiring of a new chief executive officer of NCLH or any of its subsidiaries (provided that in this case only Genting HK's consent shall not be unreasonably withheld).

Provided the GHK Minimum Ratio is maintained and there has not been a change of control of Genting HK, our Board must also provide reasonable advance written notice to Genting HK of and consult with (but is not required to obtain the consent of) Genting HK regarding certain actions including, but not limited to, (i) the approval of NCLH's or any of its subsidiaries' consolidated annual budget and any material action taken which deviates from such budget, (ii) the incurrence of any debt of NCLH and its subsidiaries outside that of which is allocated in the annual budget that, together with all other incurrence of debt outside that of which is allocated in the annual budget, in excess of \$100.0 million, (iii) the issuance of any equity securities of NCLH or any of its subsidiaries, including the identity of participants and the allocation of such securities, (iv) the declaration of any dividends or distributions on any equity securities and (v) the commencement or termination of employment of any executive or key employee of NCLH or any of its subsidiaries. Genting HK has waived such notice and consultation rights with respect to matters for Regent and Oceania.

Genting HK's consent and consultation rights described above would also terminate when the combined ownership of the ordinary shares of NCLH held by the Apollo Holders and Genting HK (and certain of their respective permitted transferees, which includes, in the case of the Apollo Holders, the TPG Viking Funds) falls below 25% of the then total outstanding equity securities of the Company.

Additionally, for so long as the TPG Viking Funds and their permitted transferees continue to hold 15% or more of the amount of ordinary shares of NCLH that are collectively held by the TPG Viking Funds and their affiliates on the date of the consummation of the IPO, neither NCLH nor any of its subsidiaries shall be permitted to engage in any material transaction involving any affiliate of the Apollo Holders (other than NCLH and its subsidiaries) without the prior written consent of the TPG Viking Funds, such consent not to be unreasonably withheld.

Each shareholder of NCLH that is a party to the Shareholders' Agreement has the right to participate on a pro rata basis in any issuance of new shares of NCLH, subject to limited exceptions, including, but not limited to equity securities issued by NCLH in an underwritten public offering. In addition, each of the Apollo Holders and Genting HK has the right to make written requests in unlimited numbers to NCLH to register and thereby transfer all or a portion of its ordinary shares of NCLH through share offerings, provided each written request will specify an aggregate offering price of at least \$20.0 million for the ordinary shares being registered and will specify the intended method of

disposition. Genting HK and the TPG Viking Funds exercised these rights once in 2015, resulting in a secondary sale of 12,500,000 of NCLH's ordinary shares in a public offering in March 2015 and the Apollo Holders and Genting HK exercised these rights once in 2014, resulting in a secondary sale of 15,000,000 of NCLH's ordinary shares in a public offering in March 2014. Pursuant to the Shareholders' Agreement, NCLH paid the registration expenses of certain shareholders in the offering. At any time following the date that is eighteen months from the consummation of the IPO, the TPG Viking Funds also have the right to make one written request to NCLH to register and thereby transfer all or a portion of its ordinary shares of NCLH through a share

26

offering. Additionally, if NCLH at any time proposes for any reason to register ordinary shares, each of the Apollo Holders, Genting HK and the TPG Viking Funds shall have the right to cause NCLH to include in such registration all or a portion of its ordinary shares of NCLH.

Subject to the Apollo Holders' right to sell as described below, each of the Apollo Holders, the TPG Viking Funds and Genting HK (and certain of their respective permitted transferees) is prohibited from transferring their equity securities of NCLH without the written mutual consent of the Apollo Holders and Genting HK, other than transfers to certain permitted transferees or transfers in certain registered offerings. These transfer restrictions will immediately terminate in the event that either the Apollo Minimum Ratio or the GHK Minimum Ratio are not maintained.

Unless the Apollo Holders (or certain of its permitted transferees, which includes the TPG Viking Funds) have previously sold any of their ordinary shares of NCLH in a registered public offering effected pursuant to the terms of the registration rights provisions of the Shareholders' Agreement, the Apollo Holders are entitled to sell all, but not less than all, of the ordinary shares of NCLH held by the Apollo Holders (and certain of their permitted transferees, which includes the TPG Viking Funds) to a third party in cash at any time, provided that the Apollo Holders first offer Genting HK the right to acquire such ordinary shares of NCLH on terms and conditions as may be specified by the Apollo Holders, and subject to any lock-up agreements entered into in connection with any offerings. In the event that Genting HK declines such offer to purchase the Apollo Holders' shares of NCLH and the Apollo Holders receive a bona fide offer from a third party to purchase its shares of NCLH, (i) Genting HK shall have the right to sell to such third party its pro rata portion of the shares of NCLH to be sold in such transaction and (ii) the Apollo Holders shall have the right to cause Genting HK and the other shareholders of NCLH party to the Shareholders' Agreement to consent to such transaction, and to sell all of their ordinary shares of NCLH in such transaction on the same terms and conditions on which the Apollo Holders are selling their ordinary shares of NCLH.

In connection with the Acquisition, NCLH, the Apollo Holders, the TPG Viking Funds, Genting HK and Star NCLC amended the Shareholders' Agreement. The amendment provides for a lock-up of the ordinary shares of NCLH received by the Apollo Holders in the Acquisition until January 1, 2016, other than transfers to permitted transferees or with the written consent of Genting HK and Star NCLC. In addition, the amendment provides that board and other committee designation rights held by the Apollo Holders will not apply to Prestige, although they will continue to apply to other subsidiaries of NCLH. The amendment further provides that the Apollo Holders that acquired NCLH's ordinary shares pursuant to the Acquisition join the Shareholders' Agreement.

Tax Agreement and Exchange Agreement

In February 2011, NCLH was formed with the issuance to the Sponsors of, in aggregate, 10,000 ordinary shares, with a par value of \$.001 per share. In connection with the consummation of the IPO the Sponsors' ordinary shares in NCLC were exchanged for the ordinary shares of NCLH, and NCLH became the owner of 100% of the ordinary shares and parent company of NCLC (the "Corporate Reorganization"). Prior to the Corporate Reorganization, which was effected solely for the purpose of reorganizing our corporate structure, NCLH had not conducted any activities other than those incidental to formation and to prepare for the Corporate Reorganization and IPO.

NCLC was treated as a partnership for U.S. federal income tax purposes, and the terms of the partnership (including the economic rights with respect thereto) were set forth in an amended and restated tax agreement for NCLC.

Economic interests in NCLC were represented by the partnership interests established under the tax agreement, which we refer to as "NCL Corporation Units."

In connection with the Corporate Reorganization, NCLC's outstanding profits interests granted under the profits sharing agreement to management (or former management) of NCLC (described under the heading "Compensation Discussion and Analysis") were exchanged for an economically equivalent number of NCL Corporation Units. We refer to the NCL Corporation Units exchanged for profits interests granted under the profits sharing agreement as "Management NCL Corporation Units." The Management NCL Corporation Units received upon the exchange of outstanding profits interests were subject to the same

TABLE OF CONTENTS

time-based vesting requirements and performance-based vesting requirements applicable to the profits interests for which they were exchanged. The Management NCL Corporation Units issued in exchange for the profits interests represented a 2.8% economic interest in NCLC as of the consummation of the IPO.

As part of the tax agreement, NCLH entered into an exchange agreement with NCLC. Under the exchange agreement, subject to certain procedures and restrictions (including the vesting schedules applicable to the Management NCL Corporation Units and any applicable legal and contractual restrictions), each holder of Management NCL Corporation Units had the right to cause NCLC and NCLH to exchange the holder's Management NCL Corporation Units for ordinary shares of NCLH at an exchange rate equal to one ordinary share for every Management NCL Corporation Unit (or, at NCLC's election, a cash payment equal to the value of the exchanged Management NCL Corporation Units), subject to customary adjustments to the exchange rate for stock splits, subdivisions, combinations and similar extraordinary events. As a holder of Management NCL Corporation Units exchanged his or her Management NCL Corporation Units, NCLH's economic interest in NCLC correspondingly increased. Any non-pro rata tax distributions made to a Management NCL Corporation Unit holder would have reduced the amount of NCLH's ordinary shares (or cash) that the holder would have otherwise received upon exchange. On August 19, 2013, NCLH filed a registration statement with the SEC to register on a continuous basis the issuance of the ordinary shares received by the holders of Management NCL Corporation Units who elected to exchange.

In the fourth quarter of 2014, all Management NCL Corporation Units were exchanged for NCLH ordinary shares. NCLH became the sole member and 100% owner of the economic interests in NCLC and the non-controlling interest no longer exists. Accordingly, NCLC is now treated as a disregarded entity for tax purposes. No new NCLC profits interests or Management NCL Corporation Units will be issued.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

This section describes each of the material elements of compensation awarded to, earned by or paid to our executive officers identified in the “2014 Summary Compensation” table, which we refer to in this section as our “Named Executive Officers” or “NEOs.” This section also describes the role and involvement of various parties in our executive compensation analysis and decisions, and provides a discussion of the process and rationale for the decisions of our Compensation Committee to compensate our Named Executive Officers with specific types and amounts of compensation.

Significant Corporate Transactions That Impacted Compensation During 2014

Acquisition of Prestige. In November 2014, we completed the Acquisition of Prestige. In connection with the Acquisition of Prestige, Frank J. Del Rio, the founder and Chief Executive Officer and Chairman of the Board of Directors of Prestige, joined us and became our President and Chief Executive Officer upon Kevin M. Sheehan’s resignation in January 2015. Mr. Del Rio is one of our NEOs for 2014 and this section describes the compensation that we either paid or awarded him after the Acquisition.

NCLC Conversion. As described in more detail below, prior to our IPO, members of our management and former management were granted profits interests in NCLC, which were converted into units in NCLC in connection with the IPO (we refer to these units as “Management NCL Corporation Units”). The Management NCL Corporation Units issued in exchange for the profits interests represented a 2.8% non-controlling economic interest in NCLC as of the consummation of the IPO. As described in more detail below, each vested Management NCL Corporation Unit was generally exchangeable for one ordinary share of the Company.

In October 2014, our Compensation Committee approved a series of actions intended to result in the employees holding Management NCL Corporation Units (including certain of the NEOs) exchanging their Management NCL Corporation Units for ordinary shares of the Company so that the Company could become the sole member and 100% owner of the economic interests in NCLC (the “NCLC Conversion”). In the fourth quarter of 2014, we successfully completed the NCLC Conversion and the Company became the sole member and 100% owner of the economic interests in NCLC. The non-controlling interest in NCLC no longer exists, and NCLC is now treated as a disregarded entity for U.S. federal income tax purposes.

We determined to pursue the NCLC Conversion because we believed it would reduce the administrative costs associated with our prior operating structure. The NCLC Conversion resulted in related compensatory amounts that were paid or deemed paid to certain of our NEOs, and these amounts are explained in more detail below.

2014 Named Executive Officers

The Named Executive Officers for 2014 were:

Frank J. Del Rio	President and Chief Executive Officer
Kevin M. Sheehan	Former President and Chief Executive Officer
Wendy A. Beck	Executive Vice President and Chief Financial Officer
Andrew Madsen	Former President of the Norwegian brand and Chief Operating Officer
Andrew Stuart	President of the Norwegian brand and Chief Operating Officer

Our Compensation Committee determines all aspects of our executive compensation program and makes all compensation decisions affecting the Named Executive Officers. None of the Named Executive Officers are members of our Compensation Committee or otherwise had any role in determining the compensation of other Named Executive Officers, although in 2014, our Compensation Committee did consider the recommendations of Mr. Sheehan in setting compensation levels for our executive officers other than himself.

TABLE OF CONTENTS

Executive Compensation Program Objectives and Philosophy

The Company's executive compensation arrangements are guided by the following principles and business objectives:

- We believe that a capable, experienced and highly motivated executive management team is critical to our success and to the creation of long-term shareholder value.

- We believe that the most effective executive compensation program is one that is designed to reward the achievement of annual, long-term and strategic goals and aligns the interests of our executives with those of our shareholders, with the ultimate objective of improving long-term shareholder value.

The Company's executive compensation program is designed according to these principles and is intended to achieve two principal objectives: (1) effectively attract and retain executives with the requisite skills and experience to help us achieve our business objectives and develop, expand and execute business opportunities that improve long-term shareholder value; and (2) encourage executives to achieve our short-term and long-term business objectives and increase long-term shareholder value by linking executive compensation to Company performance, increases in long-term shareholder value and individual performance.

The Company's current compensation program has three key elements, which are designed to be consistent with the Company's compensation philosophy and business objectives: (1) base salary; (2) annual incentive cash bonuses; and (3) long-term equity awards that are subject to time-based vesting requirements. The Company also provides nonqualified deferred compensation plan benefits, 401(k) retirement benefits, perquisites and severance benefits to the executive officers, including the Named Executive Officers.

In structuring executive compensation arrangements, our Compensation Committee considers how each component meets these objectives. Base salaries, severance, retirement and nonqualified deferred compensation benefits are primarily intended to attract and retain highly qualified executives. These are the elements of our executive compensation program where the value of the benefit in any given year is not dependent on performance (although base salary amounts and benefits determined by reference to base salary may change from year to year depending on performance, among other things). We believe that in order to attract and retain top executives, we need to provide our executives with compensation levels that reward their continued service and are competitive. Some of the elements, such as base salaries, are paid out on a short-term or current basis. Other elements, such as benefits provided upon termination of employment and certain nonqualified deferred compensation are paid out on a longer term basis. We believe that this mix of short and long-term elements allows us to achieve our goals of attracting and retaining top executives.

Annual incentive bonuses and long-term equity incentives are the elements of our executive compensation program that are designed to reward performance and thus the creation of shareholder value. Annual incentive bonuses are primarily intended to motivate the Named Executive Officers to achieve the Company's annual financial objectives, although we also believe they help us attract and retain top executives. Our long-term equity incentives are primarily intended to align Named Executive Officers' long-term interests with shareholders' long-term interests, although we also believe that they play a role in helping us to attract and retain top executives.

Our Compensation Committee believes that performance-based compensation such as annual incentive bonuses and long-term equity incentives play a significant role in aligning management's interests with those of our shareholders. For this reason, these forms of compensation constitute a significant portion of each of our Named Executive Officers' compensation opportunity. In determining the appropriate mix for each of our Named Executive Officers, our Compensation Committee considers and assesses, among other factors, each Named Executive Officer's responsibilities, background and experience, and value to the Company, as well as each officer's expected level of contribution toward achieving the Company's long-term objectives.

TABLE OF CONTENTS

Compensation Consultants; Review of Relevant Compensation Data

Consistent with past practice, in 2014 neither our Compensation Committee nor management retained a compensation consultant to review or recommend the amount or form of compensation paid to our executive officers, including our Named Executive Officers, or our directors. If and when we decide to retain a compensation consultant to assist us with our executive compensation programs in the future, we will conduct an independence assessment of any such compensation consultant (including an assessment of any conflicts of interest) as and to the extent required under applicable SEC and NASDAQ rules.

Our Compensation Committee believes that, in order to effectively attract and retain high level executive talent, each element of the compensation program should establish compensation levels that take into account current market practices. Our Compensation Committee does not “benchmark” executive compensation at any particular level in comparison with other companies. Rather, our Compensation Committee familiarizes itself with compensation trends and competitive conditions through the review of non-customized third-party market surveys and other publicly available data about relevant market compensation practices. In setting compensation levels for 2014, our Compensation Committee considered publicly available compensation data to determine the relative strengths and weaknesses of our compensation packages on an aggregate basis solely as a validation after determining the types and amount of compensation based on its own evaluation. In addition to a review of the general market compensation levels and practices, in setting compensation levels for 2014, our Compensation Committee also relied on its extensive experience managing private equity entities and considered each executive’s level of responsibility and performance for the overall operations of the Company, historical Company practices, long-term market trends, internal pay equity, expectations regarding the individual’s future contributions, our own performance, budget considerations, and succession planning and retention strategies. In addition, for Mr. Del Rio, the Compensation Committee also considered the compensation that was paid to Mr. Del Rio by Prestige prior to the Acquisition.

The Role of Shareholder Say-on-Pay Votes

The Company annually offers shareholders the opportunity to cast an advisory vote on our executive compensation program. This annual vote is known as the “say-on-pay” proposal. At our annual general meeting in April 2014, approximately 83.1 percent of votes cast were in favor of our executive compensation program for 2013. The Compensation Committee believes these results demonstrate that shareholders support our executive compensation program. When making future compensation decisions for Named Executive Officers, the Compensation Committee will continue to consider the opinions that shareholders express through say-on-pay votes.

Executive Compensation Program Elements

Base Salaries

Each Named Executive Officer is or was party to an employment agreement providing for a fixed base salary, subject to either annual review by our Compensation Committee or an automatic annual increase. The initial base salary level for each Named Executive Officer was negotiated in connection with the executive joining the Company or upon a change of their responsibilities. Except for any increases required by the terms of a Named Executive Officer’s employment agreement, decisions regarding adjustments to base salaries are made at the discretion of our Compensation Committee. In reviewing base salary levels for our Named Executive Officers, our Compensation Committee considers and assesses, among other factors, each Named Executive Officer’s current base salary, their job responsibilities, leadership and experience, and value to our Company. In addition, as noted above, base salary levels are generally intended to be consistent with competitive market base salary levels, but are not specifically targeted or “bench-marked” against any particular company or group of companies.

Mr. Del Rio was paid an annual base salary of \$1,750,000 by Prestige prior to the Acquisition, and this annual base salary level was continued by us for the remainder of 2014. Pursuant to the terms of Mr. Del Rio’s current employment agreement, his base salary is automatically increased by 5.0% each calendar year beginning with 2015. Pursuant to the terms of Mr. Sheehan’s employment agreement that was in effect prior

TABLE OF CONTENTS

to his resignation, his base salary was increased by an automatic 5.0% from the 2013 level effective April 1, 2014. Pursuant to the terms of Mr. Madsen's employment agreement he entered into when he joined the Company in October 2014, he was paid an annual base salary of \$750,000 prior to his resignation.

For Ms. Beck and Mr. Stuart, after reviewing their base salaries in light of the current economic environment and considering the Company's financial position, our Compensation Committee determined to increase each of their base salaries by 3.0% from their 2013 levels effective April 1, 2014.

Annual Performance Incentives

In General. Each of our Named Executive Officers is or was eligible for an annual performance incentive cash bonus opportunity pursuant to the terms of his or her employment agreement. The employment agreements for each of the Named Executive Officers provide or provided that for each fiscal year of the Company, the executive is eligible to earn an incentive bonus determined by our Compensation Committee in its discretion based on the attainment of performance objectives established for the fiscal year by our Compensation Committee. The annual performance incentive is used to ensure that a portion of our Named Executive Officers' compensation is at risk, and that each Named Executive Officer has the opportunity to receive a variable amount of compensation based on our Compensation Committee' evaluation of our and the individual's performance.

In general, each year our Compensation Committee establishes the potential value of the executives' incentive bonus opportunity, as well as the performance targets required to achieve these opportunities, which may include one or any combination of the following: (1) net income, operating income or EBITDA; (2) return on assets, return on capital, return on equity, return on economic capital, return on other measures of capital, return on sales or other financial criteria; (3) revenue or net sales; (4) budget and expense management; or (5) customer or product measures. In determining the extent to which the performance measures are met for a given period, our Compensation Committee exercises its judgment whether to reflect or exclude the impact of extraordinary, unusual or infrequently occurring events.

Each year, our Compensation Committee also generally establishes non-financial performance measures for our Chief Executive Officer, and our Chief Executive Officer establishes the non-financial performance measures for each of the other executive officers, including the Named Executive Officers. These measures are used by our Compensation Committee to evaluate performance beyond purely financial measures, and include one or any combination of the following: (1) exceptional performance of each individual's area of responsibility; (2) leadership; (3) creativity and innovation; (4) collaboration; (5) development and implementation of growth initiatives; (6) guest experience and loyalty; (7) employee engagement; and (8) other activities that are critical to driving long-term value for shareholders. Our Compensation Committee generally sets the value of the annual performance incentive opportunity as a percentage of the executive's base salary. However, the actual amount that becomes payable to an executive is determined by our Compensation Committee, in its sole discretion, based on the level of achievement of the Company performance goal and our Compensation Committee' assessment of the executive's individual performance. After the end of the year, our Compensation Committee reviews the Company's actual performance against the performance goal established at the beginning of the year. Our Compensation Committee also makes an assessment of performance against the non-financial goals set at the outset of the year as well as each Named Executive Officer's performance in relation to any extraordinary events or transactions.

2014 Annual Bonus for Mr. Del Rio. Because the Acquisition of Prestige occurred in the latter half of November and so close to year end, Mr. Del Rio and the other participating bonus eligible Prestige employees were awarded an annual bonus equal to 110% of their target annual bonus originally established by Prestige before the Acquisition. This payment level was determined based on performance by Prestige prior to the Acquisition. Mr. Del Rio's bonus was paid by us in February of 2015.

2014 Bonus for Mr. Madsen. Because Mr. Madsen was hired in October 2014, he was not eligible to receive an annual incentive bonus for 2014.

TABLE OF CONTENTS

2014 Annual Bonus for Other NEOs. For 2014, our Compensation Committee established the applicable performance objectives under the 2014 management incentive plan for all NEOs except Mr. Del Rio and Mr. Madsen. The 2014 performance objectives were based upon the achievement of certain performance goals of the Company and the individual.

For 2014, our Compensation Committee established a Company performance target based on Earnings per Share (“EPS”), as defined below for purposes of the management incentive plan, with the amount of each Named Executive Officer’s annual performance opportunity to be determined based on the Company’s actual EPS for the year as compared with the target EPS established by our Compensation Committee. For purposes of our management incentive plan, we define EPS as the final Earnings per Share reported for 2014 for all issued and outstanding shares of NCLH. In setting the target EPS for 2014, our Compensation Committee considered several factors, including a careful review of the annual budget and the desire to ensure continued improved performance on a year over year basis. Our Compensation Committee reserved the right to adjust the goals to take into account changes in deployment of the fleet, major unforeseen and uncontrollable events and other non-recurring and extraordinary costs and revenue experienced by the Company during the year, and may make appropriate adjustments for certain non-recurring items consistent with this authority. If the actual EPS for 2014 was less than 95% of the target EPS, no bonuses would be paid. If the actual EPS for 2014 was at least 105% of the target EPS, each Named Executive Officer would be eligible to receive up to their maximum bonus opportunity. Our Compensation Committee believes that EPS is a useful measure as it is a key factor in driving shareholder value.

The following chart sets forth the EPS levels at which various levels of incentive payout would become available to our Named Executive Officers for 2014, with the bonus percentage amounts expressed as a percentage of the Named Executive Officer’s base salary for 2014. Between these points the payout is calculated on a sliding straight line basis. The bonus opportunity set forth in the following chart for each of the Named Executive Officers was determined by our Compensation Committee, in its judgment, to be appropriate based on the target bonus amount that was negotiated by each executive in their respective employment agreement, each executive’s experience and position, and general competitive practices.

Name	2014			
	Percentage of EPS Goal Achieved	Financial Performance Bonus	Non-Financial Performance Bonus	Total Maximum Bonus
Kevin M. Sheehan	95%	40%	10%	50%
	100%	80%	20%	100%
	102.5%	130%	20%	150%
	105%	180%	20%	200%
Wendy A. Beck	95%	20%	5%	25%
	100%	40%	10%	50%
	102.5%	65%	10%	75%
	105%	90%	10%	100%
Andrew Stuart	95%	20%	5%	25%
	100%	40%	10%	50%
	102.5%	65%	10%	75%
	105%	90%	10%	100%

For 2014, our Compensation Committee established an EPS goal of \$2.30. Based on the 2014 results, the Compensation Committee determined that the target EPS goal was not achieved and as a result no payouts would be made under the management incentive plan.

However, in light of the work required of our management team, including Messrs. Sheehan and Stuart and Ms. Beck,

in order to successfully complete the Acquisition and the Compensation Committee's favorable evaluation of their performance related to the Acquisition, the Compensation Committee

33

TABLE OF CONTENTS

determined to pay each of these NEOs a discretionary transaction bonus. These transaction-related bonuses were payable in two installments, with the first installment payable in November shortly after the completion of the Acquisition and the second installment payable in February 2015.

Long-Term Equity Incentive Compensation

Our policy has been that the long-term compensation of our executives, including our Named Executive Officers, should be directly linked to the value provided to shareholders. Accordingly, our long-term equity incentive program is intended to directly align a significant portion of the compensation of our Named Executive Officers with the interests of our shareholders by motivating and rewarding creation and preservation of long-term shareholder value with measurement to a multi-year performance period.

Pre-IPO Profits Interests Awards. Prior to our IPO, members of our management and former management were granted profits interests in NCLC pursuant to a Profits Sharing Agreement which authorized us to grant profits interests to certain key employees. Each award of profits interests represented a share in any future appreciation of NCLC after the date of grant, subject to vesting conditions and once certain shareholder returns have been achieved. The profits interests were generally subject to a combination of time-based vesting requirements and performance-based vesting requirements. In general, the performance-based profits interests were scheduled to vest, if at all, upon a “realization event” (which is generally defined to mean any receipt of cash dividends, distributions or sale proceeds with respect to our ordinary shares) for the Apollo Holders if specified levels of invested capital are returned to the Apollo Holders in connection with the realization event.

As part of the Corporate Reorganization in connection with the IPO, all outstanding profits interests were exchanged for an economically equivalent number of Management NCL Corporation Units and stock option awards. The Management NCL Corporation Units and stock option awards received upon the exchange of outstanding profits interests were subject to the same time-based vesting requirements and performance-based vesting requirements as the original profits interest awards. Subject to certain procedures and restrictions (including the vesting schedules applicable to the Management NCL Corporation Units and any applicable legal and contractual restrictions), each holder of Management NCL Corporation Units had the right to cause NCLC and the Company to exchange the holder’s Management NCL Corporation Units for the Company’s ordinary shares at an exchange rate equal to one ordinary share for every Management NCL Corporation Unit (or, at NCLC’s election, a cash payment equal to the value of the exchanged Management NCL Corporation Units).

Pursuant to the terms of the tax agreement for NCLC, holders of Management NCL Corporation Units who remained currently employed received non-pro-rata tax distributions from NCLC that were required to be settled through a reduction of the proceeds that would otherwise be received upon exchange of their Management NCL Corporation Units or through a reduction in any other distributions made by NCLC to its members.

In order to facilitate the NCLC Conversion, we entered into Management Exchange Agreements with Messrs. Sheehan and Stuart and Ms. Beck and the other holders of Management NCL Corporation Units who remained employed by us. The Management Exchange Agreements required the employees to exchange their vested and unvested Management NCL Corporation Units for the Company’s ordinary shares so that the Company could become the sole member and 100% owner of the economic interests in NCLC.

Pursuant to the Management Exchange Agreements, we provided Messrs. Sheehan and Stuart and Ms. Beck and the other holders of Management NCL Corporation Units who remained employed by us with the following benefits: (1) each employee was no longer required to settle any outstanding non-pro-rata tax distributions through a reduction of proceeds otherwise payable as described above, (2) we agreed to make a gross-up payment to each employee in an amount such that, after all taxes were imposed on the gross-up payment, each employee retained an amount equal to our estimate of the amount of taxes imposed on the non-pro-rata tax distribution settlement, and (3) we agreed to accelerate the vesting of 20% of the total number of unvested Management NCL Corporation Units held by each employee so that the shares received in exchange for these units could be sold to help cover the taxes triggered by the exchange of

TABLE OF CONTENTS

their units (which was a taxable event). Pursuant to the Management Exchange Agreement, Messrs. Sheehan and Stuart and Ms. Beck and the other holders of Management NCL Corporation Units agreed that any ordinary shares of the Company received in exchange for unvested Management NCL Corporation Units would be restricted shares subject to the same time-based vesting requirements and performance-based vesting requirements as the Management NCL Corporation Units for which they were exchanged.

In addition to the vesting provided for under the Management Exchange Agreements, a number of the Management NCL Corporation Units held by Messrs. Sheehan and Stuart and Ms. Beck became vested as a result of the Apollo Holders having received over 100% of their invested capital in the Company following the March 2014 sale by the Apollo Holders of 7,500,000 of the Company's ordinary shares.

As of December 31, 2014, there were no longer any outstanding Management NCL Corporation Units and we will not grant any new Management NCL Corporation Units.

Stock Option Awards. In connection with the IPO, NCLH adopted a new omnibus equity incentive plan, the 2013 Performance Incentive Plan, that permits NCLH to award all types of incentive awards, including incentive or nonqualified options, stock appreciation rights, stock bonuses, restricted stock, stock units, performance stock, phantom stock, dividend equivalents and other forms of awards including cash awards (such as annual bonuses or other types of cash incentives described above). The plan effectively replaces the Profits Sharing Agreement and is our current vehicle for granting long-term equity incentive compensation to our executives and key employees, including the Named Executive Officers.

The Compensation Committee has currently determined to grant long-term equity incentive awards to the Named Executive Officers and other executives in the form of options. The Compensation Committee believes option awards with a multi-year vesting schedule create an incentive for the executives to create and preserve long-term shareholder value, as the options will only have value if our share price increases following the grant date.

In April 2014, Mr. Sheehan received options to purchase 500,000 ordinary shares pursuant to his amended and restated employment agreement. In October 2014, Mr. Madsen received options to purchase 150,000 ordinary shares pursuant to his employment agreement. Each of the other NEOs other than Mr. Del Rio also received an award of options to purchase ordinary shares during 2014. All of these option grants will have an ordinary term of 10 years and were scheduled to vest in four equal annual installments, subject to the executive's continued employment through each vesting date, and accelerated vesting under certain circumstances.

Pursuant to the terms of his current employment agreement, Mr. Del Rio is entitled to receive an option award for a fixed number of shares in the 2015 calendar year.

In determining the level of awards granted to each NEO, the Compensation Committee took into account their responsibilities, background and experience as well as their expected level of contribution toward achieving the Company's long-term objectives and the Compensation Committee's expectations as to the long-term Company performance.

Severance Arrangements and Change in Control Benefits

Each of our Named Executive Officers is or was employed pursuant to an employment agreement providing for severance benefits upon an involuntary termination of the Named Executive Officer's employment by us without cause or, for Mr. Del Rio and Mr. Sheehan, a termination by the executive as a result of a constructive termination. Except for Mr. Del Rio, the severance benefit in each employment agreement was originally negotiated in connection with the commencement of each executive's employment with the Company, or upon a change of their responsibilities. In each case, our Compensation Committee determined that it was appropriate to provide the executive with severance benefits under the circumstances in light of each of their respective positions with the Company, general competitive practices and as part of each of their overall compensation package. In connection with the Acquisition, the Company agreed to assume Mr. Del Rio's employment agreement that was originally entered into by Prestige. While the Company and Mr. Del Rio anticipate entering into a new employment agreement in 2015, Mr. Del Rio is currently employed pursuant to the terms of his Prestige employment agreement.

TABLE OF CONTENTS

The severance benefits payable to each of our Named Executive Officers (including Mr. Del Rio) upon a qualifying termination of employment generally includes a cash payment based on the executive's base salary (and in some cases, including bonus), and continued medical benefits for the applicable severance period at the Company's expense. Mr. Del Rio is also entitled to receive certain specified perquisites during the applicable severance period, and will be entitled to receive a "gross up" payment for any excise taxes that may become payable in connection with a change in control pursuant to Sections 280G and 4999 of the Code.

The Company does not believe that the Named Executive Officers should be entitled to any cash severance benefits merely because of a change in control of the Company. Accordingly, none of the Named Executive Officers are entitled to any such payments or benefits upon the occurrence of a change in control of the Company unless there is an actual or constructive termination of employment following the change in control.

The material terms of these benefits, as well as the severance benefits that were paid to Messrs. Sheehan and Madsen in connection with their terminations of employment in 2015, are described in the "Potential Payments Upon Termination or Change in Control" section below.

Other Elements of Compensation

Supplemental Executive Retirement Plan

We maintain a Supplemental Executive Retirement Plan ("SERP"), which is a legacy unfunded defined contribution plan for certain of our executives who were employed by the Company in an executive capacity prior to 2008. The SERP was frozen to future participation following that date. Mr. Stuart is the only Named Executive Officer who is eligible to participate in the SERP. Mr. Sheehan was eligible to participate in the SERP prior to his resignation from the Company. The SERP provides for Company contributions on behalf of the participants to compensate them for the benefits that are limited under our 401(k) Plan. We credit participants under the SERP for amounts that would have been contributed by us to the Company's previous Defined Contribution Retirement Plan and our former 401(k) Plan without regard to any limitations imposed by the Code. Participants do not make any elective contributions under this plan.

In 2014, the Company made a contribution to the SERP for Messrs. Sheehan and Stuart, and certain amounts were paid to Messrs. Sheehan and Stuart, in lieu of being contributed to the SERP, in order to comply with and avoid adverse consequences under currently applicable tax rules. The Company contribution amount for Messrs. Sheehan and Stuart for 2014 is included in the "2014 Summary Compensation" table below and the footnotes thereto. Additional information about the SERP is provided in the "Nonqualified Deferred Compensation Table" and the narrative to the table below.

Senior Management Retirement Savings Plan

We maintain a Senior Management Retirement Savings Plan ("SMRSP"), which is a legacy unfunded defined contribution plan for certain of our employees, including Mr. Stuart, who were employed by the Company prior to 2001. Mr. Stuart is the only Named Executive Officer who is eligible to participate in the SMRSP. The SMRSP provides for Company contributions on behalf of the participants to compensate them for the difference between the qualified plan benefits that were previously available under the Company's cash balance pension plan and the redesigned 401(k) Plan. We credit participants under the SMRSP Plan for the difference in the amount that would have been contributed by us to the Company's previous Norwegian Cruise Line Pension Plan and the qualified plan maximums of the new 401(k) Plan.

The amount of the contribution for 2014 was paid to Mr. Stuart in 2014 in order to comply with and avoid adverse consequences under currently applicable tax rules. The Company contribution amount for Mr. Stuart for 2014 is included in the "2014 Summary Compensation" table below and the footnotes thereto. Additional information about the SMRSP is provided in the "Nonqualified Deferred Compensation" table and the narrative to the table below.

TABLE OF CONTENTS

Benefits and Perquisites

While employed, we provide our Named Executive Officers with retirement benefits under our 401(k) Plan, participation in our medical, dental and insurance programs and vacation and other holiday pay, all in accordance with the terms of such plans and programs in effect from time to time and substantially on the same terms as those generally offered to our other employees (although vacation benefits may differ).

In addition, while employed, the Named Executive Officers receive a cash automobile allowance, as well as coverage under the Company's Medical Executive Reimbursement Plan which provides them with reimbursement of certain medical, dental and vision expenses. The Company believes that the level and mix of perquisites it provides to the Named Executive Officers is consistent with market compensation practices.

Mr. Del Rio is also entitled to certain additional perquisites pursuant to the terms of his current employment agreement entered into with Prestige.

Share Ownership Program

We do not currently have a share ownership program in place for our Named Executive Officers.

Compensation Risk Assessment

The Company conducted a risk assessment of the Company's compensation policies and practices and concluded that such policies and practices do not create risks that are reasonably likely to have a material adverse effect on the Company. In particular, our Compensation Committee believes that the design of the Company's annual performance incentive programs and long-term equity incentives provides an effective and appropriate mix of incentives to ensure our executive compensation program is focused on long-term shareholder value creation and does not encourage the taking of short-term risks at the expense of long-term results.

Compensation Committee Report

The Compensation Committee of the Board has reviewed and discussed with management the disclosures contained in the Compensation Discussion and Analysis section of this Proxy Statement. Based upon this review and discussion, the Compensation Committee recommended to the Board that the Compensation Discussion and Analysis section be included in this Proxy Statement.

Represents amounts credited to plan accounts that vested in 2014 and were distributed in 2014 in order to comply with and avoid adverse tax consequences under applicable tax rules.

The Company maintains the Supplemental Executive Retirement Plan (“SERP”), which is an unfunded defined contribution plan for certain of our executives, including Messrs. Sheehan and Stuart, who were employed by the Company in an executive capacity prior to 2008. Mr. Sheehan is no longer eligible to participate in the SERP following his resignation. The Company made contributions on behalf of the participants to compensate them for the benefits that are limited under the 401(k) Plan. We credit participants under the SERP Plan for amounts that would have been contributed by us to the Company’s previous Defined Contribution Retirement Plan and the former 401(k) Plan without regard to any limitations imposed by the Code. Participants do not make contributions to this plan. Participant accounts are credited with earnings based upon the rate of return in the JPMorgan Chase Bank Stable Asset Income Fund, subject to a 5% maximum. For 2014, the rate of return used was 1.27%. In order to comply with and avoid adverse consequences under applicable tax rules, plan accruals for services performed or payments which become vested after December 31, 2008 will be distributed in the year that services were performed. Vested, accrued balances for services performed prior to December 31, 2008 continue to accrue interest and will be distributed upon the first to occur of termination, death or disability or December 31, 2017. No withdrawals are permitted under the SERP.

The Company also maintains the Senior Management Retirement Savings Plan (“SMRSP”), which is an unfunded defined contribution plan for certain of our employees, including Mr. Stuart, who were employed by the Company prior to 2001. Mr. Stuart is the only Named Executive Officer who is eligible to participate in the SMRSP. The Company made contributions on behalf of the participants to compensate them for differences between the qualified plan benefits that were previously available under the Company’s cash balance pension plan and the redesigned 401(k) Plan. We credit participants under the SMRSP Plan for the difference in the amount that would have been contributed by us to the Company’s previous Norwegian Cruise Line Pension Plan and the qualified plan maximums of the new 401(k) Plan. Participants do not make contributions to this plan. Participant accounts are credited with earnings based upon the rate of return in the JPMorgan Chase Bank Stable Asset Income Fund, subject to a 5% maximum. For 2014, the rate of return used was 1.27%. In order to comply with and avoid adverse consequences under applicable tax rules,

Vested, accrued balances for services performed prior to December 31, 2008 continue to accrue interest and will be distributed upon the first to occur of termination, death or disability or December 31, 2017. No withdrawals are permitted under the SMRSP.

POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE IN CONTROL

For all of our NEOs other than Mr. Madsen, the following section describes the benefits that would have become payable to the Named Executive Officers in connection with a termination of their employment and/or a change in control of the Company occurring on December 31, 2014. For Mr. Madsen, the following section describes the severance benefits that he became entitled to receive as a result of his resignation on March 4, 2015. All of the benefits described below would be or were provided by us. Please see “Compensation Discussion and Analysis” above for a discussion of how the level of these benefits was determined.

In addition to the benefits described below, outstanding performance-based options and unvested restricted shares held by our Named Executive Officers on December 31, 2014 may also have become vested in connection with a change in control if the change in control constituted a “realization event” (which is generally defined to mean any receipt of cash dividends, distributions or sale proceeds with respect to our ordinary shares) for the Apollo Holders and the applicable vesting conditions were satisfied. Our Named Executive Officers would also be entitled to receive any accrued benefits disclosed above under “Nonqualified Deferred Compensation” in connection with a termination of their employment.

Frank J. Del Rio

Mr. Del Rio’s employment agreement provides for certain benefits to be paid to Mr. Del Rio in connection with a termination of his employment with the Company under the circumstances described below. In each case, Mr. Del Rio is entitled to receive all amounts that he has earned but are unpaid regardless of the circumstances under which his employment terminates (his “accrued obligations”).

Severance Benefits—Termination of Employment. In the event that Mr. Del Rio’s employment is terminated during the employment term either by the Company without “cause” or by Mr. Del Rio for “good reason” (as those terms are defined in the Employment Agreement), Mr. Del Rio will be entitled to receive:

- a lump sum payment equal to two times the sum of: (1) his highest rate of annualized base salary in effect during the one-year period before the severance date and (2) his target bonus applied to the base salary determined in clause (1);
- continued payment of his automobile allowance, country club dues and income tax preparation benefits specified in his employment agreement for two years after the severance date;
- continuation of medical and dental coverage for Mr. Del Rio and his eligible dependents on the same terms as actively employed senior executives for two years after the severance date;
- a pro-rata portion of his annual bonus for the year in which the severance date occurs, with the pro-rata portion determined based on performance through the severance date; and
- accelerated vesting in the next installment of each outstanding option award that would otherwise be scheduled to vest following the severance date, and an extended term of up to one-year in which to exercise any vested options.

In addition, in the event of a change in control, Mr. Del Rio will be entitled to receive a “gross up” payment for any excise taxes that may be payable in connection with the change in control pursuant to Sections 280G and 4999 of the Code. Mr. Del Rio’s right to receive the severance benefits described above is subject to him executing a release of claims in favor of the Company.

Severance Benefits—Other Terminations. In the event that Mr. Del Rio’s employment is terminated for any other reason (death, disability, by the Company for cause or by Mr. Del Rio other than for good reason), he will only be entitled to receive his accrued obligations.

Restrictive Covenants. Pursuant to Mr. Del Rio's employment agreement, he has agreed not to disclose any confidential information of the Company and its affiliates at any time during or after his employment with the Company. In addition, Mr. Del Rio has agreed that for a period of one year (two years in the case

of a resignation without good reason) after his employment terminates he will not compete with certain restricted competitors of the Company, and for a period of one year after the last date compensation is paid to him by the Company, he will not solicit the employees of the Company or its affiliates.

Kevin M. Sheehan

In connection with Mr. Sheehan’s resignation on January 8, 2015, he became entitled to receive the following benefits pursuant to a separation agreement that he entered into with us: (1) all of his accrued and unpaid base salary (and accrued and unpaid vacation time) through the date of his resignation, (2) \$1,627,500, which represents the second installment of his previously approved Acquisition-related annual bonus (which is already reflected in the “2014 Summary Compensation” table above), (3) a one-time cash separation payment in an amount equal to his base salary and target bonus (having a value equal to \$3,255,000), (4) vesting of a portion of his outstanding unvested equity-based awards (having a value equal to \$16,071,280 on the date of his resignation based on the NCLH share price on that date and the “spread” value of his options), and (5) continuation of medical and dental coverage for himself and his eligible dependents (having an estimated value of \$63,335) on substantially the same terms and conditions provided to active employees of the Company until the first to occur of: (1) the end of the month in which he turns 65; (2) the date of his death; (3) the date he becomes eligible for Medicare benefits under the Social Security Act, or; (4) the date he becomes eligible for coverage under the health plan of a future employer. The term of Mr. Sheehan’s vested options was also extended until 90 days after the date of the Company’s announcement of its financial results for 2014. Although the preceding paragraph describes the benefits Mr. Sheehan actually became entitled to receive as a result of his resignation, because his resignation occurred after December 31, 2014, SEC rules also require us to disclose the benefits that Mr. Sheehan would have been entitled to receive had his resignation occurred on December 31, 2014 pursuant to the agreements in effect on that date.

Mr. Sheehan’s employment agreement with the Company provided for certain benefits to be paid to Mr. Sheehan in connection with a termination of his employment with the Company under the circumstances described below. In each case, Mr. Sheehan would have been entitled to receive all amounts that he had earned but were unpaid regardless of the circumstances under which his employment terminated (his “accrued obligations”).

Severance Benefits—Termination of Employment. In the event that Mr. Sheehan’s employment was terminated during the employment term either by the Company without “cause” or by Mr. Sheehan as a result of a “constructive termination” (as those terms are defined in the Employment Agreement) or because the Company elected not to extend the term of his Employment Agreement, Mr. Sheehan would have been entitled to receive:

- a lump sum payment equal to two times the sum of: (1) his current base salary at the annualized rate in effect on the severance date and (2) his Target Bonus for the year in which the severance date occurred; and

- continuation of medical and dental coverage for Mr. Sheehan and his eligible dependents on substantially the same terms and conditions provided to active employees of the Company until the first to occur of: (1) the end of the month in which he turns 65; (2) the date of his death; (3) the date he becomes eligible for Medicare benefits under the Social Security Act, or; (4) the date he becomes eligible for coverage under the health plan of a future employer.

In addition, if Mr. Sheehan’s employment was terminated by the Company without cause or by Mr. Sheehan as a result of a constructive termination, Mr. Sheehan would have been entitled to accelerated vesting of one-third of the total number of unvested restricted shares received in exchange for the profits interests originally granted to Mr. Sheehan in July 2009 that are outstanding and unvested on his severance date as well as one-third of the options issued to him related to the profits interests originally granted to Mr. Sheehan in July 2009. Mr. Sheehan would also be entitled to accelerated vesting of all unvested stock options granted under his new employment agreement. Mr. Sheehan’s right to receive the severance benefits described above was subject to him executing a release of claims in favor of the Company.

TABLE OF CONTENTS

Severance Benefits—Other Terminations. In the event that Mr. Sheehan’s employment was terminated for any other reason (death, disability, by the Company for cause or by Mr. Sheehan other than for constructive termination), he would only be entitled to receive his accrued obligations.

Restrictive Covenants. Pursuant to Mr. Sheehan’s employment agreement, he has agreed not to disclose any confidential information of the Company and its affiliates at any time during or after his employment with the Company. In addition, Mr. Sheehan has agreed that for a period of one year after his employment terminates he will not compete with the business of the Company or its affiliates, for a period of two years after his employment terminates, he will not solicit the employees of the Company or its affiliates and for a period of one year after his employment terminates, he will not solicit the guests of the Company or its affiliates.

Andrew Madsen

Mr. Madsen became entitled to receive the following benefits as a result of his resignation on March 4, 2015: (1) an amount equal to one times his base salary (\$750,000), payable over a twelve month period in accordance with the Company’s regular payroll cycle practices following his resignation, and (2) continuation of medical and dental coverage for himself and his eligible dependents on substantially the same terms and conditions in effect on his resignation until the first to occur of: (1) twelve months following his resignation; (2) the date of his death; (3) the date he becomes eligible for coverage under the health plan of a future employer; or (4) the date the Company is no longer obligated to offer him COBRA continuation coverage. (The estimated value of the continued medical benefits is \$24,692.) Mr. Madsen has agreed not to disclose any confidential information of the Company and its affiliates at any time during or after his employment with the Company. In addition, Mr. Madsen has agreed that for a period of one year after his resignation, he will not compete with the business of the Company or its affiliates and for a period of two years after his resignation, he will not solicit the employees or guests of the Company or its affiliates.

Other Named Executive Officers

The employment agreement of each of Ms. Beck and Mr. Stuart with the Company, described above under the heading “Description of Employment Agreements—Salary and Bonus Amounts,” provides for certain benefits to be paid to each Named Executive Officer in connection with a termination of his or her employment with the Company under the circumstances described below. In each case, Ms. Beck and Mr. Stuart are entitled to receive all amounts that he or she has earned but are unpaid regardless of the circumstances under which his or her employment terminates (his or her “accrued obligations”).

Severance Benefits—Termination of Employment. In the event that Ms. Beck’s or Mr. Stuart’s employment is terminated during the employment term by the Company without “cause,” the Named Executive Officer will be entitled to receive:

- an amount equal to one times the executive’s then current base salary at the annualized rate in effect on the severance date, payable over a twelve month period in accordance with the Company’s regular payroll cycle practices following termination, and;

- continuation of medical and dental coverage for the executive and his or her eligible dependents on substantially the same terms and conditions in effect on his or her termination until the first to occur of: (1) twelve months following termination, (2) the date of his or her death; (3) the date he or she becomes eligible for coverage under the health plan of a future employer; or (4) the date the Company is no longer obligated to offer her or him COBRA continuation coverage.

Each of Ms. Beck’s and Mr. Stuart’s right to receive the severance benefits described above is subject to him or her executing a release of claims in favor of the Company.

Severance Benefits—Other Terminations. In the event that Ms. Beck’s or Mr. Stuart’s employment is terminated by the Company for any other reason (death, disability, by the Company for cause or by the Named Executive Officer other than for constructive termination), he or she will only be entitled to receive his or her accrued obligations.

Restrictive Covenants. Pursuant to each of Ms. Beck's and Mr. Stuart's employment agreement, each Named Executive Officer has agreed not to disclose any confidential information of the Company and its affiliates at any time during or after his or her employment with the Company. In addition, each Named Executive Officer has agreed that for a period of one year after his or her employment terminates he or she will not compete with the business of the Company or its affiliates and for a period of two years after his or her employment terminates, the executive will not solicit the employees or guests of the Company or its affiliates.

PROPOSAL 2 — ADVISORY APPROVAL OF THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

The Company is providing its shareholders with the opportunity to vote, on non-binding, advisory basis, on the compensation of our NEOs as disclosed in this Proxy Statement.

As described in detail under the heading “Compensation Discussion and Analysis,” our executive compensation programs are designed to achieve two principal objectives: (i) effectively attract and retain executives with the requisite skills and experience to help us achieve our business objectives and develop, expand and execute business opportunities that improve long-term shareholder value; and (ii) encourage executives to achieve our short-term and long-term business objectives and increase long-term shareholder value by linking executive compensation to Company performance, increases in long-term shareholder value and individual performance.

Shareholders are urged to read the Compensation Discussion and Analysis, which discusses in detail how our compensation policies and procedures implement our compensation philosophy.

We are asking our shareholders to indicate their support for our NEOs’ compensation as described in this Proxy Statement. The vote on this resolution, commonly known as a “say-on-pay-vote”, is not intended to address any specific element of compensation; rather, the vote relates to the overall compensation of our NEOs. The vote is advisory, which means that the vote is not binding on the Company, our Board or the Compensation Committee. However, the Compensation Committee, which is responsible for designing and administering the Company’s executive compensation program, values the opinions expressed by shareholders in their vote on this proposal and will consider the outcome of the vote when making future compensation decisions for NEOs.

In accordance with the requirements of Section 14A of the Exchange Act and the related rules of the SEC, our Board requests your advisory vote on the following resolution at the Annual General Meeting:

RESOLVED, that the shareholders of the Company approve, on an advisory basis, the overall compensation of the Company’s named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, the compensation tables and the accompanying narrative disclosures set forth in the Proxy Statement for this Annual General Meeting.

The Company’s current policy is to provide shareholders with an opportunity to approve the compensation of our NEOs each year at the annual general meeting of shareholders. It is expected that the next such vote will occur at the 2016 annual general meeting of shareholders.

Board Recommendation

THE BOARD UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE “FOR” ADVISORY APPROVAL OF THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS AS DISCLOSED IN THIS PROXY STATEMENT.

As required by our bye-laws and applicable law, the appointment of PwC and the fixing of PwC's remuneration must be approved by the shareholders at the Annual General Meeting. If shareholders do not ratify the appointment of PwC and the Audit Committee's determination of PwC's remuneration, the Audit Committee will consider the appointment of another independent registered certified public accounting firm. In addition, even if shareholders ratify the Audit Committee's selection, the Audit Committee, in its discretion, may still appoint a different independent registered certified public accounting firm if it believes that such a change would be in the best interests of NCLH and its shareholders.

A representative of PwC is expected to attend the Annual General Meeting. The representative will have the opportunity to make a statement if he or she desires to do so, and is expected to be available to answer appropriate questions.

The Audit Committee pre-approved all of the non-audit services provided by our independent registered certified public accounting firm in 2014 and 2013.

During 2013, we implemented a restructuring plan to provide a global tax platform for international expansion. As part of the plan, the Company became a tax resident of the U.K. As such, it qualifies for relief from U.S. Branch Profits taxes under the U.S.-U.K. Tax Treaty. In addition, the restructuring resulted in additional interest and depreciation which reduced the Company's overall income tax expense.

AUDIT COMMITTEE REPORT

The Audit Committee of the Board assists the Board in performing its oversight responsibilities for our financial reporting process, audit process and internal controls as more fully described in the written charter of the Audit Committee. Management has the primary responsibility for the financial statements and the reporting process, including the system of internal controls. Our independent registered certified public accounting firm is responsible for performing an independent audit of our consolidated financial statements and internal control over financial reporting in accordance with the auditing standards of the Public Company Accounting Oversight Board (United States) and to issue a report thereon.

In the performance of its oversight function, the Audit Committee reviewed and discussed our audited consolidated financial statements for the year ended December 31, 2014 with management and with our independent registered certified public accounting firm. In addition, the Audit Committee discussed with our independent registered certified public accounting firm the matters required to be discussed by Auditing Standard No. 16, as adopted by the Public Company Accounting Oversight Board, which includes, among other items, matters related to the conduct of the audit of our financial statements. The Audit Committee has also received and reviewed the written disclosures and the letter from our independent registered certified public accounting firm required by the applicable requirements of the Public Company Accounting Oversight Board regarding the accounting firm's communications with the Audit Committee concerning independence and has discussed with our independent registered certified public accounting firm that firm's independence and considered whether the non-audit services provided by the independent registered certified public accounting firm are compatible with maintaining its independence.

Based on the review and discussions with management and our independent registered certified public accounting firm described above, the Audit Committee recommended to the Board that the audited consolidated financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2014 filed with the SEC.

PROPOSAL 4 — AMENDMENT TO BYE-LAWS

Currently, bye-law 24 of our bye-laws requires that the Company request the consent of each shareholder prior to delivering a notice, information or documents by electronic means, including by making such information available via a website. The Board has approved, and is asking the shareholders of the Company to approve, a proposed amendment to bye-law 24. The purpose of the proposed amendment is to clarify the notice provisions set forth in bye-law 24 in order to facilitate the Company's use of the SEC's rules regarding notice and access, which permit companies to furnish their proxy materials to shareholders over the Internet. The Board believes the proposed amendment to the Company's bye-laws is in the best interests of the Company's shareholders and would expedite our shareholders' receipt of proxy materials and reduce costs associated with the Company's future annual general meetings of shareholders by enabling the Company to furnish proxy materials to shareholders over the Internet instead of mailing a printed copy to all shareholders.

The foregoing summary of the proposed amendment to bye-law 24 of the Company's bye-laws is qualified in its entirety by reference to the full text of the proposed amendment, which is attached as Appendix A. Additions to the text of the Company's bye-laws contained in Appendix A are indicated by underlining, and deletions of the text are indicated by strike-outs.

In accordance with the Company's bye-laws, our Board requests your vote on the following resolution at the Annual General Meeting:

RESOLVED, that the shareholders of the Company approve the amendment to the Company's bye-laws set forth in Appendix A to the Proxy Statement in order to clarify the notice provisions in the Company's bye-laws.

Our Board has approved the amendment to bye-law 24 of our bye-laws set forth in Appendix A, subject to and conditioned upon shareholder approval of the proposed amendment at the Annual General Meeting. If approved, the amendment to bye-law 24 will become effective immediately following the Annual General Meeting and will apply to all future meetings of shareholders, thereby enabling the Company to furnish proxy materials to shareholders over the Internet using the SEC's notice and access rules. If the proposed amendment to our bye-laws is not approved, bye-law 24 of our bye-laws will remain as currently in effect and the existing notice and consent requirements set forth therein would continue to apply to all future meetings of shareholders.

Board Recommendation

THE BOARD UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE APPROVAL OF THE AMENDMENT TO THE COMPANY'S BYE-LAWS TO CLARIFY THE NOTICE PROVISIONS UNDER THE COMPANY'S BYE-LAWS.

DEADLINE FOR RECEIPT OF SHAREHOLDER PROPOSALS FOR THE 2016 ANNUAL GENERAL MEETING OF SHAREHOLDERS

In order for a shareholder proposal to be eligible for inclusion in our proxy statement under the rules of the SEC for next year's 2016 annual general meeting of shareholders, the written proposal must be received by the Assistant Secretary of the Company at our offices no later than December 18, 2015 and must comply with the requirements of Rule 14a-8 of the Exchange Act. If we change the date of the 2016 annual general meeting of shareholders by more than 30 days from the anniversary of this year's meeting, shareholder proposals must be received a reasonable time before we begin to print and mail our proxy materials for the 2016 annual general meeting of shareholders.

Our bye-laws provide that in order for a shareholder proposal to be presented at our 2016 annual general meeting of shareholders, including shareholder nominations for candidates for election as directors, written notice to the Assistant Secretary of the Company of such shareholder proposal or director nomination must be received at our executive offices not earlier than the close of business on the 120th day and not later than the close of business on the 90th day prior to the first anniversary date of the preceding annual general meeting of shareholders. This requirement is independent of and in addition to the notice required under SEC rules for inclusion of a shareholder proposal in our proxy materials. As a result, shareholders who intend to present proposals or director nominations at the 2016 annual general meeting of shareholders under these provisions must give written notice of the proposal to the Assistant Secretary no earlier than January 21, 2016, and no later than February 20, 2016. However, if the date of the 2016 annual general meeting of shareholders is a date that is more than 30 days before or more than 60 days after May 20, 2016, the anniversary date of the 2015 Annual General Meeting, notice by a shareholder of a proposal must be received no earlier than the close of business on the 120th day prior to the date of the 2016 annual general meeting of shareholders and no later than the close of business on the later of the 90th day prior to the 2016 annual general meeting of shareholders, or if the first public announcement of the 2016 annual general meeting of the shareholders is less than 100 days prior to such meeting date, the 10th day after the public announcement of such date.

Our bye-laws require that a shareholder must provide certain information concerning the proposing person, the nominee and the proposal, as applicable. Nominations and proposals not meeting the requirements set forth in our bye-laws will not be entertained at the 2016 annual general meeting of shareholders. Shareholders should contact the Assistant Secretary in writing at 7665 Corporate Center Drive, Miami, Florida 33126 to obtain additional information as to the proper form and content of shareholder nominations or proposals.
